## Village of Greendale, 4<sup>th</sup> of July Parade

**Date: Wednesday, July 4<sup>th</sup> 2018**

**Time: 9:00 a.m. line up, 10:00 a.m. start time**

Join Linda and Dave Huenink, along with Morgan the wonder dog, in the Village of Greendale, 4<sup>th</sup> of July Parade. The parade route is gorgeous and full of people. Last year we had 19 Model A's and 50 people in attendance. Wouldn't it be great if more than that attended this year.

We will meet at the southwest corner of the Southridge (near Macy's) parking lot and proceed together, as a group, to the staging area on eastbound Grange Ave. Bring some patriotic 4<sup>th</sup> of July decorations along to put on your car to celebrate the 4<sup>th</sup> of July holiday. We will also have some refreshments for the group while we wait.

Consider participating in this parade!! It's fun and downhill all the way. Plan on attending? Give us a call with any questions or to confirm.

Thanks Dave and Linda Huenink and Morgan too!

## Sunshine Report..... June

Darrell Cornell was in Hospice and sadly passed away at home on June 13. He was a veteran of the Korean War, serving in the marines. Our condolences to his family.

Wishing our members brighter tomorrows and a healthy and happy summer.

Please notify Linda Huenink with all sunshine needs. Call 262-378-4216 or email [linda214@wi.rr.com](mailto:linda214@wi.rr.com)

Please join us on **Sunday August 19<sup>th</sup> at Village Park Sussex, 12:00am – 4:00pm** for the **annual Wisconsin Chapter Picnic**. We enjoy changing it up the venue and meal every year. Make sure to stop out and see what this year's picnic has in store. The charge for a non-member is \$10 for adults and \$5 for kids over 8. See map on page 14.

# JULY EVENT!

## Vintage Race Cars On The Milwaukee Mile

### JULY 14, 2018

The Harry Miller Event draws 1905 to 1963 race cars from all over the United States. "Harry Miller is quite simply the greatest creative figure in the history of American auto racing. He innovated the thoroughbred American racing engine design, which was followed faithfully by those who sought to outdo him. Miller was the first US designer who viewed the racing car as an art object. Miller had passion for metalwork and machinery that soared above and beyond other designers."

Harry Miller's cars and engines won the Indianapolis 500 39 times.

Most of the cars at the event will be driven on the track at various times throughout the day. Your ticket is a pit pass that allows you to see the cars close up and talk to the owners. There will be a few cars with Model T and Model A based engines. Great photo ops and the thrill of standing along the pit wall seeing and hearing race cars that are 60 to 110 years old as they speed past. The sound is unbelievable! The Harry Miller Club will provide parking near the race car tent. Check out [www.harrymillerclub.com](http://www.harrymillerclub.com) for more info.

Meet at McDonalds on Moreland Rd. in New Berlin at 9:00 a.m. Saturday July 14.

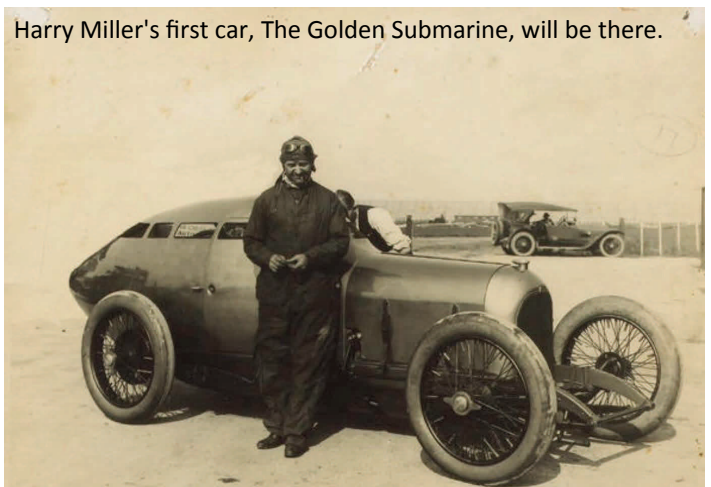

Cost: \$20 per person. The club will pay \$10 for a member and \$10 for one guest. Additional guests will be \$20 each.

