Dec. 11	Indoor - Christmas Party HOST NEEDED
	HAPPY HEW YEAR **2017**
Jan. 8	Indoor - Custard Social hosted by Dave & Carol Rozman
Jan 28	Banquet - Dave & Linda Huenink and Steve & Deb Lewis
	Indoor - Polish Poker hosted by Karen Sukkert
Feb. 28	Swap Meet - Washington Cty Fairgrounds
March 12	Indoor - Kitty Schaefer

Send all Wisconsin Chapter Correspondence to:
WI Chapter MAFCA
PO Box 26006
Wauwatosa, WI 53226-0006

Please remember:

- To contact the club secretary if you have change of address, email address or phone number!
- To submit an article before and after your event.
- Deadline to submit articles and ads is the 15th of each month and remember the editor is always working one month ahead. Example= January issue is being created in December.
- Check out www.model-a-wis.com for more pictures of club events.

November thru March all indoor meets are at St. Aloysius Church, 1414 S. 92nd St, West Allis, WI in the Gonzaga Hall, unless otherwise noted.

Santa *IS* coming to town!!!

The Wisconsin Chapter Model A Ford Club of America will host their annual Christmas Party, on Sunday, December 11th at 1:00 PM.

at St. Aloysius/Gonzaga Hall.

All club member's children and grandchildren
12 and under will receive a gift from Santa.

All children must register by December 4th.

Call Sandy Yokofich at 414-651-1244 to register.

Fun, food, crafts for the kids, and Santa!

**As is our tradition,
don't forget to bring an
appetizer, snack, or
cookies for the holiday
treat table.**

Hosts: Randy and Ellen Kind 262-308-6036

Bob and Karen Schmiechen 262-544-5005

'Twas the night before Christmas

*'Twas the night before Christmas, when all through the shop
Ev'ry Ford car was sleeping as sound as a top;
Rubber tires had been hung by the benches with care
In hope that St. Nicholas soon would be there;*

*Nor wasn't long till my headlights did sharply define
A most beautiful "A" and eight others in line,
With a little old driver so lively and quick
I could see in a moment it must be St. Nick.*

*Even faster than eagles his Model "A's" came,
While he honked and he shouted and called them by name:
"Now Tudor! Now Fordor! Roadster and Phaeton!
On Coupe! On Sportster! Every Ford Model on!"*

*It was then but a flash 'till I heard in the rear
Quiet sliding and meshing of each little gear,
A big bundle of parts Nick had flung on his back
And he looked like a salesman just op'ning his pack.*

*He filled every tire then turned 'round with a dash,
Quickly sprang to the wheel and was off like a flash;
But I heard him exclaim, ere he drove out of sight,
"Merry Christmas to all, and to all a good night!"*

January 8, 2017, 1:30 p.m.

Board Meeting and Custard Social

at Gonzaga Hall

Hosted by Dave & Carol Rozman

February Model A Ford Club Indoor Meet

Come join us for our regular meeting on **February 12, 2017 at 1:30 p.m.**, followed by fun games of Polish poker. This is a fun game that is easy to learn. There will be prizes to the person at each table with the highest points.

Hostesses: Karen Sukkert and JoLene Jannsen

Model "A" Banquet - Celebrating 60 years

Saturday, January 28th, 2017

Meyer's Restaurant

4260 S. 76th Street

Greenfield, Wisconsin

Hosts:

Dave and Linda Huenink

Time: 4:00 p.m. - 5:00 p.m. Hor d'oeuvres & Drinks

Service Awards: 5:00 p.m. to 6:00 p.m.

Dinner: 6:00 p.m.

Followed by entertainment, and more awards.

Menu - Served Family Style

Roasted chicken - Beef Sirloin tips with egg noodles - Fresh garden salad - Baked fresh bread - Mashed potatoes and gravy - Sage stuffing - Cranberry sauce - Vegetable and Dessert - Coffee, Tea or Milk.

Come and join your fellow Model A'ers for a fantastic night of Model "A" fun and entertainment. Don't miss one of our biggest events of the year. We will also be celebrating our clubs 60th anniversary so we hope you can come and join us on this special evening.

If you have any questions, please call Dave and Linda Huenink at 262-378-4216.

PLEASE REPLY BY JANUARY 14th, 2017

 Swap Meet, 1305 N. Morgan Road, Oconomowoc, WI 53066

Dear Vendor,

PLEASE MAKE SURE TO READ ENTIRE PAGE.

Our Greater Milwaukee Area Winter Swap Meet will be held **Sunday, February 26, 2017**, at Washington County Fair Grounds in West Bend, Wisconsin. We will use the West Pavilion and East Expo Center where each aisle vending space will be approximately 11' X 9' and is \$35. Wall spaces may vary in size depending on location in either building and are \$40.

