"The Model A Turn Back Time Tour"
Sunday, September 25th
RESERVATIONS ARE REQUIRED.

The tour will start at the Oconomowoc Historical Museum, 103 W. Jefferson St, Oconomowoc, WI at 10:00 a.m. We'll be given a guided tour of the museum and its artifacts. As part of the tour, there is a DVD presentation of famous places and homes in the Oconomowoc area. At approximately 11:45 a.m. we'll leave the museum and take a tour of the countryside. We'll then stop at Hoofbeats Express for a pizza party and spend some time admiring some restored antique horse drawn wagons.

We'll then be escorted to our own horse drawn wagon for a leisurely tour of the prairie. Our wagon only holds 18 people so **RESERVATIONS ARE REQUIRED** for this!! However, for the museum, and road tour, come one, come all. Please RSVP to Dave Huenink at 262-378-4216 by September 11, 2011, if you plan to have pizza and take the wagon ride. I want to make sure there is enough pizza and room on the wagon for everyone for those who wishes to do this. To date only a very small percentage have signed up for the tour so there is plenty of room for those interested in participating in the entire event. So sign up soon before the event gets filled up. It promises to be a good time. Bring a long a chair, as seating is limited.

FALL TOUR

October 9, 2011

Hosts

Marty & Jo Lene Janssen

We will be departing at 10:00 a.m. from the Crossroads Restaurant (formerly Corfu) in Hubertus. (In the shopping center just West of Highway 175 on Hubertus Road)

We will be traveling to Theresa where our first stop will be "Confections for Any Occasion by Joel". Joel will arrange a tour for us when we arrive. He has a very interesting store and lunch area. There is a new gift store next door for your shopping pleasure. Issy's Place is a nearby bar that has great food for lunch if you wish. Widmer's Cheese Cellars (since 1922) has a store a block off of Main Street.

Tours of the Juneau Homestead will be available starting at 1:00 p.m. Solomon Juneau established a trading post in 1818 which became the origination of Milwaukee. He was the first postmaster and the first president of the Village of Milwaukee. In 1848 he was elected the first mayor of the City of Milwaukee.

We will end our trip at the Fox & Hounds Restaurant for refreshments in the lower level in the back. You may stay for dinner on your own. There is a 2 for 1 pricing meal special starting a 4:00 p.m. It is a good idea to make a reservation for dinner in advance.

Here's hoping for a Colorful and Sunny day!!!!!!!!!!!!

Sunshine Report:

The club wishes to express sympathy to Josephine "Jo" Gregorski on the loss of her husband. Long-time club member, John Gregorski, passed away on July 28th due to complications of Lou Gehrig's Disease. A memorial in his name was submitted to the ALS (Lou Gehrig's Disease) Association from the club. John had been a member since 1967.

BY-LAW UPDATE

With the addition of three new name badges, we need to update the Club's BY-LAWS Section 2 membership seniority.

The badges are now as follows:

1-9 Years	Yellow Badge	35-39 Years	Green Badge
10-24 years	Black Badge	40-49 Years	Red Badge
25-34 Years	Silver Badge	50 Years	Gold Badge

We will update the BY-LAWS on the new badges at the November meeting.

FUN FACTS:

Model A Ford Club of America – Wisconsin Chapter
Board of Directors Meeting Minutes – August 13, 2011

All board members present

President – Mike Quam – The meeting was called to order at 7:00 pm. Nothing to report.

Vice President – Dave Boucher – It was reported we received six new member applications this month bringing our membership to 277. It was mentioned that we have numerous out of town members, some who do participate in our events. A motion was made by Mike Y. to approve the new members and was seconded by Gene T. Motion voted on and approved.

Secretary – Dave Huenink – Dave asked for any changes or corrections to the minutes from the last meeting. A motion was made by Mike Y. and seconded by Paul P. to approve the minutes. Voted on and approved as read. We receive reciprocal newsletters from other Model A clubs. We also received some correspondence from someone running for the MAFCA board of directors. The South Milwaukee Heritage Days group sent us a thank you note for participating in the event along with a \$50.00 check. The date for this event next year is July 28th 2012.

Treasurers report – Paul Piotrowski – Paul reviewed the treasurers report. The motion was made by Gene T. and seconded by Neil B. to accept our treasurer's report. Voted on and approved. Sunshine and awards turned in a bill for \$42.37 for cards and a donation in honor of a former club member who passed away. Mike Q. turned in a bill for \$45.98 for editor's expenses. A motion was made by Mike Y. and seconded by Dave B. to approve the bills. Voted on and approved. Income: \$100 for participating in the Franklin 4th of July parade.

