3052 Hubertus Road
Hubertus, WI

Ending Place: Sussex Community Center-
W240N5765 Maple Ave.
Sussex, WI

Chairpersons: Karen Sukkert 262-820-2710, Pete Stauber 414-352-0438 or
Mary Ciocarelli 262-334-3766

Gas station, rest rooms and a restaurant at starting point (On NE and NW corners of Hwy 175 and Hubertus Rd.)

Wisconsin Chapter, Inc. MAFCA Technical Seminar

Thursday, October 15, 2009 @ 7:00 p.m.

Power Steering In A Model "A" -

Our first seminar will be converting a 1929 pick up with stock steering to the 1948 F100 steering box. Bring your chair and come join us for our new season.

WHERE:

Mail Truck Model A Parts Company
8509 S. Howell Avenue
Oak Creek, WI 53154

**Last Tour of the Outdoor Season
Sunday October 25th 2009**

Meet At 10:30 A.M. at Mc Donald's on Moreland Road just north of National Avenue.

This is our club's last outdoor event for the 2009 season. Don't miss out on this one! We'll head to Elkhorn to see Watson's Wild West Museum. A western experience you won't soon forget. There's no other place in America like Watson's. Try your luck pannin' for gold at the Tumbleweed Mine. Enjoy their gift shop and guided tour with entertainment by a cowboy character. Admission is \$5.00 adults and \$3.75 for children 5-10 years old.

After Watson's we will tour to Big Bend city park and use the Lions club house. The park has swings and slides for the kids. The club house is located on a picture perfect spot on the Fox River. Our club will provide refreshments for all you cowpokes.

Any questions call:

Cars and drivers needed for annual Veterans Day parade

Ten Model A's are needed for the 46th annual Milwaukee Veterans Day Parade on Saturday, Nov. 7. The parade kicks off in downtown Milwaukee at 11 a.m. Lineup is approximately 10 a.m.

The AmVets group is once again eager to have us be their drivers for the parade. They inform us that all 10 cars requested for this event, regardless of whether there are enough AmVet officers to fill each car, will be in the parade.

We'll meet 8:45 a.m. for a hearty breakfast and coffee (self pay) at Miss Katie's Diner, 1900 West Clybourn Street, Milwaukee (corner of 19th Street and Clybourn Street, one block south of Wisconsin Avenue).

Neil Besougloff is the event host. In order to coordinate the number of cars, please call Neil at 262-560-1113 or email him at nbesougloff@sbcglobal.net.

FIRST INDOOR EVENT OF THE SEASON

Sunday, November 8th at 1:30 p.m.

At St. Aloysius Church—Gonzaga Hall

1414 S. 93rd Street, West Allis

**Our guest will an Antique Dealer/Appraiser.
Members can each bring ONE item to be appraised.**

ALSO AT THE NOVEMBER MEETING

Proposed change to By-Laws

Change to be voted on at the member meeting on November 8, 2009.

SECTION 2. NUMBER, TENURE AND QUALIFICATIONS

- (a) The number of directors shall be nine (9). The term of a Director shall be *three (3)* years commencing at the Annual Meeting and until the successor shall be elected and qualified. *Three (3) Director positions shall be opened at each Annual Meeting for the Directors whose terms expire.* Each Director shall be a member in good standing and be a stand-alone member of the National MAFCA.

The change is in bold italic print.

Wisconsin Chapter, Inc. MAFCA Technical Seminar
Taking A Model "A" Engine Apart
Thursday, November 12, 2009 @ 7:00 p.m.

Our second seminar will be diagnosing what caused the breakdown of an engine that had been running great. We do know this motor made a sudden change in noise when it began to run not so great. Our job will be to find out what happened. What noises should we be aware of. Come and help us find out what is wrong with this engine and how to make it run like A Model A engine should.

8509 S. Howell Avenue
Oak Creek, WI 53154

Questions?
Call Al or Tony @ 414-762-7288
Or Roger @ 262-554-7058

Bring your chair and come join us.
Roger, Technical Chairman

TAKE NOTE OF THE EARLIER MEETING— To avoid deer hunting, holidays and winter driving it was decided at the conclusion of the 09 reunion to hold the meeting this October.

