## Veterans Day Parade

Cars and drivers needed for annual Veterans Day parade

Ten Model A's are needed for the 47th annual Milwaukee Veterans Day Parade on Saturday, Nov. 6. The parade kicks off in downtown Milwaukee at 11 a.m. Lineup is approximately 10 a.m.

Unlike in past years, we will not be giving the AMVETS group rides during the parade. The AMVETS have a conflict with an out-of-town ceremony that morning, so we will be on our own representing just our club. We do not have to leave room in our cars for riders.

We'll meet 8:45 a.m. for a hearty breakfast and coffee (self pay) at Miss Katie's Diner, 1900 West Clybourn Street, Milwaukee (corner of 19<sup>th</sup> Street and Clybourn Street, one block south of Wisconsin Avenue).

Neil Besougloff is the event host. In order to coordinate the number of cars, please call Neil at 262-408-1479 (cell) or email him at [nbesougloff@sbcglobal.net](mailto:nbesougloff@sbcglobal.net).

*It's that time of year to start thinking about CHRISTMAS.....*

The 48th Waukesha Christmas Parade is November 21st 2010 and once again we are planning to attend. The theme this year is "Twinkle, Sparkle and Shine". Of course our Model A's fit the theme perfectly.

Each year our club has increased our participation in this event and I'd like to out do last year's number of 5 cars. This is one of the last times, if not the last time, to get your car out for the season. Last year the weather was 56 degrees and sunny. Every year we've participated the weather has been favorable - no rain or snow and 30 degrees or warmer. So come on along. I've asked for good weather this year from the guy in the red suit and he hasn't let me down yet.

We'll meet at Culvers, 1720 State Road 164 South in Waukesha at 2:30 p.m. and we'll plan to head out at 2:45 (This is the Culvers just south of Moorland Road in Waukesha by all the car dealerships).

Any questions please give Dave Huenink a call at 262-378-4216. And yes, Morgan the Wonder dog will be sporting his winter attire.

Dave & Morgan the Wonder Dog from past Christmas Parade

Speaking of Christmas..... Did you know no one has stepped forward to host our annual Christmas Party? Santa has been contacted and plans to make his usual visit, but he is going to need someone to do some shopping for him.

Call Steve Lewis today to sign up to host this festive event.

## Reminiscing With the Historian

FIFTY YEARS AGO, 1960 - No information is available.

FORTY-FIVE YEARS AGO, 1965 - The last outdoor event of the touring season was a drive through the Racine and Kenosha area. The tour ended at Sander's Park, where the club women served hot coffee and cider. The men participated in a hand cranking contest to see who could start their "A" the fastest.

FORTY YEARS AGO, 1970 - We enjoyed the fall colors with a tour in the Burlington area and ended the month with a two-day car show at Brookfield Square Mall. The Engels and Schlueters were welcomed into the club.

THIRTY-FIVE YEARS AGO, 1975 - The club had a three-day Model A car show at Southgate Mall. We participated in the Mitchell Center parade. Thirty Model A's were in the parade to help celebrate the grand opening of Phase One construction along Mitchell Street.

THIRTY YEARS AGO, 1980 - A pumpkin patch tour was arranged to take in the fall colors and we picked pumpkins, which we later carved at the El Dorado Retreat in Muskego.

TWENTY-FIVE YEARS AGO, 1985 - The club toured the Western Waukesha County area and ended up at Lake LaBelle Golf Club, where we participated in a scarecrow contest.

TWENTY YEARS AGO, 1990 - Our fall tour took in the sights of Cedarburg, Newburg, and the Kettle Moraine. The tour ended at Frank's on the lake in Dundee.

FIFTEEN YEARS AGO, 1995 - The month started off with a car show at Apple Works Orchard in Germantown, hosted by Fast Eddie and Lorraine Schultz. Mike Brojanac hosted a technical seminar on brakes.

TEN YEARS AGO, 2000 - We had our fall Halloween tour along with a chili dump. The technical seminar was on the installment of a Model A top.

FIVE YEARS AGO, 2005 - We participated in the annual fall tour through the southern section of the Kettle Moraine forest in western Waukesha County, ending at Culver's for custard and shakes.

## *From The President*

Hello everybody,

Our annual picnic is already a month behind us. Wow, where is the time going? I would like to thank everybody that attended our picnic and made it a success. Thank you to all the board members and their spouses for putting on this picnic. Thanks also go out to Sally Neuenschwander, Mark Ackermann and Cheryl Prochnow for the great job entertaining the kids at the picnic. Thanks again to everybody for a job well done!

