Last call for 43rd Annual Veterans Day Parade

Four more Model A's are needed for the 43rd annual Milwaukee Veterans Day Parade on **Saturday, Nov. 4**. The parade kicks off in downtown Milwaukee at **11 a.m.**

The parade organizers are eager to have us participate, and they inform us that all 10 cars requested for this event, regardless of whether there are enough dignitaries for each car, definitely will be in the parade.

Instead of meeting near the Summerfest grounds as in past years, this year we have been given passes to bring our cars straight to the parade lineup location.

Neil Besougloff is the event host. In order to coordinate the number of cars and our meeting place and time that morning, **please call Neil at 262-560-1113 ASAP**

“NOVEMBER DESSERT SWAP”

November 5th

1:30PM

After the November board meeting, the fun begins.....Stan and Pat Larson engage us in a game of “dessert swap”. Everyone wishing to play needs to bring a dessert to swap...that can be a pie, a cake, brownies, cookies or anything special you would like to share. It’s a fun time and you’ll never know what dessert you’ll end up with, or who you will battle with over a favorite dessert. Last year we had a battle royal over a banana split torte and a pineapple upside down cake... So come armed and ready to fight for your favorite dessert.

See You at the November 5th Indoor Meeting,
(For any new members see page 3 for Indoor meeting place)

Hosts: Stan and Pat Larson 262-251-1655

NOVEMBER TECHNICAL SEMINAR

THURSDAY NOV. 16TH 7:00PM

AT

AL DOWNS “MAILTRUCK MODEL A PARTS”

8509 S. HOWELL AVE, OAK CREEK

Are you an expert at wood graining? I’m not. I have never even attempted it. If you have done it before, please come and guide us as we make an attempt at it.

Everything I read and everyone I talk to that has done it says it is easy. I guess we will find out how easy it is in November.

All of the supplies will be provided and you are encouraged to try your hand at wood graining.

If you have something that you would like wood grained, bring it to the October seminar or at the latest November 1st. I will apply the base coat so that all pieces will be ready for wood graining on the night of the seminar Nov. 16th.

Once the base coat is on the rest of the process is trial and error. If you don’t like the results you simply wipe it off and try again until you like the results. After that a clear coat is applied to protect it and you are done.

You can bring anything you want. It doesn’t have to be a Model A part. I will apply the base coat for you but you must bring items ready for paint. I won’t be doing body work or paint prep. Remember, 90% of the paint work is preparation. Any defects in the surface will be magnified by the finish coats.

Come, learn and have fun. Who knows we might find a talent we didn’t know we had.

Any Questions call Ed Schultz at 262-251-3043

Christmas Party—December 10th 1:00 PM

The Deadline to register all children 12 and under is November 13th.

There is no fee for members children. Guests however, such as grandchildren or friends are asked to pay a \$10.00 gift fee at time of registration. Please call Lorraine Schultz at 262-251-3043 for your children reservations or you can email Sue Quam at msquam@wi.rr.com

The **ENTERTAINMENT this year is Illusionist David Seebach**. David is a professional illusionist....he has preformed all over the United States. Here's an excerpt from a newspaper article: HE TURNED scarves into flags and bouquets of flowers. He levitated his assistants and made them disappear into thin air, turned yellow liquid into black liquid and made three cards seem to jump mysteriously from one envelope across the stage to another envelope. He even guillotined a 12-year-old volunteer from the audience. The boy, however, who left the stage in one piece and under his own power, said he didn't feel a thing even though the two carrots flanking his head were cleanly cleaved. Here is your chance to see a wonderful show without standing in line to buy tickets....**Don't miss this event**.....mark your calendars now! For more information check out www.davidseebach.com

Please bring a dish to share for the snack table, holiday baking...cheese and crackers.. veggies and dip...popcorn... Fresh fruit... Sausage...anything you'd like to bring is welcome. Beverages will be provided.

Hosts: Ed & Lorraine Schultz and Mike & Sue Quam

The Prez's Notes—NOVEMBER 2006

In 2005, I was the “outdoor meet chairman” for our club. That sounds like a lofty title, but the core of the job is simply coordinating all of our club’s warm-weather driving tours. What does coordinating mean? Making sure we have volunteer hosts for tours that the hosts are planning their tours, and that tour announcements get into our newsletter and website.

