September Prez Notes:

As I write this on a Sunday evening, I can still taste the salt and butter from the ears of grilled corn served at our 50th anniversary picnic earlier in the day. What a great day! Great food, great friends, and great weather. We couldn't ask for anything more. We all need to thank Mike and Sue Quam and their team of volunteer helpers for staging another great event (and of course Jerry Flynn for the corn on the cob!)

Last month, I wrote about potential problems concerning insurance coverage at our annual swap meet. I'm pleased to report that the national MAFCA board at its mid-July meeting chose not to change the way it issues certificates of insurance.

That means we'll be able to stage our fund-raising swap meet without concern over insurance coverage, and provide the Washington County fairgrounds with a certificate of liability insurance for our event received through national MAFCA headquarters, as we have in past years.

Our chapter and others nationwide, along with numerous individual MAFCA members, lobbied the national board to keep the status quo concerning liability insurance and the issuing of certificates as proof of coverage. While it may be impossible to measure the effect of lobbying, I feel sure that the dozens of letters and telephone calls helped the national board understand our thoughts and the importance of the issue.

Looking ahead to September and October, there are several noteworthy events on the calendar; so don't put your Model A into storage just yet.

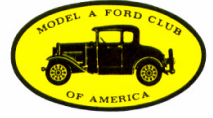

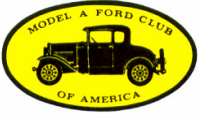

On Sept. 9th Kitty and Bob Schaefer are hosting a tour to Genesee Depot to visit historic Ten Chimneys, the home of famed theater actors Alfred Lunt and Lynn Fontaine. On Sept. 16th is the Mitchell Manor car show hosted by Carl and Lu Doro, and on Sept. 17th is the Richfield Threshere tour hosted by Jim and Nancy Rusnak. Capping the month is the annual Lake Geneva Cancer Run on Sept. 23rd and 24th, hosted by Wally and Sally Kaufman.

On the calendar for October is a fall tour on the 15th hosted by Chris and Kate Rozman and the annual Ghost Gallop on the 29th hosted by Mike and Karry Kultgen and Rick Koepp.

And speaking of Rick Koepp, he provided what may be a first in 50 years of club history. Shortly after the August board meeting at his home in Port Washington, he took board members and their spouses into his back yard to witness a professional display of fireworks, as if it were the Fourth of July.

How'd he pull off that feat? Well, I'll let you in on a little secret - the city of Port Washington was the site of a ship festival - including nighttime fireworks - the same weekend as the board meeting! -

Reminiscing with the Historian

FORTY-FIVE YEARS AGO, Sept. 1961---Ten club members drove their “A’s” through a rain storm to Mendota, IL to participate in a car show called “Mendotarama”. Three-hundred & fifty cars were on display. Our club took one trophy home.

FORTY YEARS AGO, 1966---Dennis & Marjorie Pierce were welcomed into the club with their 1930 Sport Coupe. Our club was part of a six chapter trophy meet at the American Motors proving grounds in Burlington, WI. Seventy-six Model A’s participated & our chapter walked away with five awards.

THIRTY-FIVE YEARS AGO, 1971---We attended an outstanding car show at Wally Rank this year. Perfect weather & more “A’s” turned out than could fit under the tent. We also attended a Fall Regional Trophy Meet at Honey Bear Farm where Larry Koser won Best of Show.

THIRTY YEARS AGO, 1976---Fifty Model “A’s” were on display at the Wally Rank Car Show. Our first indoor “Men’s” seminar was held at Avenue Brake Shop.

FIGURAL REVIEW JULY 1930

Filmy Chiffons Plain or Printed for Afternoons:

5165-Polka Dots are tremendously chic and well adapted with the capelet that follows the lines of the flounces.

5221- A circular flounce cascades gracefully from beneath the tie-bow of the snug fitting girdle that curves up the front.

5292- A bright print fashions this short sleeve over blouse with a novel circular collar that forms a jabot effect in front.

5291- The flare theme is repeated in the peplum, caplet and sleeve flanges that create the softened lines of this frock.

Wisconsin Rapids Reunion:

Being new comers to the Rapids Reunion, we didn't know what to expect.. We have heard about this Great Event and how much fun it is. Many have gone to this event for over 30 years...Been there year after year after year! We camped on site in the luxury of a pop up camper, many others had RV's, pop up campers and tents adorned the grounds. Many Reunion goers stayed in local hotels. From sun up to sun down there was people around all the time. Friendly warm people willing to talk about Model A's. We were welcomed by so many people, so many glad to see new comers, everyone willing to fill us in on the events and what to expect.

