## **"The Model A Turn Back Time Tour"**

### **Sunday, September 25th**

### **RESERVATIONS ARE REQUIRED.**

The tour will start at the Oconomowoc Historical Museum, 103 W. Jefferson St, Oconomowoc, WI at 10:00 a.m. We'll be given a guided tour of the museum and its artifacts. As part of the tour, there is a DVD presentation of famous places and homes in the Oconomowoc area. At approximately 11:45 a.m. we'll leave the museum and take a tour of the countryside. We'll then stop at Hoofbeats Express for a pizza party and spend some time admiring some restored antique horse drawn wagons.

We'll then be escorted to our own horse drawn wagon for a leisurely tour of the prairie. Our wagon only holds 18 people so **RESERVATIONS ARE REQUIRED** for this!! However, for the museum, and road tour, come one, come all. Please RSVP to Dave Huenink at 262-378-4216 by September 11, 2011, if you plan to have pizza and take the wagon ride. I want to make sure there is enough pizza and room on the wagon for everyone for those who wish to do this. To date only a very small percentage have signed up for the tour so there is plenty of room for those interested in participating in the entire event. So sign up soon before the event gets filled up. It promises to be a good time. Bring a long a chair, as seating is limited.

### **FALL TOUR**

**October 9, 2011**

Hosts

Marty & Jo Lene Janssen

We will be departing at 10:00 a.m. from the Crossroads Restaurant (formerly Corfu) in Hubertus. (In the shopping center just West of Highway 175 on Hubertus Road)

We will be traveling to Theresa where our first stop will be "Confections for Any Occasion by Joel". Joel will arrange a tour for us when we arrive. He has a very interesting store and lunch area. There is a new gift store next door for your shopping pleasure. Issy's Place is a nearby bar that has great food for lunch if you wish. Widmer's Cheese Cellars (since 1922) has a store a block off of Main Street.

Tours of the Juneau Homestead will be available starting at 1:00 p.m. Solomon Juneau established a trading post in 1818 which became the origination of Milwaukee. He was the first postmaster and the first president of the Village of Milwaukee. In 1848 he was elected the first mayor of the City of Milwaukee.

We will end our trip at the Fox & Hounds Restaurant for refreshments in the lower level in the back. You may stay for dinner on your own. There is a 2 for 1 pricing meal special starting at 4:00 p.m. It is a good idea to make a reservation for dinner in advance.

*Here's hoping for a Colorful and Sunny day!!!!!!!!!!!!*

Taken from the cover of the Allen Bradley magazine.

# REMINISCING WITH THE HISTORIAN

## COVER STORY

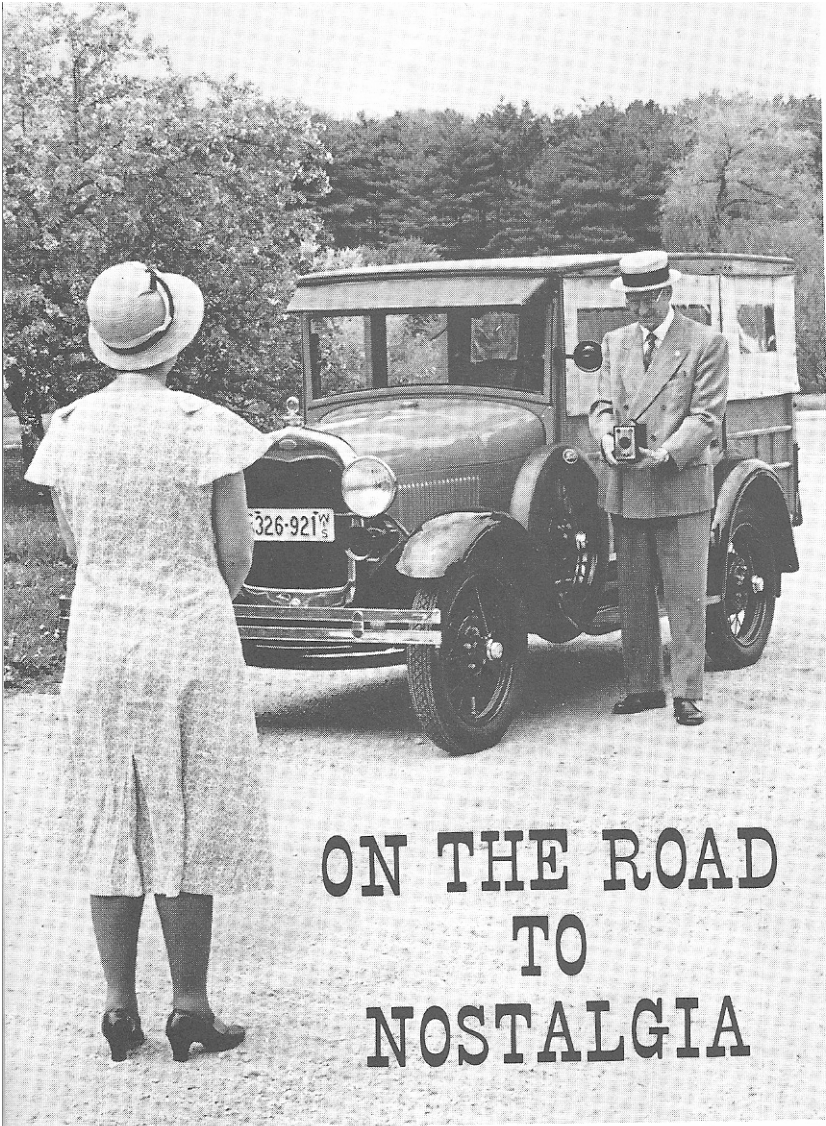

Our cover and the accompanying pictures feature Dennis Pierce, a project engineer in Department 875, his wife Marjorie and their 1929 Model A Ford station wagon on an outing in Milwaukee's Whitnall Park.

