As of January 1, 2024 the monthly newsletter and the annual roster will be delivered by email only. This means **ALL LIFE TIME MEMBERS will NEED to fill out and submit the dues renewal form to the secretary, but DO NOT enclose any payment.** All other members will submit the form with their check. In past years many life time members were not submitting a renewal form. At this point we have no way of knowing if you still wish to be a member. So this fall please remember to submit your dues renewal form.

Please make sure the secretary has your correct email address. The newsletter can also be looked at and printed via the website, as well as the roster under "members only section".

ATTENTION!

Notes from the Pres....

The Prohealth Car show held at Regency Senior Communities in Muskego in June had a nice turn out of Model A's and one Mustang. Thanks you Mike and Sandi

Yokofich for inviting us. Members were able to sit around a table, eat and enjoy visiting with each other while listening to the musicians.

Sounds like the Greendale 4th of July parade was well attended. Thank you to the Hueninks for heading up this parade.

A little bird tells me Vicki and Dennis Cooper won awards at Saint Dominic's Church car show. 'Best In Class', 1949 and older for the Tudor and the truck got 'Honorable mention'. Over 450 vehicles were in attendance. Congratulations!

August has some nice events coming up, a tour to the Wind Point Lighthouse, which Dave & Linda Huenink need you to RSVP to. See next page. Also the annual picnic at Chris & Kate Rozman's farm. Please RSVP to them to help with food count. See page 8

See you soon

COFFEE & WALDOGS TOUR

SEPTEMBER 17TH, 2023

On September 17th, 2023 Dave & Linda Huenink will host a tour to the Lake Geneva Coffee Roastery in Elkhorn WI and then head to Delavan for a Walldogs scavenger hunt.

Our group will meet at McDonalds, S71 W23460 National Ave, Big Bend, WI between 8:00 a.m. and 8:30 a.m. for breakfast (which will be on your own). We will depart at 8:45 a.m. sharp and head west to our destination in Elkhorn -The Lake Geneva Coffee Roastery.

Jeremiah Fox is the owner of the Lake Geneva Coffee Roastery, which is a small commercial roaster and sells coffee to local restaurants, cafes, and grocery stores. Because he is legally blind, he uses his keen sense of smell, hearing and taste to create his roasting profiles using the assistance of talking timers and tactile points on his machines controls so he can adjust the temperature and flow.

After a forty-five-minute tour of the Lake Geneva Coffee Roastery, our group will head to Wilson's Fine Meat's which is very close to the roastery. Make sure you bring a cooler with ice in to put your purchases in. The Wilson Family has been farming since the 1870's. Scott Wilson is the fifth-generation and established Wilson Farm Meats in 2004. They offer many different cuts of meat as well as a whole or half side of beef or pork which are smoked in their own plant. From there we will head to Delavan for a Wall Dog scavenger hunt

The Walldogs are a group of talented sign and mural artists from all over the world. The Walldog movement began in 1993 when a dozen artists gathered in Allerton, Iowa to paint several large historic wall advertisements. The tradition of painting wall advertisements continues today by this modern pack of artists as they paint in the design styles of the past. In June of 2015, the Walldogs gathered in Delavan, Wisconsin and transformed the town with beautiful murals, bringing to life the varied history of Delavan.

When we arrive in Delavan, we will meet at a local park and from there, each car will head out on the Walldogs search with an answer sheet. Once completed, we will meet again and the answer sheets will be turned in. They will get corrected and prizes will be awarded to those who get the most correct. We will end the day with a bite to eat at Elizabeths Café in Delavan. (Which will be on your own)

This will be a fun filled tour and if you have any questions, please feel free to give Dave or Linda Huenink a call at 1-262-719-1056. We look forward to seeing you on the tour.

Dave & Linda Huenink

'A' Trip Back to the August 1991

Back in the day, we had nine members serving on the board in addition to ten volunteer positions. Our President in 1991 was Dave Rozman. Assisting Dave was Vice President Marty Richlen, Secretary Bob Heinrich and Treasurer Jack Achterberg. Also serving on the board were Dennis Haag – Outdoor Chairman, Gary Gillen – Indoor Chairman/Advertising, Mike Grundman – Technical Chairman, Tony Sillman - National Correspondent/Club Accessory Sales, and Roger Olsen – Awards and Sunshine.

New members were James & Jacalyn Nayberg, Gary & Sandra Norton, George & Janet Jacobs, Jeffery Shuler, and John & Julie Baer.

The Sunshine Report was busy for the month of August in 1991: Gary Christensen had by-pass surgery; Don Egnor was hospitalized with a heart attack; Dorothea Ehlers had a heart valve replaced; Ray Lorberter was hospitalized for a spinal fusion; and Jim Olson was recovering from surgery for an obstructed bowel.

The club's annual picnic took place at Malone Park on August 11. Burgers, hot dogs and brats as well as beer, soda, ice cream and corn were provided by the club. Adult games included the Grocery Bag Shuffle, Model 'A' Radiator fill, and the Spark Plug toss. Not to be left out, the children's games included the Sawdust Dig, the Backward Race, Three Legged Race, and the Solo Sack Race. A great time was had by everyone. The event was hosted by the Bouchers.

This month we feature 'Polish Mistakes' (*Anni Canziani, from Wi Chapter, "A" Road to Good Cooking*)

Looking back....

4th of July Parade

I would like to thank all of those who attended the Greendale 4th of July parade. There were seven Model A's that attended consisting of two coupes, one pickup truck and four sedans. Once again, we were honored to have Eleanor Roosevelt riding with the Gillens in their car. This year, however, we also had three members of the Stars and Strips Honor Flight riding with us. I would like to thank those Model A owners who were able to accommodate those passengers. The parade was well attended with spectators – many who were enjoying seeing our cars and listening to the Ahooga of the horn. All though the day was on the warm side and the humidity was high, all cars performed well. Thank you again to all of those who attended.
