Notes from the President for February

The winter is zipping by pretty quickly. Mother Nature has been kind to most of us in the Milwaukee area, though some in the southern end of the state have been hit hard with snow several times already. The cool weather keeps the custard from melting and that is what we needed for January's event. Leon's Custard was served to all in attendance – hot fudge sundaes, banana splits, all the toppings you could imagine. Thanks to Dave and Carol Rozman for hosting this wonderfully delicious event. As usual everything was yummy and so smooth and creamy!! Thanks also to Ron and Eleanor Schneider for donating the Leon's treats.

The Quam's are getting ready to test our wits when they host our February event – Trivia. We are all just lucky they are on the hosting end otherwise we know who the winners would be for the event. They do know their trivia and will surely have some fun and interesting facts to share with the group. Good luck everyone!!

February is also the month our annual Swap Meet is held; February 24th to be exact. I noted some holes in the volunteer sign-up sheet at the January meeting. If you are free that day, please contact Dennis Cooper and let him know you can help. This is our biggest fundraiser and what keeps our club viable throughout the year. The swap spaces are nearly sold out so the parts available should be plentiful. This meet is well attended and we need a smooth

running event to keep everyone happy!! Thanks in advance for your help!!

I might need to do some shopping myself. My Chitty is coming back home real soon from the body and paint guy. Steve and I will have a lot to do on it to get it road ready. It has been a long time coming and I hope and pray the rest of the work goes smoothly and inexpensively. I am hoping we have it on the road this coming driving season.

Please do not forget to check out our website. It is fabulous and has all the info you need to know about our club. For those of you with smartphones you can find the newsletter, the dates of upcoming events, and anything else you may need when you are on the road when you travel. Be sure to remember the password to the member's only page. Visit it here – www.WIChapterMAFCA.com

Thanks for reading!!

Ahooga!

Deb Lewis

Club Mission Statement

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

March 10th Indoor Meet

Polish Poker

March 10, 2019 at 1:30 pm

Come join us for our last regular indoor meeting of the season followed by fun games of Polish Poker. This is an easy card and dice game that is easy to learn and fun to play. You don't need to know anything about poker to play. There will be prizes for the person at each table with the most points and maybe a few other surprises. Snacks and beverages will be provided as well.

SAVE THE DATE

Wisconsin Chapter 2019 Memorial Overnighter

Green Bay, Wisconsin

Friday, May 24, Saturday, May 25, Sunday, May 26,

Depart Monday, May 27

We are planning A Model A trip to celebrate the 100th Anniversary of the Green Bay Packers the last weekend in May. Drive your "A" or modern iron and participate in your choice of events.

Our first stop Friday will be at Larson's Clydesdales in Ripon. Mrs. Larson will tell us about these magnificent animals as we have the pleasure of seeing the Clydesdales go thru their paces in the show ring.

Friday evening will find us on the River Tyme for a 2 hour cruise on the beautiful Fox River. (*We do plan to return . . . not like the Minnow*)

We will take a Legendary Tour of Lambeau Field Saturday morning. Lunch will be at 1919 Kitchen & Tap in Lambeau. A Hall of Fame History Presentation has been planned for our group with A tour of the Hall of Fame after lunch.

Magic words to reserve a room are **Wisconsin Chapter MAFCA
Hotel J 920-499-1900**

2620 S. Packerland Drive Model A cost \$75.00 + tax/night

Vice President: Jeana Angelini

Secretary: Dave Huenink

Treasurer: Steve Lewis

Outdoor Chairman: Kate Rozman

Indoor Chairman: Vicki Cooper

Website update.....

In doing some website updating I took a peek into the analytics portion. I found some interesting facts. From the time we went live with the website to Jan. 17, 2019 we have had 1,992 visitors to our new site. Of those visitors I found they have come from United States 1,872, China 18, Canada 14, Nigeria 10, Norway 4, Ireland 3, France 2, India 2, Brazil 2, Australia 2, United Kingdom 2, Russia 1, Germany 1, Finland 1, Italy 1, Netherlands 1, Ukraine 1, and Sweden 1. How interesting is that !?!?

Finding our website was done via Google- 842 (42%), Direct - 728 (37%) (by typing the website address into the address bar), by using the link thru MAFCA.com -117 (6%) Bing search engine - 95 (5%) Others - (Yahoo, Explorer, etc) 210 (11%). 47% find us using a desktop or laptop computer, 42% using a mobile device and 10% via a tablet.

