Memorial Day Parade – May 25th

We are pleased to invite you to join us on Memorial Day, Monday, May 25th, 2015 to participate in the 150th annual Memorial Day parade. The parade is to remember our veterans who gave their lives while in service of their country, so we can enjoy the freedoms and securities we have today.

The parade will gather at 1:00 p.m. at the corner of North 4th Street and Michigan Street at the Carl Zeidler park downtown Milwaukee. It will then proceed to Veterans Park on Milwaukee's lake front. The parade will begin promptly at 2:00 p.m.

Lets make this a great tribute to our veterans who have given so much of themselves for our country. It's a day to honor the dead by serving the living.

19th Annual Model A Day — Sharon, Wisconsin First Sunday in June 2015

Every year on the first Sunday in June, the spirit of the 1920s and 1930s is brought to life in the small town of Sharon, WI as Model A's line the main street. People dressed as gangsters and flappers from the period promenade in front of the well preserved facades of local businesses, displaying architecture of a different time. With these historic buildings, the Model A's and people in period attire look quite at home. Model A Day is an event put forth by the Historic Downtown Sharon Association and the Rockford, Illinois Rockford A's Model A Club to bring to life the history that surrounds us and to get in touch with our past. The illusion of stepping back in time is aided by costumed residents of the town, time-period entertainments, and of course, those delicious foods we have been eating for as long as we can remember. Whether you're a new face or an old friend, we look forward to seeing you!

Date & Time: Sunday June 7th, 2015 between 9:00 a.m. and 2:00 p.m.
See the May issue of *Wheeling the A* for more details of the tour.

Presidents Notes.....

Spring Greetings,

I hope you all enjoyed our brief taste of spring, I'm hoping the real thing is here soon so we can enjoy all the great tours we have set in place for this year. Please watch the newsletter for all the upcoming events and club information.

Thank you to all our swap meet volunteers, we had a successful swap meet again this year. Happy to report our door count was up this year. We had a great turn out at New Berlin Ale House for our swap meet thank you luncheon, conversation and pizza was great.

We finished off our indoor meeting season with a guest speaker on honey bees. It was very informative and interesting.

The tour season has filled with interesting events for this year. Thanks to the Engels and Larsons for stepping forward and planning the April tour. It sounds like a great tour. That's all for this month I hope to see you all soon at our outdoor tours.

-Mike

Sunshine Report.....

Long time member Sally Kaufman passed away February 15th, our thoughts and prayers are with the Kaufman family.

To all the wonderful friends that Sally and I have made in the last 40 years, a very heartfelt thank you for all the cards, prayers and thoughts over the last few months. Its been a tough couple of months, but our Model A club has been like family and we really appreciate the help.

Wally & Chuck Kaufman

To the Wisconsin Chapter Model A Ford Club,

One of the last requests that Sally asked me to do was to publicly thank Gene & Betsy Taurman for the help on our one and only breakdown in our Model A. Coming back from last years fall tour we broke an axle shaft in downtown Burlington, in the middle of a busy intersection. After pushing the car out of the intersection, but still facing the wrong way in the traffic lane. We thought here's our first try using our AAA membership. After waiting 30 minutes, Gene & Betsy Taurman showed up and insisted that they wait with us, after about an hour and a half, it became apparent AAA was not going to show up anytime soon. Gene got out his magic phone and started to call around town for help. He soon got hold of the police department and they gave him the name and number of a local towing service. We made one call and in 30 minutes we were on our way home. It turns out the tow truck driver owned a Model A and I wound up selling him some parts.

Now you ask why I'm telling you this now, Sally did not want this known before the banquet for fear that we'd get the bent wheel award! Thank you again Gene & Betsy Taurman.

-Wally Kaufman

MAFCA Wisconsin Chapter General Meeting Minutes

March 8, 2015

Board Members Present: Mike Quam, Steve Lewis, Randy Kind, Dave Huenink, Neil Besougloff
Absent: Karry Kultgen

Mike Quam called the meeting to order at 1:30 p.m.

President –Mike – Mike thanked everyone for coming. The club received the reciprocating newsletters.

Vice President – Randy – The club received one new membership application from Steve Krantz. A motion was made by Dave Boucher and seconded by Jim Kummer to accept the new member. The motion was put to a vote and it carried.

Secretary – Dave – A motion was made by Paul Piotrowski and seconded by Stan Larsen to accept the February 8th meeting minutes as written. The motion was put to a vote and it carried. Two hundred and twenty-five members renewed their membership.

Treasurer – Steve – A report of the revenue and expenses from last month was given. A motion was made by Linda Huenink and seconded by Mike Brojanic to accept the treasurer's report. The motion was put to a vote and it carried. Several bills were turned in. Stan Larson made a motion and seconded by Paul Piotrowski to pay the bills. The motion was put to a vote and it carried. There will be a swap meet report in the next issue of "Wheeling the A" and also brought up at the November general membership meeting. The swap meet committee tentatively booked the dates for the 2017 and 2018 swap meets. The date for the 2016 swap meet is February 28.

Outdoor – Neil – The outdoor events for 2015 were reviewed and all of the tours have hosts. Stan Larson talked about his tour in April which will be through the Holy Hill and Big Cedar Lake area. Dave Boucher talked about the overnigher on Memorial Day weekend. Dave reviewed the routes and events planned for the tour. The tour dates are May 23rd through May 25th.

Indoor – Topics and hosts are needed for the indoor events this fall. Mike proposed for November's indoor meet that the club's old pictures be laid out and maybe a trivia contest to identify the members. The membership can then take the remaining pictures and the balance will be thrown out, unless someone wants them all. No one stepped forward to host the 2016 banquet. Dave Huenink will book the date and time at Meyers Restaurant so we can secure a banquet location.

