8000 COWS IN ONE PLACE Come see Rosendale Dairy THE MILK SOURCE

You have all seen a cow, a family farm with a small herd and even a dairy farm with several hundred cows. But have you seen a dairy farm that milks 8,000 cows per day? A farm so big they have to move silage with a bulldozer, the cows even ride a merry go round three times per day. Imagine the problem disposing of manure.

We'll come with us, to Rosendale Dairy and see first-hand how they cope with these enormous challenges. Regardless we will have beautiful Wisconsin country ride. We plan to leave Crossroads restaurant at 11:00 a.m. and drive to Horicon for a lunch, provided by the club then continue on to Rosendale for a gas stop then on the farm. After the tour which will last 90 minutes we will drive to Scoop DeVille in Hartford for ice cream or something cold. There are three other refreshment sources open within a block.

Date and time: July 20th at 11:00 a.m.

Start point: Crossroads Restaurant - 3025 Hubertus Rd., Hubertus, WI

Lunch: Ginger's for sandwich and salad provide by the club. Drinks are on your own.

Rosendale: Gas and Potty break

Destination: Rosendale Farm -THE MILK SOURCE

End Tour: Arrive 5:15 p.m. at Scoop DeVille in Hartford ice cream or whatever. Buy your own

INVITATION TO BLUESFEST

The Waukesha Rotary Club

Friday, August 8 and Saturday, August 9

You are invited to attend either day or both days. Two tickets will be provided free for each day you attend with your Model A. We would like you to arrive between 12:30 p.m. and 1:30 p.m. Please stay until 6:30 p.m., but you are welcome to stay until closing at 10:30 p.m. if you wish. The event is held at Nagawicka Park in Delafield located on Highway 83 about one mile North of I-94. For those who attended last year, parking will be in the same area.

Go to www.waukeshabluesfest.com for information about the event. The last couple years we had members attend on Friday and Saturday with a few attending both days. **If you wish to attend on Friday contact Stan Larson, 262-251-1655 or weslpnt@aol.com and if on Saturday contact Art Blazek, 261-538-4474 or ablazek@wi.rr.com.**

The "A's" were a great attraction and the event committee thanks those who attended last year. The club members enjoyed the attention and questions from many visitors. A great attraction!!

Annual Picnic - August 24th

Come out for a fun picnic on Sunday, August 24th at 11:00 a.m. This year's picnic is being held at Hickory Lane Park in Jackson, WI. There are a lot of fun things to look forward to at this location!

Weather permitting there is a sprinkle park for kids 0-10 years old, so bring extra clothes for the munchkins to change into. There is also a large playground that is near the shelter, so kids can play while their family can still see them easily.

For the adults there is volleyball and we'll have some other fun activities including a "do you know your fellow Model A-er's" trivia game. This year's food will include; brats, corn, burgers, hotdogs and of course sides!

