Model A Day Sunday, June 5, 2022

Plan to celebrate the 25th Anniversary of Model A Days in Sharon, Wisconsin, on Sunday, June 5th. Free admission is available to all who attend or participate in the show from 9:00 a.m. - 2:00 p.m. Only Model A parking is allowed in the downtown area, so you may want to arrive earlier than the scheduled 9:00 a.m. start time. Modern vehicles are welcome but park on side streets of Sharon.

Just to be different, this year we are offering A Mystery Tour as we travel back towards our respective homes.

In the market for an A

Welcome! We hope to see you at our events this summer.
Memberships were approved at the May 15 Board Meeting.

Village of Greendale, 4th of July Parade

Date: Monday, July 4th 2022

Time: 8:30 a.m. meet at Southridge on the south side by Macy's

Parade start time: 9:30 a.m.

Join Dave Huenink, in the Village of Greendale, 4th of July Parade. The parade route is gorgeous, lined with trees and full of people. We will meet at the southwest corner of the Southridge Mall (near Macy's) parking lot at 8:30 a.m. We will proceed together, as a group, to the staging area on east-bound Grange Ave. Be sure to bring some patriotic 4th of July decorations along to put on your car to celebrate the holiday. There will also be some refreshments for the group while we wait. Consider participating in this parade!! After the parade, feel free to attend the Greendale Family 4th Fest. The festival will have Amusement Rides —a Carnival — Festival Games, Craft Wine and Beer Tent and Festival Food. Planning on attending? Give me a call with any questions or to confirm.

Thanks Dave 262-719-1056

4th of July Parade In Bulter

So, you have your "A" all gussied up for the Greendale Parade at 9am,
are you looking for another chance to show off your pride and joy?

Or

you want to sleep in and would like to participate in a parade later on the 4th?

We Have the Parade for You!

The Butler WI Parade is starts at 2:00 p.m. and lasts less than an hour.

**We would meet at the Ace Hardware store at
N48W13530 Hampton Rd,
Menomonee Falls, WI 53051
At 12:30 p.m. and travel together to
127th and Arden Place in Bulter at 1:00 p.m.
Parade kicks off at 2pm!**

If you would like to participate, email Chris and Cheryl Milbauer at chrismilb@att.net or call Chris at 414-750-2740. We would like to get at least 4 "A"s together, MORE would be great! We are also considering meeting for an early lunch at 11:00 a.m. close to the Ace Hardware prior to the parade, let us know what you think!

Please consider participating!

A quick update on the Model A Reunion

The Sunday Raffle this year was to be a 50/50 drawing. Because of the feedback that we have received from the participants, this has been changed back to the usual Raffle, with a \$50 item for a men's prize, \$50 item for a women's prize and a \$25 item for a kid's prize. Each club needs to donate \$125 to this, cash prizes work the best.

The Reunion Setup and Grounds Cleanup Day is scheduled for Sunday, July 24th, starting at 8:30 AM, running until they are finished. In prior years, they finished early in the afternoon. The more hands, the quicker it will go.

If you have not sent in your Reunion pre-registration form yet, please do ASAP. Not only does this save you \$5 off your Reunion fees, it also helps us plan this event out, saving us all money.

For participants that motel, remember that the Rapids Area is a busy place, and rooms can go fast. Call and make your motel reservations as soon as you can.

You can save \$5 if you pre-register. The registration form is on the web site at the top of this article. You must be a registered participant to partake in any Award Issuing events at the Reunion.

For any questions or more details, see the Reunion web site or contact the Reunion at wirapidsmodela@gmail.com.

Model A Ford Club of America – Wisconsin Chapter Board Meeting, May 7th, 2022

Board Members Present: Mike Quam, Dave Huenink, Karen Schmiechen, Mark Ackermann, Robert Sturtzen. Absent: Tony Koconis

The meeting was called to order at 7:04 p.m.

President – Mike - The club received the usual reciprocating newsletters. The club received a membership application from Gilbert Church. The club also received an invitation to the Friendly Ford Swap meet in Illinois. A thank you note was received by the club from the Model A Youth Restoration Committee for the \$900.00 donation.

Vice President – Karen – The club received a new member application from Harve and Rene Ross. A motion was made Dave and seconded by Steve to accept both families as club members. The motion was put to a vote and it carried. Brian Yokofich received a new member packet.

Secretary – Dave – A motion was made by Robert and seconded by Karen to accept the April 9th, 2022 minutes as written. The motion was put to a vote and it carried. With the new members voted in today, the club has 159 members.

