## From The President

Hello everyone, as I write this month's column the spring start tour is right around the corner, unfortunately we are not able to attend. I know the hosts have a great tour planned, so please attend if you can and show your support to the hosts.

With the driving season getting into full swing, please keep track of your Model A mileage and turn it in to Dave Boucher, our outdoor chairman for the million mile challenge. Remember if you are a multiple club member, only turn your mileage into one club. A quick reminder for some of the newer members it's always a good idea to carry a few spare parts and a basic tool kit with you, a fire extinguisher is also a must.

Last month our audit committee performed an audit of our club books and once again our books were in outstanding order. Thanks Paul for a great job as treasurer! I would like to thank the Piotrowskis for hosting the audit committee at their home. I would also like to thank the Davissons and Bouchers for helping with the audit.

As the MAFFI liaison, I now have the raffle tickets for the 1930 Tudor sedan that is the fund raiser for their new museum. The tickets are 1 for \$10.00, 3 for \$25.00, or 9 for \$50.00 if interested in supporting this cause please contact me for tickets. If you would like to learn more about MAFFI check out their website [www.maffi.org](http://www.maffi.org) The museum is scheduled to be built at the Gilmore car museum in Michigan. For information about them checkout there website [www.gilmorecarmuseum.org](http://www.gilmorecarmuseum.org) The drawing for the car is to be held July 1, 2011. So good luck to everyone that participates. You can contact me on my cell phone if interested in tickets. 414-491-3191

See you next month  
Mike

**Wisconsin Chapter MAFCA Board of Directors Meeting Minutes for April 10, 2010**

**Present:** Dave Boucher, Gene Taurman, Steve Lewis, Paul Piotrowski, Roger Olsen, Sue Quam, Bob Davisson, Mike Quam. **Absent—**Dave Huenink

President Quam called the meeting to order at 6:58 p.m.

**Vice President - Gene Taurman:** One new application for membership. Randy Resch of Waterford, with a 1930 Coupe. Motion made by Roger O. and seconded by Dave B. to accept the new member.

**Secretary - Sue Quam:** A motion by Roger O. and seconded by Paul P. to accept the previous meeting minutes as written. Currently we have 270 members.

**Treasurer - Paul Piotrowski:** Treasurer's report was read, a motion to accept the report was made by Roger O. and seconded by Gene T. Bills were turned in for payment. Motion made by Roger O. and seconded by Dave B. to pay the bills. Income from new member dues and from accessory sales was turned in. It was noted that income from the paid advertisers was deposited in the bank.

**Outdoor Coordinator - Dave Boucher:** Upcoming events were gone over. Dave Huenink is planning to do a tour on Sept. 19th to a winery. The picnic notice is ready for the newsletter. The Sharon tour will include a meeting point for the folks coming from the Racine area. The cemetery tour is being presented by a professor who knows the history very well. There will be press there to cover the event.

**Indoor Coordinator - Steve Lewis:** Santa is secured for the Christmas party. Still need someone to host the party. The custard social will be hosted by Cherly Prochnow. February will be era trivia by the Quams and new members Lynn & Dennis Wagner have signed up to do a cook off of some type in March.

**Technical Coordinator - Roger Olsen:** Suggestions for seminars for next year are appreciated.

**Club Accessories & MAFCA Correspondent - Bob Davisson:** Nothing new to report.

**Awards & Sunshine - Dave Huenink:** Member Kenny Ziebell passed away April 2nd. Memorial plaques for the Rapids reunion memorials will include three lines for information.

**Old Business:** Swap Meet Committee, Paul P. will be in charge of the east building. Roger O. is asking people to be part of the committee to take over certain areas of the swap meet.

**New Business:** Roger O. has suggested the club check into getting a bank safety box to keep backup discs of important data in. Paul P. will check into safety box prices at various banks.

**Budget:** Paul P. handed out financial reports. Everyone looked them over and discussed them. Discussion on how to do the budget, it was decided to keep it simple. BOD members should come back next month with numbers in mind for the budget.

Paul P. has suggested that a standard operating procedure be made for doing the club audit. Paul will work on this.

Discussion on door prizes for indoor meetings and their quality. Sue Q. read from Jan. 17, 2009 meeting minutes where a motion was made that three door prizes equaling \$50.00 be bought.

Mike Q. has the tickets for the MAFFI raffle, anyone wishing to purchase them can contact Mike Quam. Drawing for the raffle is July 1, 2011 (this is not a typo— raffle ends July 2011)

A motion to adjourn was made by Roger O. and seconded by Paul P. 9:30 p.m.

