Notes from the President for July

As you may know, this has been a tough month for me and my family. My mom and long-time club member, Karen Sukkert, passed away July 3rd unexpectedly. She was one of the most thoughtful, generous, and resilient woman I knew. She was someone who suffered many great losses throughout her life, which I believe is how she came to be the strong, independent woman she was. I miss her already. Sadly, she joined a way too long of a list of other members who passed this year. Most recently, Marsha Heinrich, Darrell Cornell, Jack Staehle – RIP my Model A friends! You will all be remembered and missed dearly.

Thanks so much for letting us know what agencies you are passionate about. We have received at least 10 different organizations to review and select two for the Swap Meet donation. The board will be doing that soon.

Three of our board member's (Steve Lewis, Dave Huenink and Bob Schmiechen) terms are up this year. We hope to hear from several of you out there that you are interested in join-

ing this team. Bring your ideas for the club to the table by becoming a board member.

I would be happy to tell you all about it. We also need someone to run our annual banquet and our Memorial Day weekend event. If no one steps up, these events will not take place.

Summer is a busy time for most. Several of you showed off your "Chitty's" in 4th of July parades. The Greendale parade was hosted by the Huenink's – eleven cars participated. Steve and I were able to attend the Harry Miller Vintage Indy Car Event hosted by John Secord. We saw some really nice cars coming from all over the country. Most circled the "Milwaukee Mile" so we could see and hear them in action. For me it was something different and I am glad I went. Our annual picnic is coming up in August. The location is in Sussex this year. We plan on going and I hope to see you there.

Ahooga ~
Deb

September 9th Tour

The September tour will take us along country roads to an icon of Wisconsin history, The Basilica

on Holy Hill. Holy hill was considered scared by the American Natives long before the immigrants erected a cross and alter on this majestic spot in the late 1600s. Holy Hill is the highest point in Southern Wisconsin at 1,350 feet.

The first immigrants who saw this hill as special were the French, perhaps even Marquette, then the Irish, they named it Holy Hill. Later in the 18 hundreds the Germans built the stations of the cross which many people visit just for the religious experience

In the 1880's the chapel construction began and eventually it became the Basilica which we will see.

Come for a beautiful ride, or the view, one can see Milwaukee from the church or come for the history or to experience reverence of the place others felt many many years ago. But join us.

We will stop for our traditional parting ceremonies at another building just as old.

Starting Point;

McDonalds

1383 Capitol Dr

Pewaukee WI

West of State Hwy 164 on Capitol Dr

Depart 12:00 on September 9, 2018

Richfield Thresheree

Sept. 15

The Richfield Historical Society invites you to enjoy wholesome fun for the whole family with a trip down memory lane for the 20th Annual Thresheree and Harvest Festival, **Saturday, September 15th**.

In addition to the antique tractors and cars and demonstrations of pioneer skills, there will be a wealth of activities to fill the day. Sing along with the live music or the WTKM live broadcast, and bring kids for the fun activities such as designing a scarecrow, building a small log cabin, or meeting Richie the Raccoon. Take a free wagon ride in the beautiful park. Food available includes pastries, coffee, milk and juice until 10:30, lunch served starting at 10:30, kettle corn, ice cream sundaes, and maple cotton candy. Tour the numerous historic buildings. Event proceeds benefit restoration of the grist mill on the property.

Meet Saturday the 15th at the Friess Lake School parking lot at the corner of Hwy. 164 and Holy Hill Road (Hwy 167) at 9:15 a.m. We will depart at 9:30. Events go on throughout the day; leave at your discretion. Call Art Blazek with any questions at (262) 538-4474.

What a fantastic month!
We welcome three new members to our club:

Brian and Vickie Shaw who live in Oconomowoc,
Colton Sherwin of New Berlin and owns a 1930 Deluxe
Coupe,
and Gary Stein of Appleton.

We hope to see these new members at our up-coming events, particularly the club picnic in August.
Be sure to introduce yourself and make them feel welcome.

Website and email update....

This past month I changed the photo gallery to show larger pictures, now its much nicer to look through. Keep sending me those photos people, and I'll keep getting them on the website. I also created a password protected members only page, that contains the By-Laws, Retention Schedule/Policy, and the Critical Motions.

Soon as the Swap Meet Team has their flyer ready Jeana will get it up on the website swap meet page. We can also add something to the home page to draw attention to our annual swap meet page in hopes of gaining more foot traffic at the swap meet.

