# 2015 WAUKESHA CHRISTMAS PARADE

## DRIVERS NEEDED

Once again this year our club will be participating (with our cars) in the Waukesha Christmas parade. This is the 53<sup>rd</sup> Annual Waukesha Christmas parade and the theme this year is "Isle of Misfit Toys". So plan on joining Dave and Linda Huenink, along with Morgan the Wonder dog dressed in his finest holiday attire, at this year's parade. The parade will take place on Sunday, November 22<sup>rd</sup> at 4:00 p.m. and will be a great opportunity for us to bring out our "A's" one last time before we put them to bed for the long winter. We have always had a great turn out for this event and the weather has been in our favor nearly every year. In years past we have been allowed to decorate our cars in all kinds of holiday spirit and this year will be no exception. So come along and join in the fun.

The parade starts at 4:00 p.m. so will plan on lining up at 3:00 p.m. This will give us plenty of time to decorate our cars. For those interested in driving in as a group, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:30 p.m. The restaurant is on the Hwy 164 by pass just south of Moorland Road by all the car dealerships on the east side of Waukesha. If you have any questions please feel free to give Dave or Linda a call at 262-378-4216.

We look forward to seeing you there.  
Dave & Linda Huenink & Morgan too.

## Sunshine Report.....

We are saddened to report the passing of 49 year member Dennis Pierce, and 59 year member Wally Klager, this past month. Each of these men contributed mightily to our club and their presence will certainly be missed.

Mike Brojanac's brother Jim, of Avenue Brake Shop, passed away unexpectedly.

Joyce Churchill fell and broke her arm and shoulder and is rehabbing at Luther Manor.

Marilyn Brojanac was hospitalized for heart stents and is home recuperating. Get well ladies!

Please keep these members and their families in your thoughts and prayers. A simple gesture such as a phone call, visit or note of encouragement goes a long way and can really do wonders to lift a weary soul.

Please call or email me with any sunshine news or requests that you may have.

Julie Larson

Minutes submitted by

Sue Quam

Thanksgiving greetings everyone,

Its indoor meet season already and the cars will quickly be tucked away for the long winter hibernation. We had many great tours this past touring season and we've got more great indoor events coming this winter, so stay tuned to the newsletter for details. We are still in need of a host for the month of February. The Christmas party sign up for the kids is in full swing already. All grandkids and children are welcome at no additional cost.

Well it wouldn't be a presidents column if I didn't beg for board members or volunteers at this time of year. If you are interested in being on the clubs board of directors please contact me or any board member soon and we will be glad to help you out. If there is something your interested in doing as a volunteer, just speak up, we can always use volunteers for many positions. Speaking of volunteering, the annual swap meet is coming up in February and the Schaefers will be needing people to sign up to fill duties positions. The swap flyer has gone out to vendors and there is good response already. Mark your calendars now for Feb. 28, 2016s swap meet and pray for good weather!

Please remember to contact Julie Larsen if you know of someone in need of sunshine. Recently the board of directors has increased the amount of money given by the club for funeral memorials to \$50, floral arrangements remain in the amount of \$35-50 range.

Its never to early to sign up for next years events. A sign-up sheet will be going around at the next few indoor meetings. If you're interested in running an event next year please sign up early to reserve your spot.

Wishing everyone a Happy Thanksgiving  
- Mike

## Thanksgiving Divorce

**A man in Phoenix calls his son in New York the day before Thanksgiving and says, "I hate to ruin your day, but I have to tell you that your mother and I are divorcing; forty-five years of misery is enough.**

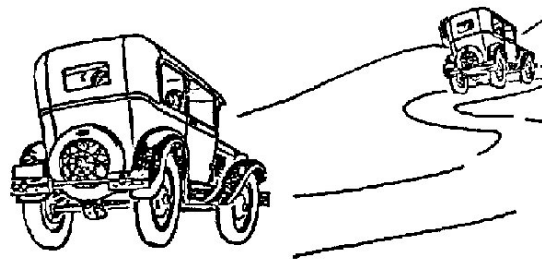

**"Pop, what are you talking about?" the son screams. We can't stand the sight of each other any longer," the father says. "We're sick of each other, and I'm sick of talking about this, so you call your sister in Chicago and tell her."**

**Frantic, the son calls his sister, who explodes on the phone. "Like heck they're getting divorced," she shouts, "I'll take care of this,"**

**She calls Phoenix immediately, and screams at her father, "You are NOT getting divorced. Don't do a single thing until I get there. I'm calling my brother back, and we'll both be there tomorrow. Until then, don't do a thing, DO YOU HEAR ME?" and hangs up.**

**The old man hangs up his phone and turns to his wife. "Okay," he says, "they're coming for Thanksgiving and paying their own way."**

# Every Smart Woman Will Wear Suits This Year

## Express The Mode Of The Moment

Harper's Bazaar, March 1930

By Diane Smith

Left- Wendell two- piece suit with the new-length jacket and half- belt. On fine covert in oxford, brown, green, or beige; also twill in navy blue or black. This is the classic type of suit preferred by many smart women.