Submitted by  
Sue Quam, Secretary

## Reminiscing With the Historian

FIFTY YEARS AGO - 1960 - No information is available.

FORTY FIVE YEARS AGO, 1965 - Thirteen A's participated in an economy run that started at 27<sup>th</sup> and Capitol Drive and ended in Hustisford. Wes Campbell won first place and averaged 24.4 mpg.

FORTY YEARS AGO, 1970 - The first outdoor event of the season was an economy run through the Kettle Moraine area and ended at Phantom Lake. Art Peterson won first place, averaging 26.6 mpg.

THIRTY-FIVE YEARS AGO, 1975 - We participated in a Memorial Day parade in Sturtevant. A poker run rally was held, starting at Brookfield Square, covering 49 miles, and ending up with a potluck dinner.

THIRTY YEARS AGO, 1980 - We participated in the Menomonee Falls Memorial Day parade and the Wisconsin State Lions Convention parade. The 15<sup>th</sup> annual swap meet was held at State Fair Park.

TWENTY-FIVE YEARS AGO, 1985 - We toured the Golden Rondelle Theatre in Racine, which is owned by Johnson Wax Co. We viewed two documentary films. Then we toured the Wind Point lighthouse.

TWENTY YEARS AGO, 1990 - An overnight tour took us to Oshkosh, where we stayed at the Hilton Hotel. A second tour took us to Bob Adams Antique Mall in Caledonia. The month ended with a Memorial Day parade in Elm Grove.

FIFTEEN YEARS AGO, 1995 - We were invited to the Story Hill Open House tour. The residents of Story Hill opened their homes to the public and we were asked to park our A's in their driveways.

TEN YEARS AGO, 2000 - A Memorial Day weekend was hosted by the Rozmans and Stegners. We stayed at the Park Plaza Valley Inn.

FIVE YEARS AGO, 2005 - Twenty Model A's and ten modern cars turned out for the high roller tour hosted by Fast Eddie and Lucky Gene, and their wives Lorraine and Joan.

3. Perform a quick visual inspection of the engine compartment, the crankcase, the undercarriage, the tires and the overall condition of your car

**B. DAILY**

1. Check the distributor point spacing
2. Check the water pump for leaks and play
3. Check the radiator, hoses and head gasket for water leaks
4. Check the carburetor and fuel line for leaks
5. Visually inspect the engine compartment, crankcase and undercarriage for abnormal oil leaks or other irregularities
6. Check the hubs, wheels and tires for abnormalities
7. Be ever watchful for loose nuts, loose bolts or loose electrical connections

**C. WEEKLY OR EVERY 1,000 MILES**

1. Check the battery water level. If water is being boiled away, reduce the charging rate
2. Lubricate the distributor bearings and the distributor cam
3. Lubricate the water pump bearings
4. Lubricate the generator
5. Check the fan for cracks. Is the hub tight?
6. Check the fan belt for tension and wear
7. Examine the tires for breaks, cracks or abnormal wear. Check air pressure
8. If necessary, re-torque all lug nuts

**D. EVERY 2,000 MILES**

1. Grease all lube fittings
2. Change crankcase oil and filter. Those without a filter may wish to change oil more frequently. Examine the sludge on the drain plug for any warning signs.
3. Check differential, transmission and steering gear oil levels
4. Add grease to "U" joint (only if necessary)
5. Drain the carburetor bowl and sediment bowl. Examine the deposits. Check fuel flow rate

**E. EVERY 5,000 MILES**

1. Remove, examine and regap the spark plugs
2. Check compression
3. Check and adjust the ignition timing
4. Inspect the brake system. Readjust wedge at each wheel as necessary
5. Re-torque the rear wheel axle nuts
6. Change the differential and transmission oil

**F. EVERY 10,000 MILES**

1. Drop the engine pan and adjust the rods and mains\*
2. Check valve tappet clearances. Take careful note of compression values. Do not grind valves if unnecessary. If one or more need attention, a complete valve job is recommended.
3. Remove front hubs. Inspect brake lining, shoes, drums and actuating mechanism. Inspect bearings and races. Check for unusual grease deposits. Repack.
4. Remove rear hubs. Inspect linings, shoes, drums and actuating mechanism. Inspect bearings, seals, keys and keyways. Repack and reassemble.
5. Lubricate speedometer shaft
6. Rotate the tires