Friday night auction

Friday night there was the auction, the proceeds go to expenses for next years reunion. What a blast that was! Bidding over a used small bean bag Frog was a hit.. I

Allen Stanton

think that was the hottest item on the table. It went for close to \$25.00... (Top bidder was Grandpa Smith who promised the frog to Emmalyn) The neatest or most unusual item was Allen Stanton of the Wisconsin Region who offered his beard, mustache and hair to be shaved off. (Allen grew the beard for the 150th Anniversary celebration of the City of Reeseville.) Prior to the shaving Allen could have posed as Santa's double.... Well

Paul Sillman shaving Allen

Allen raised \$80.00 in letting people take a swipe with the electric clippers.

One at a time, many people took their chance at shaving Allen.. Ron Smith won the final bid and finished cleaning Allen up... Ron could have been a barber... because he did a great job! A total of \$1,533.00 was raised from the auction that evening.

Fashion Show Participants

Saturday morning was a Technical Seminar and the Era Fashion show followed by lunch. After lunch you had a choice of two Tours. A one hour tour that went through town, past beautiful homes, lakes, it went thru downtown and back to the country. The four hour tour took Model A-er's to The Point Brewery and a Cheese factory. Mid afternoon the kids games were in full swing as well as the Hubley Derby. The evening entertainment was a great DJ who kept the crowd very entertained. He had kids games and they were mixed with a few adults..

Rapids Continued:

Sunday was car games, of which I have never seen the likes! Very inventive and interesting. I was prepared to stand by and watch and take pictures. But Tony Sillman insisted we use his car and play the games... I kept turning down his offer... Finally I could no longer take Tony's pestering and I gave in. Tony and I went to his car and away we went...mind you I have only driven our own Model A once. Tony was a patient instructor and passenger. Check the game results to see how our chapter did.

Mary Flynn doing the "Blind Drive"

After lunch the team games began, Mike Kultgen ran the trailer race and took 4th for our chapter and Eric Haben & Heather Wegner did the bean bag toss and took 2nd place. What an afternoon of fun...We laughed a lot on this vacation and will surely return again next year for more fun!! The WI Rapids Reunion is all that and more.....more than one could ask for..... A fun filled weekend with lots of fun loving people!!!!!!

The Slow race is underway!

A Tree was planted by the Smith family in dedication of Tom Smith. A beautiful inscribed stone sits at the bottom of the tree in memory of Tom.

A final tally of things came to 189 adults and 54 children

attending. Of those attending 71 families pre-registered and 31 registered at the Rapids grounds. There were 85 Model A's that registered.

BIG thanks to Rick Koepp, Jim Kummer, Carrie Frank, Eric Haben, Roger & Jan Olsen, Tony & Karlene Sillman and the many other volunteers that worked to make the Rapids a successful event. **Make plans for next years Reunion.. July 27, 28 & 29 of 2007**

Rear View Mirror.....ANNUAL PICNIC

The 50th Anniversary celebration picnic was well attended. With approximately 150 people, we managed to consume 96 burgers, 120 brats, 56 hot dogs and 20 dozen ears of corn and two yummy anniversary cakes. Adult games by Mike and Marilyn Brojanac were once again a hit. This year a few new games adorned the adult play area.... Large dice roll and putting spark plugs into the cylinder head, this being a timed event. Thanks to Jerry Carlin, Jim & Marlene Stegner, "Sarge" & Kate, Bob Heinrich & Dennis Wacker and the many others that helped with the adult games.

The Children's games were run by new members William Quam and Amanda Angove, along with the help of Karlene Sillman. The pinata was a big hit, literally, as well as the wood shaving pit loaded with coins.

Thank you to Bob Davisson's daughter who volunteered to come and play the bag pipes for us.

We'd like to thank those who donated door prizes: Art & Sue Blazek, Stan Larsen, Mazos's Restaurant, Mike and Sue Quam and the person who donated the nice posters and Ford Sign. I'm sorry I don't know who you were.

Also thanks to the many helpers that just jumped in and helped that day.... I hope I don't miss anyone's names! Rick Koepp, Karry Kultgen, Tony & Karlene Sillman, Jan Olsen, Ed & Lorriane Schultz, Jolene Jansen, June Mazos, Wm. Quam, Amanda Angove and a special thanks to Jerry and Mary Flynn for getting the sweet corn and Dan Kane for transporting the corn to the park via his new Model A. We hope you all had a wonderful time. As we enjoyed being your hosts.