Center- Wendell three-piece suit with a blouse of pique de soie and tuxedo of sleek galyak fur. Mode of the new crepey wool weave so smart in Paris in blue, beige, new green, black, red or brown.

Right- Wendell three-piece suit with three-quarter length coat. The long-sleeved blouse is of fine silk crepe. Of covert in oxford, beige, brown, or green; also repp in navy blue or black.

'Twas the night of Thanksgiving,  
but I just couldn't sleep...  
I tried counting backwards,  
I tried counting sheep.  
The leftovers beckoned...the dark meat and white,  
but I fought the temptation with all of my might.  
Tossing and turning with anticipation,  
the thought of a snack became infatuation.  
So, I raced to the kitchen, flung open the door  
and gazed at the fridge, full of goodies galore.  
I gobbled up turkey and buttered potatoes,  
stuffing with gravy, green beans and tomatoes.  
I felt myself swelling so plump and so round,  
till all of a sudden, I rose off the ground.  
I crashed through the ceiling, floating into the sky  
with a mouthful of pudding and a handful of pie  
But, I managed to yell as I soared past the trees...  
Happy eating to all -- pass the cranberries, please.

## Looking Back in the Rearview Mirror

### **Richfield Threshere**

After torrential rain the day prior to the Threshere, the weather cleared and 11 Model A's proceeded to Richfield Historical Park. Everyone enjoyed the old farm machinery displays and tours of the mill and farmhouse. Jerry Flynn offered rides around the grounds on his golf cart. Wally Kaufman had his miniature hit and miss engines on display. Thank you, Wally, for roping off the Model A parking area the day before. It was a great day to be part of preserving our rural history and passing it on to the next generation.

### **Wisconsin Chapter, Inc., MAFCA Technical Seminar**

**Thursday, October 15, 2015**

We began our first seminar by taking apart a Model A engine on an engine stand. As we were taking the parts out, we noticed the engine did have the problems we had originally identified before we began to work on it.

The engine did have some loose bearings. Quite a few shims were removed to get the motor to where it should be. There was a lot of trouble getting all the cotter pins out. Never fear . . . Our Model A team always gets it done! We originally thought the motor had between 10 to 12 thousand miles on it. However, after looking at the engine, it appeared the amount of wear on the bearings of the engine looked like there were many more miles on the engine than originally thought.

Come to our seminar on Thursday, November 19th and watch or help as we finish putting this motor back in working order.

Volunteers have come forward for our January and March seminars. We are planning to polish stainless items in January. March will have us rebuilding a generator.

There is an opening for one more topic this season. Let us know what your idea is.

We hope we will see you at Mail Truck Model A in Oak Creek on Thursday, November 19th.

Thank You!

Roger, Jeff, and Tony

## Fall Tour 2015

Our destination to a time lost in history was Mayville, Wisconsin. On the way we enjoyed the curvy back roads from Hubertus to Mayville. There were tree covered tunnels, majestic skies with grand vistas of farm lands, marshes, woods and glimpses of the fall colors

In Mayville we enjoyed a restored period hotel now operating as a 17 room B&B called the Audubon. There we lunched on po boys, gumbo and bread pudding typical of New Orleans street food prepared by NOLA (New Orleans, LA) the restaurant supporting the Audubon Inn. The Chef, Ron Oldham, moved here from Slidell, Louisiana.

After a great lunch we visited two museums which took us back over 100 years into Mayville history. The limestone school house housed a photographic history of Mayville's iron and steel industry which spawned other manufacturers of steel products, making Mayville a vital economic contributor to Wisconsin. MEC (Mayville Engineering Company) and Maysteel are just two of the many survivors that produce parts for US and foreign companies from HP copiers to John Deere tractors.

Down the street we were able to visit the Hollenstein Wagon and Carriage Factory, a cigar factory and a turn of the century fire station.

We owe a special thanks to two very well run historical societies: Mayville Limestone School Museum Inc. and the Mayville Historical Society.

All in all it was a fun drive, a little education and a pleasant lunch, a warm and sunny day, with a fantastic turnout of 44. There were 11 Model A's, 11 modern cars plus one '33 Ford. Now we can put our cars away for the winter with a good feeling, we had one last outing before the big freeze.

Thanksgiving dinners take eighteen hours to prepare. They are consumed in twelve minutes. Half-times take twelve minutes. This is not coincidence.