Treasurer – Steve – The treasurer's report was given by Steve. A motion was made by Dave and seconded by Robert to accept the treasurer's report. The motion was put to a vote and it carried. The dues from the two new members were turned in. Robert turned a bill for the technical seminar held last month.

Indoor – Robert – Hosts are needed for the Christmas party and annual banquet. A banquet facility should be reserved soon. Karen mentioned there are only a few tours scheduled for the touring season. A discussion was held on what can be done to encourage the membership to host tours.

A list of tour ideas was published in Wheeling The A several months ago and to date none have been utilized. She also mentioned follow up articles on the club events and tours should be put in Wheeling The A after they occur. It was mentioned that the indoor and outdoor chairman should remind the event and

tour hosts to put follow up articles in the clubs publication. Also, the club has an event report form which includes some of the details of the tours such expenses, number of people who attended, Model A's at the event etc. Unfortunately it has not been used in years.

Outdoor – Mark – Jan Olsen is working with Stan Larson on an October tour in Cedarburg. Vicki and Dennis may be doing an October tour. The Huenink's are doing the Greendale 4th of July Parade, a September tour and the Waukesha Christmas parade in November.

Sunshine / awards – Mike for Tony – Kate Rozman broke her leg, and Cheryl Milbauer was in the hospital and has now returned home.

Old Business – A discussion of the Board of Directors meeting dates was held. Several have been changed. The Board of Directors discussed the emails they received regarding the purchase of three new computers – one each for the editor, secretary and treasurer, respectively. Sue Quam joined the meeting and presented the information she found regarding the new computers and appropriate software to the Board of Directors. After some discussion, Dave made a motion to purchase the three new computers Sue recommended and the appropriate software for each. The motion was seconded by Mike. The motion was put to a vote and it passed. Sue will purchase the computers and work on setting them up. The club treasurer's audit will be postponed until next month.

The next board meeting will be June 11th, 2022 at Robert's house.

A motion was made by Dave and seconded by Robert to end the meeting. The motion was put to a vote and it carried. The meeting ended at 8:45 p.m.

Respectfully submitted,
Dave Huenink

Hi Everyone,

Well it was a good month for our club, after some good discussion on the board about the pros & cons of computer updates the board unanimously voted to move forward with the purchases. We voted to keep the club up to date and replace the failing computers for the editor and secretary. We also got a new computer for our club treasurer keep our club financial records on a club owned computer. These laptops can easily be transferred to a new board member or editor when the time comes.

We received a nice thank you letter from the MAFCA youth restoration fund for our donation. We still have some nice events ahead of us for the summer months so join in if you can. Remember there are two, 4th of July parades to choose from this year. One on the North side and one on the South side of town. The information is in the newsletter so sign up if your interested.

Lets keep our fingers crossed for another great weather day for our picnic this August. I know the food and company will be good so lets hope mother nature does her part. We have some great fall tours ahead also so stay in tune for the details. Well that's all for this month see you soon.

Mike

Jim's Tech Tips

"Radiator Hoses"

If there is one thing we take for granted on the Model A engine, even more than the fan belt, it's the radiator hoses. We put them on and expect them to last "forever". But they don't. I've been on more than a few tours where someone ends up with a leaking radiator hose that interrupts their drive.

So today's Tech Tip is to remind you to inspect the radiator hoses and snug up the hose clamps (if needed) every time you change the engine oil. Look for signs of coolant seeping out of the hose, usually at the end. Look for obvious cracks and other signs the rubber is breaking down.

The upper radiator hose is subjected to the hottest coolant while you drive, so that is often the hose that starts leaking first. And the lower steel pipe tends to corrode away from the inside out, where you can't see it until it's too late. So look for coolant weeping down there, too.

A stock Model A does not run a pressurized cooling system, so it does not have a lot of pressure on the hoses. However, if you have a thermostat installed in your upper hose, the hose section between the engine outlet neck and the thermostat sees a lot of pressure when the thermostat is not open. A leak there can pump all of your coolant out in no time at all. So check that area carefully.

It's probably overkill, but to avoid a problem on the road, I replace my radiator hoses and coolant about every 3 years of normal driving. Avoid problems, and *Have a Model A Day!* Jim

Have you noticed there seems to be less and less tours?

Are you missing the fellowship of fellow club members and the opportunity to get out and drive your 'A'?

Perhaps you should consider hosting a tour....But, you say...

"It seems like the club has been everywhere? And I don't have any new ideasand planning a tour is overwhelming."

Here are some 'Tour 101' guides and suggestions that may help.

By the way, did you know that the club covers \$400 of expenses for any tour event?

