April President's Notes

Well March sure has brought on a wave of interesting global events! Like some of you I'll be staying home more often for the next few weeks as we follow the advice to stay in and stay healthy. So, it looks like this pile of sandblasted A wheels will get painted, and likely re-tubed, re-tired and put back on! ([Here is a link of Chloe helping us with tire removal](#))

Nothing gets "A" updates done like a low-level quarantine I suppose! I hope everyone is staying in, working on their A spring updates and prepping for some touring fun this summer!

Thanks to the many amazing volunteers we have a packed events calendar for 2020! That said though, we do still have some room for other people to step forward and host an event! You can see the dates listed in our calendar and email the outdoor chairperson or visit this [online sign-up form](#). We are grateful for your time! If you have other ideas we'd welcome your input!

As you maybe staying in a bit more at this time I'm leaving off with an awesome [Ford Marketing Video](#) from way back! Sit back, relax and enjoy!

Stay healthy and happy! I'll see you all soon!
Your President,
Kate Rozman

Club Mission Statement

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored

Spring Start Up Breakfast tour

Due to the current situation with the coronavirus, **the spring tour is CANCELLED.** Those who have paid money towards the tour will have it returned.

Thanks, Dave and Linda Huenink

2019 Awards Banquet

That was set for Saturday, April 18, 2020 has been CANCELLED. Refunds will be announced shortly.
Stay healthy everyone!!

WE ARE MOVING IN NOVEMBER

The Wisconsin Chapter Model A Ford Club of America will have new "digs" as of this fall. The corner of 92nd and Greenfield has been sold and our contract has not been renewed. At the January meeting a small committee was formed to look into a new home for our fall and winter meetings. Two church basement halls were reviewed and the one that best fits our needs is Greenfield Park Lutheran Church.

The church is located at 1236 S 115th Street, two miles west of our current location on the corner of 115th and Madison. The basement is set up, as this hall is, with rectangle tables and chairs. We can use the fully-equipped kitchen that is off to the side at the far end. We have access to their refrigerator for soda/beer and a freezer for the ice cream social custard. The basement is only a half flight of stairs down and there is a separate elevator entrance. Our meeting times will stay the same except for December, when we will hold our Christmas party on the first Sunday in December (the 6th) instead of the 2nd Sunday. The basic rent will be \$50 a month.

As this is a church located in the heart of a neighborhood, there is street parking on Madison, and also on both sides of 115th. There is handicapped parking right in front of the church on 115th Street.

It probably won't feel the same for a while; we've gotten comfortable with the Gonzaga Hall, its shortcomings and advantages.

Sweet Tour with a Bunch of Honeys Sunday May 17, 2020

Tour Host's Dennis & Vicki Cooper and Jeana Angelini will be taking you on a sweet tour visiting places with a bunch of sweet honeys. More details will come please look at your next newsletter.

Wisconsin Chapter 2020 Memorial Overnighter Friday, May 22, thru Monday, May 25, 2020

Our Overnighter is heading towards La Crosse where we will journey along the Mississippi River on Wisconsin's only designated National Scenic Byway, the Wisconsin Great River Road.

We will stop at the Dahl Auto Museum in LaCrosse to learn about automobile transportation . . . namely Ford Motor Company. They have many restored vehicles from the turn of the 20th century to the present for our viewing pleasure.

Say the magic words, **"Model A Ford Group"**, to reserve A room for **\$109.00/night** starting Friday, **May 22nd**, Saturday, **May 23rd**, Sunday, **May 24th**, departing Monday, May 25, 2020, **when you call before April 15, 2020:**

The "magic" will stop working after April 15, 2020, when there will be **A price increase.**

Eagle River Weekend Get-A-Way

New Updated Info-Can't miss event!!

Thursday, July 30 - Monday, August 3, 2020

Tour Group from Milwaukee area will be led by Dennis and Anne Wacker
Tour Hosts in Eagle River are Carl and Charlene Wussow

This is truly a "can't miss" event. The ride will be long but so worth it. We are leaving on Thursday and heading back Monday to avoid the heavier weekend traffic and to allow a more leisurely route.

We have 15 confirmed rooms held at the **Eagle River Inn**, Eagle River, Wisconsin. It is a beautiful setting on Watersmeet Lake where the Eagle River and the Wisconsin River join on their journey to the Mississippi River. The complex is located on Hwy.70 West, just about a mile from the City of Eagle River. The parking lot is secure and away from other locations that would have had lots of traffic. Breakfast is included. Some items include: hot waffles, breakfast sandwiches, hard boiled eggs, oatmeal, Danish, cereal, coffee and other items.