The Richfield Historical Society invites you to enjoy wholesome fun for the whole family with a trip down memory lane for the 20<sup>th</sup> Annual Thresheree and Harvest Festival, **Saturday, September 15<sup>th</sup>**.

In addition to the antique tractors and cars and demonstrations of pioneer skills, there will be a wealth of activities to fill the day. Sing along with the live music or the WTKM live broadcast, and bring kids for the fun activities such as designing a scarecrow, building a small log cabin, or meeting Richie the Raccoon. Take a free wagon ride in the beautiful park. Food available includes pastries, coffee, milk and juice until 10:30, lunch served starting at 10:30, kettle corn, ice cream sundaes, and maple cotton candy. Tour the numerous historic buildings. Event proceeds benefit restoration of the grist mill on the property.

Meet Saturday the 15<sup>th</sup> at the Friess Lake School parking lot at the corner of Hwy. 164 and Holy Hill Road (Hwy 167) at 9:15 a.m. We will depart at 9:30. Events go on throughout the day; leave at your discretion. Call Art Blazek with any questions at (262) 538-4474.

## NEW MEMBERS:

We welcome new members Tom and Denise Breier of Franklin, WI. They originally joined the club in 2004 but their membership had lapsed. They own a 1931 Model A deluxe coupe. We hope to see them involved in some club activities in the near future.

## Notes from the President for July

What a rollercoaster of weather we have had lately - hot and steamy one day, cold and clammy the next. It is not snowing so I am not complaining at all!

We have had several events since I wrote last including Sharon and the June Tour. Unfortunately, Steve and I could only attend the Memorial Weekend Event. We came close to missing that event as well as we welcomed a new puppy to our home the week before the event and were not sure how it would all play out if we brought her. We were close

enough to home that if it got bad we could always leave and just do the daily events. Our pup, Journey, is a Sheltie and was 9 weeks old at the time. She was so good the whole weekend and we were fortunate to have many flexible accommodations for her. She participated in everything but our Sunday night banquet. The weather was great the whole weekend!

The weekend was jam-packed. We stopped in Plymouth on the way up along with Stipe Specialty Cams for a tour and lunch. The Stipe's really rolled out the red carpet for all the attendee's-great info about the company was shared, a lunch spread fit for a king, beverages of all sorts and door prizes for

several lucky winners were provided to all! Friday evening was spent at one of our member's homes, Jim and Cheryl Nicholson. We had dinner there and we were shown a glimpse of Jim's car collection and much of his model train collection. Jim led us Saturday on a tour of the area and shared two more buildings full of his other car collections. He has quite a variety of some really nice vehicles. We stopped for lunch along the shore of Lake Michigan at the Sheboygan Yacht Club. The rest of the day was left for us to explore on our own. Sunday events included a stop to see Mark and Deb Zimmer's car storage spot. Some special folks got to drive a very unique vehicle (I don't recall what it was). He had two really nice Model T's as well. We then went to one amazing property along the shores of Lake Michigan called Christopher Farm and Gardens. A train ride was provided to all interested and then we were given time to wander the rest of the property on our own. This was a beautiful, well-manicured property with plantings all labeled. There were several water features throughout, along with several buildings and sculptures. It was my favorite stop for sure. We then cooled off and had lunch at Zimmer's Westview Reception Hall. The evening and weekend ended with the Banquet at Klemme's Wagon Wheel where we shared stories from the weekend. Be sure to ask the Yokofich's about their new lighted, heated toilet seat. Thanks Jan Olsen, the Gapko's, Nicholson's and Zimmer's. You done well!!! We are looking for hosts for next year's overnighter. The planning is easier the sooner you get started. Please let Jeana Angelini know of any idea's you may have. Picking a destination is the hardest part. We are also looking for a banquet host, again the hardest part is finding the place. We have some parades coming up and a unique July event (don't forget you need to pre-register).

