## Notes from the President for March

It has been another bittersweet month for me. We suffered the loss of yet another remarkable lady and long-time club member this past month, Mary Flynn. Mary was a very sweet, funny, and beautiful lady. I admired her and Jerry, as the love shared between them was so eminent and tender. Attending her funeral was one of those life lessons you get when you don't expect it. I learned things about Mary that I had no prior knowledge of beforehand, but should have. And really just regarding similar interests and connections we had that I wish I would have known about. Live and learn. Mary will be remembered fondly.

Now the sweet, my Chitty is home again. All pretty and shiny in its new coats of paint, it is more beautiful than I imagined it would be. I thought the moment would be more emotional for me. Not sure if it was the ice and cold temps we had that day when we maneuvered it from the trailer into the garage. Or maybe it was knowing all the work we still have to do on it, and the wonder if it will run well when we are done. Or maybe it's knowing that mom missed it by just a few months – dang it all! Maybe the moment will come the first time we drive out of the yard, literally marking the end of an era.

We had a great time at the annual banquet. Chris and Kate Rozman did not disappoint us as our hosts for the evening. The venue they chose provided us with a wonderful meal. The Rozman's had prepared a nice video with era music for us to watch in the background. Most of us enjoyed a mixer trivia game played while using our

phones to respond to the questions. It was a nice way to get up, move around and meet and talk with people that we may not otherwise have had the chance to. It was fun. Later in the evening during the awards presentation Steve and I were awarded our 35 year pins and anniversary plaque which was expected. What was not expected was being awarded the WI Chapter MAFCA National Service award as well that evening. What an honor that was. Even more deservedly, Dennis and Vicki Cooper were awarded with our club's highest honor, Members of the Year award. Congratulations!

March marks our last indoor event of the season. Can you believe it has been five months already? Soon all the Chitty's will be out on the road again. Such a good feeling. Ahooga!

# March 10th Indoor Meet Polish Poker

March 10, 2019 at 1:30 pm in Gonzaga Hall

Come join us for our last regular indoor meeting of the season followed by fun games of Polish Poker. This is an easy card and dice game that is easy to learn and fun to play. You don't need to know anything about poker to play. There will be prizes for the person at each table with the most points and maybe a few other surprises. Snacks and beverages will be provided as well.

Co-Chairs: Jo Lene Janssen and Deb Lewis

## REMINDER

If you host events/tours, you NEED to get information to the editor 2-3 months prior to your event so it makes it into the newsletter on time. You also need to send in an article after your event, recapping or summarizing your event, articles don't have to be long. I often get great photos from our photographers from events and end up with no article to go with those photos.

## **Highlights from the Planning Meeting for the clubs to share with membership**

- This year's Reunion dates are July 26th - 28th.
- Please pre-register, and save \$5. A pre-registration form is in this mailing and is on the web site at [clubs.hemming.com/wirapidsmodela](http://clubs.hemming.com/wirapidsmodela).
- This is still an affordable family event, money raised from the auction, raffle, and basket raffle offsets costs.
- The 2018 Fund-raising auction made \$1224. Please help out by donating good usable items to this event. Doesn't need to be Model A stuff, but that is always appreciated. Don't forget about items for the kids.
- Each club needs to donate an item for **each** of the raffle categories: \$50 for the Men's, \$50 for the Women's, and \$25 for the Kid's. These need to be single items for one drawing from each category, not several little ones to make up several drawings. Individuals may also donate. The 2018 Raffle brought in \$616.
- Each club needs to donate a \$25 value basket for the Basket Raffle. The 2018 total was \$675. Clubs may donate more than one basket, and individuals may also donate. Baskets do not need to be elaborate. Look on Pinterest for some good ideas.
- You do not need to be a Model A Club member to participate in the Reunion, Model A is optional also.
- Rooms in the Rapids area go fast, be sure to reserve yours today.
- We ask that all participants wear their club's name tags, so that names can be learned. Name tags may be borrowed from Registration, please return afterward.
- Please list the first and last names of all the participants that you are registering on the registration form. This is to help with the issuing of awards.
- All participants, 16 years and older, need to sign up for a job duty to help out over the weekend. If people don't start signing up, we will have to look into other ways of getting volunteers.
- Car trailers will be allowed to park on the north-east corner of the lot, on the race track curve, and on the south end of the lot, as long as it is not interfering with camping.
- This Lady Drives a Model A will be held again this year. This class is designed to show participants how to drive a Model A from someone other than a relative by birth or marriage. Schedule a time to do this.
- The corn roast will be on Friday, from 5:00-6:30, or until the supply runs out. \$1 an ear.
- Saturday morning is the Shoe Box Swap Meet. Bring what fits in a shoe box, and swap/sell your items with other participants. Trying to limit this to Model A era related items only - parts, tools, fashions, etc. Be sure that you have your own change, as there will not be a banker on hand. All money raised is your own.
- The Ski Race will be held on Saturday at 10, and is open to the "older children" of the Reunion. Definition of "older" and "children" to be determined by self. Form a 3-person team, sign up at the club house.
- Please remember to bring an item each day to the Pot Luck line in a disposable container for easier clean up, or put your name on dish if you want it back. All items brought to Pot Luck must be ready to serve, this includes slicing of any fruits and vegetables. The serving staff does not have the space or time to finish your dish.
- Kitchen duties have been assigned by club, and are listed elsewhere in these notes. Please be sure to help your club out on their day.
- Events Chaired by Clubs have also been assigned, and are also listed elsewhere. Some still need to be filled.
- With the exception of the Slow Drive and Chapter Team Events, each licensed temps registered participant can go through the car games once. If the participant doesn't have a Model A, one may be borrowed.
- Guests cannot participate in Slow Drive or Chapter Team Events.
- The Slow Drive will be on Saturday. A car and a participant may go through the Slow Drive only once.
- Car games this year will be Bull's Eye, Center Bumper and Blind Line.
- Chapter Team Events will be May Pole, Bean Bag, and Teeter Totter. There will be no practice round for the Chapter Team event, only a demo, start practicing. There will also be a 2-minute time limit for these events. Decide who will be doing these events for your club, so we do not need to be on the PA looking for them.
- The areas under and within 15 feet of any structure used by the Reunion, whether it is a building or a tent, are now Smoke/Vaping Free. This includes the clubhouse, overhang, basket raffle and food line tents.
- Electric Power will be ran out to the camping areas, with 10 amp service, and will add another \$15 to the camping charge. This is limited to the first 12 registered participants requesting it.
- Shut off time for campsite generators is 9:00 pm.
- Members of a participating club cannot register as a guest.
- A guest needs to be registered under a Participant, they cannot declare themselves as a guest.
- Day Pass participants are not allowed to participate in Award Issuing Events, such as Hubley and Car Games.
- Saturday after the tour, there will Adult Games, open only to participants that are 16 and older.
- The same DJ service will be used again this year, no guarantee that we will get the same DJ as last year.

