Note: The Racine Zoo is not responsible for any damaged or missing items or personal injury.

Racine Zoo Car Show Instructions

(flyer on previous page)

Meet at the M&I Bank on the corner of Ryan Rd. (HWY 100) and Howell Ave. (HWY 38). **We will leave for the Zoo at 9:00AM.**

You may register at the Zoo for \$15.00 or Pre-Register for \$10.00 as the Flyer explains.

After the Show we will be stopping for dinner at a restaurant yet to be determined. Hosts are Mike and Mark Ackermann.

If you have any questions call Mark 414-477-6302

BARABOO -CIRCUS WORLD-Model A Day

The event will work the same as last year. Please appoint one person to act as the representative from each chapter and have them forward the information to Ken and/or myself about who will be attending so that placards can be made up for the cars. I will confirm with Dave at Circus World what gate to enter at and forward that information to you as soon as I have it.

For those wishing to stay overnight, the web sights for Baraboo and the Dells are below:

Baraboo: www.baraboo.com (website); phone (608) 356-8333 or (800) 227-2266; e-mail request for information visitus@baraboo.com

Wisconsin Dells: <http://wisdells.com> or <http://dellschamber.com> (websites); phone (608) 254-8088 or (800) 223-5337; e-mail request for information info@wisdells.com

Let's hope for good weather that weekend! If anyone is concerned about flooding, Dave at Circus World told me earlier that they were only closed for a couple of days due to the flooding right when it first hit. All exhibits are open and ready to go!

Please contact us with any questions you may have via e-mail. Thank you in advance for your attendance! Last year's event was great, let's make this year FANTASTIC! We hope to see you ALL on August 23 in Baraboo!- *Ken and Brenda Brekke* **See next page for more information**

Mitchell Manor Car Show

When: Sat, Sep 13, 1pm – 4pm

Where: 5301 West Lincoln Ave. Milwaukee

Description: Join Carl and Lu Doro to enjoy an afternoon in this park like setting. Treat the residents to a view of something from their early years and enjoy their stories.

Refreshments will be served. **SEE PAGE 18 FOR THE REGISTRATION FORM**

10th Annual Thresheree Saturday, September 20th

This event is held at Richfield Historical Park located on Hwy 164 (between Pleasant Hill Road and Hwy 167). We will meet Saturday morning at the Friess Lake School Parking Lot at the corners of Hwy 164 & Holy Hill Road (167) **at 9:15 am. We will depart at 9:30 am.** There is a pancake breakfast from 9-11:00 am. Any questions, contact Ed or Lorraine Schultz at 262-251-3043.

We hope to see you there!

**Wisconsin Chapter, Inc. MAFCA Seminar
Road Trip to Bill Stipe's Specialty Motor Cams
Plymouth, Wisconsin
Saturday, September 27th, 2008**

8:00 A. M. "Down South" People depart from
Mail Truck Model A Parts Company
8509 S. Howell Avenue
Oak Creek, WI 53154

9:00 A. M. "Up North" People will join us
McDonalds
Green Bay Road (1/4 mile North of Brown Deer Road)

We have planned a road trip to Bill Stipe's Specialty Motor Cams for our October Seminar on Saturday, September 27th. They make new cams and regrind old ones along with many other new performance engine parts. Stipe has an engine dyno and tests their cams and products along with building complete dyno tested performance engines. Because Bill is also a Model A person, he has a better understanding of our vehicles and what they need.

Bill Stipe's place is approximately 60 miles North of Mail Truck Model A Parts Company in Oak Creek. We would like to encourage people to drive their Model A's or car pool in modern iron.

Look for lunch plans in our September newsletter. We are considering a trip to either the Kohler Design Center or the Michael Kohler Art Center in Sheboygan after lunch.

Plan to come and have a great time at our October Seminar in September! But, please call or e-mail me so I can let Mr. Stipe know how many people to plan for.

Thanks ... Roger Olsen
262-554-7058 or rolsen@milwpc.com

PREZ NOTES FOR AUGUST 2008

In late June I flew down to Dallas, Texas, to hook up with some Model A friends from Missouri for the 3rd MARC/MAFCA World Model A Meet. What an experience!

With more than 800 registrants, perhaps 500 or so Model A's, and a total somewhere near 1,200 people (counting spouses and family members), this type of meet was something all of us should experience.

It was back in the 1980s when the Wisconsin Chapter hosted a World Meet at Lake Geneva. Many new members have joined our club in the two decades since, and I know there are many members today who have never attended a national event.

The week of activities in Dallas, hosted by the Dallas Model A Club, included an outdoor and indoor swap meet, clinics and seminars, a welcoming party, a banquet, a daily hospitality room, car judging, and, of course, the opportunity to look over hundreds of Model A's from California to New England and all points in between.

Many of the cars were driven to Texas, and others were trailered (some of the rigs were more impressive than the A's!)

