Canine Nose Work Presentation and Demonstration

Club Indoor meeting

February 11, 2024, 1:30 p.m.

Have you ever wondered when a dog is intently sniffing the ground, what and how they are smelling. All of us have seen on T.V. or in person, dogs searching for something using their nose.

Nose work is an upcoming and fun canine sport / activity. Nose work, also called scent work, is a companion dog sport where dogs are able to use their innate and amazing sense of smell and natural hunt drive, to find “hides” in a variety of locations and environments requiring a range of problem-solving skills. Based on professional dog detection, nose work uses essential oils as target odors. These odors include birch, anise, clove, cypress and vetiver. It’s a fun and addictive sport as handler start to understand and appreciate the beauty of this incredible talent dogs have to detect and follow a miniscule vapor of odor back to its source. Dogs love it because it’s what they are born to do regardless of age, breed, temperament, size or condition. It has been demonstrated that shy, fearful, and even reactive dogs can build the confidence to help overcome some of their challenges in the engagement of this highly enriching game.

We’ll take you through benefits of nose work, its history, how dogs smells compared to humans, interesting facts and how a dog searches.

After learning about the background of nose work, we will provide a short demonstration with one of our dogs. Come and join us for an informative, fun filled presentation.

Dave & Linda Huenink along with one of our sniffing terriers.

The meeting was called to order at 1:33 p.m.

President – Mike – A past club member gave Mike some Model A items to pass on to the membership. The Model A Ford Club of America presented the clubs editor, Sue Quam, a Certificate of Merit for the great job she does putting together Wheeling the A. Heavy Duty Radiator Repair gave the club some calendars which the membership is free to take.

Vice President – Karen – There is one new member this month – Tom and Lynn Casper. They were approved as members in the Board Meeting.

Secretary – Dave – A motion was made by Linda Huenink and seconded by Deb Lewis to accept the November 12th, 2023 meeting minutes as written. The motion was put to a vote and it carried. Three lifetime members have not renewed their dues for 2024. Those members are Paul Hart, Ron Schneider, and Jim Sinclair. The club has eighty-four members who have renewed their dues. Fifty-one members have not renewed their membership.

Treasurer – Steve – A report of the revenue and expenses from last month was given. A motion was made by Linda Huenink and seconded by Sandi Davisson to accept the treasurer's report. The motion was put to a vote, and it carried. Vicki Cooper turned in income. There were not any bills.

Indoor– Robert – The balance of the indoor events for the 2023/2024 season are filled. The club is looking for hosts for the 2024/2025 indoor season. Seventeen people have signed up for the annual banquet.

The bicycle swap meet will be in the main room at the clubs' swap meet. Bob Schmiechen asked if any members have three ring binders, he could have, to put the past issues of Wheeling the A in. The binders they are stored in are wearing out. We received correspondence from Tony Sillman, indicating the Model A club of central Wisconsin will no longer be participating in the Rapids Reunion due to lack of membership to help at the event.

2024 Reunion News

From WI Region MARC

At their December Monthly Meeting, the Wisconsin Region MARC took a vote, and decided to no longer be a participant in the Wisconsin Model A Reunion.

This is due to several factors, will list two, but will sum it up with our club is getting smaller, and we are all getting older.

One being that it costs our club roughly between \$150 to \$200 per year to be a participant in the Model A Reunion: \$125 goes towards the Sunday Raffle drawing, the rest goes towards our Basket Raffle creation(s).

Second, our club's participation has dropped over the years. We went from being the largest club in attendance, to the smallest one, last year, we had a total of 4 members at the event. Add on to that the needing of 2 volunteers from each club for the car games, and another 2 for the kids games, and a team of volunteers for the assigned kitchen duties. Our members would need to do double-, or even triple-duty, to help the Reunion run smooth.

We are not dropping our membership out of spite or hard-feelings. As I said earlier, our club is getting smaller, we are all getting older.

Our membership was told that they still could go to the Reunion if they wanted to. There would be an additional \$5 charge for them, as a non-participating club participant.

As far as the website, I have been the webmaster/creator of it since it's beginning, and will continue to do so, unless someone else wants to do it (it is up-to-date by the way, with the 2024 Pre-Registration form).

Any questions, comments or concerns, please reply back to this email.

Tony Sillman, Webmaster/Editor
Wisconsin Region MARC

Welcome New Members

Tom & Lynn Casper

Tom and Lynn live in Waukesha and drive a 1930 Tudor. We hope to see you at an event in the near future.

Presidents notes....

Hi Everyone,

Welcome to the New Year!! I hope you all had a wonderful Christmas even though it was warm and green. A white Christmas is always nice....if the snow melts a couple days after Christmas.