One thing I learned from the job was that many members in our club have no idea that hosting a tour is relatively easy.

Here’s how it works:

During one of our winter indoor meets, a signup sheet will be passed around. The sheet lists open-tour dates and recurring events (like our annual trip to Sharon for Model A Days each June and the Lake Geneva Cancer Run each September). The open-tour dates are events like “mid-June tour” or “fall tour.” These “open-tour” calendar dates are flexible, and additional tours are always welcome long after the sign-up sheet has come and gone.

Open-tour events require a modest amount of planning. Typically, tours involve driving to an interesting destination, or simply taking a scenic ride and stopping for refreshments at its conclusion. Sometimes folks get fancier, with events like “poker runs.” There’s also no harm in going to a destination our club has previously visited. Not everyone goes on every tour each time.

Two or three months before a tour our newsletter editor and our webmaster will be looking for information such as a name for the tour, a sentence or two about what the tour involves, a mention of any costs involved (admission fees, for example), and a meeting date, time, place and contact name and phone number.

Our club budgets \$300 per tour for snacks, beverages, and a rental hall to gather in after the tour, such as a clubhouse, recreation center, or park shelter. In general, the money is not to be spent on admission fees. The nature of the tour determines if this money is used or not.

On the day of the tour, hosts show up early at the meeting spot, take attendance, and pass out maps of the tour route (and sometimes breath a big sigh of relief that it isn’t raining!).

After the tour is over, hosts send a short write-up of the event to the newsletter editor. If expenses are incurred, a reimbursement form is filled out (available on our website or from the outdoor meet coordinator).

That’s all it takes. Not so hard, right? So if there’s a place you’ve been hankering to visit, or a road you’d love to travel, please sign-up for an outdoor event! – Neil Besougloff

TAKE NOTE:

The club website has not changed it still remains as:

<http://clubs.hemmings.com/wichaptmafca> (this is where you can find all the stories and pictures)

Only the email address for club and webmaster correspondence has changed to wichaptmafca@sbcglobal.net (this is where you send your notes)

SUNSHINE REPORT

This month we learned that:.....

Ron Smith has torn ligaments in his knee and will be having surgery soon. We wish you a speedy recovery Ron!!

Former Wisconsin Chapter club member (1980 - 2004), Wilbur Eastman unexpectedly died last Saturday, October 14, 2006. Wilbur was also the brother of Bea Olsen. Our deepest sympathy to the family.

Mike and Sue Quam announce the addition of 2 new babies to the fleet.....a 28 Tudor and a 31 Pickup Truck. Mike is already restoring the 31 and promises it ready for the Rapids Reunion.

Chris and Kate Rozman announce they are expecting a baby in March. Congratulations!!!!

Marty and Jo Lene Janssen have returned from a trip to Hawaii. They attended a CPA conference for a few days then took a weeklong cruise of the islands of Kauai, Hawaii, Maui then back to Oahu. The flowers and plants were beautiful and so many spectacular sights to see! It was truly a wonderful trip!

Mike and Sue Quam, William Quam and Amanda Angove have all gone Hollywood.... They were part of the volunteer crew onsite at the Extreme Makeover Home Edition TV show in Dundee WI. The company Sue works for did the demolition of the old home. They all participated in what is called the "Braveheart Rush". That is when you see all the contractors come down the road together in their blue shirts and white hard hats ready to start the process of building a new home for a deserving family. Mike and William helped to save items off the old house for use later on in the garden shed....they all got to meet the stars of the show and got pictures with the shows host. The Wisconsin Extreme Makeover show will air Sunday, Nov. 19th at 7:00 PM on ABC, local Channel 12 Watch local listings in case of changes in the airing date and time.

NEW LOGO WEAR IS HERE.....

Carrie Frank will have the new line of ladies and men's clothing available in multiple sizes at the November Indoor Meet. Remember the new line also has denim shirts and wonderful soft yellow colored sweatshirts.....SOOOOOOOO Bring the checkbooks and the cash... Your going to want some new duds for the holidays.

