## Wisconsin Model A Reunion

July 24-26, 2015

The same weekend as the Model A Reunion, there are other events in the Rapids area. Because of this, motel rooms are going fast. If you need one for the weekend, make your reservations as soon as you can.

Anyone planning on attending this yearly event is asked to pre-register, this will save you \$5 on the weekend. You can find the pre-registration form on the Reunion's web site listed at the end of this article.

As fight cabin fever this winter, and head out to the garage to organize your Model A stuff, remember that items that you no longer need are great items to donate to the Reunion Auction. Non-Model A items are also needed. Just remember no junk, and leave the broken stuff at home.

Along with the auction and raffle, there will again be a Silent Auction this year. Each club is asked to make at least one basket, having their members donate items to fill the basket. There are three categories, Men's, Women's and Children's. See the Reunion web site for a list of ideas for your baskets. Clubs are not the only ones that can make baskets, individuals can make one also.

Remember that all income from the auction and raffles help offset the cost of next year's Reunion, helping to keep this event affordable for everyone.

Help is needed throughout the weekend. All participants ages 16 and above are required to sign up for a job duty.

Correction from last month: It was reported in the May 2015 club newsletter that Paul Piotrowski's sister passed away. Both of his sisters are alive and doing quite well. It was Pat's sister whom had passed away unexpectedly this last March.

## HOSTS NEEDED

Looking for hosts and ideas for indoor meets. The Christmas party is covered. I am also looking for hosts and helpers for the banquet. We will have a pizza party in November and the custard social in January., So I'm just looking for hosts and ideas for meets.

## WI RAPIDS

I am the chairperson of the WI Rapids reunion this year. On Friday before the auction we will be having a corn roast. If you are bringing things for the auction please make sure it is something you would bid on yourself.

Baskets are needed for the silent auction. They do not need to be expensive. We are working on new car games, so if you have never been or haven't been to the reunion in years, please try and make it there this year.

Thank you!

## RAPIDS REUNION INFORMATION

Hello to our Model A family – I am sending this letter on behalf of the CWC Silent Auction committee in preparation for this year's Model A Reunion.

There has been some confusion as to who can donate a basket for the silent auction and how much it should contain, so I would like to clarify!

The silent auction is a separate entity from the raffle ticket items that each of our participating club's donate. The silent auction consists of a wrapped basket of treasures in varying types that people can bid on silently (via paper and pen) in front of the basket. These baskets are encouraged by all members of each club who would like to donate and participate!! The more the merrier, as 100% of the profit is put into the reunion fund! Last year the silent auction total brought in \$779.00

We would like to see more participation from each club's members. It is a fun project to do, and even more fun winning the basket you want!

If you would like ideas on what type of basket to make, please let me know via email and I can send you out a list of ideas. There are great ideas on Pinterest also.

We ask that the baskets not be too elaborate or expensive. Small baskets for kids are great, so they can spend a few of their own dollars. Homemade items ALWAYS go over well, and don't forget baskets for men.

Support our reunion weekend – it is well worth your time and money!

Thank you,

Joey Burnett, CWC MAFCA

### **Cars needed for car show**

The church I serve - the First Presbyterian Church of Ottawa, at the junction of Hwys C and D just south of Dousman - is planning its third annual summer festival for Sunday, June 21 (Fathers' Day) from 12:00 p.m. to 4:00 p.m. There will be lots of music played by different musicians from the area outside with guitars, basses, mandolins, autoharps, harps, etc. Food served, ice cream social, and old cars display. All Model A's are encouraged to come - free ice cream to those who attend with their older car. Please call new member Pastor Keith Jones so we can plan on your being there and being sure there is room and food for everyone who comes.

Keith Jones (new member) 262-696-4074

### **You are invited to the 27<sup>th</sup> Annual Amerifest at Spring Creek Church on Sunday, June 28<sup>th</sup>**

There will be three identical Patriotic Concerts at 8:00, 9:30, & 11:00 a.m. with free picnic lunch to follow. As you know, one of the major highlights of the day is our opportunity to honor hundreds of veterans for their service to our country. If you know a veteran, please do invite them to attend this year's event. The always popular Classic Car Show and Kid's Activities will also be available after the concerts.

We will be privileged this year to be joined by Jason Church – Wisconsin native and recent Purple Heart recipient. Check out this article about his background and the bravery he displayed in Afghanistan where he lost both of his legs and endured more than 20 surgeries. As part of the concert we will all be inspired by Jason's story. <http://www.ncaa.org/about/resources/media-center/news/jason-church-named-recipient-2014-ncaa-inspiration-award>

**This event is FREE** but we do require registration so we can guarantee you a comfortable seat in the concert of your choice and your lunch. Because of the popularity of this event we do ask for a specific registration for each person who will be attending so that we can have an accurate count for both the concerts and lunch.

We will be collecting non-perishable food for local food pantries, so if you would consider a generous contribution that day it will go to meet real needs in our local community.

You can find more information and the links to register on the Amerifest page of the Spring Creek Church website - <http://www.springcreekonline.com>

Questions? Feel free to send me an e-mail at [mpoelzer@springcreekonline.com](mailto:mpoelzer@springcreekonline.com).

