AN AFTERNOON WITH THE PONIES JULY 17TH

What sport started 2000 years ago in Persia and is still being played today in our own backyard? Polo, of course! Enjoy an afternoon at the Milwaukee Polo Club field to see for yourself this exciting and competitive, yet gentlemanly, game. It will be fun for the whole family – bring the kids to stomp divots at halftime and pet the horses after the match.

We will set up our chairs right where we park our cars. Those of you with limited mobility have no walking or stairs to worry about. The Model A's have use of a shaded canopy if the sun gets too hot. This is a bring-your-own-lunch affair. There are no concessions for sale at the field.

In case of rain, we will send out a group e-mail informing you about cancellation or re-scheduling. You can also call the Polo Hotline (262) 222-2880 to see if the game has been cancelled.

11:15 a.m. Leave from McDonald's on the corner of Hwys. VV and 164 in Sussex.

11:45 a.m. Arrive at polo grounds located between Merton & North Lake Tailgating lunch beer, soda, and water will be provided by our club. President of polo club will teach us about polo and horses.

1:00 p.m. Start of polo match between Milwaukee Polo Club and Blackberg Ranch from Minneapolis

2:45 p.m. Completion of match and presentation of trophy

1899 Horsey Horseless Carriage

The Horsey Horseless Carriage, the invention of inventor Uriah Smith of Battle Creek, Mich., was intended to soothe the skittish nerves of our equine servants. A wooden horse head was attached to the front of the chuffing buggy in order to make it resemble a horse and carriage (Smith recommended the horse head be hollow to contain volatile fuel — another great idea). "The live horse would be thinking of another horse," said Smith, "and before he could discover his error and see that he had been fooled, the strange carriage would be passed."

ACCESSORIES

Jewelry

A. Pocket watches and wrist watches similar to these shown were sold all four years of our Era. Styles seemed to stay the same. The right pocket watch shown had a white-gold or green-rolled gold-plated case. It was an extra thin model and was attached to a Waldemar chain. This style often had a very fancy monogrammed case.

Also shown is a plain-cased watch of quindecagon shape, attached by a leather braided strap to a silver penknife. Sometimes a flat leather strap was used. Fobs were often attached to the chain or strap commemorating an event. Sometimes charms were put on the chains. *Sears, F&W, 1930, pp. 420, 421.*

Wrist watches and bands were shown in many styles. A variety is shown here. They were made of nickel, yellow gold or white gold. There were many styles of bands. One was a flat metal band that expanded at the fastening. Some had luminous dials. A *Sears* catalog of 1931 shows a calendar watch on which the date changed automatically. These examples are from *Sears, F&W, 1930-1931, p. 419*, with the exception of the one with the large link wristband. This was from *Marshall Field, 1930-1931, p. 58.*

MAFCA - January 1994

Looking Back in the rearview mirror.....

Memorial Day Overnighter to Door County

On Friday morning, May 27th the Wisconsin Chapter of MAFCA left for the Memorial Day weekend in the beautiful and exciting Door County peninsula. The tour was lead by Gene and Betsy Taurman in one group and Dennis and Anne Wacker in another. Roger and Jan Olson lead a group directly to Door County.

Model A'ers met for a break and hospitality at Mark and Debbie Zimmers business in Sheboygan. The group then continued on to Green Bay for lunch where we joined the group. From there the group drove to The Automobile Gallery in Green Bay where we were graciously greeted by the owner, Wm. Red Lewis and his Executive Director Mary Beth Leopold. After a short presentation given by Mary Beth about the Gallery, it's beginnings, educational programs, and exhibits, we were able to view Red's collection of beautiful cars. Many makes and models from classics to hot rods. It is a gorgeous facility that was once a Cadillac dealership located at 400 South Adams Street. A must see gallery for all car buffs.

Continuing on from Green Bay we motored to the motel in Sister Bay. That evening the club members were treated to snacks, beverages, sandwiches, pasta salad and a "cherry dessert". Saturday was a tour up to Gills Rock and to the tip of the peninsula. After lunch, club members were on their own to explore the various sights in Door County. Sunday there was a car show in Sister Bay, albeit, a little rain on and off. Some members took a trolley ride through the county or did their own exploring. Later Sunday afternoon a member of our Cherryland A's Club, Art Dietrich, took the whole gang on a tour through Peninsula Park and then we headed south to the banquet. A delicious dinner was served including, of course a "cherry dessert". On Monday morning the group departed Door County for home. Both Carol and I enjoyed planning the weekend and visiting with our friends. We hope all had a great time.

Mike and Carol Mazurkiewicz

Our Memorial Day Weekend Tour

By Marilyn Brojanac

We started off on Friday morning with the sun shining and soon it started raining as we drove to our lunch stop. It rained so hard that puddles sitting on the road were large enough to splash water on an engine and cause a car to quit running. If you had to get out of the car to dry something off you would get wet from head to toe in a heartbeat. No it wasn't us. We made it to our stop and met up with our tour leaders.

After lunch we visited a wonderful car museum in Green Bay that was in an old Cadillac dealership. Then on to Door County. Sturgeon Bay had road construction and one of the bridges was closed, so traffic was, well if I say backed up that would be an understatement.

Dinner was served, and if anyone knows Carol, you know she always goes way beyond what you or I would do. Pasta salad, chips and sandwiches that you needed two hands to hold, and home made cherry crisp for dessert.

Saturday we were shown around Door County by Mike and Carol as they know all the good spots. Dinner was on your own. Sunday we had breakfast in the complex were Carol works and we were all treated like special guests. Then we took a trolley ride and were shown and told a lot about Door County we had never heard about before. After the trolley it was back to the motel to have one of the Cherry Land "A" members drive us through Peninsula State Park, then off to the banquet. Mike and Carol gave a truly heartfelt thank you (we love you too Carol) for driving up by them. We had a wonderful meal with great people. The weekend went by so fast! A big thank you to, Gene and Betsy Taurman, Dennis and Anne Wacker for leading the 2 groups, Mark and Deb Zimmer for the sweet rolls and coffee and "pit stop" and of course our wonderful Door County hosts Mike and Carol.

The car is in "ready to go" condition: new battery, new oil, checked fluid levels for steering-transmission-rear end. Inspected lighting and replaced a few lightbulbs. Rebuilt the carburetor, drained, cleaned and refilled the gas tank. Removed brake drums, inspected shoes-drums-brake rods, etc. Adjusted and tested brakes. Spark plugs removed, cleaned, adjusted and reinserted. It does start quickly and drives nicely. Asking \$13,500 or best offer. Any questions, please contact Jordon Beller (630) 816-1932 or e-mail b1932@hotmail.com.
