Notes from the President for January

Happy New Year to all!! I wish to thank everyone who has helped make this club continue to thrive. A club cannot exist without volunteers. Many of you continued to fill the gaps as needed and I thank you. I look forward to bringing some old stuff back and making some positive changes this coming year.

Our December meeting Christmas party was wonderful. Karen Schmiechen planned a full afternoon. Immediately following the general meeting, we started off with a nice potluck lunch, then were entertained by the Waukesha Civic Theatre group who sang some holiday songs to get us into the Christmas spirit. The kids had some fun crafts to work on thanks to Ellen Kind while they awaited for a visit from Santa. He brought along presents for all the young ones.

Our general meeting was not all fun and games. We had business to take care of and one of the biggest issues we had was filling three board member positions. Thank you to Kate Rozman for stepping up to take on one of these positions and to Steve Lewis and Dave Huenink for deciding to stay on board. I look forward to working with all of them this next year.

Thanks to some brave souls who participated in the Waukesha Christmas parade with their Model A's this year—Huenink's and Schmiechen's. There is no better way to share club awareness by showing off at a public events.

Be sure to attend our January custard social on the 13th so you can hear who was elected into which position. And of course come to enjoy some of the best custard around—Leon's Custard. Enjoy your choice of Sundae's, banana splits, and root beer floats. Always a crowd pleaser.

More fun stuff in January, we have the annual Awards Banquet. Yes it is on, Chris and Kate Rozman are hosting. Please sign up if you have not already done so. A great menu is planned at the Machine Shed. I hope to see many of you there. And don't forget about our Swap Meet on February 24th. Volunteers are needed to make this another successful fundraiser.

Remember Club renewals are due 12/31/18.

Ahooga!!
Deb

SAVE THE DATE

Wisconsin Chapter 2019 Memorial Overnighter

Green Bay, Wisconsin

Friday, May 24, Saturday, May 25, Sunday, May 26,
Depart Monday, May 27

We hope you will come along with us on A Model A trip to celebrate the 100th Anniversary of the Green Bay Packers the last weekend in May. Drive your “A” or modern iron and participate in your choice of events.

Events tentatively planned thus far:

Our first stop along the way Friday, will be at Larson's Clydesdales in Ripon. We will tour the farm before our show starts. Then we will have the pleasure of seeing the horses go thru their paces in the show ring.

Friday evening will find us on the River Tyme for a 2 hour cruise on the beautiful Fox River. *(We do plan to return . . . not like the Minnow)*

Saturday, May 25th will find us at Lambeau Field where we will take a Lendgandary Tour of Lambeau Field in the morning. A tour is also planned for the Hall of Fame later in the afternoon.

Questions you never really cared about:

1. What year were the Green Bay Packers founded?

The generally accepted date is August 14, 1919 even though Green Bay fielded two teams as early as 1896.

2. How did team get nickname “Packers”?

1919 city team sponsored by Indian Packing Company.

3. Don Hutson's 1935 contract was so large that Packer officials set up two bank accounts to keep the Alabama star's salary a secret in depression-era Green Bay. Do you know what his salary was???

Sunshine Report..... December

Steve Lewis had hernia surgery. Wishing him a speedy recovery.

Bob Davisson was in the hospital with pneumonia and bronchitis. Wishing him a speedy recovery.

Wishing all the snow birds save travels and enjoy your stay in the warmer climate.

Stay "cool" everyone as Snoopy would say or should I say stay warm.

Please notify Linda Huenink with all sunshine needs. Call 262-470-3031 or email linda214@wi.rr.com

Welcome New Member.....

The Wisconsin Chapter of the Model 'A' Ford Club of America wishes to welcome new member Jeff Watson of Milwaukee. Jeff became a member at our December meeting. Student Membership National MAFCA

On November 1, 2018- MAFCA announced a new Student Membership to high school, technical school and college students, starting with the 2019 membership year.

2018 MAFCA President **Doug Linden** explains, "We all recognize that we need to grow the Model A hobby with more involvement by young people. We are encouraged by the increased interest in the Model A by students at the high school level around the country with many chapters mentoring these young enthusiasts. I hope to see more Student Members join and more Student Chapters formed as a result of this low-cost membership option."

This new class of membership costs only \$5.00 and the student will receive a "digital only version" of The Restorer magazine. All it takes is filling out a short form or a call to MAFCA headquarters to become a student member.

We encourage all Student Chapter members, and youth from all over, to take advantage of this special membership option.