We have space available for car clubs to help promote their special interest to the public. Clubs may use these spaces to sell their club merchandise and/or hand out club literature, spot not to be used for selling car parts. Those spaces are \$26 and are approximately 3' X 11" and include one free table (no credit given if table not used) and admittance for two people.

1.) Returning vendors will have the option to occupy the same space(s) they did in 2016, however your payment and completed application must be returned us by November 7, 2016 to insure your same space(s).

2.) After November 7, 2016 any available spaces will be sold on a first come first serve basis. We will honor your space requests as best as we can, however, WE DO RESERVE THE RIGHT TO ASSIGN VENDOR LOCATION. WE ALSO RESERVE THE RIGHT TO DECLINE TO SELL SPACES TO PAST "NO SHOW" VENDORS.

3.) Maximum number of spaces for a vendor is limited to 6, to help ensure a more diverse selection of swap merchandise. Each space rental includes 2 free admission wrist bands.

4.) NEW this year...All vendors MUST WEAR WRIST BANDS TO GAIN ACCESS TO THE BUILDING. NO WRIST BAND, NO ADMITTANCE!!!!!!

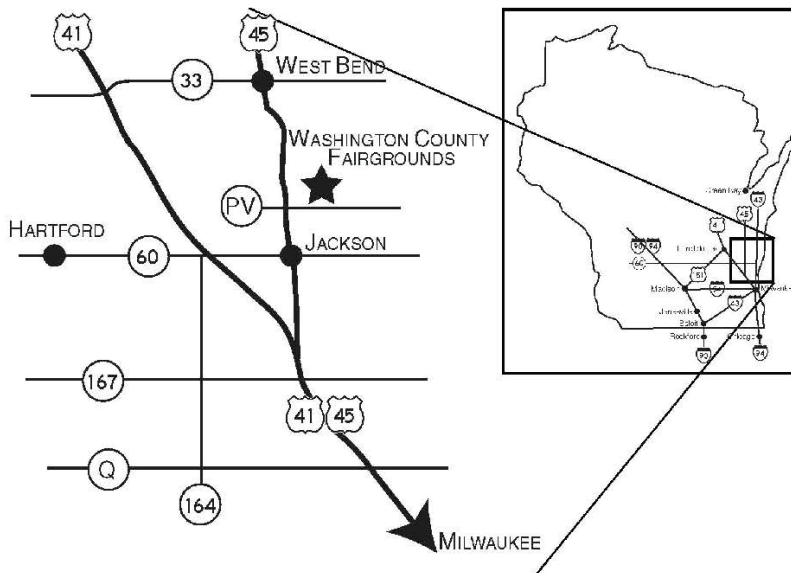

5.) NEW this year...Doors to public will NOT open until 8:00 a.m.

6.) Vendors MUST vacate building by 4:00 p.m.

All other spaces will be available until we are sold out.

You will receive a letter shortly after January 1, 2017, confirming your building, space location, your suggested arrival time and wrist bands for your space(s). Wearing your wrist band is required the day of the show.

Thank you,
WI Chapter MAFCA Swap Meet Committee

Volunteers Needed for

helping at our Indoor

Winter Swap Meet at Washington County Fair Grounds

(see previous pages for more information)

Sunday, February 26, 2017

TIME

JOB DESCRIPTION

Midnight or earlier	Marking spaces
4:30 a.m.— 1:00 p.m.	Vendor gate security outside
4:30 a.m.— 7:30 a.m.	Direct vendors
4:45 a.m.— 7:00 a.m.	Helping vendors unload stuff
4:45 a.m.— 1:00 p.m.	East and west door security
7:30 a.m.— 1:00 p.m.	Collect admission fee
7:45 a.m.— 1:00 p.m.	Greeters— check all who enter for hand stamps
2:00 p.m.— 4:00 p.m.	Clean up

Select your volunteer choice and contact Bob or Kitty Schaefer at 414-483-6539 to sign up.

NEEDED: Club webmaster

Contact any board member if interested.

Sunshine Report.....

The MAFCA Wisconsin Chapter offers its sympathies to the Roger Olsen family at the passing of Roger. His passing is a real loss to our club. Roger served on many boards including numerous times as president. Roger and Jan were the coordinators of the swap meet (the chief fund raiser for our club) for many years. Roger also conducted the tech seminars, imparting his knowledge and humor to many club members. He will be missed.