Outdoor – Gene Taurman - Luther Manor sent us a flier regarding their event a September 10th. A mass mailer will be sent out to the club membership to inform them of this event. The tentative schedule of club events was presented for 2012. It was review and discussed with the board. It was decided to keep 2 outdoor tours in September and 2 in October. The signup sheet will be at the club picnic. We were reminded that anyone who attends the National convention in Marquette, Michigan next year needs to be national member. Paul P. mentioned he will not be the host for the Greendale 4th of July Parade in 2012.

Indoor – Mike Yokofich –The Christmas party in December is set up. Mike talked to Dan Gus' wife regarding a contract for using the hall. Mike is hoping to get a contract finalized soon. No one has signed up to be the chairperson for the banquet in January 2012.

Technical- Neil Besougloff - October 20th and November 17th have topics for the technical seminars at Model A Mail Truck. Topics are needed for the January, February and March seminars. Ideas are welcome.

Club accessories – Mike Clinnin – Some more club car banners have been sold. Paul P. brought up the member year buttons and mentioned there is a machine available for \$400+ so we could make our own buttons. The group decided not to purchase a machine at this time. Dave B. brought up the idea of getting window stickers for the Model A's saying we belong to MAFCA – Wisconsin Chapter. There will be more discussion at an upcoming meeting.

Awards and Sunshine – Steve Lewis – Member John Gregorski passed away. Joyce Churchill had shoulder surgery. A thank you note was received from the Rohdes family. It was decided when a club member dies a mass email will be sent to the membership. This information should be passed on to the club secretary for email distribution.

Old business – We discussed ideas of a raffle gift for the 2012 MAFCA national meet. Nothing was decided as of yet. The ideas included: gift certificates from Home Depot, Usingers, Klements, or exquisite chocolates from a shop in Cedarburg. More thought will be given to this. The swap meet disc still is not on file. The judging standard books were not ordered, because we didn't meet the minimum order at the shipping discount price and now the shipping discount date has passed. Thought is being given for our annual cash donation to a charitable organization. More discussion at an upcoming meeting. Nominations for the new incoming board members will be starting next month.

New Business – Carl Doro's letter was brought up. There were several topics the board reviewed. The forum on the club web site was discussed and it was decided not to pursue it. We looked at possibly going on to Facebook. One of the concerns was who was going to monitor the content. Also, it was brought up about a flip page on the web site. Additional items are needed to do this on the web. A discussion will be held with Carl at the club picnic tomorrow and then brought up at the next board meeting. Carl also mentioned we have the capability to do movies on our web site. The membership will be made aware of this though the next newsletter. Carl would like more pictures on the web site of past events. A discussion was held about Carl having a column in the newsletter. Dave B. is sending the editor By-Law changes to put in the newsletter. The Gilmore Car Museum raised \$250,000 with the raffle. They are also having a Model A event on September 17th.

The meeting was adjourned at 8:25 p.m. Mike Y. made the motion and Dave H. seconded. Motion carried.

Submitted by Dave Huenink, Club Secretary

From The President

Hello everyone, were you at the club picnic? If not you missed a great event it was great food, fun and games and lots of great conversations. Thanks again to our hosts Cheryl Prochnow, Sally Neuschwander and Mark Ackermann and all their helpers it sure was a fun filled day. With the picnic behind us the outdoor season is starting to wind down, but don't worry there are still some great events to attend and even one left to host, the last tour of the year in October. If you want to host our last event contact Gene Taurman, our outdoor event coordinator.

At our last board of directors meeting the subject of starting a Model A forum on the internet was discussed at length. After we weighed all the pros and cons we decided not to pursue it. The issue of putting the club on Facebook was brought up, if anyone in the club is interested in setting it up and monitoring / running it please contact me.

We have a request from our webmaster, Carl Doro for more pictures from club members for the website. If you have club related or car photos you want included in our website please contact Carl. We now also have the capability to post links to Youtube from our website so if you have a car video you can upload it to Youtube and Carl can post the link on our website for the world to view.

September officially opens our nominations for the board of directors and volunteer positions. So if you're interested in helping to run our club let me or any board member know and we will get you on the ballot. This year we have three members leaving so we need at least three candidates to run. The nominations will close at the end of the December business meeting so sign up early.

Well that's all I have for this month. If you have any questions please call anytime.

Mike

Reminiscing with the Historian

A pair of well-known long-time members were featured in an article appearing in the Menomonee Falls local newspaper on September 29, 1983. Due to length, it has been excerpted here.

