June President's Notes

Well with the weather breaking and some restrictions starting to slowly lift we can finally start our season!

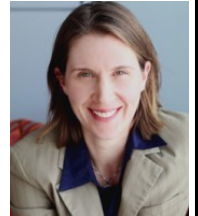

Please check out the Socially Sensitive June Cruise coming up this month! I'm very excited that we will once again get to see some A-s out there on the road, and even more so excited to start seeing club members again!

May, as always gives us time to celebrate Mother's Day! Mothers can sure teach us a lot about A-ing. I think back on my mom (Joan Semrau) and the years of car trips and I learned equally as much from my mom about A-ing as I did from my dad. Of course, we tend to think of men as the ones working on the cars, however there is an unspoken side of A-ing that has to be taught as well.

From my mom I learned the supporting side of the hobby. This less discussed, seldom recognized side of our passion is one worth more attention. Mothers teach you things like; how to pack a 4 person family into a Cabriolet for a 3 day tenting trip ("your butt's small, one pair of underwear is enough."), that you can always find a way to fit the dog into your "A" travels, how to deal with hair in

the wind problems, how to play car games to pass the time, getting people to beep their horn for you, waving with parade style, how to not get sunburnt to a crisp, and how to make car shows interesting for a small child. Most important at times, she taught me how to stay clear of my dad when he was in one of his repairing a broke down A rages. I think it could be argued that mothers are the first teachers of "social distancing" LOL ! I love my mom and she will forever be apart of all these A-ing memories.

What woman has been your A-ing inspiration? Time to call, email or tell (shout at her from a 6 foot distance) her what a difference she makes. If she's gone, well time to pass on a story to someone in her memory. Maybe even write a story for our newsletter!

We all know A-ing is as much about the women as it is about the men. No passionate A-er is ever just along for the ride!

God bless Mothers, Women, Old Fords and Our Club

Your President,
Kate Rozman

Club Mission Statement

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

Socially Sensitive Cruise

Sunday, June 7th, 9:00 a.m.

Starting Point: CaribBean Coffee, Elkhorn WI (Corner of Hwy 12 and HWY ES, Abell's Corners)

We will go out for a nice cruise heading north on rustic and country roads. Our final destination will be Here's the Scoop Ice cream Shop in Genesee Depot.

The starting point is a small family owned coffee shop and our tour participants will get free cup of coffee if they'd like. The shop has walk-in ordering and also drive up.

Once at the Ice Cream Shop participants will get a coupon toward their snack purchase.

Depending on where the pandemic shutdown is at during the time of this tour, Sideliners Pub is a great for people to grab lunch on their own after our tour.

Kate & Chris Rozman

Welcome to new members:

William Eschmann - Antigo WI

Gary & Lynn Benton - Hartford, WI

Phil Buckholz - Waukesha, WI

Gary Gillen - Big Bend, WI

Ron Johns - Oconomowoc, WI

Matt Pipkorn - Grafton, WI

Dale Herrick - Saukville, WI

The WI Rapids Reunion committee will make a decision on May 26th whether or not the reunion will go on as planned or be cancelled due to Covid concerns. Watch the website and Facebook pages for up to date information.

Village of Greendale, 4th of July Parade

Date: Saturday, July 4th 2020

Time: 8:45 a.m. Parade line up, 9:30 a.m. start time

Join Dave & Linda Huenink, in the Village of Greendale, 4th of July Parade. The parade route is gorgeous and full of people. We will meet at the southwest corner of the Southridge (near Macy's) parking lot between 8:15 a.m.

and 8:30 a.m. We will proceed together, as a group, to the staging area on eastbound Grange Ave. Bring some patriotic 4th of July decorations along to put on your car to celebrate the holiday. We will also have some refreshments for the group while we wait. Consider participating in this parade!! It's fun and downhill all the way. After the parade feel free to attend the Greendale Family 4th Fest. The festival will have Amusement Rides — Carnival — Festival Games, Craft Wine and Beer Tent and Festival Food. This festival is always well attended and this year Bobby Way and the Wayouts will be performing at 1:00. Planning on attending? Give us a call with any questions or to confirm.