I see when I "Google" Wisconsin Model A clubs and other searches, our website has gotten into the algorithms and is being found. According to the analytics of our website, we are getting good traffic, 79% is via mobile devices, 13% desktop and 9% tablets. Of those devices, 78% is via Google (a general search) 12% is direct website address and 4% coming thru the link on the old website. Interesting number, on July 3rd, there was 228 hits to the website. I'm guessing when the public "Googled" Greendale 4th of July Parade or something related to that, our site popped up and was visited. When an event is on the events calendar a google search can find it after its gotten into the algorithms. All great news!

New email addresses were created for the Board of Directors, those emails can be kept forever and switched to whom ever is in that current position.

Anything you'd like to see on the website? Let any board member know or shot me an email.
-Sue Quam

FALL FOLIAGE TOUR

SATURDAY OCTOBER 20TH, 2018

Join Linda and Dave Huenink on a scenic drive through the Kettle Moraine Forest, where the leaves will be in their full fall colors, as we make our way to Hawks Inn, in Delafield Wisconsin. For those of you unfamiliar with Hawks Inn:

It is Greek Revival Inn, built by Nelson P. Hawks, that has been described as an "unsurpassed example of an early stagecoach stop." It was the center of social and political life in the frontier village of Delafield, Wisconsin. Built two years before Wisconsin became a state, Hawks Inn welcomed farmers in search of a home-stead, trappers, traders, territorial politicians, and miners in search of a strike in the lead mines of western Wisconsin."

We will then take "A" quick drive through St. Johns Military Academy to admire some of the great architecture and interesting sites on the grounds. From there we will head to Lapham Peak State Park, which is also a part of Kettle Moraine Forest. Lapham Peak is the highest point in Waukesha County at 1,233 feet in elevation and covers 1000 acres. The park itself is beautiful and enjoyable to drive through, especially in a Model A. You will be able to walk up the observation tower, where the view is truly incredible and breath taking. You can see Holy Hill, the US Bank Building and Northwestern Mutual Buildings in Milwaukee and Nembahbin Lake to list a few sites from the top of the observation town. If you are afraid of heights, no worries. Dave is also and made it to the top comfortably. There are other sites to see at Lapham Peak Park also or a great place to spend time with your friends in the club. For those not familiar with Lapham Peak, it was named after Increase Lapham after it was originally called Government Hill. Originally it was used for surveying purposes, and then became a site for the Federal Signaling Service Division of Telegrams and Reports and received meteorological observations from Pikes Peak in Colorado as an advanced warning system of approaching storms. There are trails available for those who want to do some walking and enjoy Kettle Moraine on foot. We will also serve some seasonal goodies at one of the picnic areas near the Observation Tower. (For those who attended our tour last year, no apple pies this year but something just a good?)

We will **meet at McDonalds at Hwy 164 and National Avenue** in Big Bend between 11:15 a.m. and 11:30 a.m. and depart sharply at 11:45 a.m.

Make sure your cars are gassed up, as we'll be traveling a distance before our first stop and the next gas station. This is the last tour of the year, and I can assure you, it will be an enjoyable drive and fun day, especially since we are with friends and driving our Model A's

We do ask that you RSVP to Dave and Linda either by phone (262-378-4216) or email (Oldfordcoupe@wi.rr.com). The places we are stopping at need a count and we want to make sure we have enough goodies for everyone.

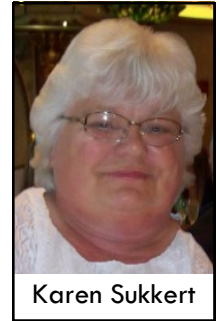

See ya soon,
Dave and Linda Huenink
262-378-4216

Sunshine Report..... July

Jack Staehle passed away on Thursday, June 21. He enjoyed restoring his Model A. Our condolences to his family.

Bob Davisson was in the hospital for surgery and is at home recovering. Wishing Bob a speedy recovery.

Karen Sukkert passed away unexpectedly on July 3rd after a long battle with cancer. We will miss her presence at the club meetings and her sense of humor. Our deepest condolences to her family.

Karen Sukkert

Wishing our members brighter tomorrows and a healthy and rest of the summer.

Please notify Linda Huenink with all sunshine needs. Call 262-378-4216 or email linda214@wi.rr.com

Congratulations Stan

Patriotism: Stan Larson

Andrew Schwichtenberg was honored to introduce Stan "both as a proud military veteran and longtime citizen of Menomonee Falls."

