From Madam President....

Happy New Year to All!! It is hard to believe 18 years ago we were worried about flipping to the year 2000. Remember Y2K?

This past month was busy. Our Christmas party went off without a hitch. The room was decorated in a Christmas theme with shiny trees and large, red poinsettias. We had quite a few kids/grandkids in attendance and their wishes of seeing Santa came true. He brought along presents for all. We were entertained by the Waukesha Senior Civic Players holiday skits. A big thanks to Karen Schmiechen for organizing the day. Additional thanks to Ellen Kind, Dave and Donna Boucher and Sandy Yokofich for helping out.

Our meeting was not all fun and games. We had business to take care of and one of the biggest issues we had was recruiting for two board members. Thank you to Vicki Cooper and Jeana Angelini for stepping up to take on these positions. I look forward to working with both of them in the next upcoming years. Be sure to attend our January custard social so you can hear who was elected into which position. And of course come to enjoy some of the best custard around-Leon's.

More fun stuff in January, we have the annual Awards Banquet. Please sign up if you have not already done so. A great menu is planned and some fun entertainment as well. I hope to see many of you there.

I am so excited!! My Chitty is on its way to getting some body work done and a new coat of paint. We have been down this road before so I am slightly hesitant to believe the work is actually going to be completed. I have high hopes this is finally going to happen. The cover of the last MAFCA newsletter actually had a car that looks exactly like mine will. That was pretty exciting to see. I can't wait to be driving in it again.

Remember Club dues were due 12/31/17. Stay safe and warm and I can't wait to hear my

Ahooga!!!

Deb Lewis

Did you know – Henry Ford called the new Model A Ford transmission a “crunch box”. After all, who ever stripped gears in a Model T?

Many cars have tigers in their tanks, but there are even more that have monkeys behind the steering wheel!

Some of the events for Jan - Apr 1967:

The annual winter banquet was held at the Black Steer, with a total of 77 in attendance. Charlie House was our guest speaker for the evening and gave an amusing account of his lone canoe trip up the St. Lawrence Seaway from Quebec to Green Bay.

Feb – About 60 members attended the indoor meet at Cassidy’s Hall. We had a 16mm sound and color movie of three races. Free refreshments were served after the business meeting.

March – our annual dance at Kuglitches Hall. Tickets were \$2.00 per person. Everyone was invited. There was free beer, music by the “Harmony Lads” and many door prizes. We realized a profit of \$162, our largest ever! We had 145 people attend, but sold a total of 173 tickets. The polkas were fast and the beer was good and the luck of the Irish rubbed off on the door prize winners. Jim and Jean McCue won two hams and Don Ackermann won the prize for selling the most tickets (16). A good time was had by all.

On Sunday, March 11, 1956 an article appeared in the Milwaukee Journal titled, “The Model A Rises Again”. This was the beginning of our chapter as we know it today. Previous to this time a small group of men got together to discuss their “pride and joys”, but no record was kept of those meets. Unofficial headquarters of the not yet formed chapter was in a backyard on 91st street. Instead of joining the Restorer’s Club, we formed our own Model A Ford Club. The first bulletin was printed in November 1956. New members included Don Ackermann, Wally Klager, Demo Staver and Bill Gunderson. Bill had taken his freshly restored stock sport coupe and entered it in a drag race (4 cylinder division). Bill received a trophy for winning first place! In 1957 our Model A Ford Club had members from all over the nation, plus Canada and Puerto Rico.

We have made plans to go to Chicago to see the WGN radio Barn Dance show. Tickets are free but limited, so it will be on a “first come first serve” basis. They are on 720 AM Saturday nights from 8:00 to 9:00 pm.

Highlights from the Planning Meeting for the clubs to share with membership

- This year's Reunion dates are July 27th - 29th.
- Registration cost has increased this year by \$5, first increase since 2006. Even with an increase, this is still an affordable event. Money raised from the auction, raffle, and basket raffle offsets the Reunion's costs.
- The fund-raising auction this year made \$854. Please help out this year by bringing good usable items to this event. Doesn't need to be Model A stuff, but that is always appreciated.
- Each club needs to donate an item for each of the raffle categories: \$50 for the Men's, \$50 for the Women's, and \$25 for the Kid's. These need to be single items for one drawing from each category, not several little ones to make up several drawings. Individuals may also donate. The 2017 Raffle brought \$760.
- Each club needs to donate a \$25 value basket for the Basket Raffle. The 2017 total on this was \$680. Clubs may donate more than one basket, and individuals may donate also. Baskets do not need to be elaborate. Look on Pinterest for some good ideas.
- Please pre-register, and save \$5. A pre-registration form is in this mailing and is on the web site at clubs.hemming.com/wirapidsmodela.
- You do not need to be a Model A Club member to participate in the Reunion. A Model A is optional also.
- Rooms in the Rapids area go fast, be sure to reserve yours today.
- We ask that all participants wear their club's name tags, so that names can be learned. Name tags may be borrowed from Registration, please return afterward.
- Please list the first and last names of all the participants that you are registering on the registration form. This is to help with the issuing of awards.
- All participants, 16 years and older, need to sign up for a job duty, to help out over the weekend. If people don't start signing up, we will have to look into other ways of getting volunteers.
- Car trailers will be allowed to park on the north-east corner of the lot, on the race track curve, and on the south end of the lot, as long as it is not interfering with camping.
- This Lady Drives a Model A will be held again this year. This class is designed to show participants how to drive a Model A from someone other than a relative by birth or marriage. Schedule a time to do this.
- The corn roast will only be on Friday this year, between 5 and 7, or until the supply runs out. \$1 an ear.
- The Ski Race will be held on Saturday at 10. This will be open to the "older children" of the Reunion. Definition of "older" and "children" to be determined by self. Form a team, sign up at the club house.
- Saturday morning will be the Shoe Box Swap Meet. Bring what fits in a shoe box, and swap/sell your items with other participants. Trying to limit this to Model A era related items only - parts, tools, fashions, etc. Be sure that you have your own change, as there will not be a banker on hand. All money raised is your own.
- Please remember to bring an item each day to the Pot Luck line in a disposable container to make clean up easier, or put your name on dish if you want it back. All items brought to Pot Luck must be ready to serve, this includes slicing of any fruits and vegetables. The serving staff does not have the space or time to finish your dish.
- Kitchen duties have been assigned by club, and are listed elsewhere in these notes. Please be sure to help your club out on their day.
- Events Chaired by Clubs have also been assigned, and are also listed elsewhere.
- With the exception of the Slow Drive and Chapter Team Events, each licensed/temps registered participant can go through the car games once. If the participant does not have a Model A, one may be borrowed. A car and participant may go through the Slow Drive only once.
- The Slow Drive has been moved to Saturday, after the short tour, to get more participants.
- Because of moving the Slow Drive, there will not be a Long Tour this year.
- Car games this year will be Bull's Eye, Center Bumper, and Grenade Launch.
- Chapter Team Events will be May Pole, Bean Bag, and Teeter Totter. There will be no practice round for the Chapter Team event, only a demo. Start practicing. Decide who will be doing these events for your club, so we do not need to be on the PA looking for them.
- Ice will no longer be available for sale to the participants, they will need to go get their own in town.
- The areas under any structure used by the Reunion, whether it a building or a tent, are now Smoke/Vaping Free. This includes the clubhouse, overhang, basket raffle and food line tents.