Thanks Dave and Linda 262-719-1056

Asking "Who ought to be the boss" is like asking "Who should be the tenor in the quartet"? Obviously, the man who can sing tenor" **Henry Ford.**

Eagle River Weekend Get-A-Way

New Updated Info-Can't miss event!!

Thursday, July 30 - Monday, August 3, 2020

Tour Group from Milwaukee area will be led by Dennis and Anne Wacker
Tour Hosts in Eagle River are Carl and Charlene Wussow

This is truly a "can't miss" event. The ride will be long but so worth it. We are leaving on Thursday and heading back Monday to avoid the heavier weekend traffic and to allow a more leisurely route.

We have 15 confirmed rooms held at the **Eagle River Inn**, Eagle River, Wisconsin. It is a beautiful setting on Watersmeet Lake where the Eagle River and the Wisconsin River join on their journey to the Mississippi River. The complex is located on Hwy.70 West, just about a mile from the City of Eagle River. The parking lot is secure and away from other locations that would have had lots of traffic. Breakfast is included. Some items include: hot waffles, breakfast sandwiches, hard boiled eggs, oatmeal, Danish, cereal, coffee and other items.

Room Rates on the parking lot side, 2 queen beds, fridge and micro is on special for us at \$107.10 and a lakeside room, with patio doors opening directly to the water complex are \$125.10. None of the other hotels have settings like this one and others are in more crowded areas with much more vehicle and pedestrian traffic.

Hotel registration can be made by each family by calling the **Eagle River Inn: 715-479-2000**. They will need to identify themselves as part of the group from the Wisconsin Chapter, Model A Ford Club to get those special rates. I suggest that you make initial contact with the Eagle River Inn not much later than January as summer reservations will be increasing after that time. Early is always better than late!

Details are still being finalized for the weekend, but so far we will plan a Friday late-morning Pirates Hideaway cruise (Pirate attire is encouraged) and a Fish fry at Chef Rene's award winning restaurant at the Eagle River Inn (all you can eat for \$14) and they have a bar lounge adjacent to the restaurant.

Saturday is our weekend headliner event - Three Lakes Petroleum Museum Car Show: Arrive by 9:00 a.m. or before. The show is from 10:00 a.m. to 2:00 p.m. with awards following. The museum is free and open all day. Food is available on the grounds and each car registered early will receive a coupon for 1 sandwich (hamburger, cheeseburger, bratwurst or hotdog, chips, soda and popcorn. Over 250 vehicles will be on display.

The Three Lakes Winery is only 2 miles away from the car show and the wine selection is outstanding along with a related "wine related" gift shop.

Saturday night event will be movie and pizza night. We will be showing Public Enemies. It was filmed at Little Bohemia just a few years ago and starred Johnny Depp. It is accurate, exciting and will be an opportunity to prime us for our dinner at Little Bohemia the following night.

Sunday the group will depart the hotel at 1:30 for a drive through the beautiful forests in the area. We will stop at the Dillinger Museum for a tour and then enjoy dinner at Little Bohemia at 5:00 p.m. Since it has never been restored after the FBI and Dillinger gun battle, our cars will be a highlight for photographs in front of the main building. We will return the hotel before dark.

Tentative Schedule:

Thursday, July 30th

- Depart Milwaukee
- Arrive - Rhinelander, for tour of Railroad Museum and restored CCC logging camp (free)
- Depart to Eagle River
- Arrive – Eagle River Inn for motel check-in
- Dinner on your own

Friday, July 31

- Pirate Ship Cruise. The ship holds 35 guests.
- Afternoon on your own. May want to tour Eagle River – A must stop is “Soda Pops” in town
- Planned Fish Fry (All you can eat)

Saturday, August 1

- Depart hotel - 9:00 - to Three Lakes (10 mile drive) for car show
- Enjoy car show, lunch on show grounds, tour Petroleum Museum, owners judge with Trophies/2:00 pm
- Depart Three Lakes - 2:30pm for Little Bohemia Restaurant - 56 mile drive.
- Pizza and Movie night (Public Enemies)

