

Wheeling the "A,"

The official newsletter of The Wisconsin Chapter Model "A" Ford Club of America

VOL LII

ISSUE 1

CIRCULATION 313

JANUARY 2011

Santa and Mrs. Clause were joined by special guest elf John, son of Jean & Nancy Azevedo

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

WASHINGTON COUNTY FAIR GROUNDS
3000 COUNTY HIGHWAY PV - WEST BEND, WI 53095

Volunteer

Let us know the time you will come to help our 46th Annual Swap be A success!
Some of the jobs available are:

Mark vendor spaces starting at midnight until done

Checking vendors in at the outside gate starting at 4:30 a.m. until 12:00 noon
(If 8 people volunteered . . . we could have 4 - 2 hour shifts)

Security . . . watching entrances/exits in both buildings
Need coverage from 4:30 a.m. until about 1:00 p.m.

Help vendors unload vehicles in both buildings from 4:30 a.m. - 7:00 a.m.
(20 - 30 people would be great)

Ticket sales 7:30 a.m. - 1:30 p.m.

Put wristbands on spectators 7:30 a.m. - 1:30 p.m.

Wristband checkers at entrance to floor 7:30 a.m. - 1:30 p.m.

Clean up 2:00 p.m. - done

Contact Roger & Jan Olsen 262-554-7058 to sign up.

March 13, 2011 Indoor Model "A" Meeting

Where: St. Aloysius Church
When: March 13, 2011 (Sunday)
Time: 1:30 p.m.

Activities

Planned: UGLY SWEATER CONTEST and bring your favorite salad day.

The fun starts at 1:30 p.m. and will include a bring your favorite salad day. It can be either home-made or store-bought. Choose your favorite salad to share with others such as; one made with fruit, salad greens, pasta or potatoes.

If anyone is interested in providing sweet treats, we would like a couple of members to contribute some no/low sugar desserts to accompany our salads and to help out some of our diabetic members. There will be no judging of the salads or sweet treats.

UGLY SWEATER CONTEST: We are looking for our members to wear their ugliest sweater. There will be a grand prize for a man's ugly sweater and a woman's ugly sweater. So, dig deep in your closets and drawers and pick an ugly one to share a few laughs and maybe win the grand prize.

This will be the last indoor meeting before our season starts and we look forward to a great turnout and some good laughs.....

Your hosts,
Dennis and Lynn Wagner

From The President

Hello again,

By the time you read this the holidays will be behind us already. Where does the time go? I hope everybody had a safe and healthy holiday season. I'm already looking forward to spring and my list of projects for next year is starting to fill quickly.

The club's next event is our custard social and election. The board decided at our last meeting to not close nominations in December as usual, but keep it open up to the January meeting. In 5 months we have not had anybody step forward to help steer the club into the future. This is a little surprising and disheartening to me, that a club with 290 members which comes to about 580 people has nobody interested in helping to keep our club moving forward. I know the club will weather this storm and if we downsize our board we will get along fine, but please think about the future, we can't do this again next year, three people just will not work. I know our everyday lives can get pretty busy and if you can't help out this year please keep next year in mind. We will need help on the board next year or we are going to face some very difficult and challenging decisions for the future of this club.

We've got some good events coming up; the annual banquet, era trivia, an ugly sweater contest and the swap meet. I always look forward to the swap meet, it's always a kick start to gearing up for the next season. I look forward to the future and seeing everybody at our events so keep watching the newsletter's advanced timing and I hope to see you at the next meeting.

Remember if you need a ticket for the MAFFI raffle see me at a meeting.

Mike

Cold Weather Hints To Fordowners

Gasoline vaporizes much more slowly in cold weather and this is the main reason a motor is hard to start in winter.

1. If you have trouble starting try this:
 - (a) Open carburetor adjustment on dash by turning to the left about $\frac{1}{2}$ turn.
 - (b) Before turning on ignition switch, pull out "priming" or choke wire and turn motor over a few times.
 - (c) Then turn on ignition switch, turn motor over and it will start.
 - (d) When motor is warm, turn carburetor adjustment back to original position.

In extremely cold weather it may be necessary to open the carburetor adjustment as much as 2 or 3 times before starting.

2. Keep your battery well charged. The greater the charge the more cold it will stand.
3. Use alcohol or non-freezing solution in your radiator when the temperature is below freezing. Remember without it your radiator may freeze even with the motor running.
4. Change cylinder oil more frequently (every 500 miles) as gasoline condensation is greater in cold weather, and this destroys the lubricating quality of your cylinder oil.

MINUTES FROM MEMBERSHIP MEETING DECEMBER 12, 2010

Present: Mike Quam, Gene Taurman, Sue Quam, Paul Piotrowski, Dave Boucher, Steve Leis, Roger Olsen, Bob Davisson, and Dave Huenink.

