The official newsletter of the Wisconsin Chapter
Model A Ford Club of America

Volume 64, Issue 2
February 2024

With the debut of the Model "A" Ford in 1928, the Arps Corporation, as it was now called, needed to update their product. They responded with a new, more complex and sophisticated system. Admiral Richard E. Byrd evidently thought enough of their idea to take a couple along with him on his first and second Antarctic Expeditions. All of the details of are explained in considerable depth in the pages from a later thirties sales flyer you see on The Old Motor.

The name "Super Snow Bird" was really something to live up to, and it looks to us like B.P. Arps and Adolf Langenfeld did just that. It was produced in significant numbers until 1939

We could have used this last weekend!

Canine Nose Work Presentation and Demonstration

Club Indoor meeting

February 11, 2024, 1:30 p.m.

Have you ever wondered when a dog is intently sniffing the ground, what and how they are smelling. All of us have seen on T.V. or in person, dogs searching for something using their nose.

Nose work is an upcoming and fun canine sport / activity. Nose work, also called scent work, is a companion dog sport where dogs are able to use their innate and amazing sense of smell and natural hunt drive, to find “hides” in a variety of locations and environments requiring a range of problem-solving skills. Based on professional dog detection, nose work uses essential oils as target odors. These odors include birch, anise, clove, cypress and vetiver. It’s a fun and addictive sport as handler start to understand and appreciate the beauty of this incredible talent dogs have to detect and follow a miniscule vapor of odor back to its source. Dogs love it because it’s what they are born to do regardless of age, breed, temperament, size or condition. It has been demonstrated that shy, fearful, and even reactive dogs can build the confidence to help overcome some of their challenges in the engagement of this highly enriching game.

We’ll take you through benefits of nose work, its history, how dogs smells compared to humans, interesting facts and how a dog searches.

After learning about the background of nose work, we will provide a short demonstration with one of our dogs. Come and join us for an informative, fun filled presentation.

Dave & Linda Huenink along with one of our sniffing terriers.

PLACES LOST TO HISTORY

INDOOR MEETING

SUNDAY MARCH 10TH 2024

1:30P.M.

Take your Prevacen and put on your thinking caps. Join us in remembering the places we use to visit and now are gone. We will be going back over eighty years and up to the present day. Regardless of your age, there are restaurants, movie theaters, malls, car dealers, etc. that have all been pasted into the history books. Come join us for what should be an afternoon filled with fond memories.

MAFCA Wisconsin Chapter General Meeting Minutes

January 14th, 2024

Board Members Present: Dave Huenink, Tony Koconis, Steve Lewis, Robert Sturtzen, Mike Quam

The meeting was called to order at 1:32 p.m.

President - Mike – The club received some correspondence from Tony Sillman asking us to make the following correction to last month's minutes. The Wisconsin Chapter of MARC will no longer be involved with the Wisconsin Rapids reunion, not the Wisconsin Model A Club of Central Wisconsin, as mentioned in last month's minutes.

Vice President – Mike – There were no new members this month.

Secretary – Dave - A motion was made by Ed Schultz and seconded by Sue Quam to accept the December 10th, 2023; meeting minutes as written with the correction mentioned earlier. The motion was put to a vote, and it was carried. The club has one hundred and twenty-two members who have renewed their membership as of this meeting. One lifetime member (Jim Sinclair) has not continued his membership in the club. All of the members who have not renewed have been contacted by either phone or email regarding their membership in the club.

Treasurer – Steve – A report of the revenue and expenses from last month was given. A motion was made by Dave Neuman and seconded by Vicki Cooper to accept the treasurer's report. The motion was put to a vote, and it was carried. Vicki Cooper turned in income from the swap meet. Steve will be out of town for the swap meet and is looking for a volunteer to take care of the money at the event. Sue Blazek volunteered.

Indoor– Robert – The balance of the indoor events for the 2023/2024 are filled. The club is looking for hosts for the 2024/2025 indoor season.

Outdoor – Robert – The signup sheet for the 2024 outdoor touring season is available. May already has a host. The balance of the season needs hosts.

Sunshine/awards – Tony – The awards for 2023 have been ordered. There is no sunshine this month.

Old Business – None

New Business – The 2024 Board of Directors was introduced. Mike Quam will be President, Tony Koconis will be Vice-president and Sunshine/award, Steve Lewis will be Treasurer, Dave Huenink will be Secretary and New members, and Robert Sturtzen will be the Event coordinator. Robin Sturtzen talked about the banquet, and it is progressing well. Vicki Cooper talked about the swap meet. Fifty vendor spots are still open. Volunteers are needed to help set up the event. Karen Schmiechen has fliers available for the swap meet for the membership to distribute. Dave Boucher asked if the Model A Ford Club of America (MAFCA) is offering free membership for 2024. They are. It was suggested the club offers both MAFCA's free membership and new membership applications to the Wisconsin Chapter at the swap meet. He also suggested that those members having vendor space have new member applications available.

A motion was made by Linda Huenink and seconded by Vicki Cooper to adjourn the meeting. The motion was put to a vote, and it was carried. The meeting was adjourned at 1:50 p.m.

