

Wheeling the "A,"

The official newsletter of The Wisconsin Chapter Model "A" Ford Club of America

VOL LI ISSUE 4 CIRCULATION 297 APRIL 2010

Winners of the Chili/Salsa/Chocolate Cookoff See page 17 for story.

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

THE SPRING PHOTO RALLY
Sunday April 25th
Rally start time: 12:30 pm

Start location: McDonalds in Muskego, corner of Janesville Road (Cty L) and Racine Avenue (Cty Y)

End Place: AJs Bar and Grill (At the Boxhorn Gun Club on Big Muskego Lake) S90 W13970 Boxhorn Drive, Muskego.

C'mon....join us on the FIRST ever Model A Photo Rally. We'll be whipping up an A rally that's a bit different than what we are used to. All we need is a good turnout from all you fine folks and some sunny spring weather! If you have questions, please call:
Dave Rozman at 414-333-9705 or Mike Yokofich at 414-651-1243
See you in SPRING!

Tour hosts,
Mike & Sandy Yokofich and Dave & Carol Rozman

“A” Historical Tour
Forest Home Cemetery
Sunday, May 16th

Most would call the 1840s simpler times. But for Milwaukee's early settlers, the times called for vitally important and lasting decisions.

Have you ever been curious about who was responsible for how this great city on the lake came to be? How would you like to come and spend the afternoon visiting the likes of the Uihleins, Pabsts Falks, and other notables?

Please join us for a very interesting and informative tour guided by Dr. Paul Haubrich, retired professor and head of the education department at UW-Milwaukee.

More information next month!

*Meeting Place: Arrive: 12:00PM at Culver's on Hwy. 100 & Forest Home Ave.
Hales Corners*

Depart: 12:30PM for Forest Home Cemetery.

*Ending Place: Charcoal Grill
15375 W. Greenfield Ave.
New Berlin*

*Chairpersons: Chuck & Kris Morgan 414-425-5217
Paul, Pat & Joy Piotrowski 262-513-1089*

Reminiscing with the Historian

FIFTY YEARS AGO, 1960 - No information available

FORTY-FIVE YEARS AGO, 1965 - A car rally was organized that started at Brookfield Mall and ended at Stanton's Hall. Eleven Model A's, one Model B, and three modern cars participated. The winner was Marv Powell, who was presented with a silver cup.

FORTY YEARS AGO, 1970 - We were invited to Carthage College in Kenosha to display our cars for the students and their families. An economy run was planned for the first outdoor meet. It started at 60th and National and ended in Mukwonago. Fifteen cars participated and the winner was Art Peterson, who got 26.6 mpg!

THIRTY-FIVE YEARS AGO, 1975 - Plans were being made for our 10th annual swap meet at a new location: MacArthur Square. Movies were shown of past events at the indoor meet.

THIRTY YEARS AGO, 1980 - The first outdoor meet of the season began at Brookfield Square and ended at the Jolly Fisherman on Pewaukee Lake.

TWENTY-FIVE YEARS AGO, 1985 - Dash plaques were given to all who participated in the first outdoor meet that went from Southridge Shopping Center to the Knights of Columbus Hall on Oklahoma Ave. A technical seminar was held at Avenue Brake Shop. The topic was car judging.

TWENTY YEARS AGO, 1990 - Dennis and Margaret Haag hosted our first outdoor tour. They took us through the countryside in Ozaukee County, along the lake and then to Belgium, Wisconsin.

FIFTEEN YEARS AGO, 1995 - Carl & Bobbie Weckwerth and Wally & Sally Kaufman hosted our spring tour to Elkhorn, where we toured Watson's Wild West Museum.

TEN YEARS AGO, 2000 - The spring tour started at 76th and Rawson, taking us into Illinois and to the Old Volo Country Village. We toured the 100,000 sq. ft. facility that housed antiques and cars.

FIVE YEARS AGO, 2005 - The spring tour took us to the Matt Kenseth NASCAR showroom and on to Cambridge. The tour was hosted by Stan and Pat Larson.

August 28 - Gundrum's Public Enemy Car Show, West Bend

September 25-26 - Fall Jefferson

From The President

Hello everyone,

As I write this months column, spring like weather is temporarily here, but the weather man says snow is on the way again. I guess you can't push Mother Nature. I'll just have to wait a little longer to bring the Model A home. As we approach spring and you receive this, the first tour of the season is right around the corner and I'm sure it will be a good one, so plan to attend and be part of the fun.