Ken Baewer took a recent trip. Apparently some recent rains and clogged gutters were causing some water issues at the Baewer household so Ken got on the roof to clean out the gutters and became tangled in a hose causing him to fall off the roof resulting in a broken leg and some bruised ribs. We are glad to hear that nothing worse came from his fall.

Dave Boucher is seeing things in a new light. No, he hasn't changed his political views. Dave had cataract surgery on one eye and then two weeks later had cataract surgery on the other eye. The surgeries were a success and we are happy things turned out well for Dave.

The MAFCA Wisconsin Chapter also offers its sympathies to the family of Walter Kaufman at the passing of Walter. Wally had an interest in cars from a young age and was in the Drag Racing Hall of Fame. He has been a member since 1974 and I'm sure many of our 'older' members will miss him.

Bob Sonnen is back in the hospital. Our thoughts and prayers are with him as he struggles to retain his health.

JUST BELIEVE – Santa is coming! Thanks to your board members - Randy/Ellen Kind and Bob/Karen Schmiechen we will have a Christmas party this December!

OPPORTUNITIES – Where are YOU?!?

Tech meetings – with Roger's passing we have a need for someone who has an interest in helping others to step up to the plate and share their knowledge about maintaining the model 'A'. We usually have 15 -20 guys in attendance, so the need is there. I understand that there are some videos on different subjects pertaining to the 'A' that could be presented, all we need is a volunteer.

Don't like what's going on in your club? Want to see something different? Have some new ideas? It's easy to complain, but now's the time to take some action! Board positions available – **now** is the time to start considering where **you** can make a difference on the board!

Have an interest in IT? Know anything about WEB development? Want to learn? Our long-time Web Master, Carl Doro is retiring from the position. We are looking for someone to take over the position and would even consider a son/daughter or grandson/granddaughter who has an interest in Web development. Contact a board member if you or someone you know has an interest.

Remember – many hands makes the work load light. Even **SOME** hands will help!

Please notify Bob Schmiechen with all sunshine needs. Call 262-544-5005 or email Robert_06@att.net.

MAFCA Wisconsin Chapter General Meeting Minutes

November 13th, 2016

Board Members Present: Mike Quam, Randy Kind, Dave Huenink, Bob Schmiechen, Steve Lewis, Neil Besougloff, Karry Kultgen

Mike Q. called the meeting to order at 1:30 p.m.

President –Mike – The club received the reciprocating newsletters.

Vice President – Randy – There are no new members this month.

Secretary – Dave – A motion was made by Karen Sukkert and seconded by Sue Quam to accept the March 13th, 2016 meeting minutes as written. The motion was put to a vote and it carried. Seventy-eight members have renewed their membership. The membership has until December 31, 2016 to pay their 2017 dues. Dave has extra forms for the banquet or membership dues if anyone would like to complete the form and turn in money.

Treasurer – Steve – Treasurers report given. A motion made by Carl Doro and seconded by Dave Neuman to accept the treasurer's report. There was no income turned in. One bill was turned in this month. A motion was made to pay the bill by Linda Huenink and seconded by Gene Taurman. A discussion was held regarding the money the club has in reserve. After some discussion, a motion was made by Karen Sukkert and seconded by Gene Taurman to have the club pay for the 2017 banquet for the membership in celebration of the clubs sixtieth anniversary. The motion was put to a vote and it carried. After some further discussion, a motion was made by Gene Taurman and seconded by Karen Schmiechen to reverse having the club pay for any member attending the 2017 banquet and rather have the club pay for any member attending the 2018 banquet in celebration of the clubs sixtieth anniversary. The motion was put to a vote and it did not pass. The previous motion stood. Members will need to register and send in a check for the banquet to reserve a seat. The members check will be returned at the 2017 banquet. Any questions about the banquet can be directed to the Huenink's.

Outdoor – Neil – All the people who did outdoor events in 2016 where asked to stand up to be recognized. A signup sheet for the 2017 events was passed around.

Indoor – Karry – The balance of the 2016 / 2017 indoor meets have hosts. A signup sheet for the 2017 /2018 indoor hosts was passed around. Karen Schmiechen talked about Christmas party. She created a flyer, it emailed and sent in US Mail to membership that there will be a Christmas party. The Coopers volunteered to make sloppy joes. Karen went on to report that the Yokofich's will be helping with the children's gifts. Santa will be there too.

Sunshine- Bob- A sympathy card was sent to the Chuck Morgan family, Roger Olsen family, and Walter Kaufman family. A get well card was sent to Mary Haban, Ken Baewer, and Dave Boucher. A 60th anniversary card was sent to Bob and Sandi Davisson.

