*The official newsletter of The Wisconsin Chapter Model "A" Ford Club of America*

VOL LI    ISSUE 3    CIRCULATION 267    MARCH 2010

2010 Board of Directors. From left back row: Dave Huenink, Steve Lewis, Gene Taurman, Paul Piotrowski, Dave Boucher.  
From left front row Roger Olsen, Bob Davisson, Sue Quam and Mike Quam

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

Wisconsin Chapter, Inc. MAFCA Technical Seminar  
Get Your Model "A" Ready For Outdoor Touring  
Thursday, March 18, 2010 @ 7:00 p.m.

We will go over how to plan for a trouble free driving season! We know you will want to drive your "A" to the great fun events our outdoor chairman and his hosts have planned for this year!!

Did you know Tony and Al have a brand new motor on the stand?! They thought of some new and different problems that might occur as you travel. You will get the chance to diagnose and fix possible problems that could happen as you drive your "A" down the road.

2010 Million Mile Challenge**

*By Dick Przywowski*

Our Wisconsin Chapter MAFCA is going to be a part of the National's Million Mile Challenge from January 1st, 2010 to September 30th, 2010. It's going to be real easy to be part of the challenge. All members have to do is keep track of their miles driven each month and report them on a monthly basis to the Outdoor Chairman, Dave Boucher by e-mail (outdoor@model-a-wis.com) or phone (262-662-2273). If you are driving more than one Model A, let us know because at the end of the challenge there will be a window decal awarded for each car used in the challenge. Our part of the Challenge will most likely start in March with the St. Patrick's Day parade. Remember to record all your miles. Not just during club events. Lets all get out and drive our A's. If you are a member of more than one club, report your miles to only one club.

**"Tribute to Model A Loving Pa"  
by Joe Schwark**

We had just assembled a lot of the components that we had rebuilt and restored in the chassis. My father had come over with my mother and brother to see the progress. He said he could just cry at the sight of it, since he thought he would never see it going back together. I had gotten the car from my dad Harold, who had run National Super Service Mobil station on 40th and National in the late 50's and early 60's. He got the car from an old gentleman customer and brought it home in '62. It was parked in our backyard on 6th and Lapham for 14 years until I moved out of the house and took it with me. It was in my garage in a house I bought and then I moved and it followed me to Raymond in 1979. I took it apart in 1983 and it sat. Then I tore down my garage and put an addition on my house, remodeled the rest of the house and raised a family. With Aaryn now 22 and an interested partner, it was time to continue, however I needed a garage with room to do it so we built one. Now we have a place and the Model A club to help us with information and confidence. Al and Tony at Mail Truck parts have just been a wonderful help in our project. My sister bought me a membership for Christmas one year and that's how we got hooked up with the club. Whew! Now you know why my father said he could just cry, it's

been a long journey. My goal was to get it done so he could have a ride in it. That will not happen, as he passed away in January. However when we take it out for the maiden voyage, the front passenger seat will be for pa to ride along with me. Pa had old cars in his blood and I think I got a transfusion!

## From The President

Well it's already been a month since I became president and everything is still going smoothly. I figured it would, we have a great group running and supporting our club. Aside from the monthly duties of running the club, I don't see any real issues facing the board, but rest assured if we come up against any issues, we have a great group assembled to handle them. Please feel free to contact myself or any board member with any question you may have at any time.

Thanks to Dave and Donna Boucher for a great banquet and thanks to all that supported by attending and donating auction items. I know we had a great time and certainly had plenty of good food. Thanks again everyone!

Thanks to Kitty Schaefer for our February meeting entertainment. It was great to see such a young group taking an interest in eras gone bye.

Well as the short days of winter get longer, it means the touring season is approaching and we have a great bunch of tours in the works. I know Dave has all our dates filled, but please remember we always have room for your ideas or extra tours. We can always make room for more events as they come up so please don't think the calendar is already full. Just like Jell-O, there's always room for more! Please remember to check the advanced timing section of the newsletter as it updates every month. Remember it's never too early to volunteer or sign up for an activity.

As we approach our last indoor event before the touring season hits, please bring your Chili / Salsa / Chocolate and especially your appetites. I'm sure this event will be a hit again.

If we don't know each other, let's meet at the next event. I always enjoy meeting and talking to people. You never know who has the question or answer that can help your project or just a great story to tell.

