## Notes from the President for July

Steve and I had the pleasure of attending the club's annual Memorial Day Weekend event this year. Jan Olsen and the Gapkos put together a truly memorable event. Mother Nature even behaved for us, though she threatened us with her power several times. I thoroughly enjoyed our visit to Larsen's Clydesdales especially seeing their youngest addition. The Lambeau Field and Hall of Fame tours were extremely interesting, educational and unforgettable. Another event that was outstanding was the Fox River boat tour. I highly recommend this tour to anyone visiting the area as it is a family-owned business that you could tell was a true labor of love. I am hoping to book a dinner cruise with them in the fall. The evenings were fun in the hospitality suite sharing stories of the day's events and challenging each other to several games. It was a great group who all appeared to have a wonderful time.

I heard several members from the club attended the Sharon Model A Day event. Again, thanks to Bob and Karen Schmiechen for offering their home as a meeting place for anyone interested.

There are several area parades coming up for Independence Day. Be sure to show off your beauty at one of the local parades. Dave and Linda Huenink are participating in the Greendale Parade. You may want to consider joining them for this annual event. The UW Marching band will be there as well which will make it an extra special event. Give

Hueninks a call if you are interested in joining them.

The Wisconsin Rapids Reunion is July 26-28th. Please remember to pre-register for that event as well. Another fun weekend packed full of events – car games, tour, kids and adult games, corn roast, Hubley races, Sock Hop/dance, auction and lots more. You can camp or hotel it, either way you are bound to have a blast.

Our annual picnic is in August and Mark Ackermann is hosting this year. Remember to pre-register for this one as well. Same place in Sussex as last year; food, corn, games-please join us!!

Remember the season goes fast. Please make time to attend any or all the events we have planned. I hope to see you out there soon.

Ahooga!!  
Deb

# Village of Greendale, 4<sup>th</sup> of July Parade

**Date:** Thursday, July 4<sup>th</sup> 2019

**Time:** 9:00 – 9:15 a.m. line up,  
10:00 a.m. start time

Join Dave & Linda Huenink, in the Village of Greendale, 4<sup>th</sup> of July Parade. The parade route is gorgeous and full of people. This year there will be special appearance in the parade by the Badger Band. Of the 150 members, 30 will be participating in this event. After the parade, they will put on a performance in downtown Greendale and we have been invited to attend by the organizers of the parade. U.S. News and World Reports continually ranks the University of Madison's School of Music in the Top 25 in the Nation and their talent will be present when you hear them play. We will meet at the southwest corner of the Southridge (near Macy's) parking lot and proceed together, as a group, to the staging area on eastbound Grange Ave. Bring some patriotic 4<sup>th</sup> of July decorations along to put on your car to celebrate the 4<sup>th</sup> of July holiday. We will also have some refreshments for the group while we wait. Consider participating in this parade!! It's fun and downhill all the way. Planning on attending? Give us a call with any questions or to confirm.

Thanks Dave and Linda 262-719-1056

**Tour Date: October 6, 2019**

**Destination: Animal Acres Llama's**

Join Dave & Linda Huenink on October 6<sup>th</sup>, 2019, for a tour to Animal Acres Llama's.

We will drive through the countryside and the Kettle Moraine Forest, enjoying its fall colors on our way to Animal Acres Llama's. Once we arrive, our group will be educated on Llama's and, I have been told on good authority, we'll have a demonstration on Llama agility. (Llama's going over jumps, through hoops, and other obstacles). From there, we will continue driving through the Kettle Moraine Forest, with a possible stop or two along the way, ending up at Town Park in Eagle where we will have time to socialize. Snacks and refreshments will be provided. Our tour is a little earlier in October this year, so I am anticipating we will miss the interesting weather we had on our tour last year. Rumor has it the Model T club may also be joining us on our tour.

We will meet at McDonalds in Big Bend at S71, W23460 National Ave. (National Avenue and Hwy 164) between 10:15 a.m. and 10:30 a.m. There will be a pre-departure meeting, where maps and directions will be passed out and questions will be answered. Departure will be at 10:45 sharp. Bring along a chair.

Please RSVP to Dave & Linda by September 30<sup>th</sup>, 2019, if you plan to attend. We can be reached at 262-719-1056. We look forward to seeing everyone.