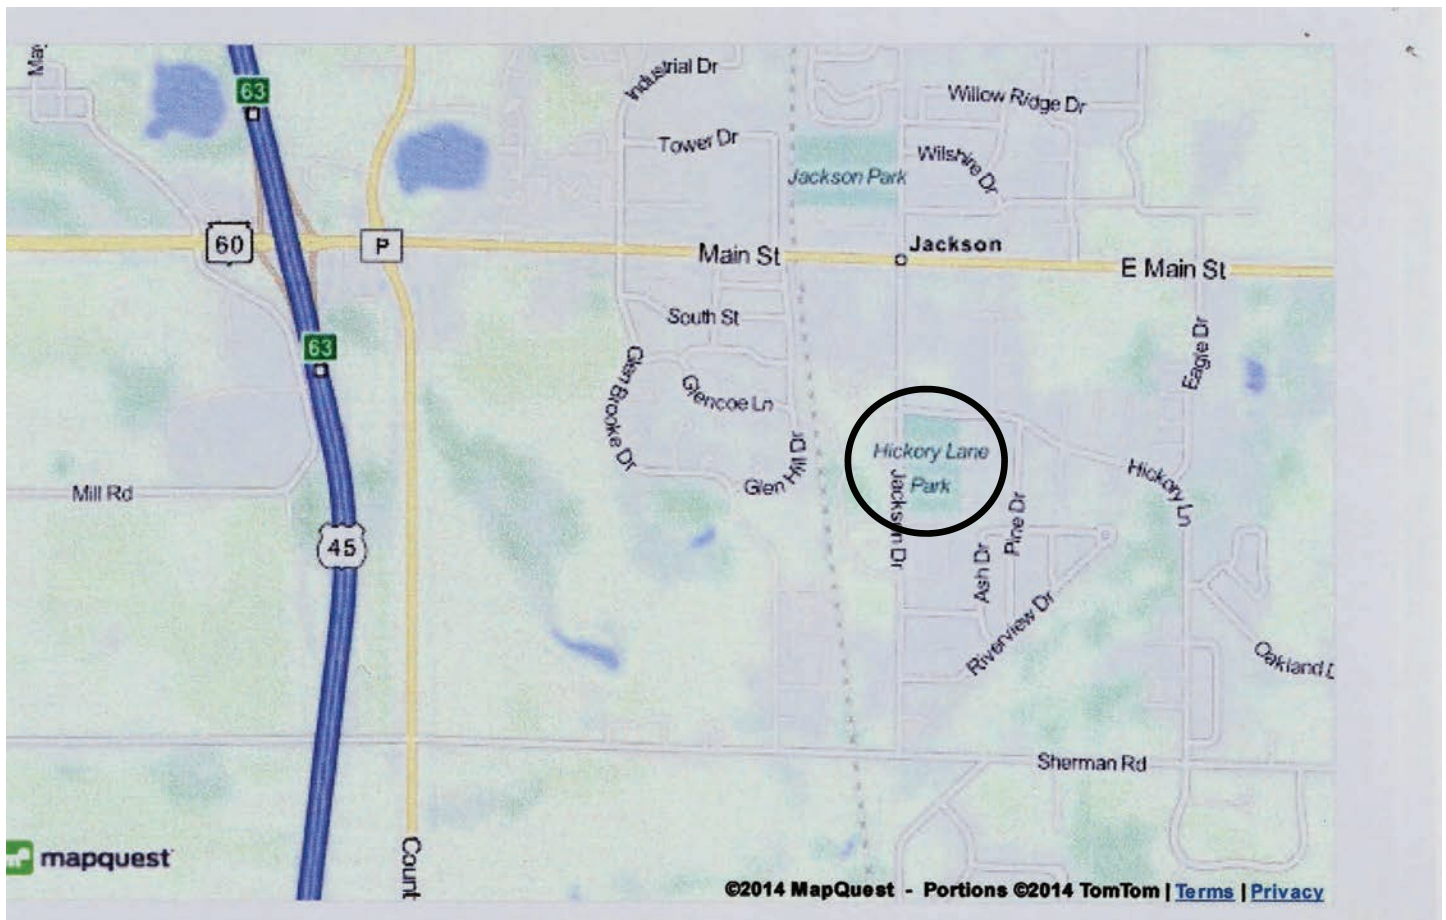

Please RSVP online at this site: <http://goo.gl/8fKJes>

Or call hosts Kate & Chris Rozman @ 262-993-8293

Remember club members are free and guests are \$10.00 - you can mail your checks to:

OLD WORD WISCONSIN on Saturday September 13th, 2014

Return to Wisconsin of the late 19th century when waves of European immigrants came to American's heartland in hopes of a better life. Discover what life was really like working and living in late 19th century in the upper midwest. Journey back to the past at Old World Wisconsin and see a vivid re-creation of a working farmstead and settlement established by European immigrants. Discover teams of oxen and horses working in the fields, the farm folk preparing meals over a wood burning stove and the heirloom plants in well tended gardens. Come see the 1870 tools in action including the blacksmith, show maker and general store keeper.

Besides touring the grounds you will have an opportunity, if you want, to see a baseball game between the Eagle Diamonds and Chicago Salmons using 1860 rules. The game starts at 1:30 p.m. so you will have some time prior to tour the grounds. There will be free trams available for those who want to ride from settlement to settlement.

We will meet as a group at McDonalds at Hwy ES and Hwy 164 in Big Bend at 9:45 a.m.

We will then leave at 10:00 a.m. for a tour through the country side arriving at Old World at 11:00 a.m.

