SPRING START UP TOUR April 17th 2016.

Meet at Oscar's Frozen Custard
2362 S.108th St., Milwaukee
Depart at 12:30 p.m.

You may want to fuel (custard or other) the driver or co-pilot. Journey to Waukesha Airport/ Crites Field to tour 'Flight for Life' and hear from the crew and the medical staff. About a one hour presentation. Have your questions ready. If there is a Flight for Life emergency and they are on a flight, we have a back up plan of a driving tour on the back roads of Waukesha County.

We will have two separate tours available that will take us to a pizza restaurant for refreshments. Let's break the ice, shake some cobwebs, tune it, and enjoy the FUN.

Stan & Pat Larson

POKER in the Model A

Join us for this spring tour through the lovely Wisconsin country side while you test your luck at drawing your best poker hand (no experience necessary). We'll be making some fun and interesting stops along the way too. The ending place will be in the May issue of Wheeling the A.

See y'all there!

WHEN: Sunday, May 15, 2016

STARTING PLACE: Culvers Frozen Custard, on Racine Avenue in Muskego, 1/2 block south of Janesville Road

GATHERING TIME: 12:00 p.m. (or arrive earlier if you want to treat yourself to lunch or a sundae)

DEPARTING AT 12:30 p.m.

Your hosts: Mike & Sandy Yokofich and Dave & Carol Rozman

Any questions call Dave at 414-333-9705

Memorial Day Over night tour:

A 3 day Memorial Day tour to BEAUTIFUL DOOR COUNTY is planned for Friday, May 27th thru Monday, May 30th. A block of 25 rooms has been reserved at the Open Hearth Lodge in Sister Bay, WI. The nightly rate per room is \$89.00 plus tax. Contact the Open Hearth at 888-795-5726 and say that you are with the Wisconsin Chapter MAFCA Model A Ford Club. Each room comes with either a king or 2 queen beds.

Tentative plans are:

Friday: Meet at the newly opened Automobile Gallery by Red Lewis in Green Bay. Then proceed to the hotel in Door County. Friday evening a hospitality room will be available including food (not pizza) will be provided. Goody bags will be handed out containing information for the entire weekend.

Saturday: A tour is being planned stopping at Door County's points of interest or Model A'ers can explore on their own. Saturday dinner will be on your own, suggestions will be provided in the goody bag.

Sunday: Mandatory tour is being planned and will end with our banquet at The Log Den.

Monday: Leave for home.

We are also inviting our local Model A Club, The Cherryland A's to join us.

Sunday night banquet at The Log Den, 6626 State Hwy. 42 in Egg Harbor

Time: 5:30 p.m. Cash Bar

Dinner: 6:30 p.m.

\$23.00 Per person (INCLUDES TAX AND TIP)

The dinner will be a buffet consisting of: salad and dressings, baked chicken, beef tips in gravy, mashed potatoes and gravy, seasonal vegetables, fresh baked rolls and butter, dessert, coffee and milk

YOU MUST REPLY BY MAY 1, 2016

Memorial Day Weekend Departure

A caravan will be traveling to Green Bay to start the Memorial Day weekend. We will meet at the McDonald's in Mequon on Friday, May 27th, for a departure of 8:30 a.m. There will be rest stops enroute. The route will be direct and on rural roads with no trucks or high speed cars. The planned arrival at the Red Lewis Automobile Gallery in Green Bay is 1:00 p.m. We will have lunch near there at one of several restaurant choices in the area.

After the Gallery tour Mike and Carol Mazurkiewicz will lead us on to the our motel in Sister Bay for a great weekend.

PLEASE RSVP to Gene or Betsy Taurman in advance for proper planning.

Departure information

Place: Mequon McDonald's on Port Washington Rd. and Mequon Rd.

Time : 8:30 a.m. Friday 5/27/2016

June 19 Tour

TOUR TO WELLSRING
4328 HICKORY RD
NEWBURG, WI

Wellspring is the oldest Community Supported Agriculture (CSA) operation in Wisconsin in its 29th year. They supply homes, restaurants and farmer's markets with fresh organic fruits, vegetables and herbs. The CSA arm of the organization operates with annual prepaid contracts that will grow and then deliver fresh local produce to their customers.