# 'A' Trip Back to March 1986

This month we are wheeling back in time to March 1986.

"Happy Easter" says the cover of the Wheeling the A, drawn by Ron Mack, in Volume XXXII, Issue #3, circulation 377. Easter was March 30th of that year. The Wisconsin Chapter would be hosting the World Meet in just a little over three months so there was a lot of planning going on. Despite the huge event that the club was hosting it didn't seem to stop the club from having their usual activities. March 9th was their Ice Cream Social and March 15th was the St. Patrick's Day Parade. A body-work technical seminar was hosted by Ed Moehrke at the Avenue Brake Shop, 55th and Lisbon. Plans were also underway for the Spring Start Tour hosted by Howard Ehlers and the Bartel family.

Jack Grundman, President, held up the recently held Swap Meet at State Fair Park as a good example of how working together makes for success. (*Words of wisdom for even today!*) Dennis Pierce, Secretary, was in charge of tallying a New Member Challenge that started with the club, was then followed by a Challenge by Fort Worth, and then MAFCA National announced a three-month CHAPTER CHALLENGE '86. Awards went to the club with the Biggest Growth (Percentage-wise), Biggest Growth (Total), and a drawing for any Chapter adding 20 (Yes, 20!) or more new members. (*Jeanna, now there is a challenge for you as our New Member chair!*)

Thirty years before in March, 1986, (*that would be March 1956 for you math-challenged*), the Milwaukee Journal printed an article titled "The Model "A" Rises Again." (*We could use another Model A resurrection.*) Twenty-Five years ago (*March 1961*), a Model A horn, missing a rear cover was advertised for \$2.00 and a 1930 Model A Roadster, semi-restored, was up for sale for \$595.

The Ladies Page was a tribute to many women who were ministers of "Hope." Women, who in the face of discouraging situations held hope up as their faith in the future. An "A Tip" page said that if you purchase an inexpensive 6-volt motor cycle battery charger, attach the negative lead to the battery side of the cut-out and positive lead to one of the screws that hold the cut-out in place on the generator, and plug the 2" square charger into any 110 outlet, your battery will always be kept charged and your "A" will start like a charm.

A little humor included in the newsletter: What do you get when you cross an elephant with a Volkswagen? A little car with a big trunk!

If every sip  
Fills you  
With zip  
Then your sipper  
Needs a zipper.

To jog your own memory back to March 1986 (*Crank, crank, crank*) here are some historical moments to remember:

# February Indoor Trivia

February 10th Indoor Meeting

Henry Ford & Model A Trivia Game

What's more fun than some Model A and Henry Ford trivia on a Sunday afternoon in winter? We had a small crowd of 14 players, which made up 5 teams.

Gift cards to Kwik Trip, Culvers and McDonalds were awarded to the 1st, 2nd, and 3rd place teams. 1st place team was "Boucher/Taurman" (Dave & Donna Boucher and Gene & Betsy Taurman) with 21 points. 2nd place went to "K Town" with 20 points (Jeff & Kathie Bezotte and Jan Olsen) and in 3rd place with 18 points was "Brake Shop" (Mike Brojanac & Mark Ackermann). The two remaining teams were "Coupe 30" with 17 points (Steve and Ele Gapko) and "Bold & Crazy" with 8 points (Jeana Angelini, Jeff Watson, and Vicki Cooper).

Being that we had planned for a lot more people and larger teams, we ended up with left over gift cards after our trivia game. So Mike asked random trivia questions and new member Jeff Watson took the lead and won several gift cards.

As I reviewed the team answers after we got home I noticed the one question every team had right was round 4, question 1– *Henry Ford said "you can have any color you want as long as its- black".* Seems everyone knows that famous line, which was said during the years of the Model T.
