The official newsletter of The Wisconsin Chapter Model "A" Ford Club of America

VOL LII

ISSUE 6

CIRCULATION 285

JUNE 2011

See the world today in your Model A...

See all the listed events and tours on page 2 in the
Advanced Timing column.

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

Model A Day In Sharon, Wisconsin Sunday, June 5, 2011

It's the 15th annual Model A Day sponsored by The Sharon Main Street Association and The Rock-Ford Model A Club of Rockford, Illinois. Turn back the clock with your Model A by joining over 250 other "A's" in a little rural community of 1,550 friendly folks located about 50 miles southwest of Milwaukee that has changed very little since your "A" was built.

We will meet at McDonald's on South Moorland Road one half block north of West National Avenue (County ES, formerly Hwy 15) in New Berlin. Driving route instructions will be provided.

Officially, the day's activities are from 9:00 a.m. to 3:00 p.m. Because of the approximately 1 ½+ hours travel time to Sharon and the fact that main street parking becomes almost non-existent by 9:00 a.m., we will depart promptly at 7:15 a.m. Please understand that activities start to "wind down" about mid afternoon, therefore, you can head home early either singularly or in a group(s). The way home is the reverse of our morning tour route.

Some of the "out west" folks may wish to join us "along the trail". You can get the route details ahead of time. Questions? Call Bob/Sandi Davisson at 414-543-2424.

Virginia Highlands Car Show

June 18, 10 a.m. to 2 p.m.

W173 N10915 Bernie's Way

Germantown, WI

Directions: 1/2 mile south of Mequon Rd., 1/4 mile west of Division Rd.
on Bernie's Way

**CALLING ALL PARADE PARTICIPANTS!!
BRING YOUR FLAGS AND OTHER 4TH OF JULY CAR DÉCOR!!**

Come and join Linda, Morgan the wonder dog and I for the 2011 Franklin 4th of July parade. The parade line up starts at 9:30 a.m. on highway 36 north (Loomis Road). The line up location is just east of Hwy 100. The parade starts at 11:00 a.m. so we'll need to be lined up by 10:15-ish as the staging area gets pretty crowded. The parade length is approximately a 1/4 mile long and we should be through the parade by 12:30 p.m. (Yes Morgan will be dressed for the holiday). If you have any questions please give me a call. Dave Huenink at 262-378-4216.

JULY TOUR

Wisconsin has a proud history of pioneering manufacturing processes. One of those is deep drawn steel and aluminum. This technology resulted in pots and pan production. Come see a bit of this history at the Regal Ware Museum.

When: July 17th At 12:30 PM

Start: Mc Donald's On Port Washington Rd. just north of Mequon Rd. in Mequon

Destination: The Washington County Historical Museum for Regal Ware otherwise known as the Pots and Pans Museum in West Bend, WI.

Costs: Entrance fee \$3.00/person

Our guide will be Jessica who will open the museum just for us on Sunday.

Afterward, our meandering country drive will return to Mequon for snacks and beverages in the shade of Taurman's backyard. Bring your chairs.

The South Milwaukee Heritage Days parade will be held on Saturday, July 23.
We will meet at 10:00a.m. at 9th Ave. and Milwaukee Ave.
In SOUTH MILWAUKEE. Carl Doro - host

**Come and join Linda and Dave Huenink on
 "The Model A Turn Back Time Tour"
 Sunday September 25th, 2011.
RESERVATIONS REQUIRED.**

The tour will start at the Oconomowoc Historical Museum, 103 W. Jefferson St, Oconomowoc WI at 10:00 a.m. We'll be given a guided tour of the museum and its artifacts. As part of the tour, there is a DVD presentation of famous places and homes in the Oconomowoc area. At Approximately 11:45 we'll leave the museum and take a tour of the countryside. We'll then stop at Hoofbeats Express for a pizza party and spend some time admiring some restored antique horse drawn wagons. We'll then be escorted to our own horse drawn wagon for a leisurely tour of the prairie.