We will enjoy an organic pizza and salad lunch on the grounds and a short walking educational tour of the gardens and river on the whys and how of organic produce.

There will be a golf cart available for transport to and from car to handicap restroom and eating area.

We will end our tour at Wayne's Drive-In in Cedarburg, which is a short drive from the historic district of Cedarburg.

COST: The price is \$10.00 per person payable to Gene or Betsy Taurman.

STARTING POINT: 10:00 a.m. at McDonalds, N112 W15936 Mequon Rd., Germantown

END POINT: Wayne's Drive-In, 1328 County Rd NN, Cedarburg, WI

Annual Picnic

Please join us on **Sunday August 21st** at **Veterans Memorial Park Pavilion in Muskego,**

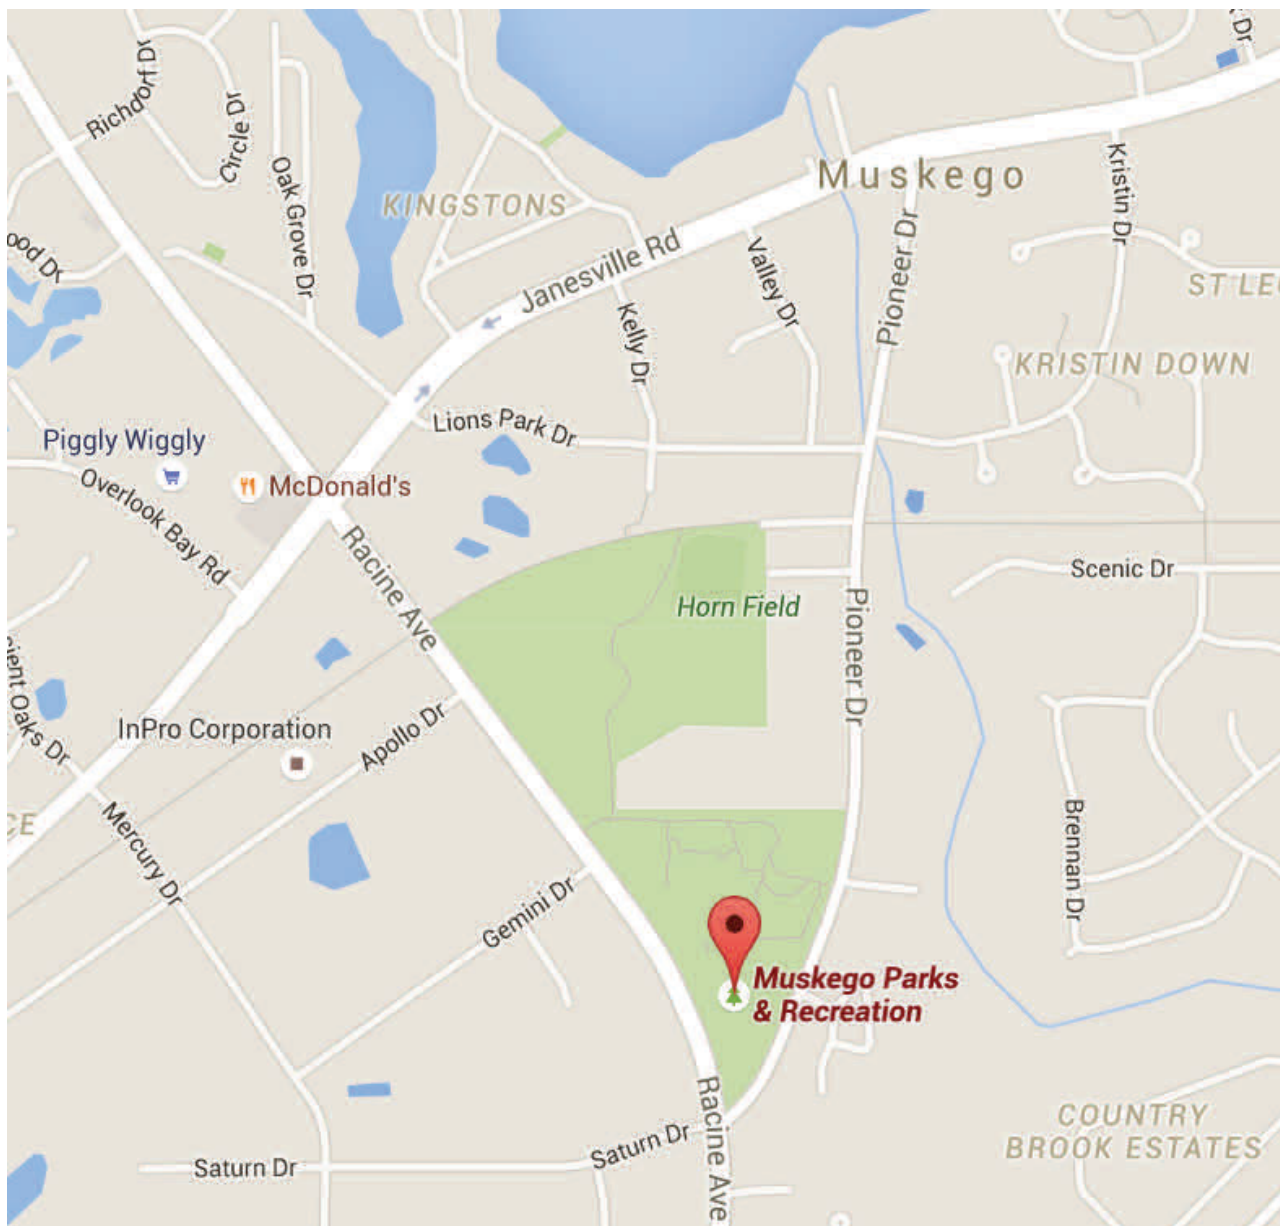

11:00 a.m. – 3:00 p.m. for the annual Wisconsin Chapter picnic. The park offers a number of unique features. There's a boardwalk nature trail that leads to the Old Muskego Settlement Center where we will be able to tour furnished historical buildings of Muskego. The park has a playground near the pavilion for the kids and the Pavilion is handicap assessable. The charge for a non-member is \$10 for adults and \$5 for kids over 8.

Please RSVP:

kate.rozman@gmail.com

or leave a message at: (262) 422-0976

Sunshine Report.....

Our deepest sympathies go out to Mark Ackermann at the passing away of his mother, Lorraine, on February 18th, 2016 at the age of 94. Moms always hold a special place in our hearts and I'm sure she will be missed.

On the flip side of the coin, we share the happy news that Pat & Paul Piotrowski are the proud grandparents of Lilian Heather Douglass who was born on Tuesday, March 1st, at 11:13 p.m. Lilian weighed in at 7 lbs.-11oz and is 21" long. She is the daughter of Kelli & Andy Douglass.