Also, last call for suggestions for the two donations following our successful swap meet. Please send me or any board member your recommendations.

I hope you are enjoying the dog days of summer and hopefully in your Chitty's. Savor every moment as they will be gone before you know it.

Ahooga!!

Deb

## Luther Manor Car Show

September 8th from 9:30 a.m. to 3:30 p.m. the 13th Annual Car Show. We hope the weather aligns with our plans otherwise we will still have programs set up indoors. Advance registration remains \$7 and includes lunch, dessert, and a chance to win a "Best of Show" trophy. The bake sale, auction, and 50/50 raffle will be available to both car owners and attendees. Proceeds will go to special event programs for our residents. Information and registration forms is on the website: [www.wichaptermafca.com/forms/](http://www.wichaptermafca.com/forms/) Find it under "Downloads"

Again this year, Rev. Keith Jones, Wisconsin Chapter MAFCA member, invites club members to bring their A's to his church's 6th Annual Sweet Sweet Music Festival **on Sunday August 12th from 11:30 a.m. to 5:00 p.m.** Some great bands will be playing a wide variety of music; there will be crafters selling their crafts; and of course great food.

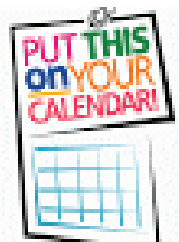

No cost to be there! - in fact Rev. Jones will treat club members who bring their A's to lunch, dessert, and beverage.

Rain Or Shine!!

Hope to see you there!!

Church address: First Presbyterian Church of Ottawa, S37 W35415 Hwy D, Dousman , WI 53118 - the church does not have a landline phone - call Keith Jones for more info anytime before 8 am on that Sunday. Generally, church is most easily located at the corner of Hwys C and D just 1 mile east of Hwy 67 a couple of miles south of Dousman.

**Outdoor** – Jeana – Those running tours have not turned in any summary reports for their events. A discussion was help about getting flash drives to those taking club pictures so the pictures could be down load to the website. Dennis Cooper is willing to be the technical

chairman for the Rapids Reunion. Those running the swap meet are looking for someone to do advertising.

**Indoor** – The banquet still needs a host. A discussion was held regarding places to have the banquet as a reservation needs to be made soon. Deb has attempted to meet with the Double Tree Hotel in Brookfield but they have not been very accommodating.

**Sunshine** – Dave for Linda – Darrell Cornell passed away on June 13<sup>th</sup>, 2018.

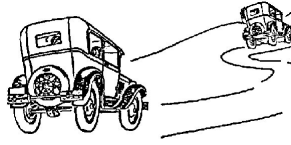

**Old Business** –Jeana has a contact for an embroidery person she is going to reach out to. A discussion was held about getting a webmaster to oversee the clubs new website. It is a little early to get someone but the Board and the committee will be putting together a job description.

**New Business** – none

Jeana made a motion to adjourn meeting and it was seconded by Deb. The motion was put to a vote and it carried. The meeting was adjourned at 8:41 p.m.

Respectfully submitted,  
Dave Huenink  
MAFCA – Wisconsin Chapter Secretary

## 'A' Trip Back to July 1998

Board members for 1998: President – Paul Piotrowski, Vice President – Bob Schaefer, Secretary – Dennis Pierce, Treasurer – David Dohmeyer

In 1998 we had nine members serving on the board and an additional nine members serving as various volunteers. *Today we have six board members and an additional seven members serving in various volunteer positions.*

1998 – the Wisconsin Chapter's 40<sup>th</sup> year as a member of MAFCA and Wisconsin observes 150 years of statehood.....and.....our chapter had the good fortune of hosting the prestigious 1998 MAFCA NATIONAL MEETING & BANQUET!!! The event, December 3-6, was chaired by Dick Lardinois and headquartered at the Sheraton Milwaukee-Brookfield Hotel. Planned activities included:

Thursday - Dine with the Stars – and the stars are the cars! A tour of the Hartford Heritage Museum, home for more than 85 antique and classic cars. A tour of the Antique Mall next door was followed by an exceptional dinner with dining taking place among the exceptional cars of the museum.