A big "thank you" goes out to everyone that helped and supported our club swap meet. Sue and I were out of town that week, but I heard it's another great success and well attended by vendors and buyers. This event is our club's biggest fund raiser and its great to see so many of our club members helping out in all the different areas. Thanks to Roger and Jan Olsen for their hard work on the swap meet.

Our last indoor event before the car season was a great success. Thanks Dan Kane and Sally Neuen-schwander for your help and thanks to all the club members that supplied us with the great chili / salsa and chocolate. I know, nobody walked away hungry.

As I finish this I can tell you all that our club is in great shape and running smoothly because of all the help and work everyone in the club does on a daily basis. Please remember that the club belongs to all of the members so if you have a question or suggestion please bring to any board member. Thanks again to all the members for your help and support.

See you next month,
Mike

Wisconsin Chapter MAFCA Membership Meeting Minutes for March 14, 2010

Present: Steve Lewis, Mike Quam, Roger Olsen, Sue Quam, Dave Boucher, Bob Davisson and Paul Piotrowski. Absent: Gene Taurman & Dave Heunink.

Meeting called to order at 1:30 p.m. by President Quam. Followed with the Pledge of Allegiance.

Vice President – Gene Taurman: Mike reported for Gene. We have four new members: Matthew Krueger from West Allis, Jamie Jarosz from Delavan, John Jarosz from Delavan, and John Heusser from Elkhorn.

Secretary – Sue Quam: A motion to accept the minutes from the previous as written was made by Stan Larson and seconded by Carl Doro. Currently we have 269 members.

Treasurer – Paul Piotrowski: Treasurers report was read and explained. Bills were turned in. A motion to pay the bills was made by Pat Larson and seconded by Greg Jennik. Income was turned in from Stan L. for the Waupaca trip.

Outdoor Meet Coordinator – Dave Boucher: Just to clarify last months minutes, where it said “we would not be doing that Pony Express” that was Dave B. saying he personally was not doing the Pony Express. Anyone wishing to do the Pony Express trip can ask Dave B. for the information. The April spring start up tour will be a photo rally, you will need a navigator. All information will be in the Wheeling. Be sure to check the “advanced timing” for all the tours and events coming up. Remember to turn in your mileage to Dave B. on a monthly basis for the Million Mileage Challenge. If you’re hosting an event, make sure to have your information to the editor two months prior to the event.

Indoor Meet Coordinator – Steve Lewis: November will be the next indoor meeting, which will be a Polish poker tournament. Decembers, Christmas party will need a host. January will be the custard social & election. February will be an era trivia contest and March is open. Volunteers and ideas are welcome.

Technical Meet Coordinator – Roger Olsen: Up-coming seminar will be getting your car ready for summer. The last seminar went well; we discovered we need a few tools or parts for the lathe.

Accessories & MAFCA Correspondent - Bob Davisson: Items are out on the table for sale. Order form for clothing is in the Wheeling.

Sunshine & Awards – Dave Huenink: Mike Q. reporting for Dave. Nothing to report.

Old Business:

Dave Heunink is going to do some more looking into club sponsors.

Swap meet report by Roger O. – Thank you to all the volunteers that helped! Was possibly the best swap meet in recent years. We sold out all 225 vendor spots. Just under 2,000 came through the front door. We saw a nice increase in gate sales and the vendors were happy. Thanks to people who gave above and beyond in volunteering.

New Business:

Carl Doro, webmaster, is asking for members to send pictures of their cars to him for a section on the website. If you’re an event host and anything changes, contact Carl and he can post the changes to the website, and send an email to all members, notifying them of the changes.

Roger O. reports that a committee is needed for the swap meet. Volunteers are needed for this committee. We need people to be in charge of certain areas of the swap meet, Roger and Jan can not do it all anymore. Contact any board member if you’re interested in being on this committee.

Door prizes were drawn.

Motion to adjourn was made by Neil Besougloff and seconded by Bob Schaeffer. Meeting adjourned at 2:00 p.m.

Submitted by
Sue Quam, Secretary

LOOKING BACK.....IN THE REARVIEW MIRROR

45th Annual Greater Milwaukee Area Winter Swap

Thank you all who took time to volunteer at our Wisconsin Chapter Greater Milwaukee Area Winter Swap in West Bend on Sunday, February 28, 2010.

Once again we had a fantastic group of volunteers doing what needed to get done . . . from marking spaces at midnight to cleaning up after everyone was long gone. From start to finish, we had a terrific crew that pitched in wherever they saw something that needed to be done.

We received lots of compliments from vendors about our early morning volunteers that helped vendors unload. Just think, in slightly more than three hours all vendors got in their assigned places, unload their merchandise, and were ready to sell before all the bargain hunters entered the door.