The MAFCA family offers prayers and best wishes for Bob and Barbara Sonnen. Bob has just completed surgery for throat cancer. We wish him a speedy and full recovery.

Deepest sympathies go out to the family of Jerry Carlin, who passed away in March.

A particular bright ray of sunshine and special 'thanks' to all those who volunteered and worked at the swap meet. The proceeds help to pay for many of our club's activities and expenses. Special note of 'thanks' to the Quam's, Boucher's, and Schaefer's for their roles in making it happen!

Volunteer Opportunities: (what doesn't bring a ray of sunshine like a club member(s) stepping up to volunteer)

Banquet (2017), Dave/Linda Huenink have volunteered to host. Karen Schmiechen has volunteered to run the silent auction - volunteers are needed help host as well as to provide auction items or donate cash for the purchase of items for the auction. Contact Karen at Kschmiechen@att.net or 262-544-5005.

Swap Meet (2017, it's never too early), need volunteer for the coordinator position as the Quam's will be stepping down after this year. Interested – talk to Mike or Sue

Need hosts for the December (Santa already available) and February Indoor meets.

Thank you to all.....

I want to send my thanks to each of you! The past months have been difficult as we planned to have a wonderful winter in AZ! But I am thankful for the first 2 as they were great! Thank you to the club for the donation to JDRF in Marty's memory. As most of you know, he had diabetes for over 55 years & the continuing research for the disease was so important to him! Also I want to thank the many members that came to the wake on Friday PM-it was overwhelming!! Thanks for being such caring & considerate friends! Hugs to all of you!!