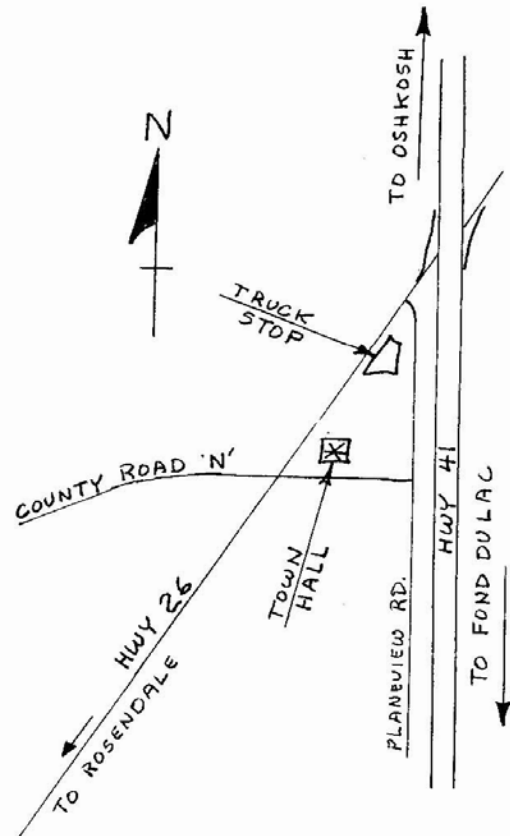

2010 Wisconsin Rapids Planning Meeting

The Planning Meeting for the 2010 Wisconsin Rapids Model A Reunion will be held October 31st, 2009, at 11:00 a.m., at the Nekimi Town Hall. This meeting brings members from each of the four clubs together to plan for an exciting weekend in July.

The Town Hall is located at the intersection of State Highway 26 and County Trunk N, just south of Oshkosh, and west of the intersection of US Highway 41 and State Highway 26.

If you have ideas and suggestions for this Planning Meet, and cannot attend, please contact someone in your local club who is able to, or e-mail the Reunion's web site at wirapidsmodela@netwurx.net.

As a reminder, the 2010 Reunion dates have been set as July 23rd, 24th, and 25th.

47th Annual Waukesha Christmas Parade
November 22, 2009

The parade theme this year is The Festival of Lights

Meet at the McDonalds on West Avenue, south of Sunset in Waukesha at 1:45 - 2:00. I've put in a good word for no snow or rain and have asked for sunny shine and 40 degrees for those who dare to venture out for one last event. Parade line up is 2:30.

Hosts- Dave and Linda Huenink & Morgan the wonder dog!

FROM THE PRESIDENT.....

It seems like yesterday that I wrote the last letter. Jo Lene and I are still packing which now seems to be a never-ending job.

We enjoyed the picnic very much and the attendance was great. Dave and Linda Huenink did a fantastic job hosting the picnic. A big Thank You to Dave and Linda and all their helpers. I think Dave Boucher must be from Iowa because he is a great corn picker!

We were in Iowa over the September 12th and 13th weekend for a fiftieth wedding anniversary so we missed a couple great events. Thanks to Mark Ackermann for hosting events on both dates.

Nominations for the Board of Directors opened on September 15th, which is today as I write this letter. Nominations will close on December 13th and the election will be held on January 10th. We need more than three nominees so we can have an election. Who do you know that would like to serve on the Board?

The never-ending reminder is to forward your email address to the secretary. Don't forget to go on the website www.model-a-wis.com to view great pictures of our club events and the newsletter in color.

Fall colors should be in our area soon. Thanks to Karen Sukkert, Peter Stauber and Mary Ciocarelli for taking over for us on the Fall Tour.

We hope to see you for the Fall colors on October 11th.
Marty

Wisconsin Chapter MAFCA Board of Directors Meeting Minutes for September 4th, 2009

Present: Roger Olsen, Mike Quam, Paul Piotrowski, Sue Quam, Dave Boucher, Dave Neuman, Marty Janssen, and Bob Davisson. Absent: Dan Kane.