See you next month,

Mike Quam

## WI Chapter MAFCA Membership Meeting Minutes for February 14, 2010

**Present:** Mike Quam, Paul Piotrowski, Dave Boucher, Steve Lewis, Roger Olsen, Bob Davisson, Dave Huenink, Sue Quam **Absent:** Gene Taurman

President Quam called the meeting to order at 1:30 p.m. with the Pledge of Allegiance

**Vice President – Gene Taurman:** Mike reported in Gene's absence. We have one new member, Steve & Eleanor Gapko of Kenosha with a 1930 Coupe.

**Secretary – Sue Quam:** A motion made by Pat Larson and seconded by Bob Sonnen to accept the previous meeting minutes as written. Currently we have 262 members. The Wheeling the A will now come folded in half.

**Treasurer – Paul Piotrowski:** Treasurers report was read, an invoice was turned in for swap meet advertising.

**Outdoor Meet Coordinator – Dave Boucher:** March 13<sup>th</sup> is St. Pats parade, but we have not been invited yet, members should watch the Wheeling and the website for further information on the parade. Check Wheeling for April and May tours. Stan Larson spoke on behalf of the Memorial Day over night trip. Stan also thanked everyone for the cards and visits during his hospital and rehab stays. The Waupaca trip promises to be a fun one. Stan also told us about the June 13<sup>th</sup> tour in which all purple heart veterans are invited to attend. Model A's are encouraged to attend.

Memorial Day parade will need cars. Contact Bob Sonnen if you can attend.

June 7 – 11 is a regional MAFCA meet in Omaha, Nebraska.

We will not be doing a Pony Express tour. The trip would be very long, taking possibly three weeks.

Mitchell Manor car show is cancelled, due to an anniversary at the manor.

We will be doing the million mile challenge this year. Start reporting your miles on a monthly basis to Dave Boucher. If you're a member of two clubs, report your miles to only one club.

Mega picnic – registration will start in May. Members will need to sign up to bring a dish to pass. We'll need volunteers to help cook, clean up, etc. There will be no guest fees so bring your children and grand children.

**Indoor Meet Coordinator – Steve Lewis:** March's event will be the chili/salsa/chocolate cook off. This will be the last indoor meet until November.

**Technical Meet Coordinator – Roger Olsen:** March's seminar will be on getting ready for the touring season.

Tony at Mail Truck Model A has a new engine rebuilt on the stand for the roadside seminar.

**Club Accessories – Bob Davisson:** The order form for clothing is in the newsletter and on the website.

**Sunshine & Awards – Dave Huenink:** Joe Schwark's father passed away, Dave Uihlein and George Wright also passed away. Marge Pierce is home and doing well after her recent surgery.

### **Old Business:**

**Banquet:** Dave Boucher gave the report on the recent banquet. After the silent auction and the bills for the banquet, we netted a profit of \$97.26 Thank you to the Davissons and Janssens who stepped in to help in Stan's absence.

**Swap meet:** Need volunteers to help with various jobs. This year we will use wristbands to help eliminate those people who sneak in.

### **New Business:**

There are a few By-Laws that need to be updated. Article III, Section 2, Paragraph A. Remove #1 and Adjust #2 to read "first to ten years". Next is Article V, Section 5, Remove the word telegram. These changes would need to be voted on at the November indoor meeting.

Dave Huenink proposed the idea of getting sponsors for the club. Maybe have levels of gold, silver, bronze, depending on the donation amount. Sponsors would then receive free advertising in Wheeling the A. Kitty Schaeffer asked if we could accept money from sponsors as we are a non profit organization. Art Blazek said we could, it would be considered a donation from those sponsors. Being no negative comments, Dave will work on this idea.

Dave Boucher reports that the Gundrums are having a car show August 28<sup>th</sup> at their home in West Bend. They would like to get as many Model A's as they can. We will promote this in Wheeling the A, but it is not club sponsored event.

Bob Sonnen and Neil Besougloff suggested that we put into the minutes how many people attend the indoor meet.

Carl Doro reports the photos from the banquet are on the website.

Motion to adjourn was made by Pete Stauber and seconded by Gene Engel. 2:05 p.m.

# Reminiscing With the Historian

FIFTY YEARS AGO, 1960 - No information available.

FORTY-FIVE YEARS AGO, 1965 - An indoor meet was held at Straton's Hall on Bluemound Road. Everyone discussed the dance held in February and agreed that it was the best ever. They sold 231 tickets and consumed six half-barrels of beer.

FORTY YEARS AGO, 1970 - The committee was working hard with only nine weeks left before we hosted the National Convention. A total of 9000 registration forms were sent out. We also held an indoor meet, a swap meet, and participated in the St. Patrick's Day parade.