President Quam called the meeting to order at 1:30 p.m. Meeting opened with the Pledge of Allegiance.

Vice President - Gene Taurman: Report of one new member this month, they are Jeff & Lori Burnett of Caledonia. This year we received 27 new members.

Secretary - Sue Quam: Minutes from last month's meeting were accepted as written with a motion made by Carrie Frank and seconded by Dennis Wacker. Currently have 290 members.

Treasurer - Paul Piotrowski: The treasurer's report was gone over. Bills were submitted for payment. A motion by Ron Smith and seconded by Carl Doro to pay the bills.

Outdoor Meet Coordinator - Dave Boucher: 4 months until the start up tour. Dave has an idea for the Memorial Day over night trip. It would be in the Fond du Lac area. By a show of hands people were interested in the trip.

Indoor Meet Coordinator - Steve Lewis: Reminder to send in your banquet reservation to the Janssens.

Technical Meet Coordinator - Roger Olsen: January's seminar is on installing seat belts into your Model A. February is working on a differential.

Club Accessories - Bob Davisson: Things are out on the table for sale. Direct sales of clothing can be done with the form in the Wheeling the A.

Sunshine and Awards - Dave Huenink: Dan Kane is back in the hospital.

Old Business: The swap meet is coming along well, many spots are filled. The 2011 swap meet will have wrist bands. Workers will wear the same colors as vendors. Talk about which weekend to have the swap meet to avoid the other swap meet that takes place in Illinois. Flyers for the 2011 swap meet are available, see Roger or Jan Olsen.

Dave Boucher gave an update on the donations we made to the veterans. 3 vets were given gift cards to various stores. A lady veteran in New Berlin who is suffering from a brain tumor, a male veteran in Eagle, WI whose house was damaged in the tornado, and a male veteran of the Air Force, who has MS. All veterans were very appreciative for the gift cards Dave Boucher & Paul Piotrowski took them.

The board of directors has decided to leave the nominations open for three board of directors positions until the January meeting.

New Business:

Mike Quam reported that a club member had ask him to bring to the board the idea of doing away with door prizes. The board has decided this should be a decision of the members. Discussion followed. It was suggested that we have gift cards, rather than actual items. After some discussion and voting, on whether we wanted door prizes or not, it came down to 24 wanting door prizes and 9 not, a motion was made by Jim Kummer and seconded by Ron Smith to change the format of the door prizes to gift cards. Vote came to a majority agreeing on gift cards. It will be kept to 3 adults gift cards and three for kids.

Motion to adjourn made by Ron Smith and seconded by Bob Schaefer. 2:00 p.m.

Submitted by,
Sue Quam
WI Chapter MAFCA Secretary

REMINISCING WITH THE HISTORIAN

FIFTY-FIVE YEARS AGO, 1956 - The club did not exist until April, 1956.

FIFTY YEARS AGO, 1961 - The annual election was held at the club headquarters on Greenfield Avenue.

FORTY-FIVE YEARS AGO, 1966 - The banquet was held at the Black Steer Restaurant on Highway 100 and Greenfield. "Wheeling the A" was selected to be the official name of our newsletter.

FORTY YEARS AGO, 1971 - Election of officers was held at Cassidy's on 63rd and Bluemound.

THIRTY-FIVE YEARS AGO, 1976 - A transmission seminar was held at Avenue Brake Shop. Dave and Judy Kusner hosted the banquet at Clifford's in Hales Corners.

THIRTY YEARS AGO, 1981 - A shoe box swap meet was held at the indoor meeting. The banquet was held at Manning's Restaurant on 76th St. Beau and Cherly Lowerr hosted this event.

TWENTY-FIVE YEARS AGO, 1986 - The topic of the indoor seminar was replacing Model A roofs. Klemmer's Williamsburg Inn was the setting for the banquet.

TWENTY YEARS AGO, 1991 - The banquet was held at the Sheridan Mayfair. The Ford V-8 Club and our club held a seminar on removing old paint from engines and body parts.

FIFTEEN YEARS AGO, 1996 - There was an ice cream social and elections at St. Aloysius. The banquet was hosted by Jack and Mae Staehle and Dan Kane at Christy's.

TEN YEARS AGO, 2001 - Jackie and June Mazos hosted the ice cream social. A technical seminar was hosted by Roger Olson to do repairs on a Shriner's Model A parade car, donated by Carl Weckwerth.

FIVE YEARS AGO, 2006 - The ice cream social was hosted by Jacklyn Mazos. The technical seminar was on roadside repairs. The banquet was at Olympia Resort in Oconomowoc, hosted by Roger and Jan Olson and Mike and Sandy Yokofich.

