From Madam President....

Happy Holidays to all!!! Tis the season for the hustle and bustle this month brings to most. I am grateful for the warm temps and no snow so far, but I know many others can't wait to play in that frosty white stuff. The cooler temps mean our meetings have moved indoor. Our first indoor meet of the season was our pizza party and I am grateful to Dave and Linda Huenink for organizing that event. The pizza was delicious and the puzzles they brought were rather tricky. Quite a few were in attendance and it was great to see everyone again all in one place.

Our indoor event this month is our most popular, the Christmas party. I have heard Karen Schmiechen and Ellen Kind have some nice things planned. I look forward to seeing all the children dressed up in their finest for that special someone we are hoping will stop by for a visit. He hasn't let us down yet... I hope to see everyone there.

We are still in search of members willing to try their hand at being on the board. We need to fill two positions this year. Most positions require very little time each month. I personally feel it is an honor and a privilege to be a member of the board. I am doing this to make sure the club continues its existence for many years to come. I have met so many new people by taking on a position. It is definitely worth your time. So if you were contemplating, now is the time to come forth and let us know. Nominations close at the end of the December general meeting.

Our annual banquet plans are all in place thanks to the Boucher's. "Think Spring!" and register for this splendid winter event. New place, new food! It is nice to change things up. Comedy Sportz is the entertainment and if you have not seen them get ready for some fun. You will laugh!!

Lastly remember, dues are due! December 31st is the deadline to make it into the roster. If I don't see you at the Christmas party, I wish you a happy New Year too!!

Ahooga!
Deb

Help Wanted

After several years helping out on the Winter Swap Meet committee as Advertising Chairman, I will be retiring after this year. I am looking for someone to work with me this year and take over this position. The job is not hard and does not require a lot of time. The work is spread out over almost four months. This would also be a great opportunity for the club to get some new ideas to promote the Swap Meet. If interested let any board member know. If you have any questions feel free to contact me.

Thanks,

These minutes have not yet been approved by the membership.

We are still in need of people to become board members and we still need someone to step up and take over the swap meet advertising for the 2019 swap meet. Dave Boucher has indicated he is willing to work with someone **now**, to train them, for the 2018 swap meet so they are ready to go for the 2019 swap meet.

We still need volunteers to host a 2018 outdoor event. **To host an outdoor event or for questions - call or email me at 262-544-5005, Robert_06@att.net**

Many hands make for little work!

In celebration of the 60th anniversary of the Wisconsin Chapter of MAFCA, our November winner of the \$60 gift card drawing was Jeana Angelini. You have only one more chance to win the \$60 gift card, but you can't win if you don't participate in the upcoming indoor meet.

SUNSHINE REPORT..... NOVEMBER

'A' Trip Back to 1966

Board members for 1966: President – Jack Gunderson , Vice President – Alan Egelseer, Secretary – Betty Campbell, Treasurer – Jim Cerny.

Some of the events for 1966:

Jan – We had 60 members and wives attend our January 29th banquet. The cost was \$3.00/person. There was a bar open for the purchase of cocktails from 6:30 – 7:00. From 7:00 – 8:30 a delicious buffet dinner was served. Presentation of new officers followed dinner and there were gifts for all attendees. In addition, we had free beer and soda, music and dancing until the wee hours – all for three bucks!! The banquet was held at the Black Steer restaurant.

Feb – indoor meet at Stanton Hall. We had a 16mm sound and color movie from the Ford Motor Company entitled “The American Road”, a story of the evolution of the automobile. Free refreshments were served after the business meeting.

March – our annual dance at Kuglitches Hall. Tickets were \$1.50 per person. Everyone was invited. There was free beer, music and many door prizes. Our coordinator for this activity was Fred Fischer. Everyone seemed to enjoy last year’s music so we had the same band back again. A profit of \$90 was made from the dance.

April 23, a gloomy, overcast day was met head-on by nine members of our model ‘A’ club, eight members of the model ‘T’ club and various other fords as we paraded for the grand opening of Northwestern Ford. We had a police escort as we paraded through Whitefish Bay and the Bay Shore shopping center to Northwestern Ford where we enjoyed coffee and bakery. Mr. Rohrback of Northwestern Ford invited all of us and our families to Howard Johnson’s for lunch.

May – your Wisconsin Chapter MAFCA club’s appearance on the “Sports Club” TV show on channel 4, WTMJ is between 11:30 and 11:55. Jack Grundman and Larry Koser will be the spokesmen for the club. Weather permitting we will have multiple ‘A’s in the parking lot to be televised. If the weather does not cooperate we will have Larry’s roadster inside the studio for televising.

