## Notes from the President for October

You can smell it in the air. Fall is here! The trees will be changing color, I've seen some already. Fall is a beautiful time in Wisconsin and what a great way to see it tooling around in a Model A Ford.

I participated in the club's annual picnic. Chris and Kate Rozman did a great job again. The park chosen was a perfect spot. The chicken and corn were excellent. Chloe and Brooke put on a magical performance. Thanks to all helping out put on a great event!

I also attended our September tour. Gene and Betsy Taurman took us on some great roads. I noted seeing a large herd of buffalo and another fenced area contained a camel and a hairy ox. The highlight of the trip was stopping at one of Wisconsin's most stunning man-made sights, Holy Hill. Several brave members climbed the church's tower to see a 360° view of miles of rolling landscape. My vote was to stay up there as the trek down was a bit unnerving for me. The steep, narrow staircase was much easier for me to go up than to go down. Thanks to Vicki Cooper, I got down just fine. We ended our afternoon at a scenic golf course where we enjoyed some refreshments on a beautiful covered patio. The weather was perfect!!

The Thresheree and the October tours are next on the list. Be sure to RSVP the Huenink's if you plan to attend the October event which is on **Saturday**, the 20<sup>th</sup>. The cooler temps make touring in the A more pleasurable.

Don't forget three board member's terms are ending this year. We would love to hear from several of you that you are interested in joining the board - all positions are open. Remember when we used to have elections? I would be happy to answer your questions about what is all involved in becoming a board member. If you are new to the club, there is not a better way to meet people than by becoming part of the board. I hope you consider it.

I am sad to say it appears there will not be an award banquet this year. No one has stepped up to host this event.

On that note, enjoy the cooler temps and the beautiful fall colors. It doesn't get much better than this!!

Ahooga!  
Deb

# FALL FOLIAGE TOUR SATURDAY OCTOBER 20<sup>TH</sup>, 2018

Join Linda and Dave Huenink on a scenic drive through the Kettle Moraine Forest, where the leaves will be in their full fall colors, as we make our way to Hawks Inn, in Delafield Wisconsin. For those of you unfamiliar with Hawks Inn:

*It is Greek Revival Inn, built by Nelson P. Hawks, that has been described as an "unsurpassed example of an early stagecoach stop." It was the center of social and political life in the frontier village of Delafield, Wisconsin. Built two years before Wisconsin became a state, Hawks Inn welcomed farmers in search of a homestead, trappers, traders, territorial politicians, and miners in search of a strike in the lead mines of western Wisconsin."*

We will then take "A" quick drive through St. Johns Military Academy to admire some of the great architecture and interesting sites on the grounds. From there we will head to Lapham Peak State Park, which is also a part of Kettle Moraine Forest. Lapham Peak is the highest point in Waukesha County at 1,233 feet in elevation and covers 1000 acres. The park itself is beautiful and enjoyable to drive through, especially in a Model A. You will be able to walk up the observation tower, where the view is truly incredible and breath taking. You can see Holy Hill, the US Bank Building and Northwestern Mutual Buildings in Milwaukee and Nembahbin Lake to list a few sites from the top of the observation town. If you are afraid of heights, no worries. Dave is also and made it to the top comfortably. There are other sites to see at Lapham Peak Park also or a great place to spend time with your friends in the club. For those not familiar with Lapham Peak, it was named after Increase Lapham after it was originally called Government Hill. Originally is was used for surveying purposes, and then became a site for the Federal Signaling Service Division of Telegrams and Re-

ports and received meteorological observations from Pikes Peak in Colorado as an advanced warning system of approaching storms. There are trails available for those who

want to do some walking and enjoy Kettle Moraine on foot. We will also serve some seasonal goodies at one of the picnic areas near the Observation Tower. (For those who attended our tour last year, no apple pies this year but something just a good?)

We will meet at **McDonalds at Hwy 164 and National Avenue** in Big Bend between 11:15 a.m. and 11:30 a.m. and depart sharply at 11:45 a.m.

Make sure your cars are gassed up, as we'll be traveling a distance before our first stop and the next gas station. This is the last tour of the year, and I can assure you, it will be an enjoyable drive and fun day, especially since we are with friends and driving our Model A's

**We do ask that you RSVP to Dave and Linda either by phone (262-378-4216) or email (Oldfordcoupe@wi.rr.com). The places we are stopping at need a count and we want to make sure we have enough goodies for everyone.**

See ya soon,

**SUNDAY, NOVEMBER 11, 2018**  
**1:30 P.M.**

November 11, 2018 is the start of our indoor meeting season and the club is going to kick it off with a pizza party. It will be a great opportunity to see those club members you haven't seen since the last indoor meet last March. It will also give you a chance to reminisce about the tours you've been on during the outdoor season or just get caught up with friends. The turn out has always been very good at the pizza party so it promises to be a good time and an opportunity to meet some of the new members who have joined the club since March.

If you have any questions or concerns please feel free to get ahold of Dave or Linda Huenink

We look forward to seeing you then.

## **2018 Waukesha Christmas Parade**

### **Drivers Needed**

The club will be participating (with our cars) in the 2018 Waukesha Christmas Parade. The 56th annual Christmas parade will take place on Sunday, November 18th at 4:00 p.m. What "A" great opportunity to bring out our "A's" one last time before we put them to bed for the long winter. The weather at the parade has been in our favor nearly every year. The parade starts at 4:00 p.m. so we will plan on lining up at 3:15 p.m.

