Memorial Day Parade - May 25th

We are pleased to invite you to join us on Memorial Day, Monday, May 25th, 2015 to participate in the 150th annual Memorial Day parade. The parade is to remember our veterans who gave their lives while in service of their country, so we can enjoy the freedoms and securities we have today.

The parade will gather at 1:00 p.m. at the corner of North 4th Street and Michigan Street at the Carl Zeidler park downtown Milwaukee. It will then proceed to Veterans Park on Milwaukee's lake front. The parade will begin promptly at 2:00 p.m.

Lets make this a great tribute to our veterans who have given so much of themselves for our country. It's a day to honor the dead by serving the living.

Notes from the President.....

Hello Everyone

I hope you all got through our cold weather snap. By the time you read this we will be through our club swap meet, thanks to all our volunteers for the help, it makes the event go smoothly for everyone. For all the people that helped out please join us at the thank you lunch at New Berlin Ale House see the paper for details.

Our club calendar is filling up nicely, our first outdoor meet of the year in April and is still in need of a host, if you are interested in running a tour contact Neil ASAP as time is quickly running out.

Our March indoor event is going to be a talk about bee keeping so try to attend as it's our last indoor gathering until the November pizza meeting. The November indoor meet is still in need of a host as is our Christmas party, so if you may be interested in hosting either of these events please contact our indoor meet chairperson Karry. I realize this may sound like it's early to ask for volunteers but after this next indoor meet we will not be back indoors until November and that's a little late to look for hosts as we need to book entertainment for Christmas if we're going to have a party.

We have a lot of great outdoor tours set for the upcoming touring season so keep watching the newsletter for the details. Remember if you host an event you need to get information to the editor starting three months prior to the event and a post event report for the newsletter.

I would like to thank our club banquet hosts for another job well done the murder mystery was a lot of fun. The 2016 banquet is without a host, we will probably reserve the hall at Meyers again unless a new host would like to hold it at a new facility. If you would be interested in running the banquet we have had a suggestion of an afternoon banquet on either a Saturday or Sunday. If this is an idea that interests you please contact Karry, myself or any board member.

That's all for this month if you have any questions call or talk to me or any board member anytime.

- Mike

'A' Trip Back to March 1976

Officers:

President – Leroy Spellman
Vice President – Jack Grundman
Secretary – Dan Krause
Treasurer – Gene Engel

Mar 11 – Women's seminar at Brojanac's to work on spring tour surprises.

Mar 13 – St. Patrick's Day parade. 18 cars are already volunteered, Jack Achterberg is the chairman. Mike Grundman missed the parade because the clutch linkage on his '28 sedan broke. Wizzy's vice grips and Mike's skill held the part together until he made it back to Waukesha.

Mar 14 – Indoor meet at Stanton's 5218 W. Bluemound. Discussion to include the swap meet and the Nashville tours. Movies to follow the meeting.

Mar 18 – Men's seminar at Brojanac's brake shop. Our program will be the body work slides as used in the WCTI course on auto repairs. Lee Spellman did a great job in teaching 67 'students' about shrinking metal, grinding procedures, abrasives and painting.

Mar 20 – Dance time at the Wisconsin chapter dance. Advance tickets are required and a few are still available from Bill or Mary Hermann. Gonzaga Hall is the place and 9:00 p.m. is the time. Last year was a sell-out and it looks like it will be the same this year. We are still in need of some door prizes.

May 16 – Swap Meet, State Fair Park, chairman is Gary Zehren. This year's event will include a Model 'A' car show to draw people from the general public. Indoor spaces for vendors will be \$6.00 each and general admission will be \$1.00, food and refreshments will be available from the Wisconsin State Fair Concessions.

Sunshine Report – Jo Fischer fell while ice skating and is seen hobbling around on crutches, sympathies are offered to Robert Greve family at the loss of Bob's mother and also to the Mel Degner family at the loss of Mel's sister, Mildred.

New Members: James & Corinne Hartman 1929 Sport Coupe; Robert & Chris Heins 1931 Coupe, Tudor, Roadster, 1930 Fordor, & 1929 Pickup; Doran & Terry Hughes 1929 Special Coupe.

The 1976 Roster is available and can be picked up at the March indoor meeting. This year's roster contains over 350 names, the largest ever and an increase of 50 names over last year.

Mike Brojanac has "volunteered" to take an inventory of cub property so that we know what the Wisconsin Chapter has and where to find it when it is needed.

The March 1976 newsletter also contained an article by Murray Fahnstock "Ford Also Makes a One Ton Truck" as well as an article "Why Patented Ford Valves Are Better" from the Ford Dealer and Service Field for July 1931. *If you have an interest in either article, let me know and perhaps I can get a copy emailed to you.*

Wisconsin Model A Reunion

July 24-26, 2015

The same weekend as the Model A Reunion, there are other events in the Rapids area. Because of this, motel rooms are going fast. If you need one for the weekend, make your reservations as soon as you can.

Anyone planning on attending this yearly event is asked to pre-register, this will save you \$5 on the weekend. You can find the pre-registration form on the Reunion's web site listed at the end of this article.

As fight cabin fever this winter, and head out to the garage to organize your Model A stuff, remember that items that you no longer need are great items to donate to the Reunion Auction. Non-Model A items are also needed. Just remember no junk, and leave the broken stuff at home.

Along with the auction and raffle, there will again be a Silent Auction this year. Each club is asked to make at least one basket, having their members donate items to fill the basket. There are three categories, Men's, Women's and Children's. See the Reunion web site for a list of ideas for your baskets. Clubs are not the only ones that can make baskets, individuals can make one also.