I Am a Veteran

by Andrea C. Brett

You may not know me the first time we meet
 I'm just another you see on the street
 But I am the reason you walk and breathe free
 I am the reason for your liberty

I am a Veteran

I work in the local factory all day
 I own the restaurant just down the way
 I sell you insurance, I start your IV
 I've got the best-looking grandkids you'll ever see

I'm your grocer, your banker
 Your child's schoolteacher
 I'm your plumber, your barber
 Your family's preacher
 But there's part of me you don't know very well
 Just listen a moment, I've a story to tell

I am a Veteran

I joined the service while still in my teens
 I traded my prom dress for camouflage greens
 I'm the first in my family to do something like this
 I followed my father, like he followed his

Defying my fears and hiding my doubt
 I married my sweetheart before I shipped out
 I missed Christmas, then Easter, the birth of my son
 But I knew I was doing what had to be done

I served on the battlefield, I served on the base
 I bound up the wounded, and begged for God's grace
 I gave orders to fire, I followed commands
 I marched into conflict in far distant lands

In the jungle, the desert, on mountains and shores
 In bunkers, in tents, on dank earthen floors
 While I fought on the ground, in the air, on the sea
 My family and friends were home praying for me

For the land of the free and the home of the brave
 I faced my demons in foxholes and caves
 Then one dreaded day, without drummer or fife
 I lost an arm, my buddy lost his life

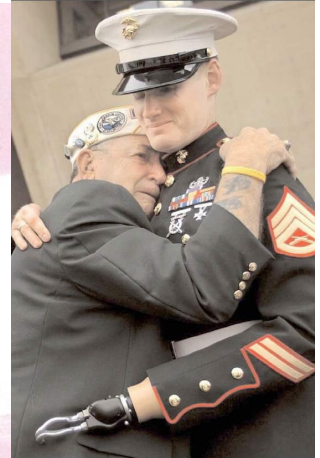

I came home and moved on, but forever was changed
 The perils of war in my memory remained
 I don't really say much, I don't feel like I can
 But I left home a child, and came home a man

There are thousands like me, thousands more who are gone
 But their legacy lives as time marches on
 White crosses in rows, and names carved in queue
 Remind us of what these brave souls had to do

I'm part of a fellowship, a strong mighty band
 Of each man and each woman who has served this great land
 And when Old Glory waves, I stand proud,
 I stand tall
 I helped keep her flying over you, over all

I am a Veteran

Reminiscing with Jim & Nancy the Historians

FIFTY YEARS AGO, NOVEMBER 1956---Our first “News Bulletin” was mailed out to the membership of our newly formed chapter. Our president, Demo Staver stated in the bulletin that our intentions were to form a club, which was democratic in nature and belonging to **NO ONE** but the **MEMBERS** themselves for their mutual enjoyment while participating in a great and rewarding hobby. We have left the door open for **YOU** (all of us) to get behind your club and make it the biggest in the country, so **COME TO THE MEETINGS and MEETS.** There is nothing that kills a club as fast as poor attendance and lack of participation.

FORTY-FIVE YEARS AGO, 1961---One hundred and five people attended a Costume Party for \$1.50 per person. Food, beer, and a great band were enjoyed by all.

FORTY YEARS AGO, 1966---Seventy-eight members of our club participated in a Bowling Party at the “Down and Under” Bowl and Lounge on Lincoln Avenue. Live music was provided in the lounge and we also had a buffet lunch.

THIRTY-FIVE YEARS AGO, 1971---Our first indoor meet was held at “Cassidy’s” on Bluemound Road. Movies and slides were provided for our enjoyment.

THIRTY YEARS AGO, 1976---We had an indoor meet at St. Aloysius where we were treated with movies and slides from the Nashville Tours. We also had a seminar at the “Brake Shop” presented by Jim Harmon an instructor from MATC on auto body repairs.

TWENTY-FIVE YEARS AGO, 1981---Dave Rozman hosted a Shoe Box Swap Meet at St. Aloysius and Mike Brojanac provided a chassis on display at the Avenue Brake Shop to aid in curing your mechanical problems.

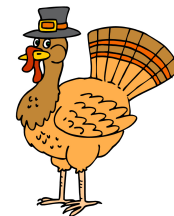

TWENTY YEARS AGO, 1986---Mary Gurgul hosted an indoor event with a slide show review of our past summer’s events. We also provided a number of A’s for the West Allis Christmas Parade held on Greenfield Avenue.

FIFTEEN YEARS AGO, 1991---Our first indoor meet of the season was held at St. Aloysius. We were entertained by movies on Ford’s. Mike Brojanac hosted a seminar on Model “A” brakes.