Old Business – nothing to report

New Business – The board needs to fill two positions for the 2017 BOD. Mike Quam and Neil Besougloff's terms are up. Nominations for the board of directors closes at the general meeting in December. We need new web master to replace Carl Doro who is retiring. Mike Quam extended a big thank you to Carl for his years as web master. The club is also looking for someone to run the technical seminars. A thank you and a round of applause was given to Jan Olsen on behalf of Roger for running the technical seminars for many years. The swap meet has seventy- eight vendor applications and one hundred and sixty-four spots are sold. Fliers are available for the membership at this meeting for distribution.

Karen Sukkert made a motion to adjourn the meeting, seconded by Karen Schmiechen. The meeting was adjourned at 2:20 p.m.

Respectfully submitted,

Dave Huenink

MAFCA – Wisconsin Chapter Secretary

Holiday notes from the President

This is my last presidents notes, as my term is done in January and I'm not going back on the board for another term. I think I've been on the board in some capacity for about 10 of the 12 years we have been members, I'm ready for a break! With my vacancy and also Neil Besougloff's vacancy the board will need 2 or more people to step forward to become board members. Nominations close at the end of the December general membership meeting. The club can continue to run with a board of five but it puts a bigger work load on the smaller group and we may have to sacrifice something.

The board is also looking for people to step up and run the website and someone to run the technical seminars.

The Schmiechens and the Kinds have graciously stepped up to run a Christmas party and Sandi Yokofich has stepped in to be Santa's helper with getting all those gifts for the kids. Thank you everyone for making the Christmas party happen.

Thank you to all the volunteers who have stepped forward to do all they do to keep the club rolling along.

Merry Christmas and Happy Healthy New Year to all!
-Mike

'A' Trip Back to December 1981

Officers:

President – Gary Koser
Vice President – Ed Schultz
Secretary – Beau Lowerr
Treasurer – Carl Weckwerth

Dec 12 – Board Meeting, host is Gary Koser

Dec 13 – Annual Christmas party – this year will be held at the Red Carpet Lanes on South 76th street. Santa will have gifts for any child 14 and under.

Feb 6 – 25th Annual Banquet. To be held at Manning's. \$12.50 per person, choice of Filet Mignon, Rock Cornish Hen, or Seafood Combination.

Feb 26 – Annual Swap Meet – to be held at State Fair Park, chairman is Dick Lardinois.

Why do Santa's reindeer wear jingle bells? Because their horns don't work!

Dear Santa, Please hurry up and come to my house. I have been a good boy all week but I can't hold out much longer. Mickey

Dear Santa, Last Christmas you left a water gun for my brother Billy. This Christmas please leave a water gun for me so I can shoot back. Love, Stevie

New Members: John/Carol Pluta

Sunshine Report: Jerry Tulogieski was in the hospital during the past month and is now at home recuperating. We hope to see Jerry at the upcoming events.

Ford Facts:

Dec 2, 1927 – new model 'A' introduced. Over 10 million people came out to see the car during its first two days of showing.

Dec 15, 1957 – 25,000,000th V-8 engine produced by the Lima, Ohio engine plant.

Dec 31, 1959 – Ford division led the industry in production and sales of cars and trucks.

Dec 1, 1970 – Autolite name was changed to Motorcraft for parts branding.

Note the following is not historical but I found informative in visiting a recent web page

The Ammeter!
by Tom Endy of the Paradise Valley Model A Ford Club

The ammeter in a Model A Ford can be a very useful tool in a variety of situations that will signal to the driver the car's electrical status.

Whenever you park a Model A, glance at the ammeter, the needle should be pointing to zero. If instead it is pointing slightly to the left it is telling you that somewhere within the car there is some unauthorized current flowing that is going to drain the battery if you leave it that way long enough.

The cause may be the headlight or dome light switch is turned on. It is also possible the contacts in the generator cutout switch have stuck closed. Another possibility is the brake light switch is closed due to a weak spring in the switch. Whatever is the cause you will become aware of it and can immediately address the problem instead of returning to find a dead battery.

When you first climb into the car to go for a drive before starting the engine press your foot on the brake pedal while observing the ammeter. The needle should deflect to the left. This is telling you that your brake light switch works and at least one of the bulbs is not burned out.

When you start the engine and rev it up past idle the ammeter should deflect some distance to the right. This is telling you the generator has taken over the car's electrical load and is also supplying charging current to the battery. If the needle stays at zero or deflects to the left it is telling you the generator is not working.

The ammeter can also be used as a gauge to set the generator output. This is accomplished by moving the third brush in the generator. Moving the brush changes the generator output voltage level and will determine the amount of charging current that flows to the battery. The procedure is to have the engine running at an rpm higher than idle with everything except the ignition turned off. The generator is then adjusted for a nominal 8-amp output as registered on the right side of the ammeter. Eight amps is considered nominal, but you can set it for whatever value suits your driving needs.