Jo Lene Janssen

Please notify Bob Schmiechen with all sunshine needs. Call 262-544-5005 or email Robert_06@att.net.

Presidents notes.....

Hello Everyone

As I write this column it's hard to believe the touring season is here, please get ready to join us on our first tour of the season it sure sounds interesting. We also have a great line up of upcoming tours so keep an eye on the newsletter for all the latest happenings.

I believe we just had our best swap meet in club history. (At least as long as I've been around) A big thank you to all the volunteer help we had! Your help was greatly appreciated as it again made our clubs annual event a big success. We also had great help from Mother Nature as the weather could not have been better.

We still have some openings for the next indoor season so if you have an interest in hosting an indoor event contact Karry K. Speaking of indoor and outdoor events thanks to all of you that have and do volunteer to host these events. It really helps keep the club events fun and interesting, new ideas are always welcome.

I believe that it for this month remember if you know of anyone that is in need of sunshine contact Bob Schmiechen. See you soon !

-Mike

MAFCA Wisconsin Chapter General Meeting Minutes

March 13th, 2016

Board Members Present: Mike Quam, Randy Kind, Dave Huenink, Bob Schmiechen, Steve Lewis, Neil Besougloff. Absent: Karry Kultgen

Mike Quam called the meeting to order at 1:30 p.m.

President – Mike – The club received the reciprocating newsletters and a thank you note from Mark Ackerman thanking club members for the support he received during his mother's passing.

Vice President – Randy – The club received two applications for membership: Paul Brown and John & Antonia Stotts. Both were approved for membership at the board meeting.

Secretary – Dave – A motion was made by Karen Schmiechen and seconded by Sue Quam to accept the February 14th, 2016 meeting minutes as written. The motion was put to a vote and it carried. 208 members renewed their 2016 membership. 26 members have not renewed their membership.

Continued on next page.....

Treasurer – Steve – A report of the revenue and expenses from last month was given. A motion was made by Paul Piotrowski and seconded by Deb Lewis to accept the treasurer's report. The motion was put to a vote and it carried. One bill was turned in for the swap meet. A motion was made to pay the bill by Sue Quam and seconded by Gene Taurman. The motion was put to a vote and it carried. A report was given regarding the swap meet.

Outdoor – Neil – All the outdoor events have hosts. Stan Larson discussed the first outdoor tour for 2016 in April. Gene Taurman talked about the tour he is hosting in June.

Indoor – Mike for Karry – The indoor meets need hosts for the months of November, December and February. Dave and Linda Huenink are looking for volunteers to help with the clubs 2017 banquet.

Sunshine -Bob- Mark Ackerman's mother passed away, Paul and Pat Piotrowski are grandparents again and Bob Sonnen was hospitalized for throat cancer surgery..

New Business – The 2017 and 2018 swap meet dates are tentatively reserved at the Washington County Fairgrounds. Someone is needed to run the computer/paperwork end of the swap meet. Volunteers are needed to do the club financial audit. Bob Davisson and Paul Piotrowski volunteered.

Old Business – The MAFFI youth membership registrations have been mailed in. Paul Piotrowski has some Model A periodicals he is giving away.

Bob Schaefer made a motion to adjourn the meeting and it was seconded by Stan Larson. The motion was put to a vote and it carried. The meeting was adjourned at 1:46 p.m.

Respectfully submitted,
Dave Huenink
MAFCA – Wisconsin Chapter Secretary

Technical information.....

Now is the time to think about getting your Model A ready to go on the road again. Below are listed some ideas to prepare your vehicle for the open road. Preventive maintenance is much easier than roadside repairs. It is also more convenient to fix a potential problem at home than by the side of the road.