This will give us plenty of time to decorate our cars, look at the other participants floats and listen to the bands play some music. For those interested in driving in together, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:45 p.m. for some hot chocolate before we head to the parade. The restaurant is on the Hwy 164 by-pass just south of Moorland Blvd. by all the car dealerships on the east side of Waukesha. If you have any questions, please feel free to give Dave or Linda a call at 262-719-1056

We look forward to seeing you there.

### Board Meeting September 8, 2018

Board Members Present: Deb Lewis, Dave Huenink, Steve Lewis, Bob Schmiechen, Vicki Cooper, Jeana Angelini

The meeting was called to order at 7:34 p.m.

**President** – Deb- There is no correspondence this month. Deb and Sue Quam worked on the job description for the webmaster position. After a few finishing touches, it will be complete. The old web site will be discontinued soon and will direct people to the new web site.

**Vice President** – Bob – The club information was sent to the new members voted in last month. A discussion was held as to whether to put the new member's contact information in Wheeling The A. It had been done in the past. Some members have expressed a desire not to have it listed. A further discussion will be held with Sue Quam – the clubs editor – to get her thoughts also.

**Secretary** – Dave - A motion was made by Deb and seconded by Jeana to accept the minutes from the August 19th, 2018 Board meeting as written. The motion was put to a vote and it carried.

**Treasurer** – Steve - Steve gave the treasurers report. A motion was made by Dave and seconded by Vicki to accept the Treasurer's report. The motion was put to a vote and it carried. Bills were turned in. A motion was made by Deb and seconded by Jeana to pay the bills. The motion was put to a vote and it carried. No income was turned in.

**Outdoor** – Jeana – Some reports are being turned in from the tours hosts. Articles are being posted in Wheeling The A prior to and after the clubs events take place. A discussion was held regarding the Rapids planning meeting in October. Jan Olsen usually attends.

**Indoor** – Vicki- No one has stepped up to host the banquet. An idea was discussed regarding a scaled down banquet, possibly in the afternoon. Deb is going to call a few members to see if they would be willing to do a scaled down version of the clubs banquet.

**Sunshine** – Dave for Linda H. – Ron Neuman had a stroke and is in rehabilitation and is doing well.

**Old Business** – The Flinthrop's are working on a few embroidery possibilities for the club. Jeana is working with her contact on the embroidery and hopes to have a few items to show by the indoor meet in November. The club has several open positions: swap meet advertising, technical chairman and banquet hosts. Jeana and Vicki mentioned ending the swap meet at 1:00 p.m. instead of 2:00 p.m. as many vendors are packing up and leaving early. After some discussion, it was decided to talk with the vendors to determine a viable alternative. Possibly the swap meet could start at 7:30 a.m. and end at 1:30 p.m.

**New Business** – The volunteer thank you lunch will be held at Brisco County Restaurant in October. A discussion was held regarding combining some of the events, newsletter information, etc. with the Great Lakes Model A Club. It will be brought up at the next general meeting to get the memberships thoughts regarding this. Deb is getting a lot of requests from non-members who want to sell their cars. The suggestion was made to charge the non-members \$15.00 to run an advertisement in Wheeling The A for up to three months. Deb will talk to Sue Quam – the clubs editor – about adding these advertisements and possibly additional pages to Wheeling The A.

It was discussed having companies advertise on the clubs web site in addition to Wheeling The A and then what do we charge. The club would have separate pricing just for advertising on the web site, combination pricing for advertising on the web site and Wheeling The A, and pricing for advertising just in Wheeling The A. Further discussions will be held at a later meeting.

The clubs phone through Magic Jack will be renewed for another three years at a total cost of \$89.00.

Dave made a motion to adjourn meeting and it was seconded by Jeana. The motion was put to a vote and it carried. The meeting was adjourned at 9:32 p.m.

Respectfully submitted,  
Dave Huenink

# 'A' Trip Back to October 1990

What was great about October of 1990? Well, our board members included Fred Bleidorn – President, Ken Fouty - Vice President, Bob Heinrich - Secretary and Dick Lardinois as Treasurer.

Our October tour was an economy run, hosted by Jack & Doreen Achterberg, Wes & Betty Campbell, Dennis & Margaret Haag and Brian Campbell. We drove thru the Cedarburg, Newburg, and Kettle Moraine area, a total of 49 miles and ended at Frank's on the Lake for refreshments.

Our final outing for the year was a Ghost Gallop hosted by Bill Kraatz and Don Reiff. Members dressed in costume and participated in a one hour tour that included some fun and games. At the ending location there was food, drinks and prizes.

### The Harry Miller Tour - July 14, 2018

The weather for the Harry Miller Tour was great! We had eleven people at The Mile. There were 50 old Indy type cars. The oldest was a 1909 E.M.F factory race car. Everitt-Metzger-Flanders Company later sold out to Studebaker. There were several 50's and 60's Indy cars. Several cars had highly modified Model A and B engines. Cars were brought from as far away as Massachusetts, California, Florida and Texas. There was two 250 foot long tents set up over the cars in the pit area, so there was shade from the sun. The sights, the sounds and the stories you hear when talking to the owners and crew are the best part. About 2 O clock, a few of us went for food at Liquid Johnny`s. Everyone enjoyed the event and, hopefully, will encourage others to attend if we decide to do it again next year.

## Annual Picnic

Sunday, August 19, was the annual Wisconsin Chapter Picnic at Village Park Sussex, hosted by Chris and Kate Rozman. The food was plenty and very delicious! Chickens on a rotisserie BBQ, sweet corn on the grill and plenty of other salads and goodies. If you left hungry, it was your own fault. A small magic show was put on by the Rozman children. It was a great picnic, thank you Chris & Kate Rozman and helpers for a job well done!

Magicians Chloe & Brooke hard at work, keeps the audience captivated.
