CRYSTAL CLEAR WATERS TOUR

Sunday, July 12, 2015

11:00 am to 5:00 pm

Over the fields, through the fields, around the fields, in the fields and finally over the river and through the woods to Elkhart Lake we go. Once there we will socialize and stop for lunch at The Victorian Village Resort. The meal will be provided by the club but drinks are on your own. Then we will tour the historic depot museum and drive the historic city street race tracks - both circuits.

Depart at 11:00 a.m. with a full tank of gas from: McDonald's at 11250 N Port Washington Rd just north of Mequon Rd in Mequon

End Point: Wayne's Drive-In at 5 Corners just north of Rte 60 at 1331 Covered Bridge Rd., Cedarburg WI

Length: 96 miles round trip

If you have questions, contact hosts Gene or Betsy Taurman at 262-242-0137 or bhet@sbcglobal.net

IMPROMPTU TOUR

Saturday, July 25th

Stars and Stripes Honor Flight will be hosting a "Welcome Party" July 25th in Port Washington for WWII veterans that can not make the trip to Washington D.C. because of health reasons.

I do not have all the details as of this writing, but would like to invite all military and friends that would like to make this a very special day to PLEASE CALL ME. The finish will be in Coal Dock Park, by the harbor down town. Bring you're A or other old Iron.

I know what this means for others, as I was a recipient of this great trip.

Please give me a call for the details, and join us

Wisconsin Model A Reunion

July 24-26, 2015

The same weekend as the Model A Reunion, there are other events in the Rapids area. Because of this, motel rooms are going fast. If you need one for the weekend, make your reservations as soon as you can.

Anyone planning on attending this yearly event is asked to pre-register, this will save you \$5 on the weekend. You can find the pre-registration form on the Reunion's web site listed at the end of this article.

As fight cabin fever this winter, and head out to the garage to organize your Model A stuff, remember that items that you no longer need are great items to donate to the Reunion Auction. Non-Model A items are also needed. Just remember no junk, and leave the broken stuff at home.

Along with the auction and raffle, there will again be a Silent Auction this year. Each club is asked to make at least one basket, having their members donate items to fill the basket. There are three categories, Men's, Women's and Children's. See the Reunion web site for a list of ideas for your baskets. Clubs are not the only ones that can make baskets, individuals can make one also.

Remember that all income from the auction and raffles help offset the cost of next year's Reunion, helping to keep this event affordable for everyone.

Help is needed throughout the weekend. All participants ages 16 and above are required to sign up for a job duty.

Annual Picnic - Sunday, August 23

Come out for a fun picnic on Sunday, August 23 at 11:00 a.m. at Hickory Lane Park in Jackson.

The park is south of Highway 60 on Jackson Dr. in Jackson. See the map for details. This is the same park we used last year.

There are a lot of fun things to look forward to at this location!

Weather permitting there is a sprinkle park for kids 0-10 years old, so bring extra clothes for the munchkins to change into. There is also a large playground that is near the shelter, so kids can play while their family can still see them easily.