A. At Each Fuel Stop

1. Check crankcase oil level
2. Check radiator water level
3. Perform a quick visual inspection of the engine compartment, the crankcase, the undercarriage, the tires and overall condition of your car

B. Before Beginning Your Ride

1. Check distributor point spacing
2. Check water pump for leaks and play
3. Check radiator, hoses and head gasket for water leaks
4. Check carburetor and fuel line for leaks
5. Visually inspect the engine compartment, crankcase and undercarriage for abnormal oil leaks or other irregularities
6. Check the hubs, wheels and tires for abnormalities
7. Be ever watchful for loose nuts, loose bolts or loose electrical connections

C. Weekly or Every 1,000 Miles

1. Check battery water level. If water is being boiled away, reduce the charging rate
2. Lubricate distributor bearings and distributor cam
3. Lubricate water pump bearings
4. Lubricate generator
5. Check fan for cracks. Is hub tight?
6. Check fan belt for tension and wear
7. Examine tires for breaks, cracks, or abnormal wear. Check air pressure
8. If necessary, re-torque all lug nuts

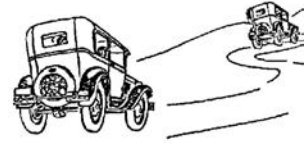

D. Every 2,000 Miles

1. Grease all lube fittings
2. Change crankcase oil and filter. Those without a filter may wish to change oil more frequently. Examine sludge on drain plug for any warning signs.
3. Check differential transmission and steering gear oil levels
4. Add grease to "U" joint (ONLY IF NECESSARY)
5. Drain carburetor bowl and sediment bowl. Examine deposits. Check fuel flow rate

E. Every 5,000 Miles

1. Remove, examine and re-gap spark plugs
2. Check compression
3. Check and adjust ignition timing
4. Inspect brake system. Readjust wedge at each wheel if necessary
5. Re-torque rear wheel axle nuts
6. Change differential and transmission oil

'A' Trip Back to April 1977

Officers:

President – Bill Hermann
Vice President – Dave Kusnier
Secretary – Dan Krause
Treasurer – Dan Kane

Apr 17 – Indoor meet the last until November, hear the plans for 'A' summer of activity. A film of the 1976 Indy 500 will be shown.

Apr 19 – Women's seminar held at Marilyn Brojanac's home. A representative of "Stitch n Sew" stores will have a presentation.

Apr 21 – Technical seminar to be held at Brojanac's Avenue Brake Shop. Our topic will be "'A' engine installation. Dan Kane will place the engine in the chassis and hopefully get it running.

May 10 – Women's seminar at Mary Hermann's house. We will discuss "the art of cake decorating".

May 12 – A seminar will be presented "How to" of judging. Learn the methods so you can be a judge.

The 12th annual swap meet, March 6, was a success. A sellout of all spaces was made and 1,500 people poured thru the doors. The vendors were happy with the location, time, turnout, and sales. A big note of thanks to all who volunteered. There was one small difficulty – the terms of the contract with the State Fair include clean-up of the building after we are done. The clean-up committee had a ten person crew but only one broom. This month's loose log nuts award goes to Gary Zehren, head of the clean-up crew.

New members: Ronald/Mary Ridley, 1929 coupe; Wendy Gilker; Ed/Jean Braun, 1928 pick-up; Noyes/Donna Lane, 1930 tudor; Philip/Alice Hoffmann, 1931 coupe, 1930 fordor

From the Ladies Page by Marilyn Brojanac:

Recipes for making homemade 'Fresh Apple Bars' and 'Beer Batter' for onion rings/fish/chicken. *Let me know if you are interested in either of them and I will email them to you.*

When boiling potatoes put a little cooking oil in the water to eliminate the sticky ring around the top of the pan. It will not affect the taste of the potatoes.

Meats from pecans, walnuts, and peanuts are wonderful for removing scratches in furniture. Simply remove the meats from the shell and rub gently over the scratch, the oil will remove any discoloration.

Historical Events for April 1977

1st Attempt for Muslim state in Chad fails
1st NFL decides to experiment with a 7th official in some preseason games
2nd Fleetwood Mac's "Rumours" album goes #1 & stays #1 for 31 weeks

ONE TWO BUCKLE MY SHOE

Buckles and Shoe Laces of the Model A Era

By Mary Carlson (MAFCA Website)

Buckles and shoe laces may not be exciting, but they were certainly necessary. As you will see, there's more than one version of the nursery rhyme and there are many options to choose from when you are looking at buckles and laces for those era shoes.

Buckles could be decorative (a subject for another article) as well as used to keep the shoe securely on the foot. The images show the buckles on the outer edge of the strap or in the center of the strap.