Friday – A special fashion tour of the Historic Costume Collection and Fashion Archives of Mount Mary College. Another tour led to the Strattec Division of Briggs & Stratton, an original supplier of Basco keys and locks to the Ford Motor Company during Model A production. The evening included a Welcome Reception, hosted by Dave and Carol Rozman, and a bit of RAZZMATAZZ.

Saturday – Breakfast with the board, held before the membership meeting. This was followed by a stroll through history as we toured the Pabst Mansion. Continuing on, we refreshed our spirits with the serenity of the Mitchell Park Horticultural Conservatory's Domes. Evening festivities included the excitement of the National Banquet.

Sunday – We joined fellow A'ers from around the country for a continental breakfast before everyone headed home.

Wisconsin Chapter members were saddened to learn of the death of J.B. Moates of Fort Worth Texas. He was a past president of both MAFCA and MAFFI and was the spearhead behind the Texas Challenge of a few years ago. When Wisconsin beat Texas in the Texas Challenge in 1989, J.B. came to Wisconsin and presented the chapter with a white flag of surrender. As he handed it to our chapter president he said "Keep that flag CLEAN 'cause we're going to get it back from you!" The next year Texas had more cars than Wisconsin at a chapter event.

The Board of Directors approved a membership dues increase of \$3.00, raising the dues to \$15.00.

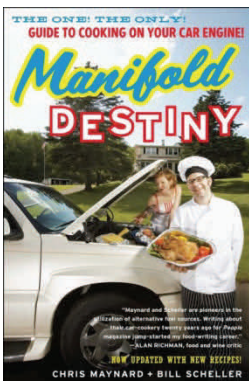

The ladies page contained recipes for Rhubarb cake and fluffy frosting – *contact me if you are interested.*

In 1998 we participated in four 4<sup>th</sup> of July parades – Greenfield, Greendale, Franklin, and Brown Deer with a minimum of six cars at each parade. *Today we participate in only the Greendale parade (although we usually have a great turn-out of cars).*

New members – Joe/Shirley Hauk, Bill/Sylvia Edstrom, Charles/Barbara Wimpee.

Sunshine – Mike Kultgen and Carl Weckwerth were both hospitalized during the past month and are home recovering. Dan Kane was rushed to the hospital in Reedsburg during the Memorial Day Weekender. He underwent gallbladder surgery and was later flown to a Madison hospital with complications. He has weathered the storm and recently returned home to recover.

It's time to bid farewell to the roadside meal as you know it. Nearly twenty years ago, Chris Maynard and Bill Scheller opened the world's eyes to the beauty of car-engine gastronomy in the original Manifold Destiny.

Manifold Destiny: The One! The Only! Guide to Cooking on Your Car Engine! by Chris Maynard, Bill Scheller With step-by-step diagrams, crowd-pleasing recipes, and thorough instructions, now you can turn your car into a kitchen without ever crossing any golden arches. Hilarious, bizarre, and ultimately (seriously!) useful, Manifold Destiny is and always will be an unparalleled original. So, slap a ham steak under the hood of your car, hit the gas, and drive until you reach delicious — which is in approximately fifty miles, depending on traffic. *Note: This book is available at Barnes and Noble, paperback for \$2.00.*

#### *Historical Events for July 1998:*

- Jul 1 The NBA commences a player lockout after no agreement with players about salary issues - lasted 204 days, season shortened by 50 games*

## Jim's technical tip

by Jim Cannon, MAFCA Technical Director

### Keep an Eye on Your Ammeter

Thrifty Henry Ford would only spend the money to put an ammeter in the Model A if he knew it would help you while driving, so get in the habit of keeping an eye on it.

Here's what to look for and what it can tell you:

Watch for the ammeter needle to "twitch" as you pop out the ignition switch or turn the ignition switch to the "on" position. This confirms that the coil is getting power. Now start the car.