In 1929 Ford moved the black primary wire that runs to the ignition coil from the passenger side terminal of the junction box on the firewall to the driver's side terminal (reference service bulletin page 390, November 1929). The purpose of this change is to have the ignition current pass through the ammeter to provide a diagnostic tool when starting the engine. If for some reason the car refuses to start while cranking it over, observe the ammeter. The needle should be alternately moving from left to right past the zero mark. This is being caused by the ignition points opening and closing and it is telling you the ignition primary circuit is working correctly and the problem is elsewhere.

If you have replaced the generator with a modern alternator, which has a regulator, the ammeter will tell you a number of things. When you first start the car up and are rolling down the road the ammeter will more than likely be far to the right side of the zero mark. This is telling you the regulator in the alternator has determined that the battery needs significant charging to replace the power that was used by the starter to start the engine. After some period of time the needle will pull back to zero as the battery regains its full charge. If the needle remains far to the right for an excessive period of time it may be telling you that you may have a defect in the battery, such as a dead cell.

On a long trip the ammeter needle should be sitting on zero indicating that the battery is fully charged. However, it may also be an indication that the alternator is not working. An easy check is to momentarily turn the headlights on. If the alternator is working properly it will immediately pick up the additional load. You may see the ammeter needle flicker slightly, but it should remain on zero. This tells you the alternator is working. If the needle deflects to the right significantly and stays there it is telling you the alternator is not working and the battery has picked up the additional load.

The ammeter is a great tool. The more you pay attention to it the more you can determine what is going on with the electrical system.

FASHIONABLE BOOTS

By Lois Przywitowski

In some parts of the country, the snow is flying and the trusty galoshes may not be enough to protect your feet from the winter weather. Thankfully, in the Model A era, there were multiple, fashionable, boot styles from which to choose, some of which are shown here.

High Cut Boot

This sporty 15-inch high cut boot features a handy side pocket. The soles are genuine Goodyear Welt* leather. The heel is topped with rubber. The available colors are brown and black, in sizes 2 ½ to 8 in a wide width. The sale price is \$4.79.

*National Bellas Hess,
 Winter, 1931-32*

*The Goodyear Welt is a method of stitching the upper and sole of the shoe together, resulting in the unique positioning of the two seams in the shoe bottom. A hidden seam holds together the welt, the upper, the lining and the insole of the shoe. It is stitched using a Goodyear Welt Machine.

LOOKING BACK AT PAST EVENTS.....

9 Model A's turn out for Veterans Day parade

Members of the Wisconsin Chapter honored our military veterans on Saturday, Nov. 5 by taking part in the 53rd annual Milwaukee Veterans Day parade. Nine Model A's turned out for the parade on a sunny, mild morning.

As has become tradition, our group met at Miss Katie's Diner near Marquette University for breakfast and conversation before heading to the staging area at the corner of Fourth and State streets (amid construction of the new Buck's arena!) for the 11 a.m. parade.

Club members participating were Dave and Donna Boucher; Bob and Karen Schmiechen; Carl Doro and grandson Dominic; Gene and Betsy Taurman; Jim Kummer and Maggie; Bob Lumley; Dan Miller; Ed Krug (Bob Sonnen's son-in-law); and Neil Besouloff. Club member Stan Larson was also sighted on the other side of State Street in his Model A pickup truck. Stan was part of an Honor Flight parade entry.

As in past years, we gave rides to dignitaries from the Wisconsin AMVETS organization and this year's AMVETS princess. All expressed their appreciation for our role in the annual parade. – Neil Besouloff

Gene Taurman displayed the Wisconsin Chapter banner on his bumper during the parade lineup on Fourth Street.

Bob and Karen Schmiechen put a "Thanks Vets" sign across the front bumper of their Model A.

Bob Lumley's Model A stands out from the parade crowd with its weather-worn paint job.

LOOKING BACK AT PAST EVENTS.....

On Sunday, November 20th, 2016, our group attended the 54th annual Waukesha Christmas Parade. The temperature was 36 degrees with the sun glowing brightly in the sky, keeping the chill out of the air. I was great listening to the bands and various groups playing Christmas music. It really put us in the holiday spirit.

The streets of downtown Waukesha were crowded with spectators spilling out into the street to see the parade. The street narrowed so much in some areas that there was only room for a car to fit through. I want to thank Dave and Donna Boucher and Bob and Karen Schmiechen for attending. Our cars were decorated in the holiday spirit and looked great.
