October President's Notes

Well A-gang... this fall is ushering another wave of new adventure in our constantly changing world! Despite the exhaustion of 10 hours a day of teaching with a mask on, constant cleaner spraying and yelling through plastic desk barriers to my students, I feel excited for the fall! Fall is the best season for going out for a ride! I might even have to cruise one of the old cars into work one day!

Each era in history undergoes a transformation, currently we are first hand living the global shift to a new econo-

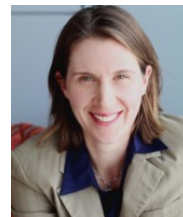

my, way of schooling, way of communicating and much more. Amidst all the excitement, frustration or discomfort, our little club continues on.

Together we are the stewards of a small bit of American history, getting ever more buried by the growing digital stream of a speeding new age. Let's show everyone out there how to slow down a bit.

Take care everyone!

Gratefully yours,

Kate Rozman

Club Mission Statement

It is the intent of the Wisconsin Chapter to serve as a medium of exchange of ideas, information, and materials for admirers of the Model A Ford and Model A era fashions; to help those admirers become better acquainted; and to maintain among its members the spirit of good fellowship and sociality through sponsored activities including the use of the Model A and family participation.

IMPORTANT NOTICES:

Due to personal situations our acting vice president Mark Flintrop has stepped down from the board. Per the Club By-Laws, the Board can fill that term by appointing someone. Mike Quam was asked to fill the position, he accepted and the board voted to have Mike fill the remainder of Mark's term. Thank you to Mark for your time while on the board

! Fermentation tour is going to be held as scheduled. With Covid -19 as it is, will be able to be socially distant if you so desire. **I am requesting that the membership RSVP** if you are coming or not, as Linda and I will be having refreshments / food and we want to make sure we have enough for everyone. You can either respond to this email or call us at 262-719-1056, In this year of Covid-19 and only a few tours, it will be nice to get out with our "A's" and see everyone.

Fermentation Tour

October 11, 2020

We will meet at McDonalds, S71 W23466 National Ave, Big Bend, Wisconsin on **Sunday, October 11, 2020 at 10:00 a.m.** for some breakfast (which will be on your own). We will depart at 10:30 ish and tour the country side as we head to **Brightonwoods Orchard** in Burlington Wisconsin. The orchard was established in 1950 and they have over 4000 dwarf and semi-dwarf fruit trees. They grow many different types of produce such as apples, grapes, quince and pears. Items that can be **fermented** in to alcohol. At the peak of the season they have 40 varieties of apples available. Brightonwoods Orchard has over 200 heirloom apple varieties and the apple selection change's weekly, depending on the ripening and picking schedule. Brightonwoods' emphasis is on preserving existing heirloom varieties and growing standard and newer commercial varieties. Apple cider is also made on site and is available. We'll be able to walk around the orchard, visit the apple barn, and stroll through the wooded trails. They are especially beautiful when the leaves are changing color

A collaborative venture with **AeppelTreow Winery** began in 2001 and they are also on site. We'll be able to stop there also. AeppelTreow Winery & Distillery is a producer of small batch cider, perry and spirits. The winery specializes in apple and pear fruit wines, hard ciders and dessert wines. An on-site distillery allows the winery to also produce special brandies and sorghum whiskey. We will be able to sample up to five samples for free. For instance, something in each style, limit one distilled item. per person, but couples may share if they choose.

If you have any questions please contact Dave or Linda Huenink at 262-719-1056.

See ya soon. Dave & Linda

PIZZA PARTY

*The touring season is almost over. **November 8, 2020** is the start of our indoor meeting season and the club is going to kick it off with a pizza party.*

- Meet and greet our new club members.*
- Chance to reminisce with your friends about the adventures you had this summer with or without your Model A.*
- And of course, delicious pizza.*

***Remember - we will be at our new meeting place:
Greenfield Park Lutheran Church
1236 S. 115th Street
West Allis, Wisconsin, 53214***

The pizza party promises to be a good time. We look forward to seeing you then. If you have any questions or concerns please feel free to contact your hosts Dave & Linda Huenink at 262-719-1056.