Remember that all income from the auction and raffles help offset the cost of next year's Reunion, helping to keep this event affordable for everyone.

Help is needed throughout the weekend. All participants ages 16 and above are required to sign up for a job duty.

New items this year. There will be a corn roast on Friday, between 5:00 and 7:00, before the auction. There will be a Hubley Derby Technical Seminar held Saturday morning. The Blind Line car game has been replaced with a game that involves throwing a projectile over your car.

The club's kitchen duty assignments are as follows:

Food Prep Saturday Wisconsin Chapter
Sunday Wisconsin Region

Clean-Up Saturday Central Wisconsin
Sunday Nickle A

For any questions, please see the Reunion web site at <http://clubs.hemmings.com/wirapidsmodela>, or contact the Reunion by e-mail at wirapidsmodela@frontier.com.

Highlights from the Planning Meeting for the clubs to share with membership:

- Please pre-register. Pre-registration form is included with this mailing, and is also on the Reunion's web site.
- The \$5 discount for pre-registering does not apply for a Day Pass.
- As always, the rooms in the Wisconsin Rapids area go quickly, be sure to reserve your hotel reservations ASAP!
- Each club needs to donate an item for each of the raffle categories: a \$50 item for the Men's, a \$50 item for the Women's and a \$25 item for the Kid's. These need to be single items for one drawing from each category, not several little ones to make up several drawings.
- Please bring your dishes to pass for the Pot Luck in disposable containers, as this makes clean up go faster.
- Anything that you bring for the Pot Luck line needs to be ready to be served. This includes slicing any fruits and vegetables. The kitchen staff does not have time or space to do this.
- Each club is asked to assemble a basket for the Silent Auction, with a suggested value of around \$25. More than one basket may be donated, and individual members may also donate.
- Every registered participant, 16 years and older, needs to sign up for one job on the Duty Roster. Help is always needed to help run the car games.
- Teams and helpers for the Chapter Team Events need to be selected by lunch time on Sunday. Clubs that do not have complete teams and helpers on the game field are subject to disqualification.
- On Saturday, there will be a Hubley Derby Technical Seminar under the overhang.
- Do not bring junk to the auction. If it don't work, or it's broken, don't bring it.
- There will be a corn roast held on Friday, between 5:00 and 7:00. Cost will be \$1/ear. When it is gone, it is gone.
- The Blind Line has been replaced by a new game that involves throwing a projectile over the roof of the Model A.
- A suggestion was made to drop all adult awards, but keep them for the kids. A vote by the participants will be taken during this year's award ceremony.
- Every registered participant, 16 years and older, gets to vote in the People's Choice Award.
- Use of a cell phone must be hands free while driving in the city of Wisconsin Rapids, otherwise a ticket can be issued. The exact city limits of Wisconsin Rapids can be hard to judge.
- "This Lady Drives A Model A" will happen again this year. Model A driving lessons by someone other than spouse or relative.

Looking Back in the Rearview Mirror.....

Technical Seminar on January 15th....

The weather was very good to us on this day . . . especially for the month of January in Wisconsin! We had a very good turn-out of Model A artists.

Our project for the evening was wood-graining Randy & Ellen Kind's dash, all the window trim parts and the dash for their 1930 Fordor. Every one seemed to have fun creating different designs. At first, Randy liked his first design. Then someone else created another look that he liked better.

After looking over all of the designs at the end of the evening, Randy decided to take all the trim home. He was planning to clean off the work he had done so he could re-create the new designs created at the seminar.

You will be able to see what our Model A designers created when you see his Model A going down the road this summer. Check his Fordor and see how nice it turned out.

February will be a Mystery Seminar because our Wisconsin weather determines what we are planning to do.

Thank You All For Your Help

ANNUAL BANQUET

On January 24th, 2015, our club had its annual banquet with 89 people in attendance. We were celebrating the difference we make in the community and in history with our Model A's. The evening was also about celebrating our club's accomplishments and many memories we have shared at our events over the last year.

The evening was filled with fun and started with a social hour which included appetizers and cocktails. During the social hour, our entertainers from Jest Entertainment assigned roles to various club members and started the performance. We enjoyed a great family style dinner at Meyers Restaurant. Upon completing dinner, the entertainment continued. We had our usual silent auction, which was a success and our 50/25/25 raffle. Thanks to all who bid on items in the silent auction and who purchased raffle tickets. A special thanks goes out to all the members who donated items to the silent auction. We also had many wonderful door prizes. Congratulations to all the winners.

Some of the highlights of the evening were the special awards. This year's member of the year was awarded to Art and Sue Blazek to recognize their continued long term selfless service to the club. Steve Gapko received the bent wheel award. In 2014, there were 24 chapter events during the year which is a phenomenal number. We truly want to thank all the hosts who have volunteered their time and energy to plan and coordinate these events.

The entertainment this year was provided by Jest Entertainment from St. Louis who performed a murder mystery. Thanks to several of the club members who volunteered to assist in making the performance fun and exciting for the group.

There were many hardy laughs during the evening and a few people laughed so hard they had tears coming from their eyes. You might want to talk with Harry (aka Mike Yokofich wink, wink) and ask if he learned a few new moves (namely the worm, monkey, polka and butterfly) during the performance. Thanks Mike for being such a good sport!

The Lewises and Hueninks would like to thank all of the members who helped make this an enjoyable evening. A special thanks goes to Art and Sue Blazek for handling the silent auction and making it a success and also Sandy Yokofich and Mary Powell for handling the check in area. Also, we would like to thank Kelly Lewis (Steve and Deb's daughter) for doing a great job in selling raffle tickets.

It is truly an honor to be part of a club that is so dedicated to the preservation and restoration of the Model A Ford.