President Marty Janssen called the meeting to order at 7:00 p.m.

Vice President, Mike Quam: No new members this month.

Secretary, Sue Quam: A motion to accept the prior meeting minutes as written was made by Dave B. and seconded by Paul P. Currently we have 284 members and 136 email addresses.

Treasurer, Paul Piotrowski: Treasurers report gone over and motion was made by Mike Q. and seconded by Dave B. to accept the treasurer's report. The picnic came in under budget and the monthly banking fee's are now removed from the account as Paul gets the monthly statement online. No income this month, a few bills turned in. Motion to pay the bills was made by Roger O. and seconded by Dave N.

Outdoor Event Coordinator, Dave Boucher: Some tours are arranged for the 2010 season already. The Wis. Rapids Reunion committee is having a planning meeting early this year to avoid snow travel for others. The meeting will be held Oct. 31st at 11:00 a.m. at Nekimi Town Hall. Wis. Chapter is co-chair for the 2010 year and chairpersons for the reunion in 2011.

Indoor Event Coordinator, Dan Kane: No report

Technical Event Chairman, Roger Olsen: Oct. and Nov. seminars are set. Roger came across a lathe, with tools, collars, drill bits and misc. tools and books from the Racine School District for only \$500.00. Roger only had a limited time in which to buy this or it was sold to someone else, so he bought it. This lathe can be used to do armatures and for anything club members need to use it for. A permanent home will be found for the lathe in the future. A motion was made by Sue Q. and seconded by Dave N. to reimburse Roger O. for the cost of the lathe, so it will owned by the club. Roger also has a brand new rear spring spreader he is donating to the club tool list.

Sunshine & Awards, Dave Neuman: Nothing to report. Job description was gone over and corrections and additions made.

Club Accessories, Bob

Davisson: Hooded sweat-shirts will be available through the end of the year. An inventory list only needs to be turned in when there has been activities during that month. The Restorer article includes our website address. Bob D. will be checking into name badges, as some of the stock is getting low.

Old Business: Swap Meet- put swap meet information into the newsletter. Roger will provide a disc back up and any information for the swap meet after the 2010 swap meet.

New Business: Webmaster Carl would like to see that the billing for the websites goes through the club and not him. Also we are out of picture space on the website. After some discussion the board feels for now we can start deleting old pictures from the web and thinning out some events pictures. One suggestion was to delete pictures after 90 days.

Roger O. suggests we have a book with all important motions logged into it. This would be easier than having to read through years of minutes to find some important information. Board suggests we have a fire proof box to contain all important documents, Sue Q. to check on this. Cost analysis on mailing should be done. Suggestion was made by a member to see what mailing services charge to send all newsletters via first class. Some services can offer a cheaper rate for first class presorted mail.

Nominations for the board of directors was discussed, a chart of how terms would work if membership votes to go with three year terms. The three going off the board in 2010 would be Marty Janssen, Dan Kane and Dave Neuman.

Motion to adjourn made by Mike Q. and seconded by Dave N. 9:30 p.m.

Next meeting is Oct. 10th at Paul & Pat Piotrowski's home.

Respectfully submitted by
Sue Quam
WI Chapter MAFCA Secretary

INTRODUCING

MAFCA's 2010 Million Mile Challenge

By Dick Przywitowski

This program is open to all MAFCA chapters and members. The basic premise is: can we accumulate 1,000,000 driven miles in our Model A in one year? The season for miles driven will be from January 1 to September 30, 2010. We ask that Chapters maintain running totals of miles driven for their members throughout the Challenge. This will make reporting easier. Individuals who are not chapter members will also be able to submit their miles directly. Reporting of miles will be via E-mail (MillionMiles@MAFCA.com) and regular mail*.

This is NOT a competition between chapters, clubs or individuals, but a total effort of MAFCA members. We will not report individual amounts, but only cumulative totals.

Since chapters vary greatly in size it would be unfair to compare. Participation is the primary goal of this event.

Our progress will be reported on the MAFCA Web Site (www.MAFCA.com) as well as in *The Restorer*.