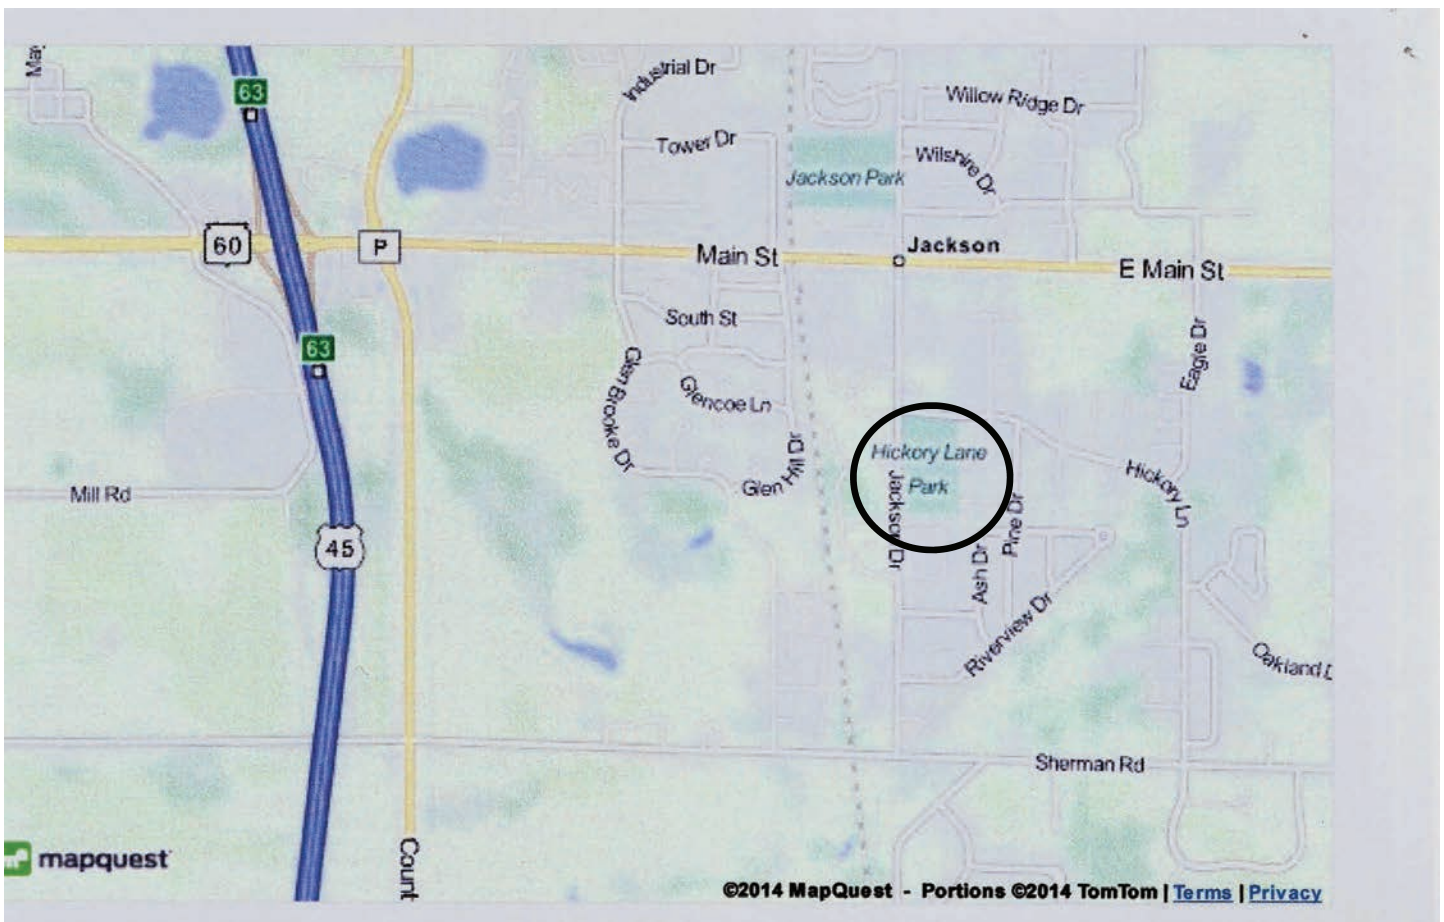

For the adults there is volleyball and we'll have some other fun activities. This year's food will include; brats, corn, burgers, hotdogs and of course sides!

If you need further information, call hosts Kate & Chris Rozman at 262-993-8293.

Remember club members are free and guests are \$10 for adults and \$5 for children 12 and under.

You can mail your guest checks to:

September Tour

Mark your calendars, on **Sunday September 13th, 2015** for the fishiest tours ever.

Dave and Linda Huenink will be hosting a tour to the Rushing Water Fisheries in Palmyra Wisconsin.

Departure: We will meet at the McDonald's on Highway 164 and National Ave. in Big Bend at around 9:00 a.m. for breakfast. At 10:00 a.m. we will take a scenic tour of the country side and Kettle Moraine State Forest as we head to our destination in Palmyra.

At the Rushing Water Fisheries, we will have a guided tour to the 3 trout pond's, learn how the fish eggs are hatched through their various stages of life to when the fish are ready for harvest. The ponds are 400 feet from the parking lot and the path is gravel.

If you desire to go fishing after our tour, you'll need to bring your own pole, bait, cooler and ice. The cost for this is \$9.00 a fish for the first two. If you want to fish for more than two it will be \$8.75 a pound. Rushing Waters will fillet the fish you caught and pack them in ice for you, although you will still need your own cooler and ice for the trip home.

