Annual Picnic - Sunday, August 23

Come out for a fun picnic on Sunday, August 23 at 11:00 a.m. at Hickory Lane Park in Jackson.

The park is south of Highway 60 on Jackson Dr. in Jackson. See the map for details. This is the same park we used last year. There are a lot of fun things to look forward to at this location!

Weather permitting there is a sprinkle park for kids 0-10 years old, so bring extra clothes for the munchkins to change into. There is also a large playground that is near the shelter, so kids can play while their family can still see them easily. For the adults there is volleyball and we'll have some other fun activities. This year's food will include; brats, corn, burgers, hotdogs and of course sides!

If you need further information, call hosts Kate & Chris Rozman at 262-993-8293.

Remember club members are free and guests are \$10 for adults and \$5 for children 12 and under.

You can mail your guest checks to:

WI Chapter MAFCFA, W280 S5990 Point Dr., Waukesha, WI 53189

Model A parts and tools give away to the lucky winners.

Each Model A will be given a ticket, and random drawing will give that ticket holder the opportunity to select the part or tool of his or her choice.

There will be no parts or tools left at the end of the day.

The selection of parts and tools are a generous gift from Cathy Bleidorn, Big thank you to Cathy.

September Tour

Mark your calendars, on **Sunday September 13th, 2015** for the fishiest tours ever.

Dave and Linda Huenink will be hosting a tour to the Rushing Water Fisheries in Palmyra Wisconsin.

Departure: We will meet at the McDonald's on Highway 164 and National Ave. in Big Bend at around 9:00 a.m. for breakfast. At 10:00 a.m. we will take a scenic tour of the country side and Kettle Moraine State Forest as we head to our destination in Palmyra.

At the Rushing Water Fisheries, we will have a guided tour to the 3 trout pond's, learn how the fish eggs are hatched through their various stages of life to when the fish are ready for harvest. The ponds are 400 feet from the parking lot and the path is gravel.

If you desire to go fishing after our tour, you'll need to bring your own pole, bait, cooler and ice. The cost for this is \$9.00 a fish for the first two. If you want to fish for more than two it will be \$8.75 a pound. Rushing Waters will fillet the fish you caught and pack them in ice for you, although you will still need your own cooler and ice for the trip home.

We'll have time after the tour to visit the gift shop where you will be able to buy fresh or frozen fish as well as other food and gift items. (Bring a cooler and ice to keep your fish purchases in). Snacks and refreshments will be provided at this stop.

Then off to our next destination through the country roads to – The Elegant Farmer in Mukwonago - they are known for their excellent apple pies baked in a paper bag. The market has bakery, fresh fruits and vegetables, cheeses, selected meats and other food items. While at the market you may get a glimpse of the East Troy Electric Trolley.

RSVP's are appreciated so we can give the fishery a count of then number of club members attending.

Please contact Dave or Linda at 262 378-4216.

Keep Cool In Cotton
Pictorial Review July 1931

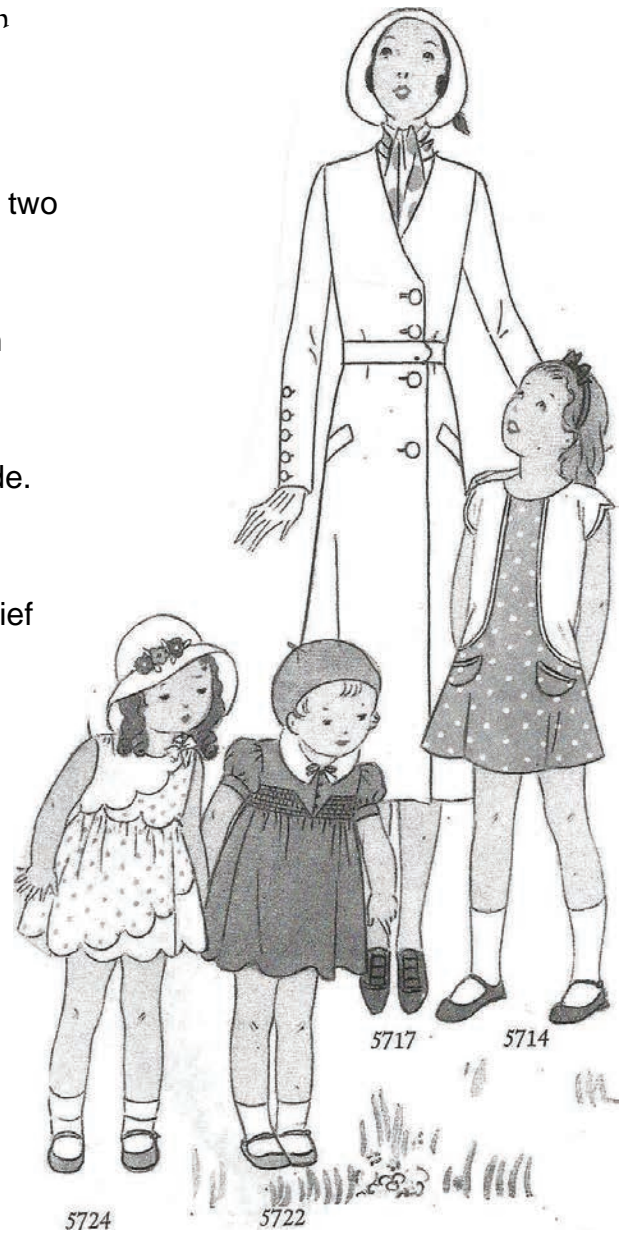

By Diane Smith

5724—Three sure-fire hits—scallops, one sided lines, and two fabrics instead of one.