"They Auto be in Pictures"

On a perfect late summer's evening Dan Kane and Ed Schultz decided to take a leisurely drive around Menomonee Falls. From Ben Franklin to Kohl's they were met with stares, widening into smiles, small children grinning toothy grins and pointing excitedly and adults passing in their race to wherever to smile and wave.

They weren't driving any young whippersnappers, instead their vehicles were more like Menomonee Falls circa 1929. Dan's yet-to-be fully restored vehicle was a 1931 Delux Tudor complete with hand crank, running boards and a shiny quail ornament. Ed's car was a basic black 1929 Town Sedan, the Cadillac of its day, elegant down to the last window shade.

Windows rolled down (that means the windshield too), the men cruised through the village, sitting high above the other cars, enjoying the ride and the reaction these vintage cars bring. Both looked contented as they easily steered their cars past the police station, up Menomonee Ave., toward Ed's home. "It's a different feeling because you're noticed by everybody," Ed beams. "You can't help but be on an ego trip but that's not the reason I drive it. I drive just for the enjoyment." *Continued on next page*

Continued from previous page

Their interest in Model A's and involvement in the club dates back 10 years for both men. Dan had always been a car fancier, owning a 1937 Lincoln and a '41 DeSoto "I still drive."

He says, "I used to drag race and I love cars. I always played around with cars," and one day decided to seek a family-oriented car interest, one his wife and now three young children, could enjoy too."

Next step was his purchase of a '29 Roadster pickup truck, and the '31 Tudor. "This is one of the last Model A's made," he explained. He's rebuilt the engine and put on a top roof, but much work remains.

That's a huge part of the enjoyment, the men said, restoring the vintage cars to their original elegance from the frame through the upholstery, attention to detail is critical.

Ed's second Model A, the sedan holds a soft spot in Ed's heart because "This car my dad had in 1932. I always thought I'd like to have a car like that," and he does now.

His first purchase of the Coupe was for his two sons, Paul and Mike, Ed says. At a car show 10 years ago his sons spotted the antique cars and kept telling dad how great it would be to have one.

"So good old Dad forked out the money," Ed chuckles and soon found himself involved in a fascinating hobby and a member of a club he can't praise highly enough.

Part of the allure of the cars is the club itself, the men said. Dan, 37, a sales correspondent for Harnischfeger Corp., said the fun of driving them with others of the same interest was a major draw.

Over and over he and Ed, 46, a Milwaukee mailman, talked about the camaraderie of the club, all the family-oriented activities including picnics and parties, and the tours, which everyone from babies on up attend. "You're enjoying the sights and you enjoy the ride," Ed says. "Everybody can enjoy it, not just the car buffs."

Ed is currently vice president and has been club accessory sales chairman and national correspondent. Dan, formerly treasurer and president is now technical meet chairman.

From Nashville to Dallas, Seattle to Reno, and Minneapolis to Washington, D.C., the club members have attended national meets. Ed packed his two sons in the rumble seat (Okay, except when it rained, son Paul grinned) and drove his Coupe to Nashville in 1976.

All along the route they were met with happy faces and loads of questions, he said. And that's the best part. "Everybody's your friend."

July Tour to the Regal Ware Museum.....by Gene & Betsy Taurman

It was sunny, clear and hot hot hot, the curled corn leaves were saving water while the farmers prayed for rain. But it was a beautiful day for a ride through Wisconsin farm country. Twenty one brave souls came to endure the hot drive that was interrupted by a cool air conditioned stop at the museum, where we were treated to a host of information about Regal Ware and Wisconsin industrial history.

The tour concluded with a rest in the shade and cool drinks.

West Bend had roots in Kissel Motors and spawned the West Bend small engine company. Local company makes good. Regal Ware is an example of a survivor in an intensely competitive world. Over the years they survived with a balance in innovation, product design, manufacturing, advertising and outsourcing. They are an example of a local company growing worldwide.

U.P. HERE WE COME by Sandy Burgermeister

In late July on a sunny day, eleven Model A's were quite a bunch;
With a modern car to watch our back, we met at Doc's for lunch.

The museum was full of treasures, motorcycles of every age;
And a special bike for Peter, when high wheelers were the rage.

Looking forward to many adventures, we followed Stan's Model A;
We viewed the beauty of Canyon Falls and rested along the way.

We had a picnic lunch on a blanket, while enjoying the afternoon breeze,
And what was that odious smell? It was Stan and his Limburger cheese.