As a veteran of the Korean War, Stan has spoken to numerous community organizations about freedom and has been part of the American Legion for thirty-four years and a VFW member for four years, serving as senior vice commander and adjutant. He was part of the first Korean Veterans Stars and Stripes Honor Flight to Washington D.C. in 2013 and actively fundraises and encourages other veterans to go on honor flights.

During his acceptance speech, Stan spoke passionately about history and the price of freedom. "We share the greatest gift in America – it's our freedom," Stan declared.

Stan chose to give \$250 to the Stars and Stripes Honor Flight.

Model A Ford Club of America – Wisconsin Chapter

Board Meeting - July 14, 2018

Board Members Present: Deb Lewis, Dave Huenink, Steve Lewis, Bob Schmiechen, Vicki Cooper, Jeana Angelini

The meeting was called to order at 7:14 p.m.

President – Deb- The Board received newsletters from the reciprocating clubs. The club received correspondence from the Wounded Warrior Project asking for a donation. The Illinois Antique Auto Club of America asked our club to attend a car show. More information will be in Wheeling the A on the car show. Kitty and Bob Schaefer are celebrating their 50th wedding anniversary and have invited the club to attend their celebration on August 11, 2018. (see page 7) Also received a thank you note from Meals on Wheels for the clubs donation. The web site committee met and discussed the web master (web administrator) job description. Deb will be editing it and will present it at the next Board meeting. Sue Quam created a members only page on the clubs new web site it includes items important to the membership. Sue created email addresses for the Board members that are tied to their personal emails. Photos on the web site are big and clear and there is work being done to get more on the web site. The member's only page will be password protected and club members can contact a Board member for the password. The password will also be in the printed club roster that will be distributed to the membership and it will be changed annually. The web site committee wants ideas for items to add to the new web site. The new chapter event form was reviewed. A motion was made by Dave and seconded by Jeana to accept the new form. The motion was put to a vote and it carried.

Vice President – Bob – The club has three new members: Gary Stein from Appleton, Colton Sherwin from New Berlin and Brian Shaw from Oconomowoc. A motion was made by Deb and seconded by Vicki to accept these new members. The motion was put to a vote and it carried. Bob brought up why the Restorer Magazine didn't have the current article about our

club happenings in the last issue. They forgot to put it in.

Secretary – Dave - A motion was made by Bob and seconded by Jeana to accept the minutes from the June 15th, 2018 Board meeting as written. The motion was put to a vote and it carried.

Treasurer – Steve – The treasurers report was given. A motion was made by Dave and seconded by Vicki to accept the Treasurer's report. The motion was put to a vote and it carried. Two gift cards were purchased for the Model A Ford Club of America national event and one of them did not arrive in time for the event. Both gift cards will be given to the Wisconsin Rapids event to be used as prizes. Bills were turned in. A motion was made by Dave and seconded by Deb to pay the bills. The motion was put to a vote and it carried.

Outdoor – Jeana – The Board wants to remind those running tours to send in the required forms regarding their event to Jeana. Jeana will be calling each host to remind them to submit their event form. The information is important to those running the event in the future. The required form can be found on the clubs web site. Also, a follow up article needs to be submitted to the clubs editor to be published in "Wheeling the A". A host for the Memorial Day Overnighter is needed.

Indoor – Vicki- The banquet still needs a host. **IF NO ONE STEPS UP TO HOST THE BANQUET IN 2019, IT WILL BE CANCELLED!**

Sunshine – Dave for Linda - Jack Staehle passed away on June 21st. Bob Davisson was in the hospital and is home recovering. Karen Sukkert passed away July 3rd.

Old Business – Jeana talked with a woman she works with regarding her brother who does embroidery. He requires a \$50.00 setup charge to do a sample. *Continued on next page.....*

Jeana will ask if they can do t-shirts and other items and if they can do large logos on the back of the items and smaller ones on the front. The club still has the following open positions: someone to write fashion articles for Wheeling the A, Swap meet advertising, Technical chairman, and banquet hosts. A discussion was held regarding the clubs donations using a portion of the swap meet profits. Two more ideas were brought to the Boards attention. A complete list will be sent to the Board members and two will be voted for at the next Board meeting in August.

New Business – A discussion was held regarding a new computer for the club newsletter editor. She was asked to submit a request for her needs along with the actual cost. The purchase of a new computer was tentatively given approval.

Deb made a motion to adjourn meeting and it was seconded by Jeana. The motion was put to a vote and it carried. The meeting was adjourned at 9:06 p.m.