Bob Sonnen	Gene Taurman	Dennis Wagner
Mike Yokofich		

We appreciate you taking your time to volunteer to help our Wisconsin Chapter, Inc. MAFCA have a successful swap. (Yes, you see people listed that are not club members that volunteered their time to work for our club)

Thank You!

Roger & Jan

P.S.

Our 46th Annual Greater Milwaukee Area Winter Swap Meet will be Sunday, February 27, 2011, at Washington County Fair Grounds in West Bend.

Learning to Use Our Lathe

We started out using our lathe by learning how to turn down an oil pump shaft from 1/2" to 3/8" to increase oil flow . The Model B pump was of this type to supply oil pressure to the cam and main bearings due to the fact the B engine has pressurized main bearings. This will help those who would like to have more flow for their oil filters.

We also learned how to fix a steering shaft. Jeff showed us how to drill out and re-thread for the new fitting available at Mail Truck. We learned how to repair the shaft in a short time for about \$23.00 instead of purchasing a new one for more than \$90.00.

Roger, Tech Chair

Setting up a steering shaft to drill off old threads and make new ones.

John, Jim, and Mark listen as Roger explains about the lathe.

Working on the lathe

History of the Lathe:

The lathe is an ancient tool, dating at least to the Egyptians and known and used in Assyria, Greece, the Roman and Byzantine Empires.

The origin of turning dates to around 1300 BC when the Egyptians first developed a two-person lathe. One person would turn the wood work piece with a rope while the other used a sharp tool to cut shapes in the wood. The Romans improved the Egyptian design with the addition of a turning bow. Early bow lathes were also developed and used in Germany, France and Britain. In the middle ages a pedal replaced hand-operated turning, freeing both the craftsman's hands to hold the woodturning tools. The pedal was usually connected to a pole, often a straight-grained sapling. The system today is called the "spring pole" lathe. Spring pole lathes were in common use into the early 20th century. A two-person lathe, called a "great lathe", allowed a piece to turn continuously (like today's power lathes). A master would cut the wood while an apprentice turned the crank.

During the industrial revolution, mechanized power generated by water wheels or steam engines was transmitted to the lathe via line shafting, allowing faster and easier work. The design of lathes diverged between woodworking and metalworking to a greater extent than in previous centuries. Metalworking lathes evolved into heavier machines with thicker, more rigid parts. The application of lead screws slide rests, and gearing produced commercially practical screw cutting lathes. Between the late 19th and mid-20th centuries, individual electric motors at each lathe replaced line shafting as the power source. Beginning in the 1950s, servomechanisms were applied to the control of lathes and other machine tools via numerical control (NC), which often was coupled with computers to yield computerized numerical control (CNC). Today manually controlled and CNC lathes coexist in the manufacturing industries.

CHILI, SALSA, CHOCOLATE COOKOFF

Thank you to everyone who participated in this event, making it a very successful and fun afternoon of tasting. I do believe the chocolate category was everyone's favorite.....

Congrats to the winners in each category:

Chili - Out of a total of 39 votes there was a tie between 1st and 2nd place, each with 17 votes. A drawing was held to break the tie with our first place winners being Carol Rozman & Sandy Yokofich! Second place trophy went home with Dave Neuman and third place went to Laura Smith. TASTY ENTRIES ALL!

Salsa - Out of 37 total votes 1st place went to Dave Boucher with 11 votes! Steve Lewis took 2nd with 10 votes, and Kay McCaffery 3rd place with 8 votes. WONDERFUL TO HAVE SO MANY GREAT ENTRIES!

Chocolate - Out of 42 total votes 1st place went to Donna Boucher with 10 votes. Deb Lewis took home 2nd with 7 votes and 3rd place was won by Pat Larson with 5 votes. IT SEEMS EVERYONE HAD FUN TRYING ALL 10 ENTRIES-INCLUDING SOME SECOND TRIPS TO THE TABLE!

I'd like to recognize everyone who brought entries to the table: Dave & Donna Boucher, Kris Morgan, Dave Neuman, Lynn Wagner, Lu Doro, Deb & Steve Lewis, Pat Larson, Jess Janke, Cheryl Baewer, Cheryl Prochnow, Kay McCaffery, Laura Smith, Sandy Yokofich, & Carol Rozman.

Next year is shaping up to be another tastefully fun event with possible new categories and selections to try! Thanks again to all who have helped Dan and I with the indoor meets the last two years. It was very much appreciated and we hope each month was enjoyed by all who attended.