Looking Back in the Rearview Mirror

Mystery Technical Seminar, Thursday, February 18, 2016

Our mystery technical seminar is no longer A mystery! Keith Jones brought us his front axle so we could demonstrate installing a king pin set in the front axle.

We found out we had to remove the spring perches so we could replace the axle. Once again we found out this is not an easy job. But, with the expertise of Tony's help from Mail Truck we were able to do this task. Most of this was done before the actual meeting because of time limitations.

Of course, as always, the replacement part did not fit. Thus we had to ream out the new bushings over and over. We still could not get the bushings to fit, so we had to use an oversize reamer. One of the reasons was they were not perfectly round. But, with saying a few sweet words to the part we made it fit. As usual a re-pro part can be made to fit if you work hard enough at it. Look for Keith driving down the road this year!

Thanks to all who came and helped.
Roger, Jeff and Tony

Looking Back in the Rearview Mirror

Swap Meet 2016

Another successful swap meet is in the books. With a beautiful spring like day, the line to get in at 8:00 a.m. stretched a long way around the parking lot. People who had waited in line told me the line moved fast and they didn't mind waiting with the wonderful warm weather. Our cashiers; Steve & Deb Lewis, Randy & Ellen Kind, Eleanor & Steve Gapko did a fantastic job of taking cash and marking hands. I don't think I have ever seen such an orderly crowd before, no shoving, no pushing, no complaining, no yelling, it was perfect...well except the hand stamps I bought ran out of ink fast and we had to switch to red markers, but hey it worked!

Steve and Randy ran a table to take exact change for admission, those needing change headed to the ladies. Mike Quam was on hand to take care changing out cash for singles when needed. As usual we had a sheriff deputy in the lobby just to make sure things went smooth. The deputy remarked he has never seen such a large orderly crowd there before. Said our attendance surpassed the gun show that was there.

Continued on next page.....

This years attendance was the highest so far. I went back thru what information I had and it goes as such; 2007-1,353; 2008-1,414; 2009 -1,573; 2010 -1,924; 2011 -1,560; 2012 -2,235; 2013 -2,000; 2014 -2,044; 2015 -2,163 and 2016 -2,463. A steady increase every year. So with 2,463 in attendance this year we made a handsome profit for the club.

Thank you to Dave & Donna Boucher for all the advertising and getting the word out about the event. Dave advertised in a few new areas this year to reach more people. I think it worked Dave. Good job!

Thank you to Bob & Kitty Schaefer for getting volunteers signed up. Bob & Kitty also marked floors with others and Bob braves the weather every year waiting for vendors to drive in, then directs them where to go. This year Bob didn't have to bundle in many layers like other years.

As I ran the door in the east building by myself this year to get vendors in and to their spots (sure missed you Neil Besougloff) I looked down to the exit door and there was Roger Olsen in his wheel chair opening and closing the over head door with a broom handle to keep vendor traffic moving. Thank you Roger for jumping in and helping!!

Big Thanks to all that helped in various capacities, unloading vendor vehicles, watching exit doors, checking hand stamps, etc. Your help is greatly appreciated!

I can take all the reservations in the world and place vendors in spots, but with out every jumping in to help it wouldn't be a success! Thank you again to everyone that helped. I hope I have not missed any.

Looking Back in the Rearview Mirror

At our March 13th, 2016 indoor meeting Polly Huenink- Schellinger talked to the group about essential oils and where they come from. Essential oils are derived from different parts of plants (ie: flowers, leaves, stems, peels, roots, seeds and bark). The oil needs to be mixed in a variety of bases as it comes in a concentrated form. The oils have been used medicinally in history and, in recent years, there has been an increase in the popularity of the oils as an alternative medicine. She passed around samples of her essences for the membership to smell.

Polly talked about the healing properties of the oils and shared specific oils names that would help in reducing stress, increasing focus, soothing muscles, purifying the body, emotional balance, and to support the immune system. She also discussed places to buy quality oils and to ask a lot of questions to insure their quality. Also, she gave some tips on the safe use of oils in that they are not to be taken internally without guidance by a qualified practitioner and there are some illness where by certain oils would be contraindicated. She gave some examples.

Dave and Linda Huenink
