Notes from the President for November

And then there was color!! The trees are now glowing bright orange, red and yellow as is the ground that

lies below them. Porches are adorned with big, bright-orange pumpkins, multi-colored mums and scarecrows. Fall is a beautiful time in Wisconsin and that is why the October tour is always my most favorite of the year. Thanks to the Huenink's for hosting the event.

That is not the only thing that has color. My car is blanketed in a beautiful, shiny coat of maroon and black paint. The body work is stunning. It is better than I ever could have imagined. We don't have it back yet, but we should have it back soon. Then our fun begins putting the rest of the pieces back together. So with any luck we will be participating in a Model A next touring season. My fingers are crossed as it has been a long time coming.

Following our successful swap meet, a list of charitable organizations was collected from the membership for our annual donations. The board has reviewed them all and voted. The two chosen charities will be announced at

the November indoor meeting. I will tell you that selecting the two was one of the toughest jobs I have had to do so far as a board member. There are so many wonderful agencies doing good things for good people. It always starts with the passion of one person, a passion so strong that it spreads to others. And with the help of many you significantly improve someone's life forever. We will be helping many with our generous donations.

A big THANKS goes out to Karen Schmiechen for taking on the Swap Meet advertising. We continue to search for board members. Bring your nominations to any of the board members as soon as possible. And by all means don't put your A's away yet, there are Veteran's Day and Christmas parades on the calendar yet. There is no better way to show them off.

For now, enjoy the colors!

Ahooga!!

Deb

PIZZA PARTY
SUNDAY, NOVEMBER 11, 2018
1:30 P.M.

November 11, 2018 is the start of our indoor meeting season and the club is going to kick it off with a pizza party. It will be a great opportunity to see those club members you haven't seen since the last indoor meet last March. It will also give you a chance to reminisce about the tours you've been on during the outdoor season or just get caught up with friends. The turn out has always been very good at the pizza party so it promises to be a good time and an opportunity to meet some of the new members who have joined the club since March.

If you have any questions or concerns please feel free to get ahold of Dave or Linda Huenink
262-719-1056

We look forward to seeing you then.

2018 Waukesha Christmas Parade

Drivers Needed

The club will be participating (with our cars) in the 2018 Waukesha Christmas Parade. The 56th annual Christmas parade will take place on Sunday, November 18th at 4:00 p.m. What "A" great opportunity to bring out our "A's" one last time before we put them to bed for the long winter. The weather at the parade has been in our favor nearly every year. The parade starts at 4:00 p.m. so we will plan on lining up at 3:15 p.m.

This will give us plenty of time to decorate our cars, look at the other participants floats and listen to the bands play some music. For those interested in driving in together, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:45 p.m. for some hot chocolate before we head to the parade. The restaurant is on the Hwy 164 by-pass just south of Moorland Blvd. by all the car dealerships on the east side of Waukesha. If you have any questions, please feel free to give Dave or Linda a call at 262-719-1056

We look forward to seeing you there.

'A' Trip Back to November 1963

It was a quiet time back in November of 1963 as the Model 'A' touring season came to a close and we put our cars to bed for the long winter ahead. It was also a somber time for our country with the assassination of President John F. Kennedy.

The last official tour of the season took place on November 10th with nine model 'A's and an assortment of modern iron. We met at the Capitol Court Shopping Center and were off with the wind to the Brook Stevens Auto Museum. There were many unusual automobiles – both American and foreign. We especially admired the Cord cars and Hollywood Graham cars. Afterwards we headed down Port road to the Port Silver Diner for refreshments and conversation. It was at this event that a new member was signed up – John Secord.

New members in November of 1963 included John Secord, John Olson and George Limpert.

Coming events:

The January 12th meeting at Stantons Hall will be the annual election of our officers. We would like to see some new faces on the board. New faces mean new ideas and the club could use some new ideas.

February 9th will be the date of a Movie Night. We will show movies taken by members attending various meets this past year as well as previous years.

Make your plans now! February 29th will be the Annual Model 'A' Club Dance. It will be held at Kuglitches Hall on 49th and Greenfield. Music by the Alley Cats for your modern and old time dancing pleasure. Free refreshments and tickets are only \$1.50 per person.

PAST EVENTS

Richfield Thresheree Event – September 15th

Nine Model A's, 2 modern iron and one golf cart rolled in to the Richfield Thresheree to represent our club on Sept. 15th. With sunny warm weather and day-before mosquito spraying, everyone enjoyed exploring the historic exhibits and forested grounds, or observing the steam-engine action from a lawn chair in the shade.

Jan Olsen had a root beer float for breakfast, and Mike Brojanac shared a table with her to eat his ice cream sundae. Fast Eddie Schultz bought honey for his "honey" Lorraine, and several members bought maple syrup tapped on the premises or tried pies from the baking contest. A sweet time was had by all.

Several members invited children to sit in their vehicles for photo ops. Many visitors had questions about our cars and our club, and almost as many were looking for Jerry Flynn. The roughest challenge of the day was keeping track of Jerry, who was zipping around in the golf cart to socialize (he knows everybody!) The thresheree was a terrific venue for introducing Model A's to the public.