"We enjoy driving the Model A; it's a great family hobby," said Pierce, a five-year Allen-Bradley employee.

Pierce has been a collector of Model A's since he bought his first one in 1964 on the advice of a friend. He sold that car in 1966, when he bought the station wagon. Since then he's added a 1929 Ford Roadster and a Ford Phaeton of the same vintage year.

Pierce's Model A, one of the first station wagon models to be mass produced in the United States, still has the original wood of its body intact. Its 45-year old, four cylinder, 40 horsepower engine propels the car at speeds up to 55 miles per hour (an ideal clip in today's fuel-tight times). The Model A gets 18 miles to the gallon.

Pierce and his wife have driven the car (much to the delight of passers-by) as far as Texas to attend Model A owners' conventions. And no such convention is complete without period costumes. Over the years the Pierces have acquired a collection of outfits dating back to the 1930's. Her dresses and his suits have taken a number of first place awards in national Model A Club competitions.

**Model A Ford Club of America – Wisconsin Chapter**  
Board of Directors Meeting Minutes – July 16, 2011

In attendance: Mike Quam, Dave Boucher, Dave Huenink, Paul Piotrowski, Gene Taurman, Mike Clinin, Neil Besougloff  
Absent: Steve Lewis, Mike Yokofich

The meeting was called to order at 7:00 p.m. by Mike Quam.

President- Mike Quam – Welcomed us – nothing to report.

Vice President – Dave Boucher –We have two new members that joined the club this month. Gene T. made a motion to approve these members and Neil B. seconded. Voted on and approved. A suggestion was made to review the national roster to see which members do not belong to either of the local Model A clubs. A letter will be composed and sent out to those national members in an effort to see if they would like to belong to our club as well. Hopefully, this will help to boost our membership.

Secretary – Dave Huenink – The May minutes were reviewed. A motion by Dave B. to accept the minutes as read and Paul P. seconded. Voted on and approved. The June minutes were reviewed. Paul made a motion to accept the minutes as read and Mike Q. seconded. Voted on and approved. We have two new members this month bringing our membership to 271. Mike Q. had some correspondence; Larry Loffredo from New York won the car being auctioned in the MAFFI raffle; Ford Fest in Waupaca was mentioned as an upcoming event; A letter was read from Superior A's regarding the 2012 national convention in Marquette Michigan and they are soliciting a prize donation for the raffle. The board will be thinking of ideas for this request. The MARC National convention will be in Oshkosh in 2012. We also received reciprocal newsletters from various Model A clubs.

Treasurer's report – Paul Piotrowski – Paul gave the treasurer's report. A motion was made by Dave B. to approve and seconded by Gene T. Voted on by the board and approved. No bills were turned in. Dave B. turned in dues checks for two new members. Also, money was turned in for the sale of three banners.

Outdoor – Gene Taurman –The annual picnic was discussed.

After discussion, Mike will follow up with Cheryl Prochnow with regard to her questions. It was asked how many have signed up for the September 25<sup>th</sup> Turn back time tour. To date only 4 couples or 8 people have signed up. The tour has a maximum 18 people who can attend the wagon ride. Of course, the museum, car tour and pizza party can be attended by all.

Indoor - Mike Yokofich- no report

Technical – Neil Besougloff – The October and November technical topics have been determined. The topics are Rebuild Front Ends and Mount and Balance New Tires With New Tubes. We are looking for topic suggestions for January, February and March technical seminars.

Accessories – Mike Clinnin – Several of the banners have been sold.

Awards and Sunshine – Steve Lewis – Ken Rohde's mother, Dolores Rohdes passed away. Marge Pierce went into the hospital for tests. Joyce Churchill had shoulder surgery.

Old business – The possible donation from our group to the VA was briefly discussed. The size of the board was discussed. The group also discussed possibly meeting on a different night during the week. Nothing decided on either topic. CD disks were given to the treasurer and secretary to update their stored records. The swap meet was discussed regarding obtaining detailed records of the event as part of our club records.

New Business – A letter was read from Carl Doro regarding the candy being thrown in the streets during the parade events. His concern was that children were running out in front of our cars to get the candy. We will be advising parade officials.

Paul made the motion to adjourn and Dave H seconded. Meeting adjourned at 8:14 p.m.

WI Chapter Secretary

## **PRESIDENTS NOTES:**

Welcome to the tropics or a scorching session of Wisconsin summer, I hope everyone gets through the heat with no problems. Thanks to all that participated in our clubs July 4<sup>th</sup> parades. I was in the New Berlin parade carrying WWII POWS. We made it about half way through the parade and the heat got to the car, we vapor locked and the car quit. We were very fortunate 4 good Samaritans came out of the crowd and pushed the car through the rest of the parade. I parked at the end of the parade route packed ice around the carburetor for about 15 minutes and the car started and ran fine.

Once again I was at the Lola Swap Meet/Car Show, lots of nice cars as usual and lots of parts in the swap area. If you've never attended its worth seeing.

We are quickly approaching our club picnic if you haven't signed up please call our host and sign up it helps with the planning. We still have room for our September 25<sup>th</sup> tour so please sign up if you're interested in going. Thanks to the Taurmans for the July tour, we were not able to attend but I'm sure it was another good one despite the heat. Thanks again to all past hosts and all that are hosting in the future.

September is right around the so that means the nominations for board of directors will open then and run through the December indoor meet. Please consider supporting your club and run for the board. We have 3 people leaving the board so we will need at least 3 candidates. If you're interested please sign up early so we can get your bio in the newsletter.

Well that's it for another month remember if you have any questions you can contact me or any board member and we will do our best to answer it as soon as we can. - Mike