Submitted by Art and Sue Blazek

Automatic Battery Charger/Maintainer

While attending the Automotive Aftermarket Parts Expo in Las Vegas we found the Battery Doctor. While battery chargers and maintainers have been around for sometime finding one that is dual voltage was unique. This compact and inexpensive Battery Doctor is switchable from 6 volt to 12 volt. So a hobbyist has the ability to move the charger from his Model A to his snowmobile during the off seasons. This is convenient and cost effective, plus you only have one charger to keep track of.

The Model A Times picked up a unit at a local Grainger for about \$44. The unit comes with cables for clip-on and ring connectors for hard wiring the unit. This really is an excellent product for the Model A owner who may have additional batteries to maintain but in 12 volt rather than 6 volt requiring you to buy two chargers.

One thing to take note of, there was a seal over the 6-12 volt switch with the warning that removing the seal indicates the owner knows enough to switch the unit from 6 to 12 and back when hooking up the charger. So this unit is not automatic, the owner has to be aware of their cars voltage when connecting the charger.

We opted to use the permanent wiring on the installation for the roadster. This attaches a set of wires to the battery terminal that contain a fuse. We ran the wires out to the engine compartment and clipped them to the frame. Now when the car is not being used the Battery Doctor is easily connected. When the car is being used the other set of cables can be attached to the Battery Doctor, making it useable as either a 6 or 12 bolt charger a very nice touch.

Installing the Interior in "A" Model A Tudor November Tech Seminar

Our Tudor was cleaned out and ready to have A new interior installed when our volunteers arrived at Mail Truck Model A Parts Co. The new interior parts were sealed in the packages just the way they came from the manufacturer. As we began to open the back corner piece of the packages at the start of the seminar, we learned a very important lesson . . . never assume!

We quickly found out the material and cardboard were separate pieces and not glued together. Then we noticed there was no spray glue included in the package to glue the pieces together. One of our Model A'ers went over to Ace Hardware to pick up what we needed and came back so we could get our parts assembled and installed.

We learned you need to open up all packages before you start working on the interior and check to see you have everything you need. Remember, Tony and Al at Mail Truck Model A are always ready and willing to help you with any problems. So, you know who to call when you're in trouble.

We Had A Great Evening Working on A Model A With Great People!

Repair What Needs To Be Repaired In A Model A Differential

Looking in the Rearview Mirror

On Sunday November 21, 4 cars braved the threatening weather to drive in the 48th annual Waukesha Christmas Parade. As it would have it, the weather remained in our favor again this year with only wet pavement and a few rain drops not worth mentioning. The temperature was 50ish. The lights were abundant on the displays this year and with a lot of holiday music. The streets were packed with spectators overflowing into the street. We festively decorated our cars with Christmas decor to fit the theme of "twinkle, sparkle and shine".

Those in attendance were: Dave and Donna Boucher, Dennis Wagner and his daughter Kelly, Dave Huenink and Linda Huenink, Mary Faile and Morgan the wonder dog sporting his red holiday sweater.

Thanks to those who attended and those who sponsored us this year: S/S Research (car repair) and Walworth County Security and Alarm.

Dave & Linda Huenink

Looking in the Rearview Mirror

MODEL "A" CHRISTMAS PARTY

Thanks to all 28 families who braved the frigid weather to celebrate the holiday's with all their Model A friends. During the membership meeting all kids were invited to decorate their own gingerbread house. It was a tasty project and the kids seemed to really enjoy themselves.

Following the meeting, door prizes were drawn. Twenty lucky families had their choice of a beautiful poinsettia plant or a 2011 Model A calendar. Afterward amongst tunes of the holidays, a smorgasbord of tasty treats were sampled by all. Thank you to everyone who brought in food to share.

And just when things were quieting down Santa and the Mrs. popped in. They had gifts for all the children. Thanks to Santa's helper, Sally Kaufman, for helping him get just what the children wanted. It was fun to see them all playing with their toys afterward.

Eddie Schultz graciously became the master of ceremonies in the white elephant gift exchange. He assured all gifts were distributed and all played fair. He did an excellent job and we appreciate his assistance. There was plenty of trading going on with fun had by all.

Thank you to everyone who extended their hand to help out setting-up, registering guests, setting-up the gingerbread house spread and cleaning it all up when it was over. Steve and I are very grateful for all the help.

Happy Holidays!
Deb and Steve Lewis

Looks as though Santa is questioning KJ Peltz

Working hard on gingerbread houses.

**WISCONSIN CHAPTER - MODEL A FORD CLUB OF AMERICA
EMBROIDERED MAFCA LOGO ACCESSORIES ORDER FORM**