The next indoor meeting will be February 11, 2024.

Respectfully submitted,

Dave Huenink

MAFCA – Wisconsin Chapter Secretary

These minutes have not yet been approved by the membership.

Presidents notes...

Hi Everyone,
Welcome to WINTER in WI and another year of fun and interesting events ahead of us. Plenty of open dates to sign up to host an event in 2024.

Since, no one stepped forward and came onto the Board of Directors we have combined some jobs. Tony Koconis, who will continue with sunshine and awards along with Vice President. Dave Huenink will be adding new members to his secretarial duties list. Robert Sturtzen is now our events coordinator, which encompasses indoor and outdoor events.

Please look to the future and consider running for the board of directors next December as we will definitely need new members as 3 or 4 positions will be vacated. The bylaws state we need a minimum of 4 board of directors members to keep a functioning club. The club will also need an editor, Facebook admin and website administrator.

The 2024 BOD positions are as follows President Mike Q, Vice president Tony K, Secretary Dave H, Treasurer Steve L, Events coordinator Robert S.

We do need more events for the summer months so think about signing up. Well as I close out for this month stay warm and healthy and GO PACKERS!

-Mike

FILLER FROM OLD NEWSLETTERS:

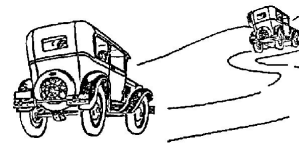

SIXTY YEARS AGO, 1964 - The annual dance had 174 paid admissions, giving the club a total of \$259.00. After expenses, which included 5 half-barrels of beer, a case of soda, the band, one bartender, and the hall rental, the club ended up with a profit of \$90.00

SIXTY EIGHT YEARS AGO, NOVEMBER 1956---Our first "News Bulletin" was mailed out to the membership of our newly formed chapter. Our president, Demo Staver stated in the bulletin that our intentions were to form a club, which was democratic in nature and belonging to NO ONE but the MEMBERS themselves for their mutual enjoyment while participating in a great and rewarding hobby. We have left the door open for YOU (all of us) to get behind your club and make it the biggest in the country, so COME TO THE MEETINGS and MEETS. There is nothing that kills a club as fast as poor attendance and lack of participation.

TWENTY TWO YEARS AGO, 2002 - Secretary Rich Miller reported the club has 387 members, and the members who joined the Wisconsin Chapter from January, 1998 to June, 2002 comprised 25% of the membership.

'A' trip Back to February 1995

In 1995 our President was Dave Boucher, assisting the president was Vice President was Roger Olsen. Erwin Haban was our recording Secretary and Dennis Wacker served as Treasurer.

Our board meeting held on Feb. 9 was hosted by the Grundmans

Our Feb. 12 Indoor meet, hosted by Ed and Lorraine Schultz, saw the By-laws committee present revisions for approval. Also, everyone was to bring a dozen of your best chocolate chip cookies to be judged by a panel of "experts". Entertainment was provided by a barbershop quartet.

Feb. 18 was the first Saturday Swap Meet for bicycles, motor cycles and parts. IAt was held at the State Fair Park, South Exhibit Building, chaired by Dan Kane.

Feb 19 was the 30th annual Greater Milwaukee swap meet for car parts. It was also held at the State Fair Park and the chairman was Dave Dohmeyer.

Feb. 25 was a Technical Seminar field trip to Richard Falluca's Antique Engine Rebuilding Company in Skokie, Illinois. We met in the parking lot of Brookfield Square with doughnuts and coffee to start the day. We travelled in a Wisconsin Coach bus, with refreshments. Lunch was at McDonalds at your own expense.

When Henry Ford introduced the Model A, his first all-new car in 19 years, he gave the first example to his close friend and mentor, inventor Thomas Edison. At Edison's request, the car was rebuilt with an open touring-style body, and Ford made further updates over the years. Edison used this Model A until his death in 1931.

According to press releases in 1928, actress Mary Pickford got the first Model 'A' Ford delivered anywhere in the world, a 1928 Sport Coupe. It was given as a Christmas present to her from hubby Douglas Fairbanks, Jr.

Henry Ford didn't get his personal, black with red striping, Special Coupe until 1929. He was loyal to his Model 'T' until the bitter end. It was a customized 'A' with several experimental parts.

Chop and Potato Bake (*Mary Gurgul, from Wi Chapter, "A" Road to Good Cooking*)

6 pork chops	1/4 tsp. pepper
Vegetable oil	1 (24 oz.) pkg. thawed hash browns
10 3/4 oz. can cream of celery soup	1 c. (4 oz.) Cheddar cheese
1/2 c. milk	2.8 oz. can Durkee French fried onion
1/2 c. sour cream	

Brown pork chops in lightly greased skillet. Sprinkle with seasoning salt and set aside. Combine soup, milk, sour cream, pepper and 1/2 tsp. salt. Stir in potatoes, 1/2 c. cheese and 1/2 can French fried onions. Spoon mixture into a 9 x 13 inch baking dish. Arrange pork chops over potatoes. Bake, uncovered, for 40 minutes at 350 degrees. Top with remaining cheese and onions. Bake uncovered five minutes longer.