This indoor season has three more great events ahead, custard social, the annual banquet, dog scent work demonstration and places lost to history. If you haven't sent in your reservation for the club banquet, please do so soon it should be a good time at a new venue. Speaking of indoor events, I hope everyone enjoyed the Christmas party and the white elephant exchange. I know the kids enjoyed the pinecone craft with Sue and seeing Santa. Thank you club member Curt Haen who played Santa this year.

We have plenty of openings for the outdoor touring season, if you are interested in running an event please see me or a board member. Remember events don't have to be anything elaborate. They can be as simple as a nice ride thru the back roads and ending up at a park for snacks, beverages and camaraderie.

When the board meets in January we will figure out our job assignments and let you know the results in the general meeting.

Just a reminder I won't be at the February meeting as Sue and I will be in Georgia for the month. Sue and I did join the local Model A club down there in November. They like to joke about being able to drive their Model A's 12 months of the year. In November we attended a meeting, where they served dinner and showed a documentary on Phenix City, where the club is closely based. We never knew that Phenix City was once known as "Sin City of the South" and the home of the Dixie Mafia. Some very interesting history there!

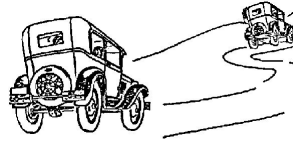

Well I guess that's all for this month see you soon at the January meeting and custard social.

Mike

Test your wits.

- 1.) While on my way to St. Ives, I saw a man with 7 wives. Each wife had 7 sacks. Each sack had 7 cats. Each cat had 7 kittens. Kittens, cats, sacks, and wives. How many were going to St. Ives?
- 2.) What has a head, a tail, is brown, and has no legs?
- 3.) What building has the most stories?

'A' Trip Back to the Jan. 1999

Back in the day our President in 1999 was Paul Piotrowski. Assisting Paul was Vice President Bob Schaefer, Secretary Dennis Pierce and Treasurer David Dohmeyer.

Jan. 10 the first indoor meet of the new year. Three new board members (Tony Sillman, Dave Neuman, and Roger Olsen) were elected at the business meeting. Following the meeting was the annual ice cream (custard) social. This treat was again provided by Leon's Custard.

Jan. 21 the technical seminar featured installing the front axle back into the frame of a 1930 Fordor restoration. An inspection of the transmission was also done.

Jan. 23 The Wisconsin Chapter Annual Banquet. The Rusnaks and Schultzs hosted the event at the Venice Club in Brookfield. The menu included your choice of Filet Mignon, Chicken Sarafina, or Orange Roughy Almondine. Cost was \$20 per person and included beer and soda as well as music by the Ken Rhodes Orchestra. Rooms were available at the Wyndham Garden Hotel for \$79. Included was a buffet brunch as well as a complimentary shuttle service.

New members were David and Grace Scheibl. 1930 Deluxe Fordor.

The Sunshine Report included Carl Weckwerth who had spent some time in the hospital. Sympathies were offered to Paul Piotrowski and family at the loss of Paul's father. Tom Wagner became the proud grandfather of a new baby boy, Reid Thomas Somers.

Past event.....

The club participated in the 2023 Waukesha Christmas parade on December 3rd, 2023 and I would like to thank those who chose to attend the event with me this year, the Quams, Coopers and Schmiechens. The drive to the meeting point at Culvers this year was slightly drizzly but it ended at there. The rest of the time was dry and in the low 40's. Some of us were able to have our windows open though the parade route to wave to the many spectators as well as wish them Merry Christmas. Everyone always enjoys seeing our cars and this day was no exception, especially since they were decorated for the holiday season. This year was the parades 60th anniversary and there are plans to have many more.

I would like to wish everyone a very Merry Christmas and a Happy New Year.

Past event.....

Christmas Party, December 10, 2023

Nice sized crowd, plenty of food on the snack table, plenty of gifts for white elephant exchange, a fun craft for the kids and Santa...what more could we ask for.

The kids had a good time painting and decorating their pine cone trees. I really enjoyed working the kids, they were all so enthusiastic, polite and fun to be with. They all did a great job! It took a little longer than planned, but Santa didn't mind waiting for us to be ready. Santa then arrived with gifts for the kids, which I hope they all enjoyed.

White Elephant/Yankee Swap Christmas was interesting. So many nice gifts shared. I thought we'd see a few old rusty Model A parts, instead we had a Hula doll dancer, a yard light, a Model A wind spinner and the sought after ceramic Chevy truck filled with candy.

Thank you to everyone who brought food to share, and big thank you those who helped set up and clean up: Deb Lewis, Stacy Koconis, Justin Kocconis, Sue Blazek, Karen & Bob Schmiechen, Robin Sturtzen, Robert Sturtzen, Vicki Cooper and I hope I have not forgotten anyone. We hope you all have a good time at the party!

Happy New Year,
Mike & Sue Quam