When people come to the website they are looking at more than one page, they are browsing around. To date we've had 5,349 page views. I found that the "welcome (home) page" gets the most traffic, then of all things, the 4th of July parade event is second, after that it's the calendar of events, photos, for sale and wanted page and newsletters for 2018. Our swap meet flyer page has had 388 clicks on the button to take people to our swap meet flyer. That's awesome!!! I'm still in awe of the 4th of July getting so many hits. Literally the second most visited page on the website!

The old website expired and is now gone from the internet. Thank you to Carl Doro for all his work in getting the old site up and running back in 2007 and keeping it going until his retirement. Our new site is firing on all cylinders and gets lots of traffic. I'd say it's a success. If you haven't checked out the website, make sure to stop by. www.wichaptermafca.com

MAFCA Wisconsin Chapter General Meeting Minutes

January 13, 2019

Board Members Present: Deb Lewis, Steve Lewis, Vicki Cooper, Jeana Angelini, Dave Huenink, Bob Schmiechen

The meeting was called to order at 1:32 p.m.

President – Deb – One new member – Jeff Watson – was present. The club received the reciprocating club newsletters. Highfield Farms asked if the club would be interested in touring the facility during the clubs touring season.

Vice President – Bob – There are no new members this month.

Secretary – Dave – A motion was made by Mike Quam and seconded by Linda Huenink to accept the December 9th, 2018 meeting minutes as written. The motion was put to a vote and it carried. 163 membership renewals have been received. 35 members have not renewed their membership.

Treasurer – Steve – A report of the revenue and expenses from last month was given. A motion was made by Paul Piotrowski and seconded by Mike Quam to accept the treasurer's report. The motion was put to a vote and it carried. Dave Rozman turned in a bill. A motion was made by Dave Neuman and seconded by Linda Huenink to pay the bill. The motion was put to a vote and it carried. There was not any income turned in. This year's audit committee will consist of Paul Piotrowski and Jan Olsen.

Outdoor – Jeana – A sign up sheet will be passed around for volunteers to sign up to host the outdoor events. Make Ackerman will be hosting this year's picnic. Jan Olsen gave an update of the Memorial day over-nighter. The first stop will be at Larson's Clydesdales in Ripon Wisconsin.

On Friday night there will be a 2 hour tour on the Fox river in Green Bay. Saturday morning will be a tour of Lambeau Field in Green Bay.

Indoor – Vicki – The indoor meetings for the February and March 2019 indoor season have hosts. February will be a trivia contest and March will be polish poker. The clubs banquet is January 19th, 2019.

There are nine vendor spots remaining for the swap meet. Volunteers are still needed.

Sunshine- Linda H – Nothing to report

Old Business – Nothing to report

New Business – A discussion was held regarding changes to the club By-Laws. The Board was aware of two changes. It was brought to the Boards attention there are some other changes that need to be made. The document will be looked at by the Board and the proposed changes will be brought the memberships attention to vote on the changes.

A motion was made by Deb Lewis and seconded by Dave Neuman to adjourn the meeting. The motion was put to a vote and it carried. The meeting adjourned at 1:53 p.m.

Respectfully submitted,

Dave Huenink

MAFCA – Wisconsin Chapter Secretary

These minutes have not yet been approved by the membership.

'A' Trip Back to February 2000

Our February board consisted of President Stan Larson, Vice President Michael Grundman, Secretary Rick Miller and Treasurer David Dohmeyer.

Our February 13th indoor meeting consisted of a box social. These boxes will be auctioned off after the meeting. Entertainment was also provided by Marilyn Bartel's Exceptional Chorus.

February 17th the technical seminar was a continuation of the January seminar on engine rebuilding to show specs. The presenter was Al Downs and refreshments were provided.

February 19th was the 6th annual bicycle swap meet and the very next day was our 35th annual car swap meet. This annual winter event was held at the State Fair Park in the south exhibit hall. The chairman was David Dohmeyer.

March 11th we participated in the Shamrock Club's St. Patrick's Day parade.

Roger and Jan Olsen sold tickets (\$1.00 each) for a completely rebuilt Model 'A' Ford engine donated by Antique Automotive Engineering Inc., Denver Colorado. The drawing was held at the awards banquet at the conclusion of the MAFCA National Meet in Kansas City.

New members in February of 2000 included Thomas Smith – '28 coupe.

The sunshine report included Ed Churchill who had back surgery, Bob Schaefer who had eye surgery for a detached retina, Burdella Miller underwent knee replacement and Ray Schlueter who had to undergo some medical tests. January had seen the passing of Demo Staver, our chapter's founder, Joe Geier and Linda Eichhorst.