Old World Wisconsin
W372 S9727 Hwy 67
Eagle, Wisconsin 53119

Please RSVP to Dave or Linda by August 27th if you plan on attending.

We can be reached at 262-378-4216.

Snacks and refreshments will be served later in the afternoon.

A' Trip Back to July 1986

By Bob & Karen Schmiechen

Well, since last month I wrote about June 1986 and included the upcoming World Meet in July 1986 (*which I knew nothing about*), I thought this month I would spend a little time on the World Meet – maybe you were fortunate enough to be involved. The amount of volunteer effort was incredible (*and I realize that other clubs were involved*).

Convention Chairman: Gary Koser

Finance Chairman: Dennis Pierce

Subcommittees: Accounting, Computer

Secretary: Karl Buckenberger

Outdoor Activities Chairman: Dick Lardinois

Subcommittees: Bus Tours, Car Display, Car Parking, Signs, First Aid, Shuttle, Car Games, Car Tours, Security, Swap Meet, Exhibits, Sightseeing Tours

Indoor Activities Chairman: Grace Koser

Subcommittees: Babysitting, Breakfasts, Decorations, Entertainment, Judge's Dinner, Printing, Seminars, Welcome Party, Banquet, Dance, Door Prizes, Goodie Bags, Plaques, Registration, Teen Activities

Continued on next page.....

Continued from page 9:

Publicity Chairman: Jim Kummer

Subcommittees: Advertising, Miss Model 'A' Contest, Photography, Public Relations, Souvenir Programs, Press Relations, National Magazine Coordination

Judging Chairman:

Subcommittees: Car Judging, Trophies, Fashion Judging, Ribbons

You can see from the subcommittees the number and variety of activities that were held.

The news media included coverage by the Milwaukee Sentinel (*back when there were two Milwaukee papers*) on Monday July 7th, and an article with pictures in the Journal also appeared that night along with another photo spread on July 10th in the Journal. Television coverage included Chicago channel 7, Madison channel 15, and Milwaukee channel 6 with John Drilling (channel 6 news) riding in Jerry Manning's Cabriolet, with the camera man in the rumble seat.

There were over 1,115 families registered (161 from Wisconsin) with over 3,000 people in attendance that loved model A's. The staff at the Americana served 1,300 people at the awards banquet in a facility designed for 1,200 and the food was superb!

It sounds like it was an incredible event. I can't imagine that many A's in one place. I'm in 'A' heaven when we go to Sharon and see 200 – 250 cars in one place!

The entertainment at the banquet was hysterical – including Carl Wussow's slide show and a South African visitor, Neil O' Hagen's impression of a Russian Troglidite by the name of Sergei Sonafovitch. A Troglidite is a short person wearing a large black hat, has a face which resembles the chest of a full size man with a mouth looking amazingly like a navel. (*you get the picture*).

Incredible stories – a Model 'A' was destroyed when the trailer it was riding on let loose and rolled over twice. One 'A' wasn't running well, and to add insult to injury the owner's wife tripped on the running board and broke her leg, spending several days in the hospital. Bill Mitchell from Oregon threw a wheel in the Montana mountains. A group of four model 'A's stopped in to say "hi" on their way to Newfoundland.

The 1986 World Meet – 42 months of planning, 6 days of enjoyment, and years of memories. *Note: if anyone is interested, I have 4 binders on the 1986 World Meet, including 3 binders of just planning for the event. They can be borrowed as long as they are returned.*

Notes from the President.....

Hello everyone,

Welcome to another month of Wheeling the A. I hope you have been able to attend some of our outdoor events, as they have been great.

This months tour to the large dairy should be very interesting. Sue grew up on a dairy farm, but nothing like the size of the Rosendale dairy. She and I have both milked cows before so to see this large operation should be fun.

Please remember to sign up for the picnic so our hosts can get everything in order on their end. We also need you to reply to tour hosts Dave & Linda Huenink for the September tour to Old World Wisconsin by August 27th so they can finish their planning.

Please see page 5 for the new contact people for the Bluesfest. Thanks to those that stepped forward to fill in for the Jannsens. We have been doing great in this club and there are no issues or problems to report.