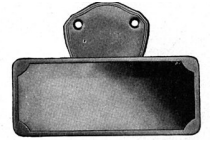

TEN YEARS AGO, 1996--- Hors d’oeuvres were featured at this month’s indoor meet. Members were asked to bring their favorite for sampling. Our technical seminar was at “Dude Auto Parts” in South Milwaukee. Paul Piotrowski arranged for John Peterson to give a presentation on engine rebuilding.

FIVE YEARS AGO, 2001---Dennis Pierce gave a wonderful video presentation of past to present events of our club. Carl Doro hosted a seminar on rebuilding steering boxes at Schwab’s in Muskego.

Happy Thanksgiving!!

THE REARVIEW MIRROR.....

Lake Geneva Classic Car Rally

The weather situation looked like it was going to be a repeat of last year's rally....WET!! Saturday it rained on and off all day, but we still had cars doing the poker run and there was a lot of activity at the club house.

Sunday didn't look good at 7:00A.M but it got better as the day went on. We had a nice sunny day and we took advantage of it by sitting in the sun. We had a great turn out that included Andy Schwabe in his newly restored Mustang and Dan Kane brought his bow tie. Our club did very well this year and even won many door prizes after a few dry years.

Club member Marge Pierce had the third highest poker hand over all. Next time you see Marge ask to see her earrings. Our number one Packer Fans Roger & Jan Olsen won a Chicago Bears checker game. I'm sure they are enjoying playing that game.

A special thanks to Jack & Dori Burke & Cheryl Prochnow for their help with this event. Despite her recent knee surgery Dori was there to help in this wonderful event.

THE REARVIEW MIRROR.....

The Crossings at Tudor Oaks Car Show . . . Dennis & Marge Pierce

The day was dreary but the participants brightened things up with their conversation and enthusiasm. Our hosts at The Crossings started things off with a wonderful lunch for the car owners and kept us all warm throughout the day with snacks and hot apple cider. Several of the car owners gave rides to the staff of The Crossings that were received with smiles and exuberance. David Neuman received the Peoples Choice Award, which was a gift certificate for a meal at a local restaurant.

Thanks to all the others that brought out their cars on a less than perfect day: Ed and Joyce Churchill, Carl and Lou Doro, Bob and Sandi Davisson, Jim Duncan, Jerry Flynn, Dan Kane, Nick and June Mazos, Roger and Jan Olsen, Dennis and Marjorie Pierce, Ed and Lorraine Schultz, Bob and Barb Sonnen.

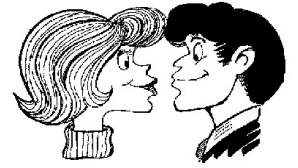

Car lovers seize the opportunity to take a look back in time on October 10 as The Crossings at Tudor Oaks Information Center in New Berlin held an auto show, which featured 12 Model A Ford vehicles. The Crossings displayed the vehicles to showcase the wide variety of activities that will be a part of its new development on the existing Tudor Oaks campus in Muskego.

Super sneaky short cuts:

1. Use a hair dryer to speed dust books, artwork, and figurines. Vacuum up what ever falls to the floor
2. Grab an old pair of pantyhose, bunch them into a ball and rub along upholstery to pick up pet hair.
3. Avoid a fouled up fridge, line crisper drawers with paper towels to catch drips and avoid scrubbing dried on food later. Toss the towels when they're dirty and replace with new ones.
4. Beat Dusty Blinds in an instant... unexpected guests drop in...all you have to do is close the blinds in the reverse direction... no one will see your dusty blinds.
5. Cleaning kitchen sponges, put them in the dishwasher, use a clothespin to clip them to the rack and run a regular cycle. To Sanitize them, soak in 1 gallon water and 3/4 cup bleach for 5 minutes.
6. A good brass cleaner is white vinegar and table salt. Dampen a rag with the vinegar and sprinkle with salt, lightly rub over surface. Rinse and then dry immediately with a clean soft towel.
7. Easy way to clean out the microwave is to bring a cup of water to a boil, the steam will loosen and dried on particles, then just wipe away.

Remember when buying your Thanksgiving Turkey estimate 1 pound of uncooked turkey per person to ensure meat for dinner and for sandwiches later on.
