## Notes from the President for April

Wow, what a month it has been! February marked our major club fundraiser, our Swap Meet out at the Washington County Fairgrounds. Although Mother Nature was not our friend that day, we still had enough attendees come out to make the majority of our vendors leave with their wallets full and their trucks empty. Again the event was run well with many compliments from the vendors. If you attended and have comments, concerns or suggestions please let Vicki Cooper, Jeana Angelini or I know so we can follow-up.

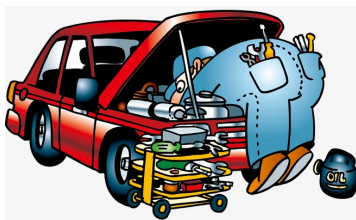

**I have some exciting club news. Richard and Bonnie Moschell have volunteered to host the club for technical seminars at their shop.** The first one will be held on Thursday, April 18<sup>th</sup> at 7:00 pm. Mark your calendars and look for details in a separate article in the newsletter as well as on our website. We will send out email blasts as well. Please come and tour the shop and learn some tips and tricks on maintaining your Chitty.

Well, let see, the Swap Meet is over, the clocks have been sprung ahead an hour, and our last indoor event of season has concluded. That has to mean spring is near. I was disappointed to find out our first tour of the season may not be until May as no one volunteered to host April. Keep in mind these tours don't have to be grandiose events. It is nice just to drive and see the country with our Model A friends. All you need is a well-planned out route that is printed out with a beginning place and an end place. You'll have to advertise the event for 2 months prior to and prepare a summary of the event when it is over for the newsletter. If you have an idea there is always someone willing to help you out.

As we do get ready to hit the roads, I want to remind everyone to be sure to prepare your car for the driving season. The roster contains some nice guidelines to review, especially if you are not able to attend our tech seminar in April. When traveling in large groups as we do, keep in mind it is not safe to pull to the side of the road to keep everyone together. We should all have maps/route instructions to be able to get to our destinations. The exception would be if someone breaks down; please have one or two cars stop to help them if you are able to assist. Most of us carry cell phones to call for additional help if needed. Lastly, if you are participating in any parades we have some safety tips listed in the roster to help keep you safe as well as the attendees. Life is short, there are a lot of crazy drivers out there, be safe my friends!

Ahooga!!!  
Deb

*57th Annual  
Model A Reunion  
July 26th-27th-28th, 2019  
YOU AND YOUR FAMILY ARE INVITED...*

**This Model "A" Reunion** is the greatest gathering of old Fords and old Ford enthusiasts in Wisconsin. This Reunion started in 1962, and is sponsored by four clubs: Central Wisconsin Chapter MARC/MAFCA, Nickle A Region MARC, Wisconsin Chapter MAFCA, and the Wisconsin Region MARC.

The meet consists of a weekend of enjoying Model A's and Model A fellowship, and includes a Tour around the Rapids area, People's Choice Awards, Car Games, Kids' Games, Adult Games, a Hubley Derby, Chapter Team Events, Rolling Pin Toss, a Dance, Fund-Raising Auctions, Shoe Box Swap Meet, as well as lots of surprises and fun.

**The Reunion is held** the last full weekend in July, unless it conflicts with a National MARC or MAFCA meet. The Central Wisconsin Chapter MARC/MAFCA hosts the reunion on their private 10-acre site, which includes a clubhouse, wooded campsites, and is close to many nice motels and restaurants.

**Location:** The clubgrounds are located 4 miles east of Wisconsin Rapids, or 11 miles west of Plover, just south of state Highway 54. Turn south on 72nd Street North (a dead end road). Watch for signs.

**Weekend Activities**

Refreshments are available throughout the weekend for registered participants.

**Good Food:** A potluck lunch will be held on Saturday and Sunday. Participants are asked to bring 2 dishes to pass (one for each day). Friday and Saturday evening, you may want to roast hot dogs at your campsite or go out for a relaxed dinner at one of the nearby restaurants with a group of your new friends.

**Friday** afternoon the registration table opens. An Auction will be held in the evening of Model A related items, as well as other donated items for the kids, ladies, and men. There will also be a corn roast.

**Saturday** morning starts with a Shoe Box Swap Meet, Technical Seminar. This will be followed by a Ski Race then a noon potluck, and then a driving tour. A Basket Raffle will be held throughout the day, with the drawing that night. There will also be a Slow Drive competition for the Model A's, a Hubley Derby Kids' Games and Adult Games. A dance will be held at the clubhouse for the evening's entertainment.

**Sunday** is a day of Car Games, Potluck Lunch, Chapter Team Events, and a Ladies Rolling Pin Toss, followed by the awards presentation and Raffle Drawings.

The meeting was called to order at 1:34 p.m.

**President** – Deb - The Board received the newsletters from the reciprocating clubs. MAFFI sent a thank you note for the \$100.00 donation the club made. A letter was received from the Pasadena High School in California regarding a 1929 Model A roadster they are restoring and raffling off. 750 tickets are available for the raffle at \$100 each. The raffle will be April 20<sup>th</sup>, 2019 in Pasadena California. The winner will be responsible for picking up the car. Deb Lewis has the information, if you are interested. The club is invited to A Trio of Grand Events in Mackinaw Island Michigan. This event is a classic car event and is being held by The Collector Car Club of America (CCCA) May 31 through June 7<sup>th</sup>. The club received an invitation from the Gibraltar Historical Association in Fish Creek, Wisconsin, inviting the membership to display their cars at an event date to be determined, but possibly in August. The theme is weddings. The Wizard of Rods invited the club to a weekend car event. A variety of activities will be held June 14<sup>th</sup> through June 16<sup>th</sup>

**Vice President** – Deb for Jeana. Dan and Joyce Staehle, Brian Narlew, Al Miller, and Don Beaver submitted their application for membership. There were voted in as members at the Board meeting.