Sunday, August 2

- Afternoon Tour
- Dillinger Museum/Little Bohemia Restaurant-Manitowish Waters The museum is open from 3:30 to 4pm, the bar opens at 4pm and dinner starts at 5pm

Monday, August 3

- Depart for Milwaukee

Wisconsin Chapter 2020 Memorial Overnighter Labor Day Weekend

Friday, September 4, thru Monday, September 7, 2020

Our first ever **Wisconsin Chapter 2020 Memorial Overnighter Labor Day Weekend** will be the **first weekend in September, 2020**. We pray our lives will be back close to normal so we will be able to travel across our fine state of Wisconsin towards La Crosse and the Mississippi River. We still plan to journey along the Mississippi River on Wisconsin's only designated National Scenic Byway, the Wisconsin Great River Road.

We hope to know before the end of June which places will be available for us to visit. Obviously, this depends on which venues will be able to open again.

A few rooms are available if you would like to join us at Country Inn & Suites in La Crosse the first weekend in September. Say the magic words, "**Model A Ford**", to reserve A room for \$109.00/night starting Friday, **September 4th**, Saturday, September 5th, Sunday, September 6th, departing Monday, September 7, 2020.

Model A Ford Club of America – Wisconsin Chapter Minutes

April 24, 2020

Board Members Present: Steve Lewis, Dave Huenink, Vicki Cooper, Jeana Angelini, Kate Rozman, Mark Flintrop

The board had an email correspondence to vote two new members into the club. Dave made a motion to accept Gary and Lynn Benton and Ronald Johns into the club as members. The motion was seconded by Jeana Angelini. The motion was put to a vote and it carried. Mark will be sending them new member packets.

Respectfully submitted

Dave Huenink

Secretary

'A' Trip Back to June 1996

I don't know about Bob, but when it is my turn to write the Historical article for the Wheeling the A, I randomly grab one of the myriad of binders filled with past publications on the shelf in the basement, and open it to the corresponding publication month -- this one being June, 1996. In contrast to our June, 2020, that June was a flurry of activity. There was the Summer 'A' Olympics and a BIG Car Show/Swap Meet at State Fair Park: "No job is too small and larger jobs can be shared!" No less than 20 people volunteered to chair various components of that event.

Then there was a Rose Festival planned at Whitnall Park, planning for the 4th of July parades and the Rapids reunion, a need for new Tool Keeper, deaths noted, weddings celebrated, and new members added.

Contrast that with our situation today, when at the height of this COVID-19 pandemic, our Model A's are obliged to idling in the garage. Tours and summer activities are being cancelled and rescheduled. The big unknown is if the rescheduled activities will be able to be held.

While the Model A wasn't even a gleam in Henry's eye in 1918, this pandemic is often compared to that pandemic. That got me wondering how the Ford Motor Company dealt with 1918.

World War I was still raging until November 11th, and the pandemic was in full swing through most of that year. Ancestry.com writes that "in Detroit, over 1000 Ford Motor Company workers called in sick during March 1918." American Automobiles web site says that even though there were more than 2,250,000 Ford autos in service, the Ford Model T for 1918 was a continuation of the 1917 Model T. Perhaps with a war and a pandemic plaguing the country, the company decision was to just coast. The 1918 line up consisted of a Touring Car (cost \$360 and quipped with a four-cylinder water-cooled engine), Runabout, Sedan, Coupe, Town Car and a Delivery Car. An interesting note is that out of the 80,916 *chassis* that rolled off the line that year, 2,163 were for Military Ambulances. The pandemic raged into 1919. The current Waukesha Freeman indicated that the Milwaukee area suffered the most the four months from September through December of 1918.

Skipping back to June of 1996, the Ladies Page gave us recipes for Rhubarb Salad, Cherry Macaroon Cookies, and a Cool Whip Pie. The pie recipe was simple enough: into a Graham Cracker Pie Crust add in nuts, Cool Whip, Mandarin oranges, lemon juice and condensed milk. Sounds refreshing!

The 'A' Technical Tip was about timing gear covers. "If a manual spark advance distributor is being used the timing gear cover should be the original A-6019. **Continued on next page.....**

If a centrifugal spark advance distributor is being used the timing gear cover should have the elongated boss with the timing pin hole located in the upper portion of the boss with a designated part number B-6019." (That is way out of my wheelhouse!)