We are limited to 18 people so RESERVATIONS ARE REQUIRED!! Please RSVP to Dave Huenink at 262-378-4216 by September 11, 2011. The club is picking up the cost of this event so if you are unable to attend please call to cancel as there may be a waiting list. Bring along a chair.

***SOMETHING NEW* A MUST READ**

There have been additions to the Club's name badges. Added are 35, 40, and 50 year badges.

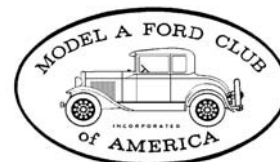

The badges are now as follows:

- | | | | |
|-------------|--------------|-------------|-------------|
| 1-9 Years | Yellow Badge | 35-39 Years | Green Badge |
| 10-24 Years | Black Badge | 40-49 Years | Red Badge |
| 25-34 Years | Silver Badge | 50 Years | Gold Badge |

As you reach the milestones in your membership, you will receive the appropriate badges. The new badges will be mailed out to members who have already reached the milestones. Qualified members will receive by mail their new badges in the next couple of weeks.

Wisconsin Model A Reunion

July 29-31, 2011

The same weekend as the Model A Reunion, there are other happening in the Rapids area. Because of this, motel rooms are going fast. If you need a motel for this weekend, make your reservations as soon as you can.

Anyone planning on attending this event is asked to please pre-register. You will save \$5 on your weekend and help the Reunion order the right amount of supplies. You can find the pre-registration form on the Reunion's web site at <http://clubs.hemmings.com/wirapidsmodela>.

As you start to shake cabin fever off this winter, and you head out to the garage to organize your Model A stuff, remember that any items that you no longer need would make a great item to donate to the Model A Reunion auction. Non-Model A items are also needed. Just remember no junk, and nothing that is broken.

Along with the auction, raffle, and 50/50 raffle, there will again be a Silent Auction this year. Clubs are asked to have their members donate items to their club's basket for this. There are three categories, Men's, Women's and Children's. Remember that all income from the auction, raffles, and 50/50 drawings help to offset the cost of the next Reunion, helping to keep this event affordable for everyone.

Help is also needed throughout the weekend. All participants ages 16 and above are required to sign up

for a job duty. Some of the areas to help out include kitchen, car games, garbage and era fashion judging (2 judges per club).

To help speed up the Chapter Team events, all clubs are asked to have their teams - including cars, drivers and passengers, selected **before** the Sunday lunch is over. Help to run these games is also needed to be lined up before these games start.

The club's kitchen duty assignments are as follows:

- Food Prep** Saturday..... Wisconsin Chapter
Sunday..... Wisconsin Region
- Clean-Up**..... Saturday..... Central Wisconsin
Sunday..... Nickle A

For any questions, please see the Reunion web site at <http://clubs.hemmings.com/wirapidsmodela>, or contact the Reunion by e-mail at wirapidsmodela@netwurx.net.

Wisconsin Chapter
Board of Directors Meeting Minutes
May 14, 2011**

In attendance: Mike Quam, Dave Boucher, Dave Huenink, Paul Piotrowski, Neil Besougloff, Steve Lewis, Gene Taurman Absent: Mike Clinnin, Mike Yokofich

The meeting was called to order at 7:03 p.m. by Mike Quam. Nothing to report

Vice President – Dave Boucher- It was reported we have a new member, Kevin & Karen Loose, from Plymouth Wisconsin which brings our paid membership to 268 members. A motion was made by Neil B. and seconded by Steve L. to accept the new member. The board voted and approved. Paul P. and Dave B. went to Make a Wish foundation and presented our donation. They were appreciative.

Secretary Report – Dave Huenink – One correction was noted for last months minutes and was corrected. A motion was made by Neil B. and seconded by Paul P. to approve the amended minutes. The board voted and approved. We received 4 newsletters from reciprocating car clubs. Also received a correspondence from MAFFI regarding the facility being constructed in Gilmore and another letter thanking us for our donation of a brick. We received a thank you note from Make A Wish foundation. and some correspondence from the Diablo A's indicating they have technical video's available for sale.