A quick stop at Alberta Village, for a tour of Ford's own sawmill,
Then on to Baraga Michigan, with a casino just over the hill.

Our hotel was located on Lake Superior's shore, with an unbelievable view,
Every day that we were there, there were exciting things to do.

We visited the quaint bed and breakfast in the village of Laurium,
With so many nooks and crannies, for all of us to explorium.

We drove Brockway Mountain all the way to the crown;
We really needed our brakes on the curves coming down.

That evening we attended a Pow Wow; it was really quite a thrill,
The dancers in feathered costumes, and the drums gave us a chill.

Touring the Quincy copper mine, more than 150 years old,
We were given hard hats and jackets because it was really quite cold.

We entered the number seven shaft, which was damp and dark as night,
It was amazing to learn how miners could work only by candlelight.

We had the good fortune to spend some quality time in
The company of a fellow named Rod Liimatainen.

He is the owner of the "Twenty Millionth Ford" as we all know,
He had many interesting things to see and wonderful places to go.

He showed us a special video, which told the history of the "A",
Then we went to his Dad's garage where it had been stored away.

We met his wife at their camp on the lake in the warmth of the afternoon
sun,
Some of us dipped our toes in the cool water, just for a little fun.

The Ford Bungalow happened to be nearby, and what a treat to see,
Where Henry entertained his guests, in perfect hospitality.

We stopped at some casinos, to eat, to stay, to play;
But whether we had won or not, we had fun along the way.

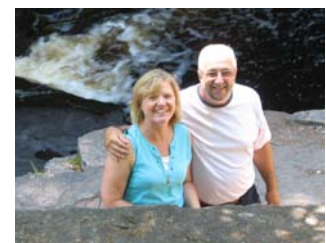

Although we were now home bound, our trip was not quite through,
So we stopped at Camp 5 in Laona, it seemed the right thing to do.

The logging museum, a blacksmith shop, and even a general store,
But best of all was the Lumberjack steam train; who could ask for more!

And last but not least on this wonderful trip was a visit to Rawhide Boys Ranch,
Where boys who need help in one way or another, come for a second chance.

The boys were excited to see our old cars, and our drivers were happy to show.
The work that is done here is most important for all of us to know.

So we've come to the end of our journey, and it's time to say farewell.
But we'll all have these special memories of friendships and stories to tell.

WAUKESHA BLUESFEST
Friday August 12, 2011

Members attending included Art & Sue Blazek, Dave Neuman, Jim & Mary Berenz, Ron, Diane & Emmalyn Smith, Bob & Sandi Davisson, Dave & Ann Lang, Bob & Virginia Zeman, Jerry & Mary Flynn, Jess & Karen Janke, Marty & Jo Lene Janssen.

Sue Blazek was interviewed by a reporter from the Waukesha Freeman and some of her comments were in the Freeman on Saturday. The "A's" were on display from 12:30 p.m. until 6:30 p.m. There were many onlookers with many questions. Dave Neuman even obtained a few business leads. The chairman of the event has asked that we return next year and consider attending on both days of the event.

Thanks to everyone that attended and hope to see many of you next year. Dave Neuman has already signed up.

LOOKING BACK IN THE REARVIEW MIRROR.....

Annual Picnicby Cheryl Koser Prochnow

August 14th was a perfect day for the club picnic. 137 adults and 26 kids had fun and food at the Carnival even the clown. (See Sally N. if you need a clown at your next party)

This could not be done without the help of Sally Neuenschwander and Mark Ackermann at the games, Steve and Debbie Lewis working the drinks and the kitchen and also Sally Kaufman making the best popcorn ever. Many hands got and made the corn and I thank all of them including the people who helped set-up and clean-up.

Most of all thanks goes out to the "Barkers". I think your job of running fun games for the kids for an hour and then the adults for an hour may have been the hardest.

Sally Neuenschwander & Mark Ackermann

The kids went home with great little prizes that they got with their tickets earned at the games and the adults got tickets for a raffle of gift certificates. We thank the following places for the great prizes; Olympia Resort and Spa in Oconomowoc, Reveres Wells Street Tavern, Delafield Brewhaus, Alioto's Restaurant and The Mineshaft in Hartford. I hope you will visit these places that gave us great prizes.

Never too early to tell the board of your ideas for the next picnic. Where would YOU like to have it and what would YOU like to do? Maybe a country western theme would be fun and you could square dance!

Kids could learn to do rope tricks. Just give it some thought and let a board member know you are taking a turn next year.

Thanks again to everyone
Cheryl
