## *"Packard from the deep" tour.*

Our first stop only a short trip to Steve Kirsten's garage where we will see the restoration in progress of his 1912 Packard truck that was pulled out of Lake Nega-wicka after 37 years underwater.

From Steve's, we will take one lap through a subdivision where the street we drive on is the former Lyndale Farms SCCA Race Track.

Our next stop will be at Ed Wistl's garage/museum. Ed has been collecting and restoring Ford trucks for a very long time. They range from a 1929 Model A to a 1970's Ford cab over engine semi, with 30's, 40's and 50's trucks in between. He is president of the Beer City Chapter of the American Truck Historical Society in Milwaukee. From there we will motor through some lake coun-try roads with lovely old homes.

We'll end with a short ride through the Waukesha County countryside to Ox & Cat's Sports Bar and Grill in Monches for snacks, soda and beer on the club or lunch on your own. Great photo op in front of this very old stagecoach inn. Across the street is a stained glass shop in another very old building.

**Date:** Sunday September 11 2016

**Departure time:** 12:00 p.m.

**Place:** B-52 Restaurant N79W14701 Appleton Ave Menomonee Falls

**Host:** John Secord

WHERE: Milwaukee County Zoo  
 10001 W. Bluemound Road  
 Milwaukee, Wisconsin

WHEN: Sunday, October 16, 2016      TIME: 9:00 a.m.

Come and join Linda and Dave Huenink at the Milwaukee County Zoo October 16<sup>th</sup>, 2016. Besides all the zoo animals, the leaves on the trees will be changing. There will be many carved pumpkins on display through out the zoo, starting the celebration of the Halloween holiday. The grounds will be beautiful with the fall colors, sights and sounds.

The day will include parking, a self-guided tour through the zoo and lunch at the flamingo café. There are scooters available for those who might have trouble walking around the zoo grounds.

The cost of the day for adults is \$10.00 and children \$5.00. This includes admission to the zoo, parking, and lunch. We will have our own reserved parking area on the Zoo grounds so it won't be a far walk to the entrance. We will meet at McDonalds, 3680 S. Moorland Road (Moorland Road and National) in New Berlin between 7:30 a.m. and 8:00 a.m. and depart at 8:00 a.m. You will get further information and your tickets when we meet at McDonalds.

**Please RSVP with your money to Dave and Linda Huenink by September 29<sup>th</sup>, 2016. We will not be able to accommodate anyone, nor give any refunds, after this date. Make your checks out to MAFCA- Wisconsin Chapter.**

If you have any questions feel free to call us at 262-378-4216.

## 2016 Waukesha Christmas Parade

### Drivers Needed

Once again this year our club will be participating (with our cars) in the Waukesha Christmas Parade. This is the 54<sup>th</sup> annual Christmas parade and the theme this year is "A Star Spangled Christmas". So plan and join Linda and Dave Huenink, along with Morgan the wonder dog dressed in his holiday finest, at this year's parade. The parade will take place on Sunday, November 20<sup>th</sup> at 4:00 p.m. and will be a great opportunity to bring out our "A's" one last time before we put them to bed for the long winter. We have always had a great turn out for this event and the weather has been in our favor nearly every year. In years past we have been allowed to decorate our cars and this year will be no exception. So plan on coming along and joining the fun.

The parade starts at 4:00 p.m. so we will plan on lining up at 3:00 p.m. This will give us plenty of time to decorate our cars. For those interested in driving in together, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:30 p.m. The restaurant is on the Hwy 164 by-pass south of Moreland Road by all the car dealerships and Woodman's Foods on the east side of Waukesha. If you have any questions, please feel free to give Dave or Linda a call at 262-378-4216.

We look forward to seeing you there.

Dave and Linda Huenink and Morgan too!!

## 2017 Model A Reunion Planning Meeting

The Planning Meeting for the 2017 Wisconsin Model A Reunion will be held at noon on October 29th 2015 at the Nekimi Town Hall. This meeting brings members from each of the four clubs together to plan for an exciting weekend in July.

The Town Hall is located at the intersection of State Highway 26 and County Trunk N, just south Oshkosh, and west of the intersection US Highway 41 and State Highway 26.

If you have ideas and suggestions for next year's Reunion, and cannot attend this meeting, please contact someone in your local club who is able to, or e-mail the Reunion's web site at [wirapidsmodela@frontier.com](mailto:wirapidsmodela@frontier.com).

As a reminder, the 2017 Reunion dates have been set as July 28th, 29th, and 30th. Be sure to make your hotel reservations now.

# Sunshine Report.....

Roger Olsen is back in the hospital. Rumor has it that he has a crush on one of the nurses! But seriously, he has spent a good share of the last 2 ½ months in the hospital or rehab. As I understand it, he went in with pneumonia and a blood infection. He is well on the way to recovering from pneumonia but still dealing with the infection. Please keep the Olsen family in your thoughts and prayers as they go through this long ordeal – and let's hope Roger is back to normal soon!

**Swap Meet 2017**, the coordinator position has been filled!!! Thanks to Vicki Cooper and Jeana Angelini (new member) who have stepped up to make this happen.

Boy, I should have been a dentist – this is like pulling teeth! How many months do we have to keep asking for the same volunteers? Ask your self – how long has it been since you volunteered to help your club? If it's more than two years or maybe never, it's time to get back in the dentist's chair, it's not painful!

