From The President

Welcome to another month and welcome to our new board of directors members Mike Clinnin, Neil Besougloff and Mike Yokofich. Thank you to our outgoing members Bob Davisson, Roger Olsen and Sue Quam. There is a list of our new board members and their positions in the inside cover of this issue of Wheeling The A. Since we had no interest in any of the volunteer positions they will remain the same for another year. Thank you to all those volunteers for their continued service to our club. Remember to use all of the resources available from the club, if you don't know what's available check in the newsletter / roster or ask someone at a meeting or activity.

Thanks to the many members that have already stepped forward and set up some great events for the upcoming season. We have an almost full calendar already in January! Please try to attend these events as they are always a great time. By the time you get this newsletter our annual banquet will be behind us and I'm sure it will have been another successful one. Thank you to Marty & JoLene Janssen for hosting the banquet.

As I write this its snowing heavily and it's hard to believe that our first car event / tour is only 84 days away. I hope the snow and winter weather is far behind us at that time. I guess I can always look on the bright side, our cities take care of the roads quickly around here. My brother lives outside of Atlanta and his city was paralyzed for a week because of snow and ice and no equipment to handle it. It's really hard to believe that only hours away from us, the weather we're so used to, can devastate other areas of the country.

If you're a Packer fan this is really a great time, let's hope by the time you read this we're all making plans for super bowl parties. One last thing, for those of you that haven't heard Sue and I are now grandparents, we had a beautiful granddaughter born on Jan. 3rd (see sunshine report for details). It sure is a joy to be a grandparent, I already told her she can learn to drive stick shift in the Model A. That's all for now....

Mike Quam

Movie Rental

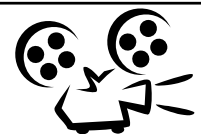

It's finally winter and time to do your homework, or you'll have to go to summer school. (Learn about your Model A and how our club works) For a short time only (the next 12 months) you can get 2 for 1!

Just a deposit of \$10.00 gets you not one, but 2 of our club's DVD's or VHS version tape.

Check out the available topics in the back of our club roster.

Limit of 4 at one time.

So hurry for the best selection. **During the months of February, March and April. Contact Laura Smith for all your video rental needs. 262 391-6744.**

Reminiscing with the Historian

FIFTY YEARS AGO, 1960 - An indoor meet was held at Tyrolean Town House on Highway 100. After enjoying a movie, a form was distributed to everyone to come up with a name for our newsletter.

FORTY-FIVE YEARS AGO, 1965 - A Christmas party was held at Hubbard Lodge on Morris Blvd. A puppet show was presented for the children and Santa passed out gifts.

FORTY YEARS AGO, 1970 - Chuck and Marie Hickling hosted the Christmas party, held at Aloysius Hall. Santa handed out presents to the children.

THIRTY-FIVE YEARS AGO, 1975 - The Camelot Room at Bowlord on Burleigh St. was the setting for the Christmas party. A magician entertained the children. A brake rebuilding seminar was held at Avenue Brake Shop.

THIRTY YEARS AGO, 1980 - Marilyn Bartel played the accordion and everyone sang along at the Christmas party, held at the Red Carpet Lanes. There was also a puppet show and Santa.

TWENTY-FIVE YEARS AGO, 1985 - The Christmas party was held at Gonzaga Hall.

TWENTY YEARS AGO, 1990 - At Gonzaga Hall, Otto Last helped make the Christmas party enjoyable for all.

FIFTEEN YEARS AGO, 1995 - Dan and Joyce Staehle and Barb and Ray Wevers hosted the Christmas Party at St. Aloysius.

TEN YEARS AGO, 2000 - We were entertained by the "Fabulous Fend" and Santa at the Christmas party. The children brought in pictures of their pets and family members for the craft corner.

FIVE YEARS AGO, 2005 - Mike and Sue Quam and Tony and Karlene Sillman hosted the Christmas party. Some new features this year were the white elephant gift exchange and special guest Oopslaw, who entertained us with her stories and activities.

Looking in the Rearview Mirror

The custard social on January 9 was a success and very well attended. The Packer playoff game didn't keep people away and it appeared all in attendance enjoyed the delicious Leon's custard donated by Ron & Eleanor Schnieder. The club appreciates their generous donation again this year.

Thank you to all the people who worked in the kitchen setting up, serving, and cleaning up. We couldn't have done it without you!

The 1970s theme was a hit, with some members dressing the part, which provided even extra fun.

Members brought in their pictures from the 70s which were judged in two categories, "Best" and "Worst". A total of 44 pictures were in the contest with many more entries in the "Best" category, so lots of folks must have had good memories of that era. Cheryl Prochnow assembled wonderful prizes, lava lamps with coupons for Leons's Custard for first place winners and baskets filled with era candies, die cast Gremlins, a Pacer & a Pinto (thanks to Mark Ackermann), clever 70s memorabilia, and Leon's gift certificates for other place winners. It was fun looking back at everyone's lives in those pictures. The winners are listed below:

Dennis Wagner

"Best"

1. Paul Piotrowski
2. Jeff Bezotte
3. Dennis Wagner
4. Gene Engel

"Worst"

1. Art Blazek
2. Chuck Morgan

Children's activities included making pet rocks which were entered into a drawing for a memorabilia basket. Winners were Olivia Yokofich and Alexia Powell.

Era decorations and trivia on the tables were enjoyed by members. The entertainment for the day was a dance duo performing the "Hustle", a dance well known from the movie "Saturday Night Fever". Vicki Neuenschwander and Mark Haberle demonstrated dances from the 1970s backward to the 1940s showing how the dances evolved.

The committee would like to thank everyone who helped in all capacities, including Deb and Steve Lewis, indoor chairpersons who helped us make it all happen.

The committee would also like to say "thank you" to each other:

Mark says thanks to Cheryl and Sally

Cheryl says thanks to Sally and Mark

Sally says thanks to Cheryl and Mark.....It was fun !