Treasurers Report – Paul Piotrowski – We received a letter from the department of treasury indicating we may have to e file our taxes in the future. Another line item was created under revenue for donations and another under disbursements for donations. Dave B. made a motion to approve the treasurers report and Gene T. seconded. The board voted and approved. No bills were presented and dues from one new member turned in.

Outdoor – Gene Taurman – A request came from Dodge County for some cars for their October Fest event. The feeling was it is similar to the Threshree we attend so we decided the event will be put in the Wheeling the A under things you should know.

A request came from Mark Ackermann for us to be in an event at Harry's Boon-docks Car & Cycle Show. This event will be in the newsletter under things you should know. A request also came in informing us of an event on State Street in Milwaukee. We received the information too late to put in Wheeling the A. Cheryl Prochnow is still looking for help with the picnic including "callers" for the carnival games. The overnigher event in Fond Du Lac has 62 people signed up for the banquet and 66 for pizza. 32 of the 35 rooms on hold for the event have been taken.

Sunshine and Awards – Steve Lewis – Dane Kane was in the hospital and is now in Alexian Village for rehab.

Old Business – Dave Boucher – We discussed badges for 35 year members – either green or orange. He gave out a list of 35 and 40 year members. A motion was made by Dave B. and seconded by Paul P. that we give out green buttons for 35 year members. The board voted on it and passed.

The 18" x 36" car banner design and wording was discussed. We want to make the banner to indicate where we are located so there is no confusion with the other clubs in the state. The banner is made out of nylon and will be hung from the cars bumper. A motion was made by Gene T. to order 20 and seconded by Dave B. The board voted on it and passed. Several board members expressed an interest in purchasing the banners.

New business – Mike Q. brought up the idea of another charity. Dave B. suggested St John's Military Academy but the thought was to decide on another more needy organization. We'll think about it for another month for ideas.

Dave B. made a motion to adjourn and it was seconded by Neil B. the board voted and we adjourned. The meeting was adjourned at 8:02 p.m.

Reminiscing with the Historian

This article is from the July 1958 issue of the Model "A" Ford Club News Bulletin.

May 13th

It was Mothers Day: but the fathers shown with brilliance as the first three places in the May economy run were garnered by three fathers. The only Mother entered placed last. That was Blanche Pagel who should have stayed in bed! For her efforts Blanche received the booby price, one used carburetor, (that's Blanche holding her carb. In front of her coupe) the judges figuring it couldn't be any worse than the one she was running. Blanche was out of the running when she made a wrong turn and put on something like 75 miles.

This run was planned by Bill Gunderson and Demo Staver in cooperation with Mary Ann Zager.

Results: These are official for the 42 mile run:

1 st place	Ken Laur	42 Mi.	1.7 Gal.	24.7 M.P.G.
2 nd place	Stan Schulze	42 Mi.	1.8 Gal	23.3 M.P.G.
3 rd place	Demo Staver	42 Mi.	1.89 Gal.	22.1 M.P.G.

Third place was crowded with 3 cars, all which used 1.9 Gal. of gas. Bill Gunderson withdrew because he had run the course previous to the meet to plan the route. Third place was decided between the two remaining by a flip of a coin. Watch for the Economy Run meet next year and make sure YOU enter!

Submitted by Art & Sue Blazek

Economy Run Winner Ken Laur & his 1928 Roadster Pickup

Last Place, Blanche Pagel and her 1930 Sport Coupe

Notes From The President

Welcome to another month of Wheeling the A. If you missed the May tour you missed another good one. Thanks to the Davissons for our tour to the American Champion Aircraft Corp. it was very interesting. We've got some great tours ahead so keep an eye on the calendar and try to join in when you can. Thanks again to everybody that stepped forward to run an event it sure helps keep our club fun and interesting. Speaking of stepping forward, please think about joining the board. It won't be too long and we will again be looking for volunteers for the board of directors and volunteer positions.