Respectfully submitted,

Dave Huenink

MAFCA – Wisconsin Chapter Secretary

These minutes have not been approved by the Board of Directors and will be voted on for approval at the next Board meeting

MAFFI Newsletter Minute

July 2018

As you can imagine, by now, arrangements are set for this year's Model A Day at The Gilmore (Saturday, September 15th). This year we are pleased to announce six Model A seminars as part of the events planned. Much work has been involved in preparing material from our fellow Model A hobbyists. Three of the seminars are focused on more technical aspects, including Model A Glass, Model A Wood and Model A Front End Alignment. We also have seminars that address other areas of interest including Shopping on line for Era Fashions, Preparing Your Model A for Touring and tips and ideas regarding Buying and Selling a Model A.

Model A Day at our Model A Ford Museum at The Gilmore offers many opportunities to see a variety of unique and award winning Model A's and to learn more about the Model A through interaction with other hobbyists and through planned and organized seminars. We hope you will join by attending Model A Day on the Gilmore Museum grounds located in Hickory Corners, Michigan.

Sincerely,

John Begg, President

'A' Trip Back to August 1993

Well, the Dog Days of Summer are upon us. According to Wikipedia (The Great Wizard of Knowledge), the dog days of summer are the hot, sultry days of summer. They were historically the period following the heliacal rising of the star Sirius which Greek and Roman astrology connected with heat, drought, sudden thunderstorms, lethargy, fever, mad dogs, bad luck and the flooding of the Nile. They are now taken to be the hottest, most uncomfortable part of summer in the Northern Hemisphere. (And now you know more about the Dog Days than you ever cared to know!)

Some August 1993 events to jog your memory

Broadway Plays: In the Sumer House, She Loves Me, Camelot, and Goodbye Girl.

Sports: Reggie Jackson is inducted into the Baseball Hall of Fame and the NY Yankees retire his #44; Padre's have a great season with individual players hitting 5 or more hits in a game; Red Sox Roger Clemens pitches his 2000th strike-out; Blue Jay Rickey Henderson pays Turner Ward \$25,000 for his #24. At the 75th PGA Championship, Paul Azinger shoots a 272 at Inverness Club Oh; Colin Jackson runs the world record 110m hurdles (12.91); Minnesota Twins beat Cleveland Indians 5-4 in 22 innings; Fred McGriff and David Justice are 6th to hit back-to-back home runs in the same game.

Religion: Pope John Paul II publishes encyclical Veritatis splendor and visits Mexico, then the US; televangelist Robert Tilton divorces wife Marte; Mother Teresa is hospitalized with malaria.

Sad news: Train crash in a tunnel in Spain kills 12; tropical storm Brett ravages Venezuela, 218 killed; Hotel in Thailand collapses, 114 killed; Yak-40 crashes in Tadjikistan, killing 79, one survivor; dam breaks in China, 223 killed.

Music: Can't Help Falling in Love (From Silver), UB40; That's the Way Love Goes, Janet Jackson; Have I Told You Lately, Rod Stewart; Will You Be There, Michael Jackson; Rain, Madonna.

Fun stuff: Mattel and Fisher Price toy companies merge; The Mars Observer comes closest ever to Mars; Paris recorded its 150,000,000 millionth visitor to the Eiffel Tower; and the Dow hit a record high of 3,638.96!

So, what was the Wisconsin Chapter Model A Ford Club up to?

There was no shortage of "A" opportunities in August 1993.

- The summer picnic was held August 1 at Harnischfeger Park. The event promised food, games, a hayride, miniature golf, volleyball, baseball, and horse shoes, and live music.
- The club was invited to participate in an ice cream social and car show at the National Regency Retirement home in New Berlin.
- LeRoy Schettl chaired a Manitowoc Overnight Tour with a tour of a bakery and submarine.

- Sussex Village Park held it's Threshing Bee and Engine Show that all could attend.
- Lots of car shows: "Summer Little Carlisle" Swap Meet, Car Corral and Car Show at Walworth County Fairgrounds; All Ford Show at Towne Ford; 13th Annual Pontiac Car Show at Foster Pontiac; Hartford Car Show at the Heritage Auto Museum; Antique, Collectable and Special Interest Car Show at the St. Francis Retreat Center.
- The Impromptu Tour that happened July 18th, was planned by Roger and Jan Olson. The route took everyone along the foggy lake. The tour ended up at the Racine Zoo with a guided tour.

New Members

Bill and Jan Blum; Kent and Ann Larson; Mark and Deb Zimmer; Orland and Kay Chandler; Bob and Pat Rohner; David Uihlein; Jon Zimmerman.