The Ladies Pages contained recipes for vegetable casserole (*what's a casserole without meat??*), Bonnie's Salad and Cherry Ham Salad. *If anyone is interested please contact me and I will provide you with the recipes.*

One of the most common problems with the Model 'A' is the ignition. Most of these problems arise from the point's rub block wearing away and as this happens the point gap changes and so does the timing. All it takes to prevent this is a little dab of distributor cam lube on the inside of the rub block next to the distributor cam.

Historical Events for February 2000:

Feb 4- German extortionist Klaus-Peter Sabotta is jailed for life for attempted murder and extortion in connection with the sabotage of German railway lines.

Feb 4- Doris Coley, American singer (The Shirelles), dies at 58

Feb 6- NFL Pro Bowl: NFC beats AFC 51-31

Feb 6 -50th NHL All-Star Game: World beats North America 9-4 at Toronto, Ontario

Feb 7- Bahria University is established through Presidential Ordinance No. V of 2000 by the Government of Pakistan.

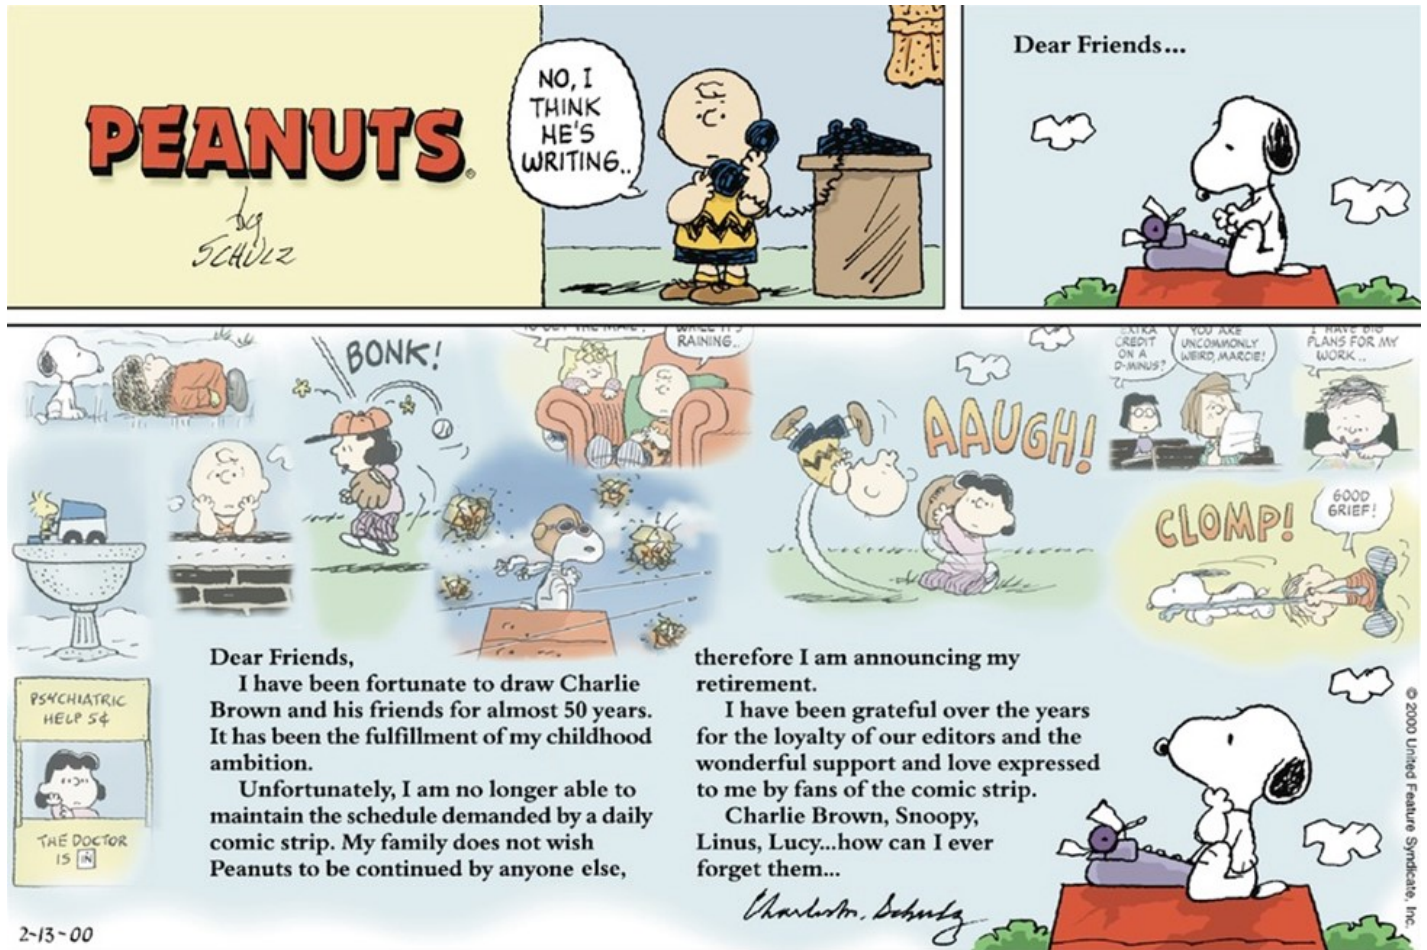

Feb 7- Doug Henning, Canadian magician, dies at 52

Feb 9- 50th Berlin International Film Festival: "Magnolia" wins the Golden Bear

Feb 12- 31st NAACP Image Awards: "The Best Man" wins Outstanding Motion Picture

Feb 12- Tom Landry, American football coach (Dallas Cowboys), dies at 75

Feb 13 -The last original "Peanuts" comic strip appears in newspapers one day after Charles M. Schulz dies.

Feb 13- 49th NBA All-Star Game: West beats East 137-127 at Oakland

Feb 14 -The spacecraft NEAR Shoemaker enters orbit around asteroid 433 Eros, the first spacecraft to orbit an asteroid.

Feb 14- 8th ESPY Awards: Tiger Woods, Mia Hamm win

Feb 15- Indian Point II nuclear power plant in New York State vents a small amount of radioactive steam when a steam generator fails

Feb 18 -Stjepan Mesić becomes the second President of Croatia

Feb 20- 42nd Daytona 500: Dale Jarrett wins (155.669 MPH)

Feb 23 -42nd Grammy Awards: Smooth, Christina Aguilera wins

Bob & Karen

Jim's technical tip

by Jim Cannon,

Radiator Hoses - Hard to Get On, Hard to Get Off!

For many years I had a hard time getting new radiator hoses on the engine to seal well. I would tighten the hose clamps to what I thought was reasonable, and they still seeped a bit of coolant. And years later, when I needed to remove the hoses, they seemed to be glued to the metal parts and I had to pry them off or cut them off.