Thanks again to all the volunteers in the club that do so much work for us it really helps to keep us running smoothly.

-Mike

**Model A Ford Club of America – Wisconsin Chapter
Board Meeting June 7th, 2014**

Board Members Present: Steve Lewis, Dave Huenink, Dave Boucher, Neil Besougloff, and Paul Piotrowski

Absent: Mike Quam

Steve called the meeting to order at 7:00 p.m.

President – Steve in Mike's Absence- We received the newsletters from the reciprocating clubs.

Vice President – Steve – There are no new members this month. A discussion was held about having additional copies of "Wheeling the A" printed for new members. It was decided to print copies off of our web site as needed.

Secretary – Dave H. – There was no correction or changes to the minutes from the June 7th, 2014 board of directors meeting. A motion was made by Steve and seconded by Dave B. to accept the minutes as written. The motion was put to a vote and it carried. We have 250 members as of this meeting.

Treasurer – Paul – Paul presented his financial report. A motion was made by Dave B. and seconded by Dave H. to accept the treasurer's report. The motion was put to a vote and it carried. Membership dues were paid by a member and turned in. A bill turned in by Dave H. A motion was made by Dave B. and seconded by Paul to accept the bill. The motion was put to a vote and it carried. A discussion was held regarding a replacement for Paul when he retires as treasurer from the board at the end of his term this year. No one has expressed an interest in this position thus far.

Outdoor – Neil – A review was held of the outside events for the year. A host is still being sought for the October tour. The Early V8 club has invited our club to do a tour with them to the Hartford car museum, date to be determined.

Indoor – Dave B. – All of the indoor events have hosts. Also the entertainment has been booked for the banquet in January.

Old Business – A discussion was held regarding our annual donation. We will be donating \$500.00 towards the construction of a skate board park in Hart Park in Wauwatosa. With this donation comes a brick which will bear the club's name.

New Business – A discussion was held regarding the dollar amount used to purchase flowers or give as a donation for a club member's death or illness. It was decided to change the amount from \$35.00 to \$50.00.

Dave B. made a motion to adjourn meeting and was seconded by Neil. The motion was put to a vote and it carried. The meeting was adjourned.

Respectfully submitted,

Dave Huenink

5244. The new prints are most attractive and no girl's wardrobe is complete without a goodly assortment of them.

5175. This georgette frock with low neck, short sleeves and flying ribbon bows may be worn for afternoon as well as parties.

5299. Rayon voile in a delicate shade was used for this little frock. The jabot collar gives an air of fluffiness with its streamers at the back.

5304. Here we have an ensemble for the junior girl, a fashion that promises much, for it gives variety.

May Tour

Yea!!! We had a beautiful warm day for A cruise "down south" on Racine and Walworth county roads! People joined us from "up north" (of the Milwaukee/Racine county line) for A great ride on Wisconsin roads.

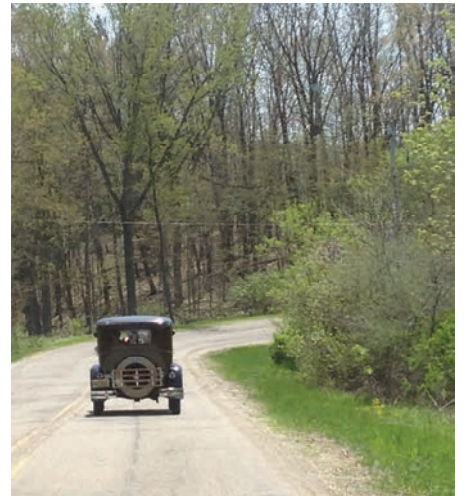

Many started their tour by deciding which delicious item to pick from Gus's menu in East Troy. It was mandatory for most people to have that melt-in-your-mouth custard to finish off the meal properly.

Our travels took us down several rustic roads and many of the squiggly, wiggly, bumpy, lumpy (Milwaukee calls them pot-holes) roads. We believe all enjoyed the blessed change to be out and about driving with NO SNOW OR ICE on Wisconsin roads.

There were eighteen Model A's, two Mustangs, and five modern iron joining us on our tour. We were happy to see a total of 44 adults, 1 teenager, and Morgan the Wonder Dog to complete our group.