Among the interesting A's we encountered was a blue roadster that had been recently driven by a couple from Indiana all the way to Alaska via the Al-Can Highway (the story was chronicled in one of the national Model A magazines); a beautiful 1931 A-400 convertible coupe with a 1932 grill and shell, mid-1930s steel wheels, air conditioning, and under its hood a modern 2.3 liter 4-cylinder Ford engine; and a number of commercial trucks including one pickup painted for a Dr. Pepper bottler.

I also saw two fire trucks (a pumper and a ladder truck), the Huff and Puff yellow Model A school bus (the varnished interior looked like a Woody on steroids), a homemade four-door crew cab pickup, and numerous speedsters, some with wild-looking racing heads and other modified accessories.

I was surprised to see how many Model A's had air conditioning, but given that the meet was in Texas in June (it reached 99 degrees one day) and the fact that many of the cars were from the Lone Star State, I shouldn't have been too surprised.

Besides the cars, activities, and of course food (we had Texas BBQ our final night in town), there were bus tours including a trip to the Texas Book Depository museum in downtown Dallas, where Lee Harvey Oswald assassinated President Kennedy. While we all know the story, looking out the museum's sixth floor windows down onto the pavement next to the grassy knoll, the same view Oswald had, was sobering.

The highlight of the meet was a tour to Texas Motor Speedway, a NASCAR circuit track. All Model A's were entitled to three laps around the 1.5-mile track in heats of about 25 cars each. With so many A's in attendance, the event took seemingly half a day to complete.

Since my own Model A was back in Wisconsin, I rode in the rumble seat of my friend's coupe. He was in the passenger seat and his son was driving. Needless to say, it was a thrill to be in the rumble seat as we rounded the four banked turns (yes, we were up on the 24-degree banking) at 50-plus mph behind the track's pace car.

While the Dallas meet has now come and gone, there will be other national meets each summer. All of our club members should consider attending a national meet. It's a great opportunity to travel (perhaps with your Model A), meet new people, learn new things, see new places, and eyeball Model A's from all over the country.
– Neil Besougloff

Reminiscing With the Historian

FIFTY YEARS AGO, 1958 - The Model A Ford Club assembled at the Howard Johnson Southgate parking lot to start the tour to the 1958 National Meet in Dearborn, Michigan. There were tours of the Ford Rouge plant and the Ford Museum. The club went on a sightseeing tour of Detroit and crossed the bridge into Windsor, Canada. The tour coordinator was Wally Klager.

FORTY-FIVE YEARS AGO, 1963 - New members were Alfred Ziegler and sons Daniel and James. Harold Sponholz rejoined the club after dropping out for a time.

FORTY YEARS AGO, 1968 - There was no newsletter for August, just a flyer for the 7th annual Momence Glad-iolus Festival at Momence Island Park in Illinois.

THIRTY-FIVE YEARS AGO, 1973 - August was busy with a rap session/seminar at The Avenue Brake Shop, the annual picnic at Muskego Park in Waukesha County hosted by Mike Brojanac, the Concord regional meet and the Brookfield Square Show.

THIRTY YEARS AGO, 1978 - The picnic was held at Raebel's Friess Lake Inn in Washington County, so swimming could be included in the activities. There was a tug-of-war with the 1928-29 team versus 1930-31. The Hard Luck award was given to Gene Lowerr, as his truck was boiling over as he entered the parking lot. "Family of the Month" was the Dennis Pierce family.

TWENTY-FIVE YEARS AGO, 1983 - Over 70 families turned out at the El Dorado retreat picnic grounds on Bass's Bay in Muskego. 600 hot dogs were grilled and 40 dozen corn roasted. Mike and Carol Mazurkiewicz dished out the ice cream and the Sukkerts planned the games for young and old.

TWENTY YEARS AGO, 1988 - This year's picnic was held at Harnischfeger's 150 acre park. The summer was very dry and hard on the corn crops so watermelon replaced corn on the menu. Hosts were the Schultzes, Kanes, and Gillens.

FIFTEEN YEARS AGO, 1993 - The 35th annual Threshing Bee and Engine Show was attended by many of our club members. The annual picnic was held August 1st and there was a Manitowoc overnigher.

TEN YEARS AGO, 1998 - The Board meeting hosts were Dave and Dawn Dohmeyer. Club members displayed cars at the Oak Hill Village Show. Jim Kummer and Dave Boucher hosted the picnic.

FIVE YEARS AGO, 2003 - Ferch's Malt Shoppe held a 50's-60's music Cruise Night. The eighth annual Racine Zoo Classic Car Show was hosted by Bob Heinrich, and the picnic was hosted by George and Carolyn Wartner and Rich and Liz Miller.

Submitted by Art and Sue Blazek

This month in Auto history:

1900 Firestone was founded.

1915 the 100 mph speed barrier was broke with Peugeot at the Chicago Speedway.

1912 the first double decker bus hits the streets of New York City.

1899 Henry Ford exits as chief engineer at Detroit Edison Company in order to concentrate on automobile production.

1859 Edwin Drake struck oil at 69 feet near Titusville, Pennsylvania--

1899 A Stanley Steamer, driven by F.O. Stanley, became the first car to reach the summit of Mount Washington, New Hampshire.