After the engine starts and you have it on a fast idle to warm up, check that the ammeter is showing a Charge to the battery. If not, find out why.

Look at the ammeter needle when you step on the brakes. It should jump a bit toward discharge (unless you have LED brake lights installed, which draw very little power). It's always good, before you hit today's crazy, busy roads, to know that your brake lights are working.

If you have a voltage regulator in your generator, or if you have an alternator (which has a voltage regulator built in) then you should see the initial battery charge rate on the ammeter steadily drop until it is back to zero in 5 minutes or less. A stock Model A generator will not do this, it has a constant amps output above idle RPM, so you can watch for that while you drive.

Check the ammeter as you turn your headlights on. The charge rate to the battery should drop with a generator; the needle should jump around a bit but go back to where it was if you are driving with a good alternator.

As you see, the ammeter can help keep you out of trouble every Model A Day!

## Looking back in the rearview mirror

### Wisconsin Chapter 2018 Memorial Overnighter Sheboygan Falls, WI

Our Model A group gathered early Friday morning at McDonald's in Cedarburg to begin our Wisconsin Chapter 2018 Memorial Overnighter. It was great to start out on a sunny day instead of rain that had been predicted because it never (well, hardly ever) rains on a Model A parade!!! We began our long journey to Plymouth down interesting Model A roads Ele found on her scouting trips to the area. We arrived in Plymouth after almost an hour on the road! We looked around Plymouth until it was time to start down the road to Stipe Specialty Motor Cams.

Dieter, Shelley, Tony Stipe and their employees welcomed us to Stipe Specialty Motor Cams. We began our tour with a short film how Stipe Specialty Motor Cams got started. Then we had the opportunity to observe quality Model A parts being manufactured in Wisconsin in the United States. After the tour we were invited to be guests of Shelley, Dieter, and Tony where we were served an incredible buffet lunch.

We continued down the road to our Days Inn Motel in Sheboygan Falls to get settled for the weekend. Then we traveled over to the Jim and Cheryl Nicholson homestead where a fantastic Johnsonville brat/hamburger fest was served by Jim, Cheryl, Mark and Deb. The rest of the evening was spent enjoying Jim and Cheryl's treasures and visiting. It was a perfectly beautiful Wisconsin evening and ending to a fun day.

Saturday morning started out bright and sunny and looked like a great day to be driving a Model A. Jim and Cheryl lead us down beautiful Sheboygan County roads. Along the way, we stopped and looked over some of Jim and Cheryl's treasures. Then, we found a cheese factory which just happened to have cheese for sale! Imagine that! We continued on to the Sheboygan Yacht Club where we were served an outstanding buffet lunch. It was fun observing water front activities as we looked out on Lake Michigan while enjoying our lunch. Our group went in several different directions afterwards. Some people found Evans (If you can't find it . . . it hasn't been made!) in Sheboygan Falls. Others Model A'ers drove North along the Lake Michigan shoreline in the cool breeze.

Sunday morning found Mark and Deb leading us down different Sheboygan County roads to Christopher Farm & Gardens. This is a private garden along Lake Michigan near Whistling Straits Golf Course. It was a privilege as well as a pleasure to be invited to view these gardens. Most of us took a short train ride to view the exceptional beauty that had been created. We traveled to Zimmer's for a light lunch to finish our morning.

Sunday evening found us at Klemmes Wagon Wheel in Howard Grove for a delicious banquet.

Our Wisconsin Chapter 2018 Memorial Overnighter was a success because of Jim, Cheryl, Mark, and Deb. We appreciate the outstanding job Jim, Cheryl, Mark, and Deb did so we could have great memories of Sheboygan area. It truly was A Model A fun and relaxing weekend traveling with Model A friends. We all appreciated our sunny days to enjoy Sheboygan County. It truly was A Great Model A Weekend!

P. S.

Start thinking where YOU would like to have A Wisconsin Chapter 2019 Overnighter. Tell our Outdoor Chair what YOU think would be a great place to visit? YOU could even host the tour!!!