Treasurer – Jack Grundman

June 2 – HILL CLIMB, the Wussow's and Weckwerth's have a fun day planned. We will meet at the Mayfair shopping center at 2:00. The hill climb will take place at the new Sunburst Ski Lodge at 3:00. June 16 – Impromptu Tour/Polo Match, meet at Brookfield Square at 11:00 to attend a polo match at Olympia in Oconomowoc. Bring lunches, drinks, chairs, and your 'A'.

June 30 – Brunch with the Broads. (*...err make that Boards*) Meet our national board of directors and enjoy a brunch at the Americana Hotel, site of the 1986 world meet. We will also host a national board meeting.

July 4 – Independence Day Parades, this year we are invited to parades at Brown Deer, Greendale, and Hales Corners.

July 20-21 – 5<sup>th</sup> Annual Car Show/Swap Meet, Chairman is Mike Brojanac. We're trying to set a record of 100 model 'A's on display at State Fair Park. (*Is it possible we could do it again?!*)

New Members: James C. Cobb/1928 Tudor, Thomas R. Burgermeister/1931 pickup truck

Sunshine Report: Lorraine Schultz was in the hospital for some day surgery.

'A' Tip (by Mike Grundman) - When driving your model 'A' keep in mind that all of its many parts are all about 57 years old (*youngsters, now we're in our mid-eighties*). With a busy touring season ahead your car must be in tip-top shape. Make sure you have enough spare parts along for both short and long trips.

**Continued on next page**

Necessities should include points and condensers, jack, lug wrench, and a good spare tire. Timing gear, generator, distributor parts, water pump and fan/belt also are helpful. Always remember whether driving a new or old car, that the auto was made by humans....so anything can happen. Expect the unexpected. This year each car that is safety checked will receive a first aid kit.

For Sale – buy “A” ’86 WORLD MEET SHIRT. Promote our 1986 World Meet. The shirts sell for \$12.50.

## HOW TO GROW YOUR CLUB!!!!

As club historian I spend some time reading through older newsletters and I am amazed at how active this club used to be. In the June 1985 issue, besides the elected offices of President, Vice-President, Secretary and Treasurer, there were twelve other people involved in running our club – from Outdoor meet Chairman to Club Property Chairman. I know some of the positions still exist and are filled while others have been consolidated due to a lack of volunteers. I know the club has grown older and many feel that “I’ve done my time”. If we want the club to remain vibrant we need to be involved and grow it with active members. I know some of us are active with tours and even parades but the best way to promote the club is by word of mouth, which doesn’t happen while driving. A few weeks ago I attended my first real car show – Jack Griffin’s All-Ford Ice Breaker. Registration was \$12/car with proceeds going to a charity. So, I cleaned and polished the ‘A’ and entered. At first I was the only ‘A’ but soon I was joined by two others from “that other model A club”, the Great Lakes club. I am proud to say I took first place in my class, but that isn’t the point. The point is I talked with many people and exchanged emails and have a young man and his wife who have expressed an interest in joining the club. He had bought an ‘A’ over a year ago and is not confident about driving it. Now in last month’s newsletter I asked if there was any interest in attending the 2015 Waukesha Bluesfest (see below) and I received only one contact. Here is an opportunity that costs you nothing, provides music from nationally known groups, art display/sale, food, and fellowship with club members. Most importantly is the opportunity to meet the public, talk with them and promote your club. I had hoped for ten cars on each day, so far I have two. What have you got to lose – drive to the festival and sit for a few hours while listening to blues music. Anyone else interested?

Thanks - Bob Schmiechen

## IS THERE ANY INTEREST IN ATTENDING THE 2015 WAUKESHA BLUESFEST???

The 2015 Waukesha Bluesfest ([www.waukeshabluesfest.com](http://www.waukeshabluesfest.com)) will be held Friday, August 7, and Saturday, August 8. You would be invited to attend either day or both days. Two tickets will be provided free for each day you attend with your Model A. We would like you to arrive between 12:30 p.m. and 1:30 p.m. Please stay until 6:30 p.m. but you are welcome to stay until closing at 10:30 p.m. The event is held at Naga-waukee Park in Delafield located on Highway 83 about one mile North of I-94. I understand we had a poor model ‘A’ turn-out last year and I would like to see if there is any interest in continuing this event for this year (it is not listed on our calendar of events). If you are interested please contact me at 262-544-5005 or Robert\_06@att.net and let me know which day(s) you would attend. If there is enough interest I will see if we can make this happen.

Thanks - Bob Schmiechen

## Looking Back in the Rearview Mirror

### Spring start up tour

It was the spring, ice breaker, blow out the carbon, brake checking, back road and laid back scenic tour. Weather forecast was rain, never on a Model A tour or parade. Weather? Beautiful!!

We had 12 Models A's and 7 modern iron, as we traveled the back roads, some that local members had not traveled on.

The winners of the road quiz were allowed to select from Model A parts that were donated by Cathy Bleidorn. The parts belonged to her father Fred. They were active clubs member for years. We had carburetor, horns, wipers, head light reflectors and lens, bearing, coils other spare parts. To Cathy we say A big thanks you

Winners were Mike Quam, Dave Boucher, Steve Lewis, Chuck Morgan, and Art Blazek

Other winners were members that enjoyed the beautiful touring day in Wisconsin, and the food at the Hitching Post Bar & Grill.

To all, the Engels and the Larsons say thanks.

Chuck Morgan