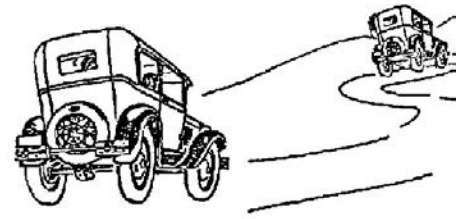

Old Business – The CD was moved for Bank Mutual to Associated Bank. The CD will earn 1.3% interest for 5 years. March 19th will be the last technical seminar and the topic will be a transmission repair.

New Business – The board decided to purchase a money counting machine for the swap meet. The unit has a lot of nice features which are advantageous to the club. Mark Ackerman reviewed the tour he is hosting to Johnson Wax. Fred Fischer, a previous club member, passed away.

Mike Brojanic made a motion to adjourn the meeting and it was seconded by Roger Olsen. The motion was put to a vote and it carried. The meeting was adjourned at 1:52 p.m.

Respectfully submitted,
Dave Huenink
MAFCA – Wisconsin Chapter Secretary

'A' Trip Back to April 1983

Officers:

President – Jack Grundman
Vice President – Ron Smith
Secretary – Gary Koser
Treasurer – Dawn Dohmeyer

Apr 9 – Board meeting, hosts are the Kummings.

Apr 10 – Indoor meet/ ice cream social – As in the past, our custard comes from Leon's custard, 3131 South 27th street. There will be a Dixie land band there to entertain you as you enjoy your custard. *I wonder how long Leon's has been donating custard to our custard social, looks to be at least 21+ years. Remember the old Palomar Roller Rink? It was also located on 27th street near Leon's.*

Apr 14 – Technical meeting, to be held at the Avenue Brake Shop for part two of a three part program on engine rebuilding. Valves, pistons, piston rings and connecting rods will be assembled into the block as well as other engine parts.

Apr 24 – Spring start tour meet at 1:00 p.m. at the Brookfield Square shopping center.

May 15 – Tour – Diane Dohmeyer and Mike Grundman are the hosts. We will meet at Jack's Automotive in Waukesha at 12:30. Details to follow.

Mar 19 – Technical meeting – vehicle inspection.

Sunshine Report – Pam Pfeil was in the hospital the past month and is now home and doing well.

New Members: Wilbur/Marian Smith 1930 Tudor; Julian/Patricia Potisk 1931 Deluxe Coupe; Donald Porte; Gilbert Wehr 1928 Roadster Pickup; Jerome Tatro 1929 Roadster.

Cars are so small these days that a pedestrian has to look left, right and down!

Wisconsin Model A Reunion

July 24-26, 2015

The same weekend as the Model A Reunion, there are other events in the Rapids area. Because of this, motel rooms are going fast. If you need one for the weekend, make your reservations as soon as you can.

Anyone planning on attending this yearly event is asked to pre-register, this will save you \$5 on the weekend. You can find the pre-registration form on the Reunion's web site listed at the end of this article.

As fight cabin fever this winter, and head out to the garage to organize your Model A stuff, remember that items that you no longer need are great items to donate to the Reunion Auction. Non-Model A items are also needed. Just remember no junk, and leave the broken stuff at home.

Along with the auction and raffle, there will again be a Silent Auction this year. Each club is asked to make at least one basket, having their members donate items to fill the basket. There are three categories, Men's, Women's and Children's. See the Reunion web site for a list of ideas for your baskets. Clubs are not the only ones that can make baskets, individuals can make one also.

Remember that all income from the auction and raffles help offset the cost of next year's Reunion, helping to keep this event affordable for everyone.

Help is needed throughout the weekend. All participants ages 16 and above are required to sign up for a job duty.

Looking Back in the Rearview Mirror

Thursday, February 19th was a bitterly cold night. However, we had a great group of Model A enthusiasts come down to Oak Creek for our seminar on this freezing night.

During the last driving season Steve & Ele Gapko had problems with the high compression head on their Model A. They took the head in to have it checked and found out the head was .008 (8 thousands) out. This would definitely make the engine blow a gasket. The engine was milled to make it perfect again.

Steve brought his engine to our seminar and we put a new head gasket on the engine. Since this is a high compression head, we put the crown moly stud and nut kit in. The reason we did this was to make sure that we did not have any stretching in the stud as far as the high compression head once it was torqued to 60 ft. lbs. in the CORRECT SEQUENCE. This was done instead of the 50 ft. lbs. as described in Les Andrew's book for a standard head.

Our next project for the evening was adjusting the king pins on Jeff & Kathie Bezotte's front axle assembly for their Roadster Pick Up. We installed the EZ steering kit with all the new steering balls. MAN! Does that work smooth now! Kathie will think she is driving a new pick up down the road!

A Thank You To All Who Participate In Our Seminars.

Swap Meet 2015

After midnight on February 22, Bob & Kitty Schaefer, Art & Sue Blazek, and Mike Brojanac arrived to mark the floor for our 226 vendor spots. Before long our 113 vendors were arriving and starting to set up for the swap meet. This year all vendor spots were sold out 2 weeks prior to the show.

By 7:00 a.m. we had spectators coming to the door wanting to get in. We had Pat Piotrowski, Steve & Ele Gapko, Steve & Deb Lewis, Gary Schwabe and Sue Quam cashiering and putting on wrist bands. As fast as we could go, they kept on coming, that line seemed endless. By the days end we had 2,163 paid admissions come thru the doors, which is up from last year.

The swap meet committee is comprised of; Dave & Donna Boucher who head up advertising, Bob & Kitty Schaefer who head up volunteers and Mike & Sue Quam who handles all vendor correspondence. We all do a large array of things and help where ever needed.

BIG THANK YOU's to all the volunteers who helped out, we had a very successful swap meet.