Of course, as always, I love to share the Burma-Shave sign rhymes. This one was published in June 1996:

He saw -- The train -- And tried to duck it -- Kicked first the gas -- And then the bucket -- BURMA-SHAVE.

We are (less than usual) hysterical, (but still) historical,

Bob and Karen Schmiechen

Car Cruise May 16th

Weeks ago a mass email went out about a car cruise being planned by Scott from Hagerty Insurance Company and we were all invited. With the weather being so nice and sunny on Saturday, May 16th, Mike and I decided to take the Mustang out and go cruise with the group. While waiting to get started we saw Dennis and Vicki Cooper in their Model A (In fact they were the only A there), Bob & Kitty Schaeffer in their modern car, and across the parking lot we are sure we spotted Dave Neuman in his 39 Ford. We cruised thru Delafield, Town of Erin, North Lake, Merton, Holy Hill area and more. It was a really nice ride and the sights were spectacular.

-Sue Quam

TRAVELING DOWN IN YOUR MODEL A

Those attending the National Banquet had the opportunity to attend a Fashion seminar presented by Patti Jones, Era Fashion Committee member.

Traveling down Route 66, bags would be unpacked and guest(s) settled into comfortable rooms at the Morey Mansion in Redlands, California. A woman would travel with a full dresser set to ensure a glamorous appearance.

The well-dressed woman might change into an afternoon dress for a stroll around the property. In a black and white checked dress with white insert and shoes of kid leather in a white and black woven pattern, she would marvel at the beauty of the grounds.

For a sports minded woman, riding or shooting clay birds would be on the agenda.

Tall leather boots kept the person stable and the canvas vest would hold the shotgun shells needed.

For the ride through the countryside, a spring outfit with plaid knickers with a cream-colored long sleeved blouse would add style to the sport. Of course, a black riding helmet and a riding whip would be appropriate accessories.

Palm Springs was a popular stop along Route 66. Perhaps a dip in a swimming pool or catching some sunrays in the newest swimwear would occupy the time. An umbrella, rubber shoes to protect the feet and the ever so fashionable Janzen swim suite made of wool would have been unpacked from the luggage.

For the adventure seeker, taking a flight would require goggles, leather helmet, gloves, and a jacket.

Golfing attire might be the corduroy knickers, white shirt/blouse, sweater, and leather shoes with knee high stocks.

Perhaps instead of walking or sports, attending an afternoon tea would provide a delightful afternoon. The orange floral chiffon dress with a Bertha collar, hat, and cream leather pumps would turn all the heads as you enter the tearoom.

As evening approaches, an evening dress for dinner was necessary. The aqua dress with embroidery edges, chiffon jacket, and silver fox stole, pale blue evening sandals, and white beaded purse would be perfect. This ensemble could also be worn at the casinos for an evening of cards and gambling.

To retire for the evening, a silk nightgown with a matching dressing gown could be worn around the bedroom suite. Another choice could be a black oriental design lounging pajamas. The striped beach pajamas with a jacket would be worn around the pool or patio with the black brimmed hat and beige shoes.

Being well attired required planning, multiple ensembles, and an attitude of style for travelers along Route 66 or across the entire country!

At the National Banquet Fashion seminar, several fashion enthusiasts spoke of being discouraged due to difficulty of finding original garments in good condition. Some are reporting that their original garments no longer fit their body shapes, or their garments are becoming so fragile, that they chose not to wear them in fashion judging. Original garments are 89-92 years old, however just as beautiful as the day produced. The Era Fashion Committee is discussing the concept of a Judged Display Section of the Era Fashion Guidelines. Currently, there is a Display Only description, where a Host Fashion Coordinator may decide to offer a Display opportunity to participants. The Era Fashion Committee believes there are MAFCA members who would display the original garments for all to enjoy.

The Era Fashion Committee has started drafting proposed judging standards for Display Fashion Category. The Era Fashion Committee would like your feedback. Send your comments to Diann Eason, Chairperson at fashions@mafca.com
