December President's Notes

It is crazy to know the Christmas Party is our next event. No wonder it is so cold and snowy. The Schmiechen's and their helpers have a wonderful afternoon planned on December 8th. Remember we start at 12:30 p.m. and lunch will be served. Don't forget to bring a dish to pass. I haven't decided yet what I will bring but it will be something delicious I promise. Also remember to RSVP the kids. Santa would not want to disappoint anyone!!

The Huenink's hosted two November events – Indoor Meeting/Pizza Party as well as the Waukesha Holiday Parade. Dave coordinated a wonderful surprise guest at our meeting. Ron from the 1931 Model AA bus restoration team shared the history, progress and future plans of this MAFFI project. Once restored the bus will be used to transport visitors at the Gilmore Museum. Many volunteers and funds will be needed for this project. The board unanimously voted to donate proceeds from our 2019 swap meet to go to this project. A check was presented to Ron at the meeting.

I am sad to report that 2019 was my third and final year as a board member for the club. My term will end come January. We will be looking to take nominations to fill the 6th spot. This is an awesome opportunity for anyone who is interested in Model A's, wants to meet new people and wants to continue to help keep our club thriving and active. It would be really great to see several people interested so we could have an election in January. Once a new member is decided on, all six positions will be available and roles will be determined by the 2020 board. Please let me know if you are interested. I would be happy to provide more info or answer any questions.

Dues are due. Please send in your renewals as soon as possible. We don't want to miss putting anyone in our roster. Have a wonderful holiday season and a wonderful New Year. Safe Travels!

Ahooga!
Deb

I saw this "Halloween Greeting" on Facebook from Dave & Carol Rozman and had to share it with all of you. Speaks volumes of WI weather.

Great picture Dave & Carol!!!

Wisconsin Rapids Model A Reunion

The planning meeting for our 58th Wisconsin Rapids Model A Reunion was held Saturday, October 26th. Dates selected were **July 24, 25, 26, 2020**, which is the last full weekend in July. Camping will be available from Wednesday, July 22 thru Monday, July 27th. All registration fees will remain the same.

Wisconsin Chapter MAFCA will be in charge of car games. We need a volunteer to come forward soonest so his/her name and information can be printed in the reunion program.

Wisconsin Chapter MAFCA will be in charge of Sunday clean up after lunch.

Cash donation for the raffle from each of the four clubs will be changed: 2 @ \$35.00 - Adult Women; 2 @ \$35.00 - Adult Men; and 2 @ \$20.00 - Youth. Total each club raffle donation \$180.00

Start looking for items to bring for the auction. Remember auction proceeds help offset the cost of the reunion. Bring stuff that works!

Shoe box swap will be held Saturday, from 8:00 - 10:00 a.m. Items must be Model A related and fit in a shoe box. This includes fashion and advertising as well as car parts. The person selling the item keeps what they make as this is not a reunion fund raiser.

Planning to have pizza with the corn roast Friday before the auction. Pizza will be \$1.00/slice and corn will be \$1.00/ear. Root beer floats will be available during corn roast. Popcorn will be served during the auction. Auctioneer TBD.

Joey Burnett is retiring from being in charge of the basket raffle. You have the opportunity to be in charge of the basket raffle. If you have any basket raffle questions, give Joey Burnett a call @715-384-2487.

Each club should plan to donate two baskets.

Notes Respectfully Submitted Jan Olsen

Eagle River Weekend Get-A-Way

New Updated Info-Can't miss event!!

Thursday, July 30 - Monday, August 3, 2020

Tour Group from Milwaukee area will be led by Dennis and Anne Wacker
Tour Hosts in Eagle River are Carl and Charlene Wussow

This is truly a "can't miss" event. The ride will be long but so worth it. We are leaving on Thursday and heading back Monday to avoid the heavier weekend traffic and to allow a more leisurely route.

We have 15 confirmed rooms held at the **Eagle River Inn**, Eagle River, Wisconsin. It is a beautiful setting on Watersmeet Lake where the Eagle River and the Wisconsin River join on their journey to the Mississippi River. The complex is located on Hwy.70 West, just about a mile from the City of Eagle River. The parking lot is secure and away from other locations that would have had lots of traffic. Breakfast is included. Some items include: hot waffles, breakfast sandwiches, hard boiled eggs, oatmeal, Danish, cereal, coffee and other items.

Room Rates on the parking lot side, 2 queen beds, fridge and micro is on special for us at \$107.10 and a lakeside room, with patio doors opening directly to the water complex are \$125.10. None of the other hotels have settings like this one and others are in more crowded areas with much more vehicle and pedestrian traffic.