The Rearview Mirror

Poker Run—June 15th

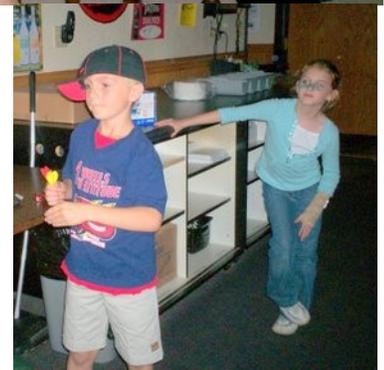

Rain was in the forecast for both Saturday and Sunday and part of the route was under water. Saturday morning the sun was out and drying things up but on Saturday afternoon the showers came again. This time they were scattered and moved out quickly. Rain was still in the forecast for Sunday. Would we be able to get the Poker Run in before the rains came? Sunday turned out to be sunny and dry for the run. The weatherman was wrong this time. Despite the forecast and it being Father's day we had 21 cars come out.

The Poker Run started out at the Rodrian Insurance offices where the first card was given out and everyone had a chance to get another card by playing a game of blackjack with "Fast Eddie". We ended up at Pistol Pete's for prizes and pizza. There was also a chance to win another card by throwing darts at the cards.

Carol Mazurkiewicz had the best hand followed by Jan Olsen, Marilyn Brojanac, Sally Kaufman, and Mike Mazurkiewicz. Emma Smith won a prize for doing a great job of navigating for Grandpa.

We would like to thank everyone who came out. Also thanks to Marilyn who got us the use of the Rodrian Insurance offices. We would like to thank everyone who helped out with the run: Eddie & Lorraine Schultz, Laura and Diane Smith.

We hope you all had a good time!
Dennis & Anne Wacker and Jim & Marlene Stegner.

The Rearview Mirror

Independence Day Parade, Greendale Friday, July 4, 2008

The weather certainly cooperated on this day. Spectators lined the complete route and enjoyed the sights and sounds of the Model A's. I had the pleasure of riding in the rumble seat of Roger Olsen's roadster. My daughter was Roger's passenger in the front seat. Pat and Jan enjoyed the company of Marty and Jo Lene in the back seat of the Jannsen's sedan. After the parade activities, most of the participants gathered at "The Old Country Buffet" for a great tasting lunch.

Pat, Joy & I would like to thank the following club members and friends who joined us at the Village of Greendale Independence Day Parade:

Neil Besougloff
Ed & Joyce Churchill with friends Kurt, Cindy & Tara
Bob & Sandi Davisson with friends Shirley & Norb
Carl & Lu Doro
Marty & Jo Lene Jannsen
Roger & Jan Olsen
Bob & Barb Sonnen

Thanks!!

Paul, Pat & Joy Piotrowski

Franklin 4th of July Parade

The Franklin 4th of July parade went great. The day was slightly over cast and comfortably warm. One group had breakfast at McDonalds and another at a local Franklin Restaurant. We hooked up in our parade location waiting for the parade to start. In all there were 5 of us who I have listed below. The conversation was good and the company was even better. The spectator turnout was large with such a beautiful day.

Tom Tess, 1930 town sedan

Richard and Bonnie Maschell with the grandkids in 1929 Phaeton

Dave Rozman, his sister Rosalie Daniels and her husband Jerry in 1930 town sedan

Jim Kummer and Carrie Frank in 1931 Cabriolet

Dave Huenink and Morgan (smooth fox terrier) as navigator in 1929 sport coupe

Tour and Events Planning Guide

The following points listed below are a guideline to help set up an event.

- Select an event or tour and a date.
- Contact your event chairperson and make sure they are aware of your event.
- Start promoting your event as early as possible, via the website/newsletter and at club events. Newsletter deadline is the 15th of every month.
- Start a sign up sheet so you know how many people to expect.
- Select a start and finish point.
- Prepare directions and or maps for participants.
- Know that you have a \$300 budget to work within. Use as needed, if needed for your event ie. Snacks, beverages, admissions. Keep receipts, contact chairperson with any questions about spending.
- If you desire, ask for a co-host to help with the event.
- If you have questions contact your outdoor chairperson or any board member. The list of board members is listed in the front cover of the roster & newsletter.
- Verify and confirm events and reservations prior to the event.
- After the event, complete a final meet report (report sheets can be found on the website) and give to outdoor chairperson. Write up a brief overview of the event for the club newsletter and give to editor.
- Over night tours can be more complicated, please contact your chairperson with any questions.

Spring Creek Car Show—June 29th

Cooler good weather, though it looked iffy a couple times, it was a great day! This being my first time at this car show, I was amazed at the size of meal the church provides. Brats, hot dogs, potato salad, beans, fruit salad, sweet corn, soda's, and ice cream bars all for free. WOW! A very nice car show indeed, many different years and makes of cars, something for everyone. They even had game area for kids, door prizes for adults and musical entertainment. Elvis even made an appearance as well as McGruff the Crime Dog...taking a bite out of crime! Thank you to those that came out to enjoy the day! - Sue Quam