2020 Waukesha Christmas Parade Drivers Needed

The club will be participating (with our cars) in the 58th Waukesha Christmas Parade. As in years past, we will decorate our cars in the Christmas spirit to celebrate the season. There is a rumor that Santa will be in attendance and will be checking on his list to see who has been naughty or nice. The parade will take place on Sunday, November 22th at 4:00 p.m. What "A" great opportunity to bring out our "A's" one last time before we put them to bed for the long winter. The weather at the parade has been in our favor nearly every year.

The parade starts at 4:00 p.m. so we will plan on lining up at 3:15 p.m. This will give us plenty of time to decorate our cars, look at the other participants floats and listen to the bands play some seasonal music. For those interested in driving to the parade together, we will meet at Culvers Restaurant at 1720 Hwy 164 at 2:45 p.m. for some hot chocolate before we head to the parade. The restaurant is on the Hwy 164 by-pass just south of Moorland Road by all the car dealerships on the east side of Waukesha. Also, should by chance this event be cancelled due to the Covid- 19 virus, we will be participating in the Midnight Magic parade in Mukwonago on December 5th, 2020. I have told this event will be transpiring regardless of Covid-19. Please RSVP to Dave & Linda if you plan to attend the parade so we can contact you if there is a change in venues. If you have any questions, please feel free to give Dave or Linda a call at 262-719-1056.

We look forward to seeing you there!!!

Wisconsin Chapter 2020 Memorial Overnighter September 4 - 7, 2020 By Jan Olsen

Since we were starting a Model A tour, we thought it appropriate A Model A Ford should be the leader for our Wisconsin Chapter 2020 Memorial Overnighter on Labor Day Weekend. The 1930 Model A Town Sedan was followed by a 1965 Mustang, 1970 Thunderbird and 2013 Ford Edge. Our Ford vehicles journey began at Kwik Trip in Oconomowoc on a sunny and clear day with perfect temperatures.

We took a quick ride across the Wisconsin River on the Merrimac Ferry. We stopped at the Log Cabin in Baraboo for a delicious lunch. Then we had to try some pie to see if it was as tasty as we were told. It was!

The Model A Ford continued leading us towards La Crosse on excellent Model A roads taking off from Hwy 33. You do know what is a Model A road? It's the twisting zigging up high, zagging down low, and zig zagging back and forth road. It's the blacktop road that challenges you to get to the top and back down again only to repeat the ups and downs and zig zags again and again and again!.....Again!!

We started out early Saturday morning with the idea to stop at Bloedow's Bakery in Winona, Minnesota to purchase bakery goodies. However, as we turned the corner close to Bloedow's, we noticed a long line of people that was continuing to grow much longer as we drove closer. We decided we didn't need bakery because we had to be down the road in an hour. Later we found out long lines happen lots of days at this bakery!!

We arrived at the National Eagle Center in Wabasha, MN, where we had reservations for a 90 minute self guided tour. The Center has many interesting displays and short videos about eagles. It was a privilege to see three live eagles. These were eagles that could not be released back into the wild because they would not be able to survive on their own.

We crossed the Mississippi River back to Wisconsin and headed towards Alma. In Alma we began traveling on another Model A Road. We saw a sign for Danzinger Winery about half way up the hill, so we pulled in to give our vehicles a break. Cheese and crackers were enjoyed by all while we taste tested several varieties of wine. It was a beautiful Wisconsin Saturday afternoon sitting in the light breeze on their patio overlooking the Mississippi River.

We continued on our scenic Model A Road to see Soldiers Walk in Veterans Memorial Park in Arcadia, WI. This park is a tribute to veterans of all wars and conflicts. There are many exceptional memorial statues of fighting men and women who paid the supreme sacrifice for the freedom we enjoy today. This is a beautiful and peaceful area and it was well worth the time to walk through the park.

Early Sunday morning there was lots of thunder and rain. Fortunately, the rain stopped, started to clear, was almost dried up by 8 a.m., and appearing to be a nice day. We got together about 9:00 a.m. to discuss what we wanted to do. Since the discussion took a while, we decided to consider lunch as we were closing in on lunch time. Buzzard Billy's in downtown La Crosse served us a leisurely lunch. Then, to complete our afternoon we found more Model A roads for us to travel on.

Monday we started back home retracing our original drive under overcast skies, but did not have any rain. It was a perfect Model A overnighter!