Ancient August Events

August 1958 - Wally Klager lead a caravan of eight Model A's back to their birthplace in Dearborn. They toured the Ford archives, Greenfield Village, the Ford Museum and the Rouge Plant. Motel costs were \$8 a night and the tour was 95¢.

August 1973- Fourteen Model A's participated in the Greendale Village Days Parade. The shindig afterwards included beer, brats, chicken and a corn roast. The chairperson's wife wasn't happy with hubby. She said he chose the park and then forgot where it was. So they got lost and were the last ones to arrive and set up!

August 1978 - The August picnic was held at Raebel's Friess Lake in Washington County so swimming could be included. A corn roast consisting of 35 dozen ears contributed in making the picnic one of the all time best. A favorite game included Tug of War with 1928-29 versus 1930-31, and water balloons.

He's the boy
The gals forgot
His line
Was smooth
His chin was not
BURMA-SHAVE

From the Lady's Page

Out of this World Cake		
1 C butter	1/2 C milk	Preheat oven to 350. Cream butter and sugar. Beat until light. Add eggs one at a time and beat well after each addition until light and fluffy. Add crumbs, alternating with milk. Mix well. Stir in coconut and walnuts. Spoon into lightly greased 10 inch tube pan or bundt pan. Bake 1.5 hours until done.
1 can flaked coconut	2 C sugar	
1C chopped walnuts	6 eggs	
3C crushed vanilla wafers		

It's best for
One who hits
The bottle
To let another
Use the throttle
BURMA-SHAVE

finally, some August 1993 "Thoughts For the Day" and some "Remember These"

One reason why the big apples are at the top of the basket is because a lot of little apples are keeping them up there.

Good character, like good soup, is usually homemade.

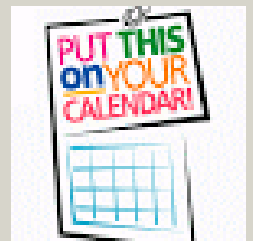

Looking back we are, Bob and Karen Schmiechen

Luther Manor Car Show

September 8th from 9:30 a.m. to 3:30 p.m. the 13th Annual Car Show. We hope the weather aligns with our plans otherwise we will still have programs set up indoors. Advance registration remains \$7 and includes lunch, dessert, and a chance to win a "Best of Show" trophy. The bake sale, auction, and 50/50 raffle will be available to both car owners and attendees. Proceeds will go to special event programs for our residents.

Information and registration forms is on the website: www.wichaptermafca.com/forms/

Again this year, Rev. Keith Jones, Wisconsin Chapter MAFCA member, invites club members to bring their A's to his church's 6th Annual Sweet Sweet Music Festival **on Sunday August 12th from 11:30 a.m. to 5:00 p.m.** Some great bands will be playing a wide variety of music; there will be crafters selling their crafts; and of course great food.

No cost to be there! - in fact Rev. Jones will treat club members who bring their A's to lunch, dessert, and beverage.

Rain Or Shine!!

Hope to see you there!!

Church address: First Presbyterian Church of Ottawa, S37 W35415 Hwy D, Dousman , WI 53118 - the church does not have a landline phone - call Keith Jones for more info anytime before 8 am on that Sunday. Generally, church is most easily located at the corner of Hwys C and D just 1 mile east of Hwy 67 a couple of miles south of Dousman.

Keith Jones phone 262-696-4074

A traffic cop pulled alongside a speeding car on the motorway. Glancing into the car, he was astounded to see that the young lady, who was driving, was knitting.

Realising that she was oblivious to his flashing lights and siren, the policeman wound down his window, turned on his loudspeaker and yelled, 'PULL OVER!'

'NO', the young lady yelled back, 'IT's A SCARF!'

Greendale 4th of July Parade

The club participated in the Greendale, 4th of July parade with most, if not all cars, decorated to celebrate the holiday. The streets were lined with many parade spectators, who enjoyed seeing our cars and hearing the ahooga horns. Several conversations were held during the parade, with the spectators, with regards to the different models of Model A's. Eleven Model A's of various styles, were present and everyone had a great time. Colton Sherwin was the youngest member present, driving his grandfather's 1930 coupe which he inherited from him. We hope to see Colton at more club events and share the excitement he has driving his Model A. As we munched on cookies from the local bakery and drank something cold, we enjoyed each other's company, contemplating the 80+ degree humid weather, wondering if any of the Model A's would overheat. I am happy to report all cars performed well. Thank you to all who participated and I look forward to seeing everyone at next years parade.