Rewards: Chapters will keep track of individual MAFCA members who participated and their mileage. Each participant will be rewarded with a window decal noting that they were part of the MAFCA MILLION MILE CHALLENGE 2010.

Monthly Miles Driven GOALS:

January	25,000
February	25,000
March	100,000
April	100,000
May	150,000
June	150,000
July	150,000
August	150,000
September	150,000

Our Goal – a Million Miles!

Report your miles
either through your
chapter or individually.
Always send your name/address.

Mail mileage to:
Million Mile Challenge
c/o D. Przywitowski
11619 Billings Ave.
Lafayette, CO 80026

E-mail mileage to:
MillionMiles@MAFCA.com

Reminiscing with the Historian

FIFTY YEARS AGO, 1959 - The club participated in eleven meets and five exhibitions, where club members won at least one trophy at each meet. Wally Klager sent out a letter to all members thanking them for a great touring season.

FORTY-FIVE YEARS AGO, 1964 - The first swap meet sponsored by our club was held in 1964. The turnout was very poor, probably because of the Packers game played on the same day.

FORTY YEARS AGO, 1969 - The Pagels organized a fall foliage tour through southwest Waukesha, the Kettle Moraine State Forest and back to North Prairie to the Pagels' home. Lunch and refreshments were enjoyed by everyone.

THIRTY-FIVE YEARS AGO, 1974 - The club went on a scenic tour ending in Eagle at the Kettle Moraine Ranch where they enjoyed refreshments and an old-fashioned hay ride.

THIRTY YEARS AGO, 1979 - Two fall tours were scheduled. Members on the first tour saw the vibrant autumn colors in Muskego, ending at the county park. The second tour was a Ghost Gallop around Milwaukee's far northwest side, ending at Dretzke Park and Ski Chalet.

TWENTY-FIVE YEARS AGO, 1984 - Brojanacs and Mazurkiewicz hosted the fall tour through Pewaukee and Lisbon and arriving at Lac La Belle Golf Club. Nine members from Kenosha put together a tour to Washington Island. Forty cars were judged and Tom Laken's 1929 sedan won first place.

TWENTY YEARS AGO, 1989 - The first technical seminar was held on transmission rebuilding. The Bouchers and Rozmans organized a fall pumpkin patch tour that included a pumpkin carving contest.

FIFTEEN YEARS AGO, 1994 - After the fall tour to Muskego County Park, the club participated in a chili dump.

TEN YEARS AGO, 1999 - The fall tour was a visit to the Wild West Museum in Elkhorn. The first indoor technical meet of the season was differential rebuilding, held at Gary Schwabe's place in Muskego.

FIVE YEARS AGO, 2004 - Wally and Sally Kaufman and Gary and Mary Schwabe hosted the Lake Geneva Rally. The Interlaken Chalet was crowded with rally participants in pursuit of the perfect poker hand. Yerkes Observatory was again the most popular stop.

Say Cheese

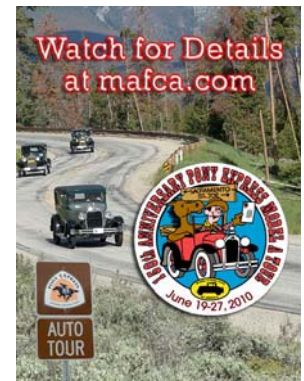

Show up at a club event and you may end up with your picture in the newsletter or on a picture board. It's no easy task trying to get people to hold still and pose for pictures. But our club photographers has been doing a good job of it. Everybody likes to see their picture in our newsletter and this is made possible by Barb Sonnen, JoLene Janssen and Pete Stauber our club photographers. Thanks Barb, JoLene and Pete.

Keep everybody smiling.

The **2010 National Convention** in Vancouver, BC is coming along GREAT. I have recently reviewed the schedule and know that you'll be sorry if you miss this one. After the convention wraps up, the Lions Gate Chapter is hosting three tours: a cruise to Alaska, Rocky Mountain Railway Tour, and a Vancouver Island Tour.