THIRTY-FIVE YEARS AGO, 1975 - We participated in the St. Patrick's Day parade and in the evening we had a club dance at St. Aloysius. There was also a seminar on the correct coil to use on the Model A.

THIRTY YEARS AGO, 1980 - A men's seminar took place at Avenue Brake Shop on how to rebuild transmissions. The Wausau Antique Auto Club provided a slide show at the indoor meet.

TWENTY-FIVE YEARS AGO, 1985 - The month started with an ice cream social at the indoor meet. We had a seminar at Avenue Brake Shop on the history of car frames through today's unit body construction.

TWENTY YEARS AGO, 1990 - We again had an ice cream social hosted by the Wackers and Karen Sukkert. The St. Patrick's Day parade was held on North Avenue and hosted by Don Schoenke. Paint and equipment was the topic of the seminar presented by P.P.G. Parts Hut from Waukesha.

FIFTEEN YEARS AGO, 1995 - A seminar on tune-ups was held at Avenue Brake Shop in preparation for the upcoming touring season.

TEN YEARS AGO, 2000 - We participated in the St. Patrick's Day parade. We had a touring seminar at Schwabe Improvement facility in Muskego. At the indoor meet, we had a puzzle contest.

FIVE YEARS AGO, 2005 - Eric Haban and Bob Sonnen hosted the Pinewood Derby, and the St. Patrick's Day parade was hosted by Stan and Patty O'Larson.

Wisconsin Chapter, Inc. MAFCA Technical Seminar  
Doing A Model "A" Valve Job  
Thursday, January 21, 2009 @ 7:00 p.m.

Tony showed us how we can do a valve job with just the hand tools we have available in our Wisconsin Chapter club tool crib. Tony and Al presented a great hands demonstration at our seminar at Mail Truck Model A Ford Parts Company. The Valve Grinding went well at our January Seminar.

Tony instructing Ron how to hand grind valve seats to the proper degree easily by hand.

Tony showing the new type valve to Aaryn which will be installed in this motor. This is after all valve seats have had the shavings cleaned out.

See the neat well done hand grinding job on the valve seats by our Model A volunteers? Notice "#8" on a valve? Each valve is fitted individually. Notice also how the block is sealed off so that shavings will not fall in any ports. This makes it easier to clean out the block.

Tony installing the valve. Notice how the valve spring is compressed so he can install keepers to hold the valve spring in place.

Jim, Dennis, and Jim paying close attention to Tony instructing us how to properly grind valve seats.

Tony adjusting the clearance with the feeler gauge on the adjustable valve lifters. He will set the correct gap on the lifter.

## IT'S HISTORY

The Banquet of 2010 is now in the history books. We had 110 members in attendance.

It was quite the night with the silent auction, which provided some great values. The 50/50 raffle, was won by Anne Wacker. The alternator raffle, was won by Carl Doro. There was also door prizes and table center pieces.

One down side of the evening was the absence of our silent auctioneer, Stan Larson. He was in the hospital with a mild stroke. He is now home and doing well. The Davissons and the Jannsens stepped in to fill the void left by Stan. A big thanks for helping with a big job.

As in the past there were some gag awards. Next time you see Sandy Yokofich ask her about her special hamburger and don't forget to ask Paul Piotrowski if backing up his driveway is faster now. Also, Ron Smith now has some additions to his pig collection.

Besides all the tour awards, other members who were present to receive their milestone awards including 35-year members Walt and Sally Kaufman and Dave Neuman, 25-year members Ed and Joyce Churchill and Jack and Mary Lou Manalli, 10 year members Chris and Kate Rozman.

The other awards of the evening included member of the year presented to Bob and Sandi Davission. The MAFCA service award was presented to Walt and Sally Kaufman and the bent wheel award went to Gene Engel. We also had some special guests, Al and Mary Downs and Tony and Lynn Baudo from Mail Truck Model A and Ron and Eleanor Schneider from Leon's Custard.

Donna and I would like to thank all the members who helped to make this banquet possible, the silent auction donors, the door prize donors, and all the members who stepped up to help us the night of the banquet. Thanks also to all who attended. Without the members coming out to the events, the events mean nothing.

Dave and Donna Boucher

## SILENT AUCTION DONORS AND BUYERS

I want to say "A" BIG THANKS to all the donors that generously donated some great items for the Banquet. I missed the banquet but was informed the bidding was fast and furious. To the high bidder we say thanks also, as you made some good buys and helped the club. You raised in excess of twelve hundred dollars. Thank You !!!!!