Our tour ended at Y.M.C.A. Camp MacLean in Burlington where we were served a delicious assortment of food and beverages in their rustic lodge. Thanks to all who joined us on our cruise "down south".

Memorial Day Overnighter Tour

8 cars started out on a bright sunny morning and 10-15 minutes later 9 other club cars joined us. We took beautiful back roads into Mt Horeb, where we had lunch and met up with cars from Door County and Waupaca. After lunch half of the group went to Cave of the Mounds and the others went on to Mineral Point to check into our motel. As we were signing in, the Model A contingent from Sheboygan showed up. We were on our own to do a little sight seeing and have dinner.

Sunday morning a group of us went to House on the Rock. Others had their own plans and would meet up with us later. I have to say that if you haven't been to the House within 15-20 years, take a trip back and wear comfortable walking shoes. A tour that we thought would take maybe 3 hours turned into a 5-6 hours tour. Afterwards it was back to the motel to clean up and change clothes before it was time to leave for our traditional overnight banquet which was held at the Dodge Point Country club. The owner herself does all the cooking and even helps to serve.

We were talking with Bob and Marsha Heinrich, who were sitting with us, about their wedding 18 years ago and the mock wedding the club held for them. The owner was standing next to us and asked Marsha if it was their anniversary. Marsha answered yes, the owner quickly left the room and came back with bottles of champagne and glasses enough for everyone at the banquet. A gift from Dodge Point Country Club. After eating and toasting the anniversary couple, door prizes were given out. Every couple won a door prize and there was a special prize a free night stay at our motel, won by Deb and Mark Zimmer. The food was great but the company was even better.

Monday morning people didn't seem as happy as they were Saturday morning, I guess it was knowing the weekend was over or maybe it was the thought of a couple that was missed, Jim and Marlene Stegner. Jim was hospitalized the day before the overnight trip, he is doing fine now but, they were both missed very much.

We want to thank all the people that joined us and hope that you had a great time. Lorraine and I would like to thank Marlene for all the work she did in planning this trip, without her taking charge, there would not have been an overnighter. For all the thank you's we received, "you are very welcome!"

-Lorraine Schultz, Marlene Stegner and Marilyn Brojanac

P.S. from Marilyn to Karen Sukkert we missed you too.

Model A Day 2014 At Sharon, Wisconsin Is In The History Books

Sunday, June 1, the 18th annual Model A Day at little Sharon, Wisconsin dawned bright and sunny with temperatures later in the low eighties.

The "Official" chapter attendance count was 26 people in 11 A's plus a couple of modern cars. We are not aware of any break downs nor significant glitches with Henry's Ladies. The unofficial tally of total A's in attendance was estimated at 225. This figure was consistent with the participation of the last two years. A peak of over 300 A's was reached about six years ago. Thunder storms were forecast for later in the day which may have deterred some folks from making the trip.

After registering their Fords and receiving a program and a dash plaque, people spent the day looking at all the A's on display. Having homemade pie and ice cream at the Community Center, browsing the sidewalk arts and crafts sales, eating brats and hamburgers. Standing in line at the ever popular ice cream shop for a giant ice cream cone and enjoying the entertainment in the intersection of Baldwin and Plain Streets. Live music was heard all day long from the gazebo in the little veteran's park where the food tent was located.

Chapter members Dave Boucher and Mike Brojanac manned vendor spaces in the flea market/swap meet area along North Street. The swap meet is always a popular feature of the day's activities.

One auto on display from the Chicago area received a lot of attention and it was not a Model A..... It was a 1907 Franklin in absolute pristine condition. (see next page for information and picture)

A few A's started leaving about 1:00 p.m. as the skies were darkening. Most of the return trip was made in light to moderate rain showers. Chapter members didn't return home as a group, most of us left singly or in pairs. Everyone enjoyed the day and its activities. We're already looking forward to next year.

The Franklin Automobile Company manufactured cars between 1902 and 1934 in Syracuse, New York. The company developed and powered their cars with a very successful air cooled engine.

Throughout the company's life, Franklin was a premium brand and competed with other up-scale automobiles of the day. However, it fell victim to the Great Depression along with many other luxury auto manufacturers. Franklin sold about 150,000 cars over the course of their 30 years in business.