5722—This style is always good shirred or smocked with Trimstitch. The puff sleeves add a quaint note.

5717—A Vionnet type, collarless and buttoned to one side. Make it of white flannel.

5714—Polka dots are nice for this. Don't you love the brief shaped sleeves?

5713---Don't you love the skirt of this dress curves up in front?

5723---If you haven't a double-breasted frock, choose this.

Presidents notes.....

Hello Everyone,

Wow! Where is the summer going ? The July 4th celebrations and lola are already behind us. With house projects, camping, and family commitments Sue and I have been busier than ever. I always thought when the kids grew up and we got older we would end up with more free time. I sure was wrong about that.

As I said last month we still need a host for our club banquet as time goes by without a host we may not be able to book any entertainment, as many of the entertainer's book up for the holiday season very early. So with this in mind please think about hosting possibly with a group of people if you don't want to do it alone. Whatever happens we have the hall booked so we will have a banquet it just may be a social gathering without entertainment.

Our summer picnic is going to be at the same location as last year with the younger Rozmans hosting again. I'm sure we will all have a great time again thanks Chris and Kate for hosting again. Stan Larson will be having drawings for some old Model A parts and tools that were donated by Cathy Bleidorn.

I guess it's never too early to ask for volunteers for the Board Of Directors, the time will be here before we know it so if you may be interested in serving on the board let me know. I think that's it for this month see you soon.

S.C. Johnson Tour, June 14th

The weather didn't look to promising in the morning, but the sun did come out and we had a great day. We had 21 cars of which 14 were Model A's. We started out in Oak Creek and then met more cars in Racine. We toured the Research Tower and Fortaleza Hall where the Spirit of Carnuba airplane is hanging from the ceiling. It was very interesting. After pizza and beverages everyone headed home. We'd like to thank everyone who attended and hope you had an enjoyable afternoon.

Independence Day Parade, Greendale, Saturday July 4, 2015

The weather was wonderful for the Greendale 4th of July parade – 82 degrees and sunny. Many spectators lined the complete parade route overflowing into the streets, enjoying the sights and sounds of 13 Model A's. We were staged next to the Corvette Club and it was an interesting comparing our cars to theirs. Also, we had an opportunity to visit with the Klement's racing sausages.

Linda and I, along with Morgan the wonder dog, would like to sincerely thank the following club members and their families who joined us at the Village of Greendale for a fun filled Independence Day Parade:

Bob & Linda Lumley, Bob & Karen Schmiechen, Sal & Barb Rojas, Steve & Eleanor Gapko, Mike Bruch & his grandson, Roger & Jan Olsen, Jeff & Katie Bezotte, Tammy & KJ Peltz, Bill & Karen Dickinson, Bob & Barb Sonnen & their grandchildren, Carl & Lu Doro, & Neil Besougloff.

Thanks!!

July Tour to Elkhart Lake

Our trip to Elkhart Lake had a great turn out with 18 cars, 13 of which were Model A's. Attendance was 35 even though it was an Iola weekend. The weather cooperated wonderfully with clear skies, warm air and light breezes. Carl Doro remarked it is amazing how much open land we have in Wisconsin.

On the way up we lost only two cars but recovered them in time for lunch after their detour through Sheboygan Falls. The drivers shall remain nameless. A couple more missed a corner in Saukville but were recovered near Fredonia. The leaders missed a couple corners near Plymouth but no one seemed to care or notice.

The roads were mostly smooth, the scenery ranged from good to spectacular and some roads were new even to the old timers. We managed to avoid stop lights with only 6 for the whole trip.

Lunch at Victorian Village Resort on Turtle Bay was delightful; outdoors in the shade with a view of the crystal clear lake on a clear sunny day in Wisconsin; not much is more pleasant than that. Most took a walk after lunch to downtown Elkhart Lake to check out the gift shops, ice cream

stores and the train depot (which was not open as promised) before checking out the race track road circuit with narration by the lead driver.

Four members, Tim and Gayle Buege, Randy and Ellen Kind drove in their first tour. Buege's initiated their bright red 31 Model A with it's first club tour. Since it had been driven on solo trips they were confident it would make the trip.

Pete Stauber invited his friends, Frank and Mary Oliver, to tour with us, we enjoyed having them. It was great to see Wally Kaufman join us also for the ride.

We ended our drive at "Wayne's Drive In" for ice cream treats (again), a north side Thursday night place for car enthusiasts to congregate.

It was a nice drive, on a nice day, with good friends and what could better than that?