We'll have time after the tour to visit the gift shop where you will be able to buy fresh or frozen fish as well as other food and gift items. (Bring a cooler and ice to keep your fish purchases in). Snacks and refreshments will be provided at this stop.

Then off to our next destination through the country roads to – The Elegant Farmer in Mukwonago - they are known for their excellent apple pies baked in a paper bag. The market has bakery, fresh fruits and vegetables, cheeses, selected meats and other food items. While at the market you may get a glimpse of the East Troy Electric Trolley.

RSVP's are appreciated so we can give the fishery a count of then number of club members attending.

Please contact Dave or Linda at 262 378-4216.

Presidents Notes.....

Hello everyone,

I'm glad the touring season is here and hope you were able to make it to the June tour at SC Johnson Co. The tour was informative and the airplane was really interesting to view as it hung from the roof of Fortaleza Hall. Thanks to Ed & Lorraine Schultz and Mark Ackerman for setting that up. Next month's tour should be another interesting ride.

As I said last month we still need a host for our club banquet. As time goes by without a host, we may not be able to book any entertainment as many of the entertainer's book up for the holiday season very early. So with this in mind please think about hosting possibly with a group of people if you don't want to do it alone. Whatever happens we have the hall booked so we will have a banquet it just may be a social gathering without entertainment.

Our summer picnic is going to be at the same location as last year with Chris and Kate Rozman hosting again.

I guess it's never too early to ask for volunteers for the board of directors the time will be here before we know it, so if you may be interested in serving on the board let me know.

Model A Ford Club of America – Wisconsin Chapter

Board Meeting - June 13th, 2015

Board Members Present: Mike Quam, Dave Huenink, Randy Kind, Neil Besouloff, Karry Kultgen

Absent: Steve Lewis

Mike called the meeting to order at 6:51 p.m.

President – Mike- We received the newsletters from the reciprocating clubs.

Vice President – Randy – There are two new members – Fred Ladwig and Bill Milbrath. A motion was made by Neil and seconded by Karry to accept these new members. The motion was put to a vote and it carried.

Secretary – Dave H. – The minutes from the May 16th, 2015 board meeting were accepted as written. A motion was made by Randy and seconded by Neil to accept the minutes as written. The motion was put to a vote and it carried. There are two hundred and thirty-three club members.

Treasurer – Mike read the treasurer's report for May in Steve's absence. A motion was made by Dave and seconded by Neil to accept the treasurer's report. The motion was put to a vote and it carried. Dues from the new members were turned in. No other income or bills were turned in. Karry requested money for the Wisconsin Rapids Reunion. She will be filling out a check request.

Outdoor – Neil – A review was held of the outdoor events. A discussion was held regarding the Greendale 4th of July parade. Also, the club picnic is all set to be held in August and will be in Jackson WI again. Dave Boucher sent in a report for the Memorial Day weekend overnighter, which was a success.

Next year's overnighter is tentatively planned for Door County. Only a few cars from our club went to the Model A event in Sharon this year and this might have possibly been due to the weather.

Indoor – Karry – There are no hosts for the banquet. Dave mentioned we might want to start looking for entertainment for the banquet. Karry will look into this.

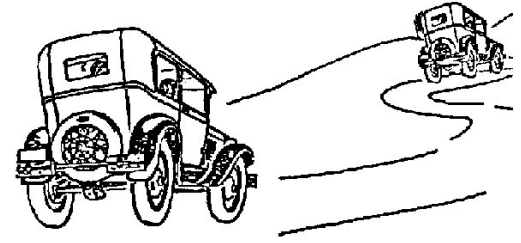

Old Business – A down payment of \$2,149.05 for the swap meet at the Washington fairgrounds is due November 27th, 2015. The balance will be due two weeks prior to the event.

New Business – A discussion was held regarding having reminders of the clubs events emailed to club members. This was tried two years ago without much success. It was decided not to move forward with this. The clubs website and server are no longer being supported. The club is going to go to word press for a year. Also, a discussion was held regarding which organization we are going to donate to this year. A motion was made by Neil and seconded by Randy to make a five hundred dollar donation to Blind Outdoor Leisure Development organization. The motion was put to a vote and it carried.

Dave made a motion to adjourn meeting and was seconded by Neil. The motion was put to a vote and it carried. The meeting was adjourned at 7:24 p.m.