\* **Banquet (2017)**, Dave/Linda Huenink have volunteered to host. Karen Schmiechen has volunteered to run the silent auction - volunteers are needed help host as well as to provide auction items or donate cash for the purchase of items for the auction. Contact Karen at Kschmiechen@att.net or 262-544-5005.

\* Need hosts for the **December** (Santa already available) and **February Indoor meets**.

\* Board positions available – now is the time to start considering where **you** can help on the board!

Remember – many hands makes the work load light.

**Please notify Bob Schmiechen with all sunshine needs. Call 262-544-5005 or email Robert\_06@att.net.**

## ***From the president.....***

Hello everyone,

As I write this column it's hard to believe the club picnic is already over! A big thank you to the Chris & Kate Rozman for another great job done on the picnic and what a great park! If you missed the picnic, you missed a good one. The Muskego settlement buildings were interesting to tour, also a lot of nice photos in the main building.

A really big thanks goes out to Vicki Cooper and Jeana Angelini who stepped forward at the last minute to take over the paperwork end of the club swap meet. If you don't recognize Jeana's name it is because she joined the club the same day she took over the swap meet duties with Vicki. What a way to jump right in and help out!! Thanks again ladies, you will do a great job!

Speaking of helping out the club, the month of September opens the nominations for board of director positions, if you are interested please see me or any board member. The duties are not difficult but you are required to attend the meetings once a month so please consider helping your club move forward.

Remember if you change your address or e-mail address please let the club secretary know so he can keep the records current. If you know of anyone in need of sunshine please let Bob Schmiechen know so he can send a card.

Mike

## ***Have You Ever Heard The Term 'Piss Poor?' I Had No Idea It Comes From THIS! Fascinating!***

They used to use urine to tan animal skins, so families used to all pee in a pot. Once a day it was taken and sold to the tannery. If you had to do this to survive, you were "piss poor." But worse than that were the really poor folks who couldn't even afford to buy a pot. They "didn't have a pot to piss in" and were considered the lowest of the low.

Lead cups were used to drink ale or whisky. The combination would sometimes knock the imbibers out for a couple of days. Someone walking along the road would take them for dead and prepare them for burial. They were laid out on the kitchen table for a couple of days and the family would gather around and eat and drink and wait and see if they would wake up. Hence the custom of holding a "wake."

Houses had thatched roofs with thick straw-piled high and no wood underneath. It was the only place for animals to get warm, so all the cats and other small animals (mice, bugs) lived in the roof. When it rained, it became slippery and sometimes the animals would slip and fall off the roof. Hence the saying, "It's raining cats and dogs." There was nothing to stop things from falling into the house. This posed a real problem in the bedroom where bugs and other droppings could mess up your nice clean bed. Hence, a bed with big posts and a sheet hung over the top afforded some protection. That's how canopy beds came into existence.

In old, small villages, local folks started running out of places to bury people. So they would dig up coffins and would take the bones to a bone-house, and reuse the grave. When reopening these coffins, 1 out of 25 coffins were found to have scratch marks on the inside, and they realized they had been burying people alive. So they would tie a string on the wrist of the corpse, lead it through the coffin and up through the ground and tie it to a bell. Someone would have to sit out in the graveyard all night ("the graveyard shift") to listen for the bell. Thus, someone could be "saved by the bell," or was considered a "dead ringer."

The floor was dirt. Only the wealthy had something other than dirt. Hence the term, "dirt poor." The wealthy had slate floors that would get slippery in the winter when wet, so they spread thresh (straw) on the floor to help keep their footing. As the winter wore on, they added more thresh until, when you opened the door, it would all start slipping outside. A piece of wood was placed in the entrance-way. Hence, "a thresh hold."

APOSTLE ISLAND TOUR – four cars left Slinger July 29<sup>th</sup> for the trek north. Along the way we saw the highest point in Wisconsin – 1951.5 feet above sea level at Timm's hill; a concrete park; many waterfalls and drove through Chequamegon National Forest. On Tuesday we boarded a ferry for Madeline Island. We walked in cold Lake Superior, picnicked in a park (where we were visited by a deer) and saw an Indian Burial Ground. In Ladysmith we visited a saw mill, in Hayward we saw the Fishing Hall of Fame and visited Al Capone's hide-out. We had one mechanical issue – a bolt fell out of our starter. Ask Mike Brojanac how you can get a screwdriver in your tire and it doesn't go flat. Good Time! – Anne Wacker

### Polo Match Tour Worth Waiting For

A small but enthusiastic group of 15 club members in 8 Model A's enjoyed an exciting polo match for our "July" tour. Originally scheduled for July 17<sup>th</sup>, the game had to be cancelled several times because rainy weather made the field too soft and dangerous for the polo ponies. But August 7<sup>th</sup> brought picture-perfect weather, both for our short car tour and the polo match. Everyone brought their picnic lunches and lawn chairs, and settled close to the sideline to see the action up close. We were amazed at the speed and agility of the horses and the coordination and skill of the players. We had the opportunity to meet a player, ask questions and pet his horse. The announcer taught us the basics of the game before the action started and kept us entertained with his play-by-play banter during the match. Between chukkers (game periods), many spectators came over to enjoy looking at our cars. And to top off a great afternoon, the Milwaukee Polo Club won the game in an exciting finish!

Special thanks to Dave Huenink and Carl Doro for sending out communications via e-mail and the website about date changes for the event.

Art and Sue Blazek