It's true that in 65 years the club has been a lot of places. It is also true that we love to revisit many of the places we haven't been in a long time. Also revisiting places attracts our newest members who have never been to that venue, or on that drive.

If you go to the club website: wichaptermafca.com and click on "Forms + Links," there is a document titled "Places We Visited." Open that up. That will tell you where we have been and when we have been there.

Also, here is a list of ideas that Dave and Linda Huenink put together that was published in the January Newsletter: Lake Geneva Coffee Roastery, Hindu Temple of Wisconsin, Lake Geneva Museum, Downtown Cedarburg Tour, Remy Battery Tour, Carriage & Wagon Museum Tour (Mayville WI), Team Gileto Customer Works, Webster House Museum (Elkhorn), Richfield Historical Park, Lake Geneva Boat Trip, Waukesha County Recycling Facility, St Josaphat Basilica, Durkee Mansion (Kenosha), Whitewater Depot Museum, Kenosha Public Museum, Aztalan State Park (Lake Mills), Oak Clearing House (Union Grove), Jones Island Reclamation Facility, Crites Field (Waukesha), Shalom Wildlife Refuge (West Bend), Train Museum (Union, Illinois), Wehr Nature Center (Whitnall Park), James Tellan Woodland Sculpture Garden, Sheboygan Indian Mound Park, Racine Zoo .

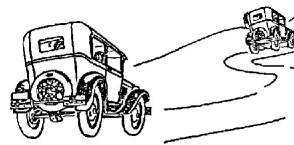

General club tours needed:
July (besides the parades)
August (besides the picnic)
October

Meeting Hosts needed
Christmas party 12/11
Banquet January

So ideas abound. How to create a tour:

- A tour can be a countryside road trip or an interesting venue. Choose a destination.
- Use Google maps or a state road map to set your place of origin and plan the back roads to reach the destination. Physically drive the route to eliminate construction and note landmarks and road signs.
- Is there something of interest at the destination? Call to make sure it is open on the day you are planning your tour, and if there is a cost. Determine if the cost would be covered by the \$400 budget.
- Invite the club through the newsletter. Articles are due the 15th of the month for the following month's newsletter. Indicate details of origin, destination, cost, and if RSVP is needed.
- Write up the route and make copies for the participants. Distribute at origin at time of tour.
- After a successful tour, write up an article for the newsletter with information about how many attended and where the club went. Add pictures if any were taken.
- Keep receipts for reimbursement.

And.....if you would like to partner with someone in planning and executing your tour, Dave Huenink and Karen Schmiechen are just two members who would be glad to partner up with you.

'A' Trip Back to June 1966

In June of 1966 members took part in the "Hare 'n' Hounds" tour. We met at the Mitchel Park Domes. Early arrivals toured the domes viewing the flower show. After a group picture, we were sent off in five minute intervals to search for the "Hare", who was Larry & Gary Koser. The object was to catch the "Hare" by guessing which way he went. The "Hare" left tracks in the form of colored strips of cloth. Red for a turn and white to go straight ahead.

Wes Campbell was so good at second guessing the "Hare" that he caught the "Hare" before he should have. Bill Herman caught up with Wes and Carl Olsen caught up to Bill and we had to stop and straighten everything out by giving the "Hare" a head start. Once again we took off in five minute intervals and eventually all contestants ended at the correct finish line. All had interesting tales to tell about wrong turns and such.

The contest was judged based on mileage and considering the model 'A' odometer, there were four contestants all declared "winners". A drawing was used to determine the award winners.

Everyone talked about the tour afterwards. Powell and Sternhagen ended at the foot of Beecher street while new member Al Downs ended up at 91st and Silver Spring. The booby prize was won by Jim Stegner (a flattened beer bottle ash tray). Jim travelled 25.5 miles chasing a "Hare" that had only travelled 16.5 miles. Most of Jim's miles were put on after he made a turn where he had seen a white rock (not quite the same as white material tied to a post or tree). It was a great time and we all had so much fun!

This month we feature Monte Cristo Sandwiches (*Lorraine Schultz, from Wi Chapter, "A" Road to Good Cooking*)

2 eggs beaten	6 slices Swiss cheese, cut in half
1/2 cup milk	6 slices smoked cooked ham
1/2 cup butter, softened	powder sugar and orange marmalade
12 slices white bread	

Beat together eggs and milk. Spread butter on bread. Top a slice of bread with a slice of cheese, a slice of ham, a second slice of cheese and a second slice of bread, butter side down.

Dip each sandwich in egg mixture. Brown on both sides on a slightly buttered griddle. Bake on a cookie sheet at 450 degrees for 8-10 minutes.

