Rapids Memorial Plaques

The Wisconsin Rapids Model A Reunion Planning Committee is making a memorial plaque, listing the members of participating clubs who have passed away. The person must have attended the Wisconsin Rapids Reunion event to have their name on the plaque. This plaque will be on the grounds of the Model A reunion. We are looking for the names of those who have attended the Wisconsin Rapids Model A reunion and have passed away. We need their name, the club they belonged to and year of death. Only one club can be listed due to space restrictions, so for those who belonged to more than one club, one will have to be chosen. Please forward your information to Dave Huenink at oldfordcoupe@wi.rr.com.

FOR ANYONE INTERESTED, I RECEIVED THIS INFORMATION (AT RIGHT) in the mail from a lady who was tired of not finding Model A Fabric, so she designed her own and it's now for sale. The fabric is 100% cotton, 45 inches wide and sold by yard increments. The swatch she sent along is very nice, in texture and colors.

From The President

As we enter the last half of May, the weather is finally warming up along with our touring season. We just finished our second tour and it was another winner! The tour of Forest Home Cemetery was very interesting and informative. I had no idea of all the interesting people in our area's past and the family connections. We've got a lot of great tours ahead of us yet, so try to make it to them as the event is always as much fun as the camaraderie after. As we tour this season, please remember to fill your gas tank before the tour, it makes for a better day for all.

At the end of each month report your Model A driving mileage to Dave Boucher so he can report it to MAFCA for the million mile challenge, remember its not a contest and only report to one club. I have the MAFFI raffle tickets for anyone that wants a chance to win a Model A, just contact me for tickets. Our club picnic will be here soon. We need you to sign in with a family count and your dish to pass, contact Dave Boucher for information.

As I close this month's column remember September isn't that far off so here's a little reminder. If you have ever wanted to run for the board or do a volunteer position start to think about it now and throw your name in the running in the fall. Thanks for listening and I'll see you at a tour. Have a great month.

Mike Quam

REMINISCING WITH THE HISTORIAN

FIFTY YEARS AGO, 1960 - No information available.

FORTY-FIVE YEARS AGO, 1965 - Nine club members participated in a 165-mile round trip to Rio, Wisconsin. Rio was celebrating its centennial anniversary. There were over 100 antique autos registered for the parade.

FORTY YEARS AGO, 1970 - A tour took the club to the Experimental Aircraft Museum in Franklin. We also took a trip to Lake Mills to be in a parade celebrating Town and Country Days.

THIRTY-FIVE YEARS AGO, 1975 - There was an indoor car show at Brookfield Square on Fathers' Day weekend. The show was arranged by Wes Campbell. Marilyn Brojanac hosted an overnight tour to Sandwich, Illinois, where we joined others showing cars and antique farm equipment and machinery in the Sandwich Auto Show.

THIRTY YEARS AGO, 1980 - A week-long tour along the Mississippi was enjoyed by our club members. We took in some beautiful sights along the way and ended the tour in Wisconsin Dells.

TWENTY-FIVE YEARS AGO, 1985 - The first event this month was a hill climb at the new Sunburst Ski Lodge in West Bend. There is no information on who won. The second event was an impromptu tour to Oconomowoc, where we enjoyed the Olympia Polo match.

TWENTY YEARS AGO, 1990 - Tony Sillman and Ed Bannach hosted a Model A rummage tour. The event began in Greenfield and ended in Franklin. Fourteen Model A's participated.

Wisconsin Chapter, Inc. MAFCA Technical Seminar
Model "A" Trouble Shooting - Saturday, April 17, 2010

Our last Technical Seminar was on a beautiful sunny day at Mail Truck Model A Parts Company in Oak Creek. Our trouble shooters looked for problems you might encounter as you drive along and how to fix them on the road.

We looked at a Model A Tudor which is being readied to receive a new wood kit. We talked about the procedure to put a wood kit in the top of a Model A Tudor. Our new member, Pat Leggett, came down to join the ladies having their own seminar as the men worked on cars.

We are working on topics for our 2010 - 2011 fall-winter technical seminar schedule. So far we are planning to do carburetors and rebuilding distributors. Let me know if you have any ideas for us.

Whether you drive an "A" or modern iron . . . plan to attend the fun events our outdoor chairman and his hosts have planned for this year!! AND, remember to record your "A" miles for the MAFCA Million Mile Challenge and get them to Dave Boucher!

Forest Home Cemetery Historical Tour **Sunday, May 16th**

The weather certainly cooperated on this day, sunny and just plain comfortable! The tour began at Culver's in Hales Corners with our first stop at Forest Home Cemetery, the focal point of the afternoon.

First, we had the pleasure of viewing the beautiful Chapel and Halls of History. Club participants then enjoyed the very informative and humorous delivery of our historical tour guide, Paul Haubrich. Paul covered everything from Milwaukee's beer barons and industrialists to the first gunsmith. Paul even went so far as to call the Blatz Mausoleum the "joint up on the hill"! In addition, he described the meaning behind certain headstones and where they are placed at the grave site.

After a short question and answer period, we motored via the City of Milwaukee, West Allis and Brookfield streets to the Charcoal Grill where snacks and refreshments were served. We hope everyone enjoyed the surprisingly entertaining afternoon!

Chuck, Kris, Pat, Joy and I would like to thank the following for participating in this fun filled historical event!