Respectfully submitted,
Dave Huenink
MAFCA – Wisconsin Chapter Secretary

'A' Trip Back to July 1989

Officers:

President – Jerry Manning
Vice President – Dick Lardinois
Secretary – Ken Fouty
Treasurer – Tom Wagner

July 2 – Middle Day – 182 days have passed in 1989 with just 182 more to go.

July 4 – Spend part of your day driving your 'A' in a parade. Cars are needed in Brown Deer (10), Greendale (8), Greenfield (7), Jackson Park (8) and Hales Corners (5). *Today we are only active in the Greendale parade!*

July 8 – Board Meeting – hosts are the Bouchers

July 21-23 – Wisconsin Rapids Reunion

August 13 – Annual Club Picnic, hosts this year are Dan and Kay Kwiatkowski. Food will be catered.

September 16 – Pig Roast and Barn Dance, hosts are the Wussow's.

In May we assembled 254 Wisconsin Chapter model 'A's in one place – a new record! The following telegram was sent to J.B. Moates of Fort Worth, Texas:

Greetings!

This is to inform you that the Model 'A' Capitol of the World is in Milwaukee.....Today, May 21, 1989, 254 Wisconsin Chapter Model 'A' Fords gathered at the Milwaukee County Zoo to stomp the Texas Challenge. We regret you were unable to attend.

'A's Always,
J.R. Manning

The July 1989 newsletter also contained a copy of the proclamation by Milwaukee County Executive David Schultz making Milwaukee the "MODEL-A CAPITAL OF THE WORLD". *Well, I guess the record eventually went back to Texas – anyone know what the record is? Sure would be fun to get it back to Milwaukee!*

New Members: Robert/ Anne Bobula, Jerry/Pat Cebe, Jim/Frieda Childers, Joe/Lee LaClaw, Joseph/ Fernanda Michaud, Primo/Helen Moresco, Chrispin/Marlene Polka, Lawrence/Mary Ann Schelling, Scott/ Margalit Selman, Art/Carol Sternhagen

Three new tools have been added to the clubs collection. With the approval of the Board the club purchased a new engine stand which has been modified for use with a model 'A' engine only. Also added by way of a donation was a frame spreader to facilitate the mounting of the motor between the frame rails. The third item added to the collection is a 9/16" eight point socket with a half inch drive to fit the fasteners of the engine main bearing caps.

The July 1989 newsletter also contained a 'Ladies Page' written by Burdella Miller which contained recipes for 'Cracker Bar', 'Puppy Chow', and 'Punch'. Burdella also emphasized the importance of women taking a "Me Day", time spent once a month for doing those things you keep promising yourself you'll do....."if only I had the time".

Famous Old Roadside Rhymes:

I know
He's a wolf
Said Riding Hood
But Grandma dear,
He smells so good --- BURMA-SHAVE

Proper
Distance
To him was bunk
They pulled him out
Of some guy's trunk--- BURMA-SHAVE

The following appeared in the July 1989 newsletter. It was taken from the April issue of Road & Track. I have included only the last few paragraphs:

“Richard Bach once said that old airplanes last forever, unless crashed and have a longer life span than human beings. The good ones – the simple, honest designs can be rebuilt over and over again.

The model ‘A’ I think, is like those old planes. Given reasonable care, it should outlive all of us, and if the supply of gasoline holds out, it could be chugging across the country 58 years from now. Which is more than you can say for most of the cars that passed us on the highway. When Henry Ford built the model ‘A’, he ignored his accountants’ pleas to use lower grade materials and make the car cheaper. He told them that if you make a high quality product, the public would recognize the quality, buy more cars, and the profits would take care of themselves. Ford was a visionary who wanted to build something permanent, a machine with lasting worth and value.

After all these years, the vision is still a good one and the model ‘A’ remains a fine car. Like a Woody Guthrie song or a good guitar, it doesn’t get old, it just gets better.”

Historical Events for July 1989:

TAFFETA...

PICTORIAL REVIEW JULY 1931

BY DIANE SMITH

5670

An extremely smart blouse-brief and double breasted, with easily made kimona sleeves. Make it in Taffeta, and it will add dash and smartness to any costume.

5682 - This is the sort of frou-frou edged petticoat you see peeping from beneath silk afternoon frocks and hear rustling under formal costumes in smart colors.