Room Rates on the parking lot side, 2 queen beds, fridge and micro is on special for us at \$107.10 and a lakeside room, with patio doors opening directly to the water complex are \$125.10. None of the other hotels have settings like this one and others are in more crowded areas with much more vehicle and pedestrian traffic.

Hotel registration can be made by each family by calling the **Eagle River Inn: 715-479-2000**. They will need to identify themselves as part of the group from the Wisconsin Chapter, Model A Ford Club to get those special rates. I suggest that you make initial contact with the Eagle River Inn not much later than January as summer reservations will be increasing after that time. Early is always better than late!

Details are still being finalized for the weekend, but so far we will plan a Friday late-morning Pirates Hideaway cruise (Pirate attire is encouraged) and a Fish fry at Chef Rene's award winning restaurant at the Eagle River Inn (all you can eat for \$14) and they have a bar lounge adjacent to the restaurant.

Saturday is our weekend headliner event - Three Lakes Petroleum Museum Car Show: Arrive by 9:00 a.m. or before. The show is from 10:00 a.m. to 2:00 p.m. with awards following. The museum is free and open all day. Food is available on the grounds and each car registered early will receive a coupon for 1 sandwich (hamburger, cheeseburger, bratwurst or hotdog, chips, soda and popcorn. Over 250 vehicles will be on display.

The Three Lakes Winery is only 2 miles away from the car show and the wine selection is outstanding along with a related "wine related" gift shop.

Saturday night event will be movie and pizza night. We will be showing Public Enemies. It was filmed at Little Bohemia just a few years ago and starred Johnny Depp. It is accurate, exciting and will be an opportunity to prime us for our dinner at Little Bohemia the following night.

Sunday the group will depart the hotel at 1:30 for a drive through the beautiful forests in the area. We will stop at the Dillinger Museum for a tour and then enjoy dinner at Little Bohemia at 5:00 p.m. Since it has never been restored after the FBI and Dillinger gun battle, our cars will be a highlight for photographs in front of the main building. We will return the hotel before dark.

'A' Trip Back to April 1980

In 1980 Bob and I were in the midst of our grown up life. My son turned 5, my daughter was 2 1/2 and we had been in our newly built home just 3 years. Inflation was through the roof, but Bob was working and we were able to make ends meet. The Wisconsin Chapter MAFCA was also doing well and in full swing as Spring was approaching. The President was Dick Lardinois. Dave Rozman was our Outdoor Meet Coordinator, and Ed Schultz was in charge of club accessories. The Schultz's also hosted the Board Meeting that month and the club met at our current location. *(Have we really been at this current location since before 1980? 40 years!)*

The Spring opener began at 1pm at Brookfield Square, wound its way through Pewaukee and ended at the Jolly Fisherman on Pewaukee Lake. If you were hungry, you could buy a hamburger there for \$.90 (\$1.10 with cheese). A 12" cheese and pepperoni pizza set you back \$4.25.

The Club also had their last indoor meet on April 13th and the club was entertained with two short movies. A Car is Born showed how the modern automotive assembly line, one of the wonders of the automotive industry, got its 15000 parts from foundries, glass plants, engine plants, stamping plants and other facilities to give birth to a precision-made machine. The second film went inside the design center of a major auto manufacturer to get a behind-the-scene look at Change by Design.

The men's seminar was about pin striping. *(No ladies, not a man's suit. You know, that narrow horizontal painting on a car!)* Guys could even try their hand at it after the demo that was held at the Avenue Brake Shop.

The Club was looking forward to their Swap Meet to be held May 18th at the Wisconsin State Fair Grounds -- only \$8 for a 10x12 space. Seems shy, but as of the date of the newsletter only 1/3 of the spaces had been sold. (There is a note in this newsletter stating that in April 1975, the 10th Annual Swap Meet was held at MacArthur Square. Cost \$4.00 for an 8x20 booth.) There was an overnight tour at the Dells planned for June 27-29. The group planned to overnight at the Voyageur Hotel that offered a pool and health club. Close by attractions included tennis, golf, and other entertainment. An evening banquet with choice of steak, or red snapper was \$13.50 per person.

The ladies page offered helpful hints on old fashioned Spring Cleaning tips. *(My mom faithfully "housecleaned" each spring and fall. Does anyone still do that?! Maybe having Central Air in our homes now makes a difference?)* Here is an example: To clean furniture to a high polish, combine boiled linseed oil in equal parts with turpentine. Put on the solution and let sit for a few minutes and then rub with No. 0000 steel wool. *(Did any woman ever do that?)*