*56th Annual
Model A Reunion
July 27th-28th-29th, 2018
YOU AND YOUR FAMILY ARE INVITED...*

This Model "A" Reunion is the greatest gathering of old Fords and old Ford enthusiasts in Wisconsin. This Reunion started in 1962, and is sponsored by four clubs: Central Wisconsin Chapter MARC/MAFCA, Nickel A Region MARC, Wisconsin Chapter MAFCA, and the Wisconsin Region MARC.

The meet consists of a weekend of enjoying Model A's and Model A fellowship, and includes a Tour around the Rapids area, People's Choice Awards, Car Games, Kids' Games, a Hubley Derby, Chapter Team Events, Rolling Pin Toss, a Dance, Fund-Raising Auctions, Shoe Box Swap Meet, as well as lots of surprises and fun.

The Reunion is held the last full weekend in July, unless it conflicts with a National MARC or MAFCA meet. The Central Wisconsin Chapter MARC/MAFCA hosts the reunion on their private 10-acre site, which includes a clubhouse, wooded campsites, and is close to many nice motels and restaurants.

Location: The clubgrounds are located 4 miles east of Wisconsin Rapids, or 11 miles west of Plover, just south of state Highway 54. Turn south on 72nd Street North (a dead end road). Watch for signs.

Weekend Activities

Refreshments are available throughout the weekend for registered participants.

Good Food: A potluck lunch will be held on Saturday and Sunday. Participants are asked to bring 2 dishes to pass (one for each day). Friday and Saturday evening, you may want to roast hot dogs at your campsite or go out for a relaxed dinner at one of the nearby restaurants with a group of your new friends.

Friday afternoon the registration table opens. An Auction will be held in the evening of Model A related items, as well as other donated items for the kids, ladies, and men. There will also be a corn roast.

Saturday morning starts with a Shoe Box Swap Meet, Technical Seminar. This will be followed by a Ski Race then a noon potluck, and then a driving tour. A Basket Raffle will be held throughout the day, with the drawing that night. There will also be a Slow Drive competition for the Model A's, a Hubley Derby and Kids' Games. A dance will be held at the clubhouse for the evening's entertainment.

Sunday is a day of Car Games, Potluck Lunch, Chapter Team Events, and a Ladies Rolling Pin Toss, followed by the awards presentation and Raffle Drawings.

Where to Stay

Primitive campsites are available on the grounds. Camping is open the Wednesday before the meet through the Monday after the meet. The fee per campsite is \$15 for the entire weekend. PAST EVENTS...

THE CHRISTMAS PARTY

T'was a Sunday in December and all thru the hall,
all the humans were stirring both big and small.

Twitching, they sat until the meeting was done,
finally, at last, the entertainment had begun.

Children worked on crafts, as they were able,
while mouth-watering treats sat at the table.

As the skits had ended we heard a jingle,
and knew right away, it must be Kris Kringle.

With a Ho, Ho, Ho Santa greeted all,
as he made his way, to the front of the hall.

He wasted no time, as he talked to each child,
told them to be good, a little less wild.

A gift he gave to each, with a nod and a smile,
then he was gone, at least for a while.

We knew he'd back, come Christmas Day,
for as he left, we heard him say:

Merry Christmas to all and to all a good night.

About sixty-six people attended the Christmas party and 16 children met with Santa, each receiving a gift. The Christmas party hosts (Bob & Karen Schmiechen, Randy & Ellen Kind) would like to thank the following people who helped to make the event a success:

Dave & Donna Boucher – decorations, set-up

Randy & Ellen Kind – kids crafts

Mike & Sandy Yokofich - gift purchases and wrapping (a big job)

The Waukesha Civic Theatre Senior Players – skits

Indoor Chairman, Karry Kultgen – set-up, clean-up, refreshments

Dave & Linda Huenink – set-up, clean-up

All of you who brought yummy treats and helped with clean-up.

And of course.....

SANTA CLAUS, who took time from his busy schedule to visit us!