5667 - Where there are pajamas, there must be pajama slips. This one is beautifully cut and made of flowered taffeta to wear under pajamas of sheer crepe georgette or lace. add dash and smartness to any costume.

May Lake Country Tour, May 17, 2015

The Lake Country theme was chosen because of our passion of the water. We tried to create a reasonable tour with the most lake views as possible. We ultimately saw the sights of 9 lakes, many seen several times from different spots. We had a really great time planning this route out. It was an area that we were not real familiar with before we started our planning.

The tour day started out looking like we would get some rain, but it held off for us all afternoon. We met at the Pewaukee McDonalds and were joined by 30 familiar faces, including Morgan the wonder dog. Nine of the cars were Model A's. To add a little fun we had everyone draw two poker cards to be added to five more at the end of the tour. We then sent everyone on their way through the Lake Country Area to tour for about an hour and a half. The route was just over 40 miles. There were many slow roads, many turns, some narrow and some very bumpy. All participants seemed to fare well but definitely appeared tired and thirsty at the end.

We gathered at the VFW hall in Oconomowoc where we had just enough room to mingle, eat and drink. We had 5 people draw the last of the Texas hold-em style poker hand. Our high-hand winner for the ladies was Diane Smith with a king high flush. Ron Smith had the high-hand for the men, an ace high flush. Don Barske had the highest hand, pair of kings, of the two cards each participant drew at the beginning. Congrats to all.

Thanks to everyone that chose to participate in this event. I hope you enjoyed the tour and all the beautiful views as much as we did putting it together for you!!

ANNUAL OVERNITER TOUR

This year the Club's annual overniter was to Baraboo, Wisconsin. We had 47 members in attendance.

Saturday we toured the back roads on our way to Baraboo, the weather was perfect for our ride. Our first stop was in Columbus, WI where we toured the Christopher Columbus Museum and had lunch. Then it was off to Baraboo via the Merrimac Ferry.

Saturday night we all gathered at the motel conference room for a pizza party. Stories from the day were exchanged and plans were made for Sunday.

Sunday started and ended with rain but it did not seem to get in the way of having a good time. Some members went to Maggie Mae's Barn Dance. We toured the Crane Foundation, the academy of Chainsaw Art and the Wisconsin Big Cat Rescue. Others toured the Circus World Museum, Baraboo Candy Company and the Ringling Mansion. Everyone found something to do. We also had a few members who were lucky at the Ho-Chunk Casino.

Sunday night we had our banquet at the Pump House Restaurant. Everyone seemed to enjoy that. I gave a presentation on the origin of Memorial Day and gave everybody a VFW poppy to wear. We passed the hat for the VFW poppy drive and collected \$70.00. Thanks to all the members who donated to a good cause.

Sunday morning saw more rain and the drive home. Stan Larson lead a group to Portage, WI for a parade and the rest of us split up in groups for the ride home.

Mark, Donna and I would like to thank everyone who attended this year's event. Next year it's off to Door County.

Sharon Model A Day

June 7th 2015

"Twaz a dark and stormy day..." as two Model A's and one modern car plowed through the rain to little Sharon, Wisconsin for Model A Day 2015. Yes, only three cars departed the New Berlin meeting point and braved the ominous weather for the 19th annual "run to Sharon".

The Racine contingent, driving three Model A's, travelled separately via the "southern route" and arrived safely for the day's events.

Fortunately, the rain ended just before we arrived at 8:45 a.m. and it remained dry the rest of the day. However, the brooding weather kept Model A attendance to about half of a normal day's vehicle count. An educated guess would be that about 100 to 125 Model A's were on display.

Some of the morning's delayed entertainment activities occurred in the early afternoon. Again, as in previous years, the "local bank" was held up by some "bad guys" traveling in a Model A. As expected, the "long arm of the law" arrived and conducted a fierce gun battle with the offending gangsters. All the surviving culprits were then hauled off to jail to receive their just dues.

As always, many of us stopped at the Civic Center for homemade pie and ice cream, grabbed a brat from one of the street food vendors or tackled a generous sized ice cream cone from the little shop at the north end of downtown.

Dave Boucher and Mike Brojanac were kept busy finding homes for the various Model A parts they had for sale in the "flea market".

About 1:30 p.m. people were starting to head for home. So, we packed up and retraced our route back to Milwaukee.

Chapter members who made it to Sharon included: (Who did we miss?)