Hotel registration can be made by each family by calling the **Eagle River Inn: 715-479-2000**. They will need to identify themselves as part of the group from the Wisconsin Chapter, Model A Ford Club to get those special rates. I suggest that you make initial contact with the Eagle River Inn not much later than January as summer reservations will be increasing after that time. Early is always better than late!

Details are still being finalized for the weekend, but so far we will plan a Friday late-morning Pirates Hideaway cruise (Pirate attire is encouraged) and a Fish fry at Chef Rene's award winning restaurant at the Eagle River Inn (all you can eat for \$14) and they have a bar lounge adjacent to the restaurant.

Saturday is our weekend headliner event - Three Lakes Petroleum Museum Car Show: Arrive by 9:00 a.m. or before. The show is from 10:00 a.m. to 2:00 p.m. with awards following. The museum is free and open all day. Food is available on the grounds and each car registered early will receive a coupon for 1 sandwich (hamburger, cheeseburger, bratwurst or hotdog, chips, soda and popcorn. Over 250 vehicles will be on display.

The Three Lakes Winery is only 2 miles away from the car show and the wine selection is outstanding along with a related "wine related" gift shop.

Saturday night event will be movie and pizza night. We will be showing Public Enemies. It was filmed at Little Bohemia just a few years ago and starred Johnny Depp. It is accurate, exciting and will be an opportunity to prime us for our dinner at Little Bohemia the following night.

Sunday the group will depart the hotel at 1:30 for a drive through the beautiful forests in the area. We will stop at the Dillinger Museum for a tour and then enjoy dinner at Little Bohemia at 5:00 p.m. Since it has never been restored after the FBI and Dillinger gun battle, our cars will be a highlight for photographs in front of the main building. We will return the hotel before dark.

'A' Trip Back to December 1999

December of 1999 was a time of great worry and stress for many financial institutions as well as anyone else with computer systems. The fear was in the handling of the new century. You see, most computer systems stored their dates in a mm/dd/yy format and as the year turned to 2000 the currently used format would result in 01/01/00 from 12/31/99.

Now you might be wondering, so what's the big deal? Well, many calculations are based on dates; billing, interest rates, insurance premiums, to name a few. So, a calculation using 00 for the year would cause all kinds of problems. In addition, many computer files did not have room in their records to convert the date to a mm/dd/yyyy format. Since a computer system can consist of literally thousands of programs it was a tedious task to identify and modify the programs involved as well as reformatting the records and converting all existing dates on those records to the new format. Fortunately the IT world responded to the task and there were very few issues with the coming of the new century. It took many long hours of work – I know, I was on the front lines.

During this time Roger Olsen served our club as president. Stan Larson supported him as vice president. Dennis Pierce kept us up to date as secretary and our finances were handled by David Dohmeyer.

December 2-5 was the National Meeting & Banquet held in Huntsville, Alabama.

On December 5th we celebrated the season with a Christmas party that included a hot dog lunch and a visit from the jolly old elf himself with gifts for the children.

The club had rented a barn just outside of Sussex for vehicle storage. It had no windows and was a keyed electric door. The doors were opened once a month but no repairs were permitted on site. There was a \$10 door opening fee at all other times. Rent was \$30/month of cars and \$15/month for cycles.

Sunshine reported our newest member Jett Bell born to members Tom and Diane Bell and grandson to members Dave and Dawn Dohmeyer. Sympathies were extended to the Olsen families at the death of Roger's father, Alvin as well as to Francis and Anita Drake at the death of their daughter-in-law Cathy. Also Dan Kane was reported home recuperating from open heart surgery and Demo Staver had been hospitalized recently.

New members included: Lafe & Maureen Nelson, '28 Tudor; Mark & Barb Miller, '30 Town Sedan; Jim Theel, '30 Town Sedan.

Congratulations and best wishes were extended to Wallace and Jan Klager on achieving 50 years of marriage. They were married on November 26, 1949.

The Ladies Pages by Burdella Miller included a Fashion Page, recipes for Graham Cracker Torte and The Next Best Thing to Robert Redford (*whatever that is*).

Pizza Party

As promised, the pizza party was a great time. The membership enjoyed pizza from Jetz Pizza and cookies. While eating pizza the club listened to a power point presentation about a Model A bus being restored and donated to the Gilmore Museum in Hickory Corners, Michigan. Ron showed many pictures regarding the restoration and the chassis restoration has been completed. He indicated the body will require extensive restoration. The club made a donation to MAFFI to help with the restoration project and offset the expenses.