Dave & Linda Huenink

## Jim's Tech Tip

### Installing the Horn Rod

When installing the small C-clip on the end of the horn rod, use an old wooden yardstick or something similar up at the steering wheel end to hold the horn button down. Slip the yardstick under the wheel on one side, go over the horn button, then gently flex the yardstick and slip the end under the steering wheel on the opposite side. The yardstick will hold the rod down while you work at the other end, pushing up on the spider against the spring, and inserting the C-clip keeper.

## Wisconsin Chapter 2019 Memorial Overnighter

Our band of hearty Model A'ers started towards Green Bay on a dark and dreary morning. We stopped for lunch while the rain came down at Culver's in Waupun. We continued driving between the drops to our next destination. Thankfully, the rain stopped by the time we got to Larson's Clydesdale's in Ripon.

Mrs. Larson gave a very informative talk about Clydesdale's. Mr. Larson demonstrated harnessing a Clydesdale as he got him ready to perform for us. We walked over to the show ring where Joey (the Clydesdale) demonstrated his championship manner as he proudly went through his paces. It was interesting to see Joey change his paces with a minimum of human help. After the show, we met the new baby Clydesdale's in the barn where they were eagerly drinking their mid afternoon milk.

We continued onward under cloudy skies to Hotel J in Green Bay. Most of us went to Famous Dave's for supper. Then we can back and had a relaxing evening.

Saturday found us beginning our day with a guided tour of Lambeau Field from top to bottom and all points in between. At the end of our tour we adjourned to 1919 Kitchen and Tap in the Lambeau Atrium where we were served a delicious lunch. We finished our Lambeau Day touring the Green Bay Packer Hall of Fame on our own.

Sunday found us ready to go for a 1-1/2 hour cruise in the River Thyme on the Fox River. We were lucky to have a beautiful afternoon with perfect weather for a leisurely cruise on the Fox River.

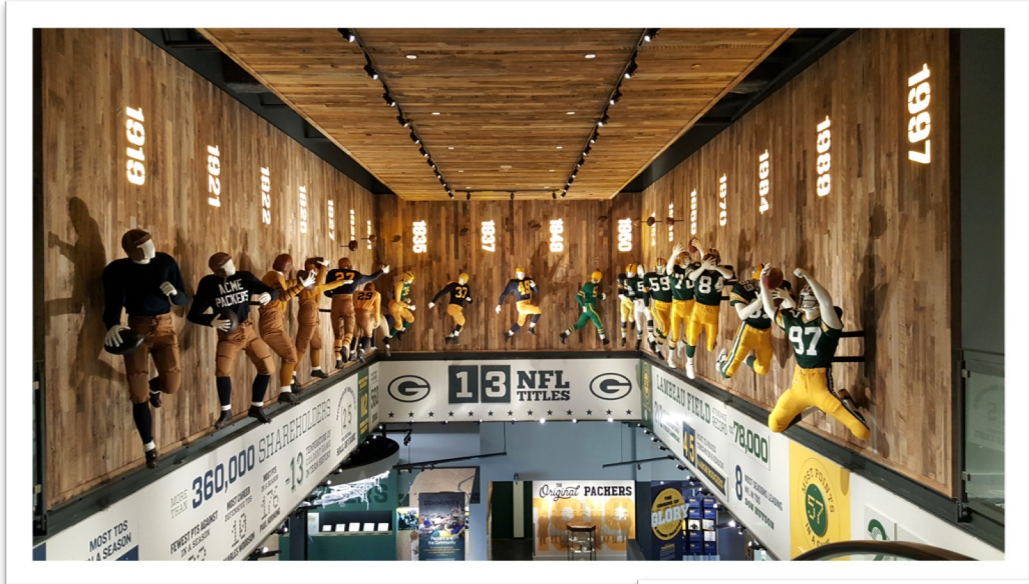

We enjoyed a banquet Sunday evening at Green Bay Distillery. Then back to the Hospitality Room to end the evening.

Monday found some of us ready to leave early to get ahead of the anticipated storm. Other brave A'ers decided to tour the Green Bay Railroad Museum before starting their return trip.

While we had rain coming and going, Saturday and Sunday were sunny and warm in Green Bay. And best of all, due to the efforts of Ele, we were able to chose a route with little or no construction or traffic!

Now is the time to plan for your Memorial 2020 Overnighter. Where would YOU like to go?