To serve, cut each sandwich diagonally, sprinkle with powder sugar and top with marmalade.

Events for June 1966:

Jun Bob and Karen Schmiechen graduated from high school
Jun 1 2,400 people attend White House Conference on Civil Rights
Jun 1 Joaquin Balaguer elected president of Dominican Republic
Jun 2 US Surveyor 1 lands in Oceanus Procellarum; 1st lunar soft-landing
Jun 3 Gemini 9 launched; 7th US 2-man flight (Stafford & Cernan) completes 45 orbits after rendezvous with "angry alligator"

Continued on next page....

Continued from prior page.....

- Jun 4 98th Belmont: William Boland aboard Amberoid wins in 2:29.6
- Jun 5 Cincinnati Red Leo Cardenas hits 4 HRs in a doubleheader
- Jun 6 Civil rights activist James Meredith wounded by white sniper in Mississippi
- Jun 6 NFL & AFL announce their merger to become NFC and AFC in 1970
- Jun 6 Stokely Carmichael launches "Black Power" movement
- Jun 6 Claudette Orbison, wife of singer Roy, dies in a motorcycle crash at 27
- Jun 7 MLB Draft: New York Mets pass on Reggie Jackson to select Antelope Valley HS catcher Steve
- Jun 8 Topeka, Kansas is devastated by a tornado that registers as an "F5" on the Fujita Scale: the first to exceed US\$100 million in damages. Sixteen people are killed, hundreds more injured, and thousands of homes damaged or destroyed.
- Jun 8 Joseph A. Walker, WWII and NASA test pilot (1st space plane flights to edge of outerspace), dies in an Aircraft collision at 45
- Jun 10 The Beatles release single "Paperback Writer" / "Rain" in UK; "Rain" featured experimental studio tricks of slowed down bass and drums tracks, and backwards vocals in the fade out
- Jun 10 Mamas & Papas win gold record for "Monday, Monday"
- Jun 11 "I Am A Rock" by Simon & Garfunkel peaks at #3
- Jun 11 "Paint It Black" by The Rolling Stones peaks at #1 in the US
- Jun 11 "Sloop John B" by The Beach Boys hits #1 in UK
- Jun 11 French and German media mistakenly report death of Roger Daltry
- Jun 12 Dave Clark Five sets record as they appear for 12th time on "The Ed Sullivan Show"
- Jun 13 US Supreme Court's Miranda decision; suspects must be informed of rights
- Jun 14 Dutch police beat construction workers, 60 injured
- Jun 14 Miami beats St Petersburg (Florida State League) 4-3 in 29 innings longest uninterrupted game in organized baseball
- Jun 20 US Open Men's Golf, Olympic CC: Billy Casper erases a 7-stroke deficit on the final 9 holes to tie Arnold Palmer; wins Monday 18-hole playoff by 4 strokes
- Jun 20 Sheila Scott completes 1st round-the-world solo flight by a woman
- Jun 21 "Who's Afraid of Virginia Woolf?", directed by Mike Nichols and based on the 1962 play of the same name, starring Elizabeth Taylor and Richard Burton, is released (Academy Awards Best Actress)
- Jun 25 Kosmos 122, 1st Soviet weather satellite, launched
- Jun 29 Vietnam War: US planes bomb the North Vietnamese capital Hanoi and the port city of Haiphong for the first time
- Jun 30 Mike Tyson, American boxer (youngest ever heavyweight champion 1986-90, 20 years, 4 months, 22 days), born in Brooklyn, New York

Historically yours, Bob & Karen

Banquet Hosts needed

We are in need of a volunteer or volunteers to host the club banquet, though we are still many months away preparations such as scouting out and booking a location as well as entertainment will need to be done soon. If interested please contact Robert Sturtzen at (414) 651-7716 or indoorwichapter@gmail.com

Looking Back in the Rearview Mirror...

In April we enjoyed a start to the outdoor season with an informative technical seminar hosted by Richard Moschel at his garage in Union Grove. The theme focused on trouble spots that should be inspected and corrected after winter storage in the spring and featured topics on the front end, carburetor, and distributor as well as smaller discussions as questions arose. Richard presented the seminar utilizing member vehicles, his numerous spare parts, and his wealth of knowledge to great success. After the technical part of the seminar everyone was treated to barbecue brats and sides as well as dessert and a time to socialize before departing in the early afternoon. Weather and attendance worked out in the seminar's favor as we enjoyed a beautiful day with many old and new members; about 30 members and 5 Model A's (not including those that live at the garage) were in total attendance.

Sincerely,

Robert Sturtzen
