# Waukesha Christmas Parade November 21, 3:15 p.m.

The club will be participating (with our cars) in the 59th Waukesha Christmas Parade. As in years past, we will decorate our cars in the Christmas spirit to celebrate the season. There is a rumor that Santa will be in attendance and will be checking on his list to see who has been naughty or nice. The parade will take place on Sunday, November 21<sup>th</sup> at 4:00 p.m. What "A" great opportunity to bring out our "A's" one last time before we put them to bed for the long winter. The weather at the parade has been in our favor nearly every year.

The parade starts at 4:00 p.m. so we will plan on lining up at 3:15 p.m. This will give us plenty of time to decorate our cars, look at the other participants floats and listen to the bands play some seasonal music. For those interested in driving to the parade together, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:45 p.m. for some hot chocolate before we head to the parade. The restaurant is on the Hwy 164 by-pass just south of Moorland Road by all the car dealerships on the east side of Waukesha. If you have any questions, please feel free to give Dave or Linda a call at 262-719-1056.

We look forward to seeing you there!!!

Dave and Linda Huenink!!

## Presidents message:

Hard to believe summer is behind us and I'm tell you all "Happy Thanksgiving" already. Take those beautiful sunny Sunday afternoon rides while you still can, before we know it winter will be here.

Coming up in November is the first indoor meet with a general membership meeting followed by pizza and refreshments. Remember indoor meetings are at Greenfield Park Lutheran Church - 1236 S. 115th Street in West Allis.

It's that time of year again to ask for members to volunteer for board positions and other volunteer positions. If interested please contact me or any board member. I can remember the days of actual elections for the board of directors, so many members wanting to be on the board. One member told me he ran three times before being elected. I know families are busy with many things these days and I've said it before, this is our club and for it to continue we need volunteers. Check the job descriptions and by-laws on the website under "members only" section.

We are in need of event hosts for the January custard social/election and a February event. Events can be anything fun and or interesting. Contact Mark Ackermann to sign up for a month. Thank you,  
-Mike

Club Photographer position is open. If you're interested please contact any board member.

# 'A' Trip Back to Nov. 2004

Leading the club back in 2004 was Dennis Wacker (President), Roger Olsen (Vice President), Bob Sonnen (Secretary) and Paul Piotrowski (Treasurer).

The Veteran's parade took place in Milwaukee on November 6 and was hosted by Ed and Joyce Churchill.

Our Indoor Meet was on the 7th and included the proposal to change the term for serving on the board from three years to two years in hopes of influencing more members to serve on the board. Requiring a by-laws change, it was approved by the membership with a two-thirds majority. Our meeting also featured the Antique Road Show, Wisconsin Chapter style. Members were encouraged to bring one or two items for appraisal by our experts Kelly and Linda.

The technical meet, held on the 11th, addressed fender dent repair. Al Downs demonstrated how to remove and smooth out a dent as well as prime and paint the repaired areas.

Sunshine had reported that John Vassh had recently passed away from an accident at his home. He, along with Sandra had been members since 1985. Also, Dane Kane was hospitalized and recovering at home as was Joan Semrau.

This month we feature Hunter's Delight (Pat Hammond, from WI Chapter, "A" Road to Good Cooking)

½ lb. cubed pork  
1 (4 oz.) pkg grated cheddar cheese  
½ lb. cubed veal  
½ pkg Kluski noodles  
1 can cream of chicken soup  
1 small can whole kernel corn  
1 can cream of mushroom soup  
1 green pepper, chopped

1 can water

Brown meat and put in a casserole dish. Mix together soups, water, corn and peppers, mixing well.

Cook noodles, drain and add to soup

mixture. Pour over meat mixture and sprinkle cheese on top. Bake in a 350 degree oven for one hour.

Bette Schlesinger provided a fashion page on 1928 sports clothes for women. Sports clothes are young, vital, modern. They are the last contribution to fashion. They are as new as radio. As symptomatic of the epoch as air ships.

An article with photos describing Bob and Kitty Schaefer's home and life style appeared in the Milwaukee Journal on August 29, 2004. Their home was one of seven homes in the Bay View Home Tours on September 11th. Kitty's thinking is the home should reflect the interests of the folks who live there. As such it includes flowers everywhere (Kitty's love of gardening), a large anchor in the front yard (their love of scuba diving), and a leaded glass car reflects in the window.

# Looking back...

## Cozy Nook Farm

On September 26<sup>th</sup>, 2021, twenty-one people with seven Model A's, a 1937 Ford and two modern cars left McDonalds in Big Bend for a journey through the country side headed to the Cozy Nook Farm near Delafield. The journey took the group through four counties, rolling hills and the wooded country side. After a two-hour drive, we arrived at the Cozy Nook Farm and were greeted by Tom Oberhaus. The group was given the history of the farm which started in 1834 near the present day Goerkes Corners. In 1957, the land was purchased by the State of Wisconsin to build I-94 and the move was made to the Delafield area. Most of the 65 cows are Guernsey and Brown Swiss which we had an opportunity to meet. Tom took us to the milking parlor and gave us an explanation of the milking process. The cows get milked twice a day – morning and night- and once they are done, they are head back to the barn or pasture to enjoy the day and get fed. Tom shared a lot of information with us but the one item that stands out is that Wisconsin was not always a dairy state. For many years Wisconsin was known for its grain.

Tom and his Kathy have a breeding program and there are many of their cows throughout the world. People which come to their farm from other countries to see their cows and to make arrangements to get involved with their breeding program. There is not a bull on site as they can be a “challenge”.

Once the tour of the farm was over, the group went on a hay ride. We enjoyed the scenery, got to feed some cows, and had good conversation. Once we finished our visit at Cozy Nook Farms, we headed to LeDuc's Custard to have some sweet goodies.

The weather was perfect, as was the company. I would like to thank all of those that attended the tour including Mike and Dan Zahoric from the Model T club.

Regards Dave Huenink