We still have room on the ballot for more names in the election of club officers. If you have doubts about coming on the board, it really is a great way to get involved and meet people. So please keep it in mind.

All volunteer positions are available if you are interested in any of them. All positions can be found in the front cover of *Wheeling the A* or in the roster. Just let me know if you're interested.

When we meet in November for our first indoor meet we will be in the old hall cafeteria. Enter the building in through the usual doors and head to the hall way to the left of the kitchen. At that meeting we will be voting on changing a couple things in the by-laws. See page 8 of this publication for more details.

As we finish our outdoor season we still have some great tours planned, so please attend if possible. October 10th, you can take a scenic ride to Johnsburg to see how wind power works and on October 31st come in costume to our Halloween party. Bring the car out one last time to be in the Waukesha Christmas parade on November 21st.

We also have a great lineup of indoor events planned for the winter months. Karen Sukkert has polish poker planned for us for the November meeting. Keep watching the paper for details. December is the annual Christmas party, which we are in need of hosts. Contact Steve Lewis to sign up.

October 21st is the first of the technical seminars planned for the winter months. Richard Hansen will be there to demonstrate how to rebuild a Zenith carburetor. If you have topics you'd like to see at technical seminars, please let Roger Olsen know.

This issue of *Wheeling the A* contains the dues renewal form. See page 17. Please make sure to fill it out and send it in with your check to the club secretary before January 1, 2011.

As I write this, the camping season is coming to a close, but we are going to squeeze in one more trip to Door County. Then its deer hunting which is the very last use of the camper for the year. Seems as though summer just started. Soon the holidays will be upon us and we're almost halfway through the winter season, by then Sue and I should be grandparents for the first time. Before we know it our club swap meet will be in full swing. Please see Roger or Jan Olsen to sign up to help. After that we can see the light at the end of the tunnel and soon the new tour season will be upon us.

Mike

## Family Reunion Picnic-Malone Park, New Berlin August 22, 2010

This was our annual picnic with a bit of a twist. The board members and spouses organized this year's event. Everyone was asked to pre-register, all were asked to bring a dish to pass and no guest fees were charged. Everyone was encouraged to bring their kids, grandkids, and great-grandkids. We had 205 participants, 55 of which were children.

The weather could not have been more perfect. Everyone was greeted with the smell of roasting corn, followed by the smells of char-grilled burgers, brats and hotdogs. Food was more than plentiful with iced-tables filled with a large variety of salads, fruits, cheeses, smoked fish and more. The dessert tables were filled to the max with ooey-gooey delectables satisfying anyone's sweet tooth. Unfortunately, the bees crashed our party and fought for their share, too.

Ed Schultz & Gene Taurman roasting the corn.

The activities were plentiful. Games galore were spread out around the park for all to participate in at their leisure. The children had an entire afternoon of prize-winning activities including a penny scramble, piñata smash, balloon stomp, and a dress-up relay just to name a few. Everyone who participated was surely a winner. If that wasn't enough, the kids could have their faces painted by Suzy Sparkles. Suzy is truly an artist and did a fabulous job on all kids young and old. A huge "Thank You!" to the kid activity coordinators for a fabulous job-Mark Ackermann, Sally Neuenschwander, and Cheryl Prochnow. *Continued on next page*

Congrats goes to Caera Riley who was the lucky winner of \$81 after being the closest guesser to the number of beans in a jar-4,431. Everyone could participate for \$1 a guess; winner takes all.

A big thank-you to the board members for a very successful day. Many others volunteered their time helping with set-up, cooking, and clean-up. Thanks to each and every one of you. We could not have done it with out you! I especially want to thank those who helped pick up the 1,000s of balloon pieces scattered over the grounds-Mason and Adam Neuenschwander, Emmalyn and Laura Smith.

## Miller Park Tour - September 11, 2010

We had 25 people show up on a rainy, dreary Saturday morning to tour Miller Park. We met our two tour guides and split up into two groups. First they took us to the basement where all the beer, concessions and equipment are kept. Then we went on to the warning track in left field, the Brewers bull pen and in the visitor's dugout. Saw the grounds crew preparing the field for the Cubs game later that day. Off to see the club seats and some private boxes, the press box and Bob Uecker's radio booth. We learned a lot of information and the history of the ball club back from the day of the Braves with Hank Aaron and Eddie Mathews to more recent players like Robin Yount. The rain had even stopped by the time the tour was over.

After the tour of Miller Park we drove to Hoyt Park and had hot dogs, brats, beer, soda, chips and watermelon. The sun even came out for a while. A good time was had by all who braved the weather.