Sept – Burlington Trophy meet, this is the largest trophy meet in Wisconsin. Entrance fee is \$1.50. Judging begins at 1:00 with 16 trophies in 5 classes plus 5 plaques to be awarded. Also, a costume contest and bingo for the ladies. Hot dogs and soda will be available for purchase.

Nov - the bowling party was hosted by Frank and Virg Nagorski. Cost was \$2.25/person includes three games of bowling. Everyone had a great time and there were many door prizes handed out throughout the evening. There was an excellent lunch served - hot beef and ham, raw beef, relishes, chips, cake and coffee, which really hit the spot! A total of 78 members and guests attended. Virg Cerny celebrated her birthday and Frank Nagorski brought out his accordion and played “Happy Birthday” for her.

New Members in 1966 include: William D’Argostino, Brian Adam, Robert/Shirley Henke, Ron/Lois Knies, Carroll/Wyona Lindsey, Donald/Ernestine Severson, Howard/Joyce Brand, A. T. Peters, Carl/Dorothy Messer, David McDonald, Williard Schulteis, Donald Conard, Thomas Widule, Wally/Elsie Wall, Robert Harkins, Dennis/Marjorie Pierce, Ronald Aude, Paul/Helen Moller, Thomas/Mary Hartnell, Raymond/Lena Phiel, Robert/Doris Fox, Gary/Carol Zehren, Aaron Tilton, Walter Kroening, Peter/Mary Ann Voss.

Motor vehicles were first required to be registered in Wisconsin in 1905. The fee at the time was \$2 for the life of the car. The owner was assigned a number and he made his own “license plate”. These usually consisted of an old board with the numbers painted or nailed on, or leather or metal made in the same manner. In 1909 fees went to \$2 annually and the first plate was actually issued by the state. In these early days it was the Secretary of State’s office which processed and issued license plates. Fees were raised in 1911 to \$5 a year and this was the first year that the actual year was shown on the plate. In 1917 fees went to \$10 a year and in 1924 fees were based on the weight of the vehicle with fees going higher as the weight increased. The “weight” fees were adjusted in 1933 (when heavy cars paid as much as \$48) and fees remained the same until August 1, 1947 when the \$16 flat fee was established. “Except vehicles that were registered at a lower fee will remain at a lower fee.” This is why model ‘A’s had some lower fees. The 1965 legislature increased fees from \$16 to \$18 (all cars and most truck fees went up \$2) effective with the January ‘66 renewals. Model ‘A’s will be \$11.75, \$12.50, or \$18 when relicensed in 1966.

Please be sure our mailings to you include your zip code – if not contact us with your correct zip code. We want to be sure that our roster contains all member’s addresses and their correct zip codes. The Post Office has stated that zip codes will soon be mandatory on all mailings.

PAST EVENTS...

2017 Veterans Parade

Land of the Free because of the brave

Five brave Model A drivers came to show support for our veterans. The weather, to say the least was a miserable windy rainy day. When we got to Miss Katie's Diner, Bob Schaefer and his brother were there and soon after Dave Rozman showed up. Mike Yokofich was in route and would meet us at the staging area as did Ed Krug and Bob Lumley. Donna and I would like to thank these members for participating in this year's parade in spite of the weather. It appeared that the weather kept the crowd down a bit this year. But there are always Veterans at roadside glad to see the parade and that we care. Again thanks to all who made up this year's parade.

-Dave & Donna Boucher

PAST EVENTS...

November Indoor Meeting

Our indoor meeting season started November 12, 2017 and it was kicked off with a pizza party. Members enjoyed a late lunch of pizza and good conversation after the November meeting. A mind teaser game was played which resulted in a gift certificate going to one of the members. It was a great opportunity to see those club members we have not seen since our last indoor meeting in March.

PAST EVENTS...

Waukesha Christmas Parade

On November 19th, 2017, 3 families, along with 3 Model A's, attended the Waukesha Christmas parade. The weather was sunny but a little brisk, as we drove through the streets of downtown Waukesha in the parade. The streets overflowed with spectators looking at all the exhibits in the parade and enjoyed seeing our beautiful cars, which were decorated with Christmas decorations. Each year we add more and more Christmas decorations to our cars to make them more festive. Linda, Morgan the wonder dog, and I would like to thank Bob and Karen Schmiechen and Chris and Kate Rozman and their family for joining us in this year's parade.

Thanks
Dave and Linda Huenink