If you remember from last month I was going to the championships for team trivia, our team did quite well in my opinion. We played against 31 teams in the Milwaukee area and against 121 teams statewide. We finished in 12th place in Milwaukee and 25th place statewide not bad for first timers.

As I write this column the car shows in the area are in full force so if you're interested in going to any check out the "Things You Auto Know" on page 14 of this publication or the event calendar at www.wednesdayniteclassics.com There are many good car shows out there to keep you entertained all summer long. Until next time, keep on A-ing.
-Mike Quam

Board of Directors Position Description

TECHNICAL COMMITTEE CHAIRMAN

Technical Committee Chairman Duties

- In-house technical seminars are normally held at Mail Truck Model A Parts, 8509 S. Howell Ave., Oak Creek, WI (414-762-7288).

Technical Seminar time and date need to be coordinated in advance with Al Downs and Tony Baudo at Mail Truck.

- Outside (road trip) seminars need to be coordinated with the business hosting the seminar.
- Write a brief description about the upcoming seminar and forward the article to the editor of the chapter newsletter prior to the 15th of the month. The Technical Committee Chairman should write a summary of the activities completed at the seminar for inclusion in the next newsletter.
- Seminars shall be of automotive interest. Chapter members will/can be asked, via the newsletter, for input.
- Any seminar videotaping shall require board approval.
- Insure that the facility is cleaned after the seminar.
- The Technical Committee Chairman is responsible for seminar refreshments. Refreshments shall include the following or some combination of the same.
 - Lite can beer, regular can beer, Pepsi or Coke, diet caffeine free Pepsi or Coke, 7-UP, Mountain Dew, bottled water and Munchies.
- Staple all seminar purchase receipts to club check request form and submit to Wis. Chapter Treasurer for reimbursement within 60 days of purchase.
- The Technical Committee Chairman is responsible for the Safety Inspection Program of the Wisconsin Chapter. The Safety Inspection shall be as listed on the attached.

11/01, Retyped, Editorial Revisions, 03/05, Updated, Rich Miller, 04/09 Roger Olsen

THE REARVIEW MIRROR.....

We survived the May 2011 tour to the airplane factory.

It was a chilly, gloomy and windy Sunday as we descended on the American Champion Aircraft Corp. (ACA) just outside Rochester, Wisconsin.

47 hardy souls in 14 Model A's and eleven "modern" cars were welcomed by ACA's Chief Test Pilot, Mr. Dale Gauger.

The Champion lineage goes way back to the 1920's and the Bellanca Aircraft Company. Originally, Charles Lindbergh and his St. Louis financial backers wanted to buy a Bellanca for Lindbergh's attempt to fly the Atlantic solo. However, Bellanca would only sell them a plane with the condition that Bellanca provide the pilot. Of course Lindbergh wanted to be the one to make the flight so the deal fell through. He then went to San Diego, California and the Ryan Aircraft Company, struck a deal and the result was the famous Spirit of St. Louis.

Of the half dozen different models available today; four are in Standard category and two are fully airbatic aircraft. One of the airbatic models is the Citabria..... Now, I wonder what the origin of that name would be?

Their basic model starts at about \$110,000. The top airbatic Super Decathlon starts at \$168,000. After adding on numerous options, the price can go upwards of \$200,000 plus. Options include engine horse power size, instruments, avionics (radios, etc.) and other accessories. ACA currently employs about 50 people and it takes about six weeks to complete an order as, basically, they are hand built.

Two hours after we started, Dale had walked us through the entire process of what is involved in the construction of the classic line of Champion aircraft. We presented him with a Certificate of Appreciation from the chapter, had a little photo op and then headed for Callanan's Pub in West Allis for some liquid refreshments and snacks. Everyone really went for the home made kettle chips..... a house specialty.

We had a great time. If you didn't join with us..... You missed out on a really neat tour.

By the way..... The Citabria model name is airbatic spelled backwards.

Bob and Sandi Davisson, Tour Hosts
