Hi All,

Welcome to winter in Wisconsin, we were in Georgia for two weeks and came home in time to shovel the driveway YUK!! It was hard to leave the sunshine and 60s & 70s for temps to come home to the cold and snow.

I heard the November pizza party meeting was enjoyed by all so that was a great thing, I'm sure the December Christmas party will be another success hope to see you there.

Don't forget about the last outdoor event of the year the Waukesha Christmas Parade hopefully the weather will cooperate. Waukesha needs a great Christmas parade this year after the tragedy of last year. So lets show them our fine Model A's and our great Christmas spirit.

2022 WAUKESHA CHRISTMAS PARADE DRIVERS NEEDED DEC 4TH

The club will be participating (with our cars) in the Waukesha Christmas Parade. The theme this year will be "PEACE ON EARTH". The parade route will be different this year and there will be safety protocol to help insure everyone's well being. The parade will also be televised on TMJ4. We will decorate our cars in the Christmas spirit to celebrate the season and the organizers of the parade have asked if we could have holiday appropriate lighting on our cars. Santa will be in attendance and will be checking his list to see who has been naughty or nice. Of course, all of us will be on his nice list.

NOTE CHANGES BELOW:

For those interested in driving to the parade together, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:30 p.m. for some hot chocolate before we head to the parade. The restaurant is on the Hwy 164 by-pass just south of Moorland Road by all the car dealerships on the east side of Waukesha. There have been some changes in the time we will meet at Culvers and need to be lined up in the staging area. We will meet at Culvers between 1:30 and 1:45 and will promptly leave at 1:50. We need to be lined up in the staging area as close to 2:00 as possible. The staging area will be closed off at 3:00 so if aren't meeting us at Culvers please allow plenty of time to get to the staging area before it closes. All of the spots are numbered for each group in the parade and our club is in spot number 13 which is on N. Grand Avenue . If you have any questions, please give me a call at 1-262-719-1056.

We look forward to seeing you there!!!

Rapids Reunion Planning Meeting Notes

The Planning Meeting for the 2023 Wisconsin Model A Reunion was held on October 29th, and wanted to share some highlights from it with past participants.

1. The Reunion date has been changed back to the last full week of July, which would be July 28-29-30, 2023. This is due to lack of lodging the week before due to the Ski Show.
2. As with everything lately, the price is going up. The last price increase we had for the Reunion was over 12 years ago, and this is still a bargain price for a weekend event. Pretty much everything is going up \$5.

THIS LADY DRIVES A MODEL "A"

I remember it well, a SURPRISE gift arrived at our house, in September of 1984. Dave & Michelle came with a 1931 MODEL "A" PICK UP. I was completely taken by surprise, as our family watched me in complete shock.

Membership in the WI Chapter was a must, 38 years later, (and hoping for more), enjoying many club tours, National Conventions, driving more than 75,000 miles, in 22 States and it was an enjoyable fun time!

There comes a time with health, and old age that make it almost impossible to drive that Model A. You start to think about a plan of where it will go.

But not at the Larson's, Dave & Michelle said it will stay in the Larson family, for certain. Michelle stated that she wanted to learn how to drive. That brought a smile to my face, and the Model A went AH-OOO-GAH.

Being a good student Michelle, completed a couple of lessons and stated, I think I'm ready to tour. I'm proud to say that on October 9th she drove the PICK UP on the Cedarburg Fire Dept tour and did a very good job, even backing into our parking garage at the end of the tour.

I thought she deserved an award, so I had the idea to present her with, THIS LADY DRIVES A MODEL "A" FORD at a family get together.

I can only add that Michelle has only a couple of items to master, and that is down shifting and roadside seminars. It took me a long time with the later item.

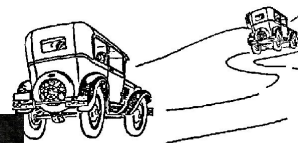

Michelle & Dave, Happy Touring & Have A FUN TIME, as Mom & I have.

"A" HAPPY FATHER

'A' Trip Back to the Dec. 1978

From an original Model A advertisement that appeared in the Saturday Evening Post on Dec. 20, 1930.

Who am I??

These two "young" men appeared in the 1978 Wheeling the "A" as candidates running for positions on the board. Can you guess who they are?

42, married
 Michael. Works as U.S. Postal Carrier. Adult games chairman at 1976-78 Wisconsin Chapter picnics. Has attended most meets and events since joining. Attended 1976 Nashville meet, and Dearborn tour. two sons, Paul and Michael.

This month we feature 'GEORGIA PECAN PIE' (Jess Last, from *Wi Chapter, "A" Road to Good Cooking*)

3 large eggs 1 tsp. vanilla
1 c. sugar 1 c. chopped pecans
1 c. white corn syrup 1 uncooked pie shell
1 stick (1/4 lb.) melted butter

Beat eggs well. Add sugar, corn syrup, melted butter, vanilla, and chopped pecans to the beaten eggs. Pour into uncooked pie shell, bake in 350 degree oven for 35 to 45 minute, or until set as custard.

This is not a lo-cal pie, but if you want to throw caution to the wind and have a good old-fashioned down home good pecan pie, this is it. This recipe came from the Hotel Perry in Atlanta, Georgia.
