The local news station was interviewing an 80-year-old lady because she had just got married for the fourth time. The interviewer asked her questions about her life, about what it felt like to be marrying again at 80, and then about her new husband's occupation. "He's a funeral director," she answered. "Interesting," the newsman thought. He then asked her if she wouldn't mind telling him a little about her first three husbands and what they did for a living. She paused for a few moments, needing time to reflect on all those years. After a short time, a smile came to her face and she answered proudly, explaining that she had first married a banker when she was in her early 20's, then a circus ringmaster when in her 40's, and a preacher when in her 60's, and now in her 80's, a funeral director. The interviewer looked at her, quite astonished, and asked why she had married four men with such diverse careers. She smiled and explained, "I married one for the money, two for the show, three to get ready, and four to go."

In Appreciation

To The Member of the Year Committee and the membership all we can say is "thank you". This was totally unexpected. The award description says "continued and selfless service to our club". This would not be possible to achieve without the help and support of our membership. Donna and I would like to thank all the club members who helped and supported our club activities.

As, we display this award in our home we will always remember the help it took to put it there.

We are looking forward to another great year with the club. Remember to come out to the club events with or without a Model A. Just come out.

Again Thank You,
Dave and Donna Boucher

From The President

Welcome to another month and welcome to our new NFL champions the Green Bay Packers. It sure was an exciting game with a great ending! As the football season ends my favorite season is just starting, NASCAR.

Big thank you to Marty and Jo Lene Janssen for putting on a wonderful banquet in January. The food was good, the company even better. Job well done!!!

Thank you to everyone that attended the February indoor meet trivia contest. Sue and I had fun running it and I hope all that who attended enjoyed it. Next month is our ugly sweater contest and remember to bring your favorite salad to share, so plan to attend and join in the fun.

With our warm weather teaser in mid-February and our swap meet at the end of the month it can only mean spring is getting closer and I certainly can't wait for spring! We have a great calendar ahead of us so try to attend the events as they are always fun. I know it's sometimes difficult because our personal calendars fill up quickly, I know mine is already filling in.

We still have a few open dates that need hosts so if you're interested in running an event contact Gene Taurman, outdoor meet coordinator, to sign up. These events are open to your own ideas as a host so if there's something you enjoy, chances are others will too. So sign up today and help everybody enjoy our club. If you have any questions about how to run an event, either contact a board member or our outdoor event advisory team. You can find them in our newsletter.

Well I guess that's all for this month, as always if you have any questions contact me. I hope to see you at the next event.

-Mike Quam

On the first day of school, the children brought gifts for their teacher.

The supermarket manager's daughter brought the teacher a basket of assorted fruit.

The florist's son brought the teacher a bouquet of flowers.

The candy-store owner's daughter gave the teacher a pretty box of candy.

Then the liquor-store owner's son brought up a big, heavy box. The teacher lifted it up and noticed that it was leaking a little bit.

She touched a drop of the liquid with her finger and tasted it.

"Is it wine?" she guessed. "No," the boy replied.

She tasted another drop and asked, "Champagne?" "No," said the little boy.....

"It's a puppy!"

2011 Model A Banquet

Our Model A Banquet was a fun filled evening attended by 117 guests. The tables were decorated with a colorful teddy bear sporting the MAFCA logo. They were assembled and sent to us from a sister-in-law in Iowa. One person from each table took home their own Model A bear!

The evening began with complimentary hors d'oeuvres, soda and beer. Rev. Bill McBride, a friend of ours, offered the dinner prayer and then a delicious buffet meal was enjoyed by all.

Tony Sillman presented a "gag award" to Sandy Yokovich of a hard hat! It may be needed at the Wisconsin Rapids reunion at the rolling pin toss!

The outgoing board members were introduced and awards given to Sue Quam, Bob Davisson & Roger Olsen for their service. The volunteer positions and the new board were introduced.

Membership awards were presented by Dave Huenink to those in attendance as follows: 40 years to Gene & Joan Engel, 35 years to Dave & Carol Rozman, 25 years to Stan & Pat Larson, Jerrold & Ruth Kozlik, Tom & Sandy Burgermeister, 10 years to Harold & Mary Powell & Marty & Jo Lene Jannsen.