A Master Mechanic shared his secret with me years ago. Apply a very thin coating of a specialized gasket dressing called "Hylomar AF" to the inside of the new hoses where they will contact the metal just before installing them. Install and rotate each hose back and forth, to spread the sealant out evenly. Now tighten hose clamps and you are done. It will not seep or leak. And years later when you need to remove the hose, it will come right off!

I get the Hylomar AF (Advanced Formulation) -- originally developed by Rolls Royce for their jet engines -- from an industrial supply place near me called W.W. Grainger. It's also available on Amazon and other places on the Internet. Compare prices because some places price it like it's gold!

There are several variants of Hylomar. You don't want the original "Hylomar Universal Blue" or the "Racing Formula". The Hylomar AF works best for our application. I also put a little on my oil drain plug threads, on the transmission and differential drain plugs, etc., to stop the drips. It gives a good seal but never hardens, so it's easy to take it apart later.

Have a Model A Day!
Jim

SERVICE STATION ATTIRE IN THE MODEL A ERA

By Lois Przywitowski

In the early years of the automobile, getting gas for the horseless carriage was no small feat. Dispensing gasoline evolved from bulk depots on the outskirts of towns, often requiring three people to fill the tank, to curb side pumps. As the popularity of the motor car increased and technology allowed larger quantities of fuel to be refined from the same amount of petroleum, merchants of all stripes, from bicycle shops, general stores, garages, and automotive dealers, installed gas pumps in front of their establishments. By 1920 approximately 15,000 gas stations were located in the United States. They were rudimentary at best, some little more than shacks, with advertisements littering their walls and the roads leading to them. They were considered by many to be an eyesore, and even worse, there was little confidence in the product they offered.

Major oil companies took note and began to standardize their stations, making them visually appealing to the motorist. Not only did the station need to look good, the service employees needed to project honesty, integrity, reliability and quality. What better way to do that than through the clothing they wore?

Ford Service Bulletins emphasized service, shop cleanliness, and the appearance of the employees. This illustration, from the July 1928 Bulletin, shows the serviceman in a shop coat, with the Ford Logo, shoes polished, and cap in hand.

Find the 9 differences between the pictures.