**Secretary** – Dave – A motion was made by Sue Quam and seconded by Dave Boucher to accept the February 10<sup>th</sup>, 2019 meeting minutes as written. The motion was put to a vote and it carried. 173 members have renewed their membership. 26 members have not renewed their membership. An email was sent to those members who did not renew their membership. Of the thirty emails sent, six responses were returned and several members renewed.

**Treasurer** – Steve – A report of the revenue and expenses from last month was given. A motion was made by Mike Quam and seconded by Karen Schmiechen to accept the treasurer's report. The motion was put to a vote and it carried. There were not any bills or income turned in. This year's audit of the finances has been completed and the clubs finances are in order. A copy of the financial report was given to the secretary for the clubs permanent records

**Outdoor** – Deb for Kate– Hosts are needed for the

2019 outdoor events. Only a few events have hosts. Ele Gapko and Jan Olsen are going to check out banquet facilities and other spots for the Memorial Day overnigher. Only 4 people have signed up for the event so far. Mark Ackermann mentioned that people will need to pre-register for the clubs annual picnic

**Indoor** – Deb for Vicki – A signup sheet is available to host the meetings for the next indoor season.

**Swap meet report** – The weather was not on the clubs favor. There was a decrease in attendance from 2,114 attendees to 1,100 attendees. The vendors felt they did well. All the vendor swap spaces were sold but because of the weather there were a few vacancies. The income for the event was \$19,000.00, expenses \$7,500.00, and the club will net approximately \$10,500. The club is waiting for a few more bills. A motion was made by Dave Boucher and seconded by Ken Baewer to give 25% of the swap meets profits as a donation to a charity of the Board of Directors choice. A discussion was held. The motion was put to a vote and the motion did not pass.

**Sunshine-** Dave for Linda – Nothing to report

**Old Business** – Nothing to report

**New Business** – Richard Moschell and Jim Sinclair are going to hold a technical seminar in April on a Wednesday or Thursday night. The seminar will be held at Richard Moschell's facility in Union Grove near the Mars Cheese factory. Attendees should bring chairs. Further information will be available in the April issue of Wheeling the A and a mass email will be sent out. A discussion was held regarding the outdoor tours and the hosts stopping along the side of the road and waiting for others to catch up. There are concerns that accidents could happen. All participants should have maps /directions to each destination and must not stop on the side of the roadways to wait for others on the tour to catch up. The membership should review the safety tips and parade tips mentioned in the roster.

A motion was made by Steve Gapko and seconded by Mike Quam to adjourn the meeting. The motion was put to a vote and it carried. The meeting adjourned at 2:30 p.m.

Respectfully submitted,  
Dave Huenink

# 'A' Trip Back to April 1999

Welcome to April 1999! Daylight savings time began on April 4<sup>th</sup>. Our president is Roger Olsen, vice president Stan Larson, secretary Dennis Pierce and treasurer David Dohmeyer.

The April 18<sup>th</sup> Spring Start-up Tour travelled about 41 miles to the Yerkes Observatory. We saw the famed 40" refractor (housed in the 90 foot dome with its impressive 73 foot diameter elevating floor), the world's largest lens-type telescope. We also visited the Observatory's engineering floor (normally off limits to visitors) to see where some of the University of Chicago's cutting edge astrophysical research is done. One of the main attractions in the engineering area is the U. S. Department of Defense (now declassified) Star Wars Adaptive Optics wavefront correction system. (*whatever that is?!*) Lee & Karen Pagel and Jim & Pat Gee were our hosts.

May 16<sup>th</sup> will be the Poker Run hosted by Tom Smith. We will travel the backroads with several stops to pick up a playing card and the best poker hand at the tour's end will win a grandiose prize (maybe!).

## March 10th Indoor Meet Polish Poker

We had three teams competing for prizes on this fair weather Sunday event. The game played is an easy card and dice game that is quick to learn and fun to play. The object is to accumulate the most copper chips, some call them pennies. You didn't need to know anything about poker to play as cards are played face up and tip sheets were provided to each group. The competition was fierce at each table. We had prizes for the winners who had the highest score as well as something for the ones with the lowest score. Snacks and beverages were provided and enjoyed by all. A request was made to bring the game up to the Memorial weekend tour, so if you missed out look forward to playing up in Green Bay.

2019 Swap Meet:

We had another successful year. Although the weather was against us this year we still believe we had a great year. We sure hope the weather will be lots better next year. Vicki and I would like to take this opportunity to say a huge thank you to all of our volunteers. Those of you who volunteered know who you are, they're such a large list it would be almost impossible for me personally to remember everyone who was there. I want to be sure that I don't leave anyone out so that is why am not mentioning any names.

If it wasn't for the volunteers we would not have been as successful as we were. We had very few cancellations and I hope everyone had a wonderful time, as I did. Vicki and I are looking forward to next year the 2020 swap meet.

THANK YOU,

Vicki Cooper and Jeana Angelini