MAFCA's exciting National Model A Tour in honor of the **150th Anniversary of the Pony Express** is well underway. Mark your calendar for June 19-27 and watch for additional details in *The Restorer* or at www.mafca.com.

LOOKING BACK.....IN THE REARVIEW MIRROR

THE ANNUAL PICNIC

On August 23rd, we had our annual picnic at Malone Park in New Berlin. The weather was perfect - sunny and in the mid 70's and we had an attendance of 126 people. Many brought their Model A's out for the day. The conversation was good and the food was done to perfect. There was a lot of participation in the children's and adult games and trophies were awarded. Thanks to all who helped with the setup and cooking. The remaining food that wasn't sold was donated to a family in need.

Dave & Linda Huenink

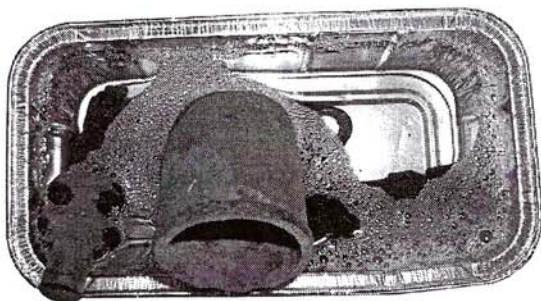

EVAPO-RUST

A Non Toxic Rust Remover

One of the problems faced by the Model A owner/restorer is rusty parts. When a part is found at a swap meet or elsewhere it usually needs to be cleaned of rust. In the past, the choices were a use of caustic chemicals or with expensive equipment like a sand blast cabinet. Another choice has been found. Harris International Laboratories has created Evapo-Rust. This is a non-toxic rust remover. The user does not need to wear rubber gloves and can immerse their hands in the product with out harm during use.

When first opened, the Evapo-Rust is clear. The parts are immersed in the Evapo-Rust and left for 30 minutes (or longer for heavier rusted items), according to the instructions. When the parts are removed, rinse with clear water. It is amazing to see the difference in the parts.

For our test we used a badly rusted and frozen oil pump drive gear assembly and water return gooseneck. The gooseneck was immersed half way to observe the before and after effect of the Evapo-Rust.

The parts were left for 18 hours since they were very rusty and frozen up. After a quick rinse, the parts were free of rust and the drive gear spun freely.

Evapo-Rust is reusable. The product will get darker with each use as it absorbs the rust from the parts, until it is black and no longer able to absorb any additional rust. Once it has become saturated, it can safely be disposed of by either pouring it down the drain, or using it as a fertilizer in the yard, since at this time it is mainly iron.

The Evapo-Rust product is available through Auto-Zone auto parts stores across the country. Their website is www.evapo-rust.com. Their phone is 888-329-9877.

ANNOUNCING A “COOL” FALL SPECIAL! A GOODY OF A HOODIE.

Just the thing for those cool autumn days when you’re riding around in your heater-less “A”. This is a quality unisex, full zippered, hooded, 50/50 cotton/polyester sweatshirt with hand warmer pockets, available in sizes; Small through XXXXL. The preferred color is MAFCA Chapter black.

\$32.50 for the sweatshirt includes the embroidered MAFCA Chapter logo. Add your name for an extra \$3.00. Shipping is in addition to the price of the hoodie.

This is a “one time special offer” good through the 31st of December 2009. If the interest is there, it may be offered on a permanent basis.

To order, call Times Custom Apparel, 1-920-994-4396, M-F, 9:00 a.m. - 3:00 p.m. Ask the Times Printing Company switchboard operator for Times Custom Apparel. Inform the order desk that you are a member of the Wisconsin Chapter - MAFCA. Provide your name, address and telephone number. Times Custom Apparel will call you when your order is ready. At that time, mail your payment to: (Sorry, no credit card sales.)

**Times Custom Apparel
Box 325
100 Industrial Drive
Random Lake, WI 53075**

A few fun facts:

The automobile is the most recycled consumer product in the world today.

The Peanuts characters were first animated in 1957 for a Ford Fairlaine automobile commercial.

In 1916, 55 percent of the cars in the world were Model T Fords, a record that has never been beaten.