Jim's Tech Tip

by Jim Cannon, MAFCA Technical Director

Care of Nickel Plating

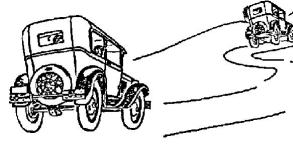

If you have a 1928 or '29 Model A, and it has nickel plating (as original), you may have noticed that the nickel is a bit more work to maintain than chrome. Don't let it go too long or you will have a hard time getting the finish back.

The best cleaner that I have found for nickel is a polishing paste in a tube out of Germany called "Happich Simichrome Polish". It also does a great job on chrome. Apply it with a clean cloth, work it in and clean the metal well, then polish with a microfiber cloth. Not only does it polish, it leaves a protective film on the metal to keep it looking nice longer.

Most of our Model A parts suppliers, such as Bratton's, Snyder's, and Mac's, sell it. Check with your favorite parts guys.

Have a Model A Day!

'A' Trip Back to January 1998

Our January board consisted of president Jerry Manning, vice president Dick Lardinois, secretary Ken Fouty and Treasurer Tom Wagner. We also had five additional chairmen of various activities serving on the board.

At our January 8th meeting we elected three new members to the board.

Our January 19th technical seminar was held at the Avenue Brake Shop. The topic was the installation of citizen band (CB) radios and how to get the best receiving and sending signals.

January 28th was our annual banquet held at Serb Hall. At our annual banquet we honored 29 different members hosting 22 different activities (not including parades) through-out 1988 ranging from indoor seminars to a pig roast to tours and the Green Bay Overnighter. *If my calculations are correct, at our 2019 banquet we will honor 17 different members hosting 22 different activities (not including parades).*

Our menu consisted of Prime Rib of Beef 17.95, Chicken Cordon Bleu \$14.95 or Fillet Whitefish \$12.95. We danced the night away to music by WRPM Music Service.

Marlene and Jim Stegner and Marlene and Jack Grundman invited members to join them on a seven day Eastern Caribbean Cruise. This was a non-club event, looking for interested club members and a group discount.

New members in January of 1989 included Carlo and Ann Canzian, Chrysanthe Heins, Daniel and Margaret Zarwell, and Garry (*Gary?*) Oreskovic.

Our Ladies Pages included recipes for Chocolate Bear Bars, Mock Baby Ruth Bars and Girl Scout Sugar Cookies. *If anyone is interested in these recipes please email me and I will get them to you!*

Coming events:

The February 12th - indoor meeting and pinewood derby - 55 car kits were sold for this event.

February 19th - swap meet, to be held at the State Fair Park. Chairmen for this event are Dave Dohmeyer and Jim Kummer.

May 21 - the Texas Challenge. Plan ahead so we can "stomp" down the Texas Chapter's record. Chairmen are Stan Larson, Gene Engel and Jim Kummer. We are looking to bring 200 model 'A's to this event.

Bob & Karen

Past Events

On December 18th, 2018, Bob and Karen Schmiechen along with Dave and Linda Huenink participated in the 56th annual Waukesha Christmas parade. The weather was perfect - 37 degrees, sunny and light snow on the grass. The side walks and streets were overflowing with spectators taking in all the sights of the parade. Our cars were a big hit, decorated with Christmas lights and decorations to celebrate the season. We had the honor of following the Waukesha West Marching Band who played, much to our enjoyment, Christmas music during the parade. Of course, the long-awaited celebrity - Santa Claus - made his appearance near the end of the parade, much to the delight of all the parade goers.

Sunday, December 9th Christmas Party!

Santa and his elves had fun preparing and hosting a fun-filled Christmas party. This year's party started earlier with a great lunch of ham, turkey, and beef sandwiches accompanied by delicious salads, side dishes, and desserts prepared by members.

Mary Powell won the ugly Christmas sweater contest with home-made ugliness that included lights and holiday decorations.

Santa arrived just in time to give out presents to 14 children. The Waukesha Civic Theatre Broadway Singers entertained us with Christmas carols and memorable songs. Two children received books about Henry Ford and poinsettia plants went home to two lucky families.

The festivities would not have happened without Santa's elves: Sandy Yokofich and husband Mike who filled Santa's sack; Bob Schmiechen who made all the arrangements with Santa; Ellen Kind who provided crafts and took care of table decorations; Art and Sue Blazek who arranged for sandwiches and helped in the kitchen; Linda Huenink who helped in the kitchen; and our indoor chairperson, Vicki Cooper who provided refreshments.

And of course the day would not have been complete without you — our members who made the day Merry and Bright.

Blessings on your holidays and the New Year.
Bob and Karen Schmiechen
